## THREE SENIORS NAMED SCHOLARS IN SCIENCE TALENT SEARCH

### Millburn Township Public Schools

Congratulations to Eric Wang, Jacob Winick, Andy Xu, seniors in the Millburn High School Science Research Program taught by Dr. Susan Arrigoni under the supervision of Ms. Gina Cocchiaro, Science Department Chair.

As a capstone to the science research program students apply to the Regeneron Science Talent Search. Regeneron STS is the nation's oldest and most prestigious science and mathematics competition for high school seniors. Eric, Jacob and Andy have been named by The Society for Science as a top 300 Scholar in the 82nd Regeneron STS.

These three students were selected from 1,949 applications from 627 high schools across 48 states, Washington, D.C., Puerto Rico and four other countries. Scholars were chosen based on their outstanding research, leadership skills, community involvement, commitment to academics, creativity in asking scientific questions and exceptional promise as STEM leaders demonstrated through the submission of their original, independent research projects, essays and recommendations.

These 3 students' projects represent research in several different science disciplines:

- Andy Xu - Computer Science
- Jacob Winick - Cellular and Molecular Biology
- Eric Wang - Plant Sciences

### ERIC WANG

Project Title: Effects of Various Soil Microbiomes on Native and Invasive Plants

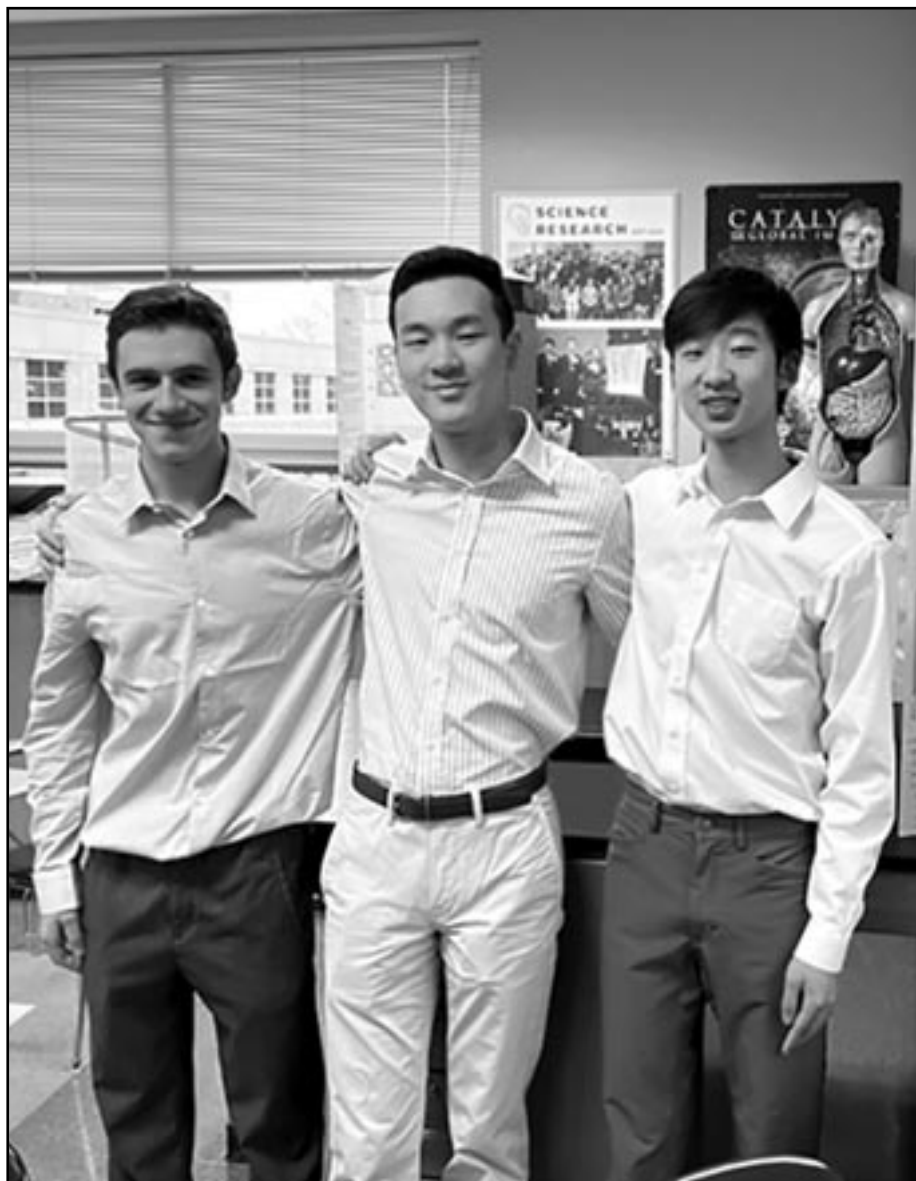

### JACOB WINICK

Project Title: Targeting Neoantigens Derived From the ZRSR2 Mutation in Hematologic Malignancies

### ANDY XU

Project Title: VAPOR: A Novel Approach to Power Forecasting in a Photovoltaic Microgrid

This is an extraordinary accomplishment deserving of much celebration! In recognition of this achievement, each scholar will receive \$2,000, and Millburn High School will also receive \$2,000 per scholar to use toward STEM-related activities.

Finalists will each receive \$25,000 and will participate in a week-long competition in March. Finalists will share their research with the public, participate in judging, meet top scientists and form relationships with one another as they compete for more than \$1.8 million, including the first-place prize of \$250,000. We will continue to keep you posted as to Eric, Jacob and Andy's success.

The competition is owned and produced by Society for Science.

