## BILL LEE RETIRES AFTER A LIFE OF COMMUNITY SERVICE

*Submitted by Tom Kranz*

It's safe to say that Bill Lee has touched thousands of lives, whether as a teacher, driving instructor or volunteer in service to the Borough of Fanwood and the African Republic of Burundi. He's been a ubiquitous presence here since his days as a coach and phys-ed teacher, first at Terrill Middle School then at Scotch Plains-Fanwood High School. Teaching was his chosen profession, but one thing led to another, and he found himself teaching not only phys-ed at SPF High but driving as well.

"I got into it with a friend of mine," Mr. Lee recalls. "He asked me one day, you want to do this? I said, I don't know. I decided to try it and it turned out okay."

The Lee Driving School never advertised. Yet, he was busy almost from day one teaching all ages, but mostly teenagers.

"I do have patience," he said, offering no horror stories of being captive in a car with an inexperienced student driver. "I've had to slow them down, had them speed up or do one thing or the other, but it worked out well."

In fact, it worked out well for 38 years until he and his wife Josephine decided last year it was time to retire, downsize from their house on Terrill Road and move to an apartment in Plainfield. The Lees' adult children--Daryl, Debbie and Billy--all live within driving distance. Another son, Arnold, died in 2018.

And then there's Fiacre, considered a son though not by blood. He was taken in by the Lees after Bill met him while coaching the Republic of Burundi national basketball team in the early 1980's.

"My brother had contacts in Burundi and learned they were looking for a coach for their national team," recalls Mrs. Lee. "Bill went to Africa every summer, 1981 to 86, to coach them. He took them to the Central African Games in Angola."

During one of his trips, he met Fiacre (pronounced fee-AHK-ra), a standout player who evidently had a friend in high places.

"One of the [government] ministers asked Bill, this is a kid who's very smart," says Mrs. Lee. "Would you give him the opportunity that he can only get if he went to school in the United States? He asked, would you sponsor the kid and bring him home? I said yeah, we already got four, what the heck."

With his parents' blessing, Fiacre came to New Jersey at age 21 and stayed. He went to college, got his master's degree, and works today as a civil engineer. The Lees call him their son, though he still keeps in touch with his African family.

A lifelong resident of Fanwood, Mr. Lee's family settled in Kramer Manor, the area around McGinn Elementary School which was created in the 1920s for black families who faced housing discrimination elsewhere. His grandmother, Collie Lee, was one of the first to live there. Bill grew up nearby. He later moved to Terrill Road and volunteered for public service, as recalled by Mayor Colleen Mahr.

"Bill was a long-time elected Fanwood Democratic Committee member and Josephine was a friendly face for years as a poll worker during

(above) Bill and Josephine Lee in  
February, 2023

Photo courtesy the Lee family

elections," notes Mayor Mahr. "Bill also served as the mayor's designee on our Planning Board. It has been my honor and pleasure to call Bill and Josephine friends and neighbors. I wish them both happiness and good health as they deserve an enjoyable retirement."

Public service is in the Lee family bloodline. In addition to Mr. and Mrs. Lee's service, son Daryl was Fanwood fire chief in 1994-95. Son Arnold was a volunteer firefighter.

The Lees praised their life in Fanwood, and they have certainly left their mark.

The Scotch Plains-Fanwood Scholarship Foundation kicks off its annual fundraising campaign with Dollars for Students Weekend Saturday March 25 and Sunday March 26, 2023. Since the founding of the Scholarship Foundation, student applicants have volunteered their time to support fundraising efforts for the annual campaign.

“Our annual Dollars for Students campaign is the longest-standing fundraising effort since the Foundation’s inception,” said Cathy Hirschhorn, Foundation Trustee and lead organizer of this community-wide fundraising effort. “We are grateful for the community support from the dollars and cents collected in our tin cans and the businesses that will be hosting us this year.”

Student volunteers will be stationed at locations throughout the community on Saturday and Sunday, so don’t forget an extra dollar or two when heading out to the soccer fields or for your morning coffee. You can plan your stops and see this year’s schedule and list of supporting businesses below, or by visiting the Foundation website.

“We are excited to introduce an alternative way to make an instant donation at our stationary locations,” said Michelle Wywra, Foundation President. “QR codes will be provided on each donation canister that will connect you to our PayPal to make a direct donation.”

The Foundation has awarded over \$4 million to deserving students since 1967. These scholarship awards are made possible by the

generosity of local businesses and members of the community and beyond.