Throughout its history, the competition's alumni have been honored with 13 Nobel Prizes, 11 National Medals of Science, six Breakthrough Prizes, 22 MacArthur Foundation Fellowships and two Fields Medals.

## JACK MERIMEE APPOINTED TO VACANT SEAT ON BOARD OF EDUCATION

At the January 9 Board of Education meeting, the Board heard statements from 8 candidates interested in completing the one-year open term left by the departure of Jamie Serruto from the Board.

Statements were presented by Scott Barishaw, Robert Chang, Asaf Farashuddin, Cynthia Longley Richards, Jack Merimee, Ward Myers, Sara Singer and Nidhi Thakur. Each candidate shared information about themselves and their reasons for wanting to join the Board of Education.

At the end of the meeting, the Board went into executive session to discuss the candidates, and they returned to the public session with nominations for Mr. Merimee and Mr. Farashuddin. Mr. Merimee received enough votes on the first round of voting to appoint him to the seat.

Board President, Louie Shen, thanked all of the highly-qualified candidates for their interest and support of the Millburn Schools community and encouraged those who were not selected to continue volunteering in our schools and to run for a 3-year term on the Board of Education in November. The deadline for candidate petitions

to be on the ballot for the 2023 Board election is July 31, 2023.

Mr. Merimee was formally sworn-in as a member of the Board at the January 23rd BOE meeting.

# CONGRATULATIONS POETRY CONTEST WINNERS

**Millburn Township Public Schools**  
15 Washington students have had their poetry accepted for publication in the Creative Communications national anthology. 4 students are from Mrs. Sharon Jones's after school Poetry Workshop activity and the rest were submitted from her class.

According to the Creative Communications notification, "The teachers and students of your school should feel honored as only the top 50% of the entries submitted from across the nation are invited to be published! Publishing the accepted poetry from our contest creates a record of what is important to today's students."

Mrs. Jones also notes that Washington School has had 4 "top ten" winners in the past - an even greater honor to be among the top ten national poets. Those will be announced in March - so maybe we'll have a top ten winner among the group.

# COMMISSIONER OF NEW JERSEY DEPARTMENT OF LABOR AND WORK FORCE DEVELOPMENT ATTENDS HOME INSTEAD PINNING CEREMONY HONORING 6 NEW CERTIFIED DEMENTIA PRACTITIONERS

On Tuesday, January 24th, HOME INSTEAD in Millburn celebrated 6 new Certified Dementia Practitioners. Rob Asaro-Angelo, Commissioner of the New Jersey Department of Labor and Workforce Development, attended the celebration. Commissioner Asaro-Angelo praised HOME INSTEAD for investing in its employees, through a US Department of Labor Registered Apprenticeship, and its commitment to better working conditions, including higher wages and benefits. His encouraging words to the honorees reinforced that the learning journey has just begun.

Nicole Field, Apprenticeship & Training Representative, US Department of Labor, and HOME INSTEAD's liaison, offered best wishes from Michael Blatt, NJ State Director Department of Labor. Ms. Field continued to speak about her passion and belief in the Apprenticeship program and the opportunities it provides to its participants.

Jonathan Sym, a Short Hills resident, a member of the board of the Millburn Short Hills Chamber of Commerce and the son of a HOME INSTEAD client, spoke emotionally of the excellent quality of care his father, who suffers from dementia, receives from his Care Professional, one of the Certified Dementia Practitioner being honored today. Mr. Sym, a US Navy officer, about to be deployed, stated that he is able to leave with peace of mind knowing his father will be in capable hands.

Amanda Ruiz-Taveras, one of the honorees, passionately shared her commitment to her clients and the skills she learned through the training offered by HOME INSTEAD to become a Certified Dementia Practitioner. Having previously worked in retail, Ms. Ruiz-Taveras loves her job making a difference in the lives of the individuals she serves.

The ceremony concluded with Sarah Joyce, Director of Nursing, at HOME INSTEAD and instructor of the Certified Dementia Practitioner course, presenting each honoree with a pin and

## GARDEN CLUB DONATES TO HOSPICE

### Overlook Auxiliary

The Short Hills Garden Club, founded in 1906, when nine gardeners decided to regularly share and expand their knowledge of gardening. They called themselves "The Nine of Spades" and in time they grew to become The Short Hills Garden Club. They have been supporting Summit Twig 5 Friends of Hospice since 2016, arranging small pots of seasonal flowers to be delivered by the

hospice staff and volunteers to patients and families. This wonderful project was the inspiration of Maida Tansey, past president of the SH Garden Club, and the 40 active members who also hold plant sales, maintain a community gardens and plant flowers for civic beautification in local areas. The hospice patients and their families are uplifted by the beauty of the flowers and the kindness of the Garden Club.

## IMAGINE WELCOMES NEW FACILITATORS

Recently, Imagine, A Center for Coping with Loss staff members Sonia Nunez, Newark Program Manager and Ashley S. Allen, Newark Training and Education Manager trained a wonderful new team of facilitators who will join our rapidly growing Newark Night of Support. Many of the new facilitators will be facilitating

Imagine's groups that meet at the Boys and Girls Club in Newark. Our new volunteers spent three full days training in the Teach for America (TFA) headquarters in Newark and we're so grateful to TFA for sharing their beautiful space with us! During the training, our new volunteers had an opportunity to share their grief experiences and

receive support from one another while learning facilitation and companioning skills. We're so happy to welcome this amazing group to our team of volunteer facilitators!

If you're interested in joining the Imagine community as a volunteer facilitator at either our Newark or Mountainside location, the best way to start is with a tour. Please visit our website at [imagineenj.org](http://imagineenj.org) to sign up for an upcoming tour and join our wonderful volunteer team!

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and are offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or [info@imagineenj.org](mailto:info@imagineenj.org).