## CELEBRATING ITS 25TH YEAR OF SUPPORTING THE COMMUNITY!

### Fanwood Community Foundation

In 1998, four Fanwood residents, Bob and Carol Kraus, Fred Chemidlin, and Ted Frankenbach wanted to give back to the community where they lived and raised their children. They formed FCF primarily with donations to better the Fanwood community, which meant so much to them. What began with funding to help purchase Fanwood's Millennial Clock has culminated into 25 years of grants contributing to various organizations that serve our residents, such as Caring Contact, Court Appointed Special Advocates of Union County (CASA), Fanwood Fire Department, Fanwood Memorial Library Capital Project, Fanwood Pocket Park, Fanwood Rescue Squad, Fanwood Youth Organization, Heart For Humanity, IHM Food Pantry, Jam Kancer Foundation, Resolve Community Counseling, SPF Baseball League, SPFHS Project Graduation, Tiny Tim Fund, The

Center For Women And Families, TV35, Wolves Basketball Academy, and the YMCA Capital Campaign.

In 2022, FCF was able to provide funding for the IHM Food Pantry and grants for listener training at Caring Contact, volunteer advocate training at CASA of Union County, POAC Autism Shield Program training for Fanwood Volunteer EMT & Fire Department, and an Eagle Scout project commemorating Fanwood as a Revolutionary War site.

In this, our 25th year, please help us continue to support these worthy causes that benefit our residents. Visit us at [fanwoodcommunityfoundation.org](http://fanwoodcommunityfoundation.org) to learn more and to donate.

The Fanwood Community Foundation's mission is to fulfill the charitable goals of our donors while supporting the current and future needs of our community.

## MEN'S CORNERSTONE XIV RETREAT

We live in a busy world. You have a busy life. When was the last time you hit "pause"?

The parishes of St. Bartholomew the Apostle and Immaculate Heart of Mary are inviting men of all ages to attend this year's Men's Cornerstone XIV retreat. It will be on Friday March 10th and Saturday March 11th and held at St. Bartholomew in Scotch Plains.

**MEN'S CORNERSTONE XIV RETREAT**

**MARCH 10 & 11, 2023**

Whoever wants to be my disciple must deny themselves and take up their cross daily and follow me. – Luke 9:23

**COME FOLLOW ME.**

### WHAT IS CORNERSTONE?

Cornerstone is an opportunity to hit the "pause button" in life and a chance to renew and strengthen your faith and grow in your experience in the Christian faith. It is led by a team of parishioners from various backgrounds and ages who themselves have experienced an increased presence of Christ in their lives.

### WHY SHOULD I ATTEND CORNERSTONE?

You will have a unique opportunity to meet other men of the community and together listen, reflect, and share real life experiences. Taking the time to retreat from daily routine and stress is both a necessary and rewarding experience.

### WHAT DOES "CORNERSTONE" MEAN?

The word "Cornerstone" describes Christ as the main foundation ("the cornerstone") of our lives. His presence within us allows us to live, grow, and become more loving and vibrant people of God.

### WHAT HAVE OTHER MEN WHO HAVE ATTENDED CORNERSTONE EXPERIENCED?

"It gave me a chance to connect with God." David D.

"Cornerstone helps me to realize that we are all in this together, and we are not so different from one another." John O.

"Cornerstone helped me see all the times

God's grace has been bestowed on me and my family." Jim B.

"I was initially uncomfortable about attending but I am so glad I took that first step to renew my faith. It was such a satisfying experience and was exactly what I needed to refocus my life priorities." Colm K.

"Cornerstone helped me to make new friends and put some of my troubles in perspective since they are shared by others." Glenn R.

### WHAT CAN I EXPECT AT CORNERSTONE?

It will begin Friday evening March 10th at 6 p.m. and end on Saturday evening March 11th after Mass and dinner. There will be talks, followed by small group discussions, time for quiet personal reflection, Reconciliation, and Eucharist. There will also be ample time to interact with others who are looking to grow spiritually.

Registration is required. Please visit the web sites of either St. Bartholomew the Apostle at [stbartholomewchurch.org/mens-cornerstone](http://stbartholomewchurch.org/mens-cornerstone) or Immaculate Heart of Mary at [ihmparish.net](http://ihmparish.net).

## AUTHOR PRESENTATION – MARCH 20TH

The College Club of Fanwood-Scotch Plains invites the public to attend a free program on Monday, March 20th, at 7:30 p.m. at Fanwood Presbyterian Church, 74 Martine Ave, (McDermott Street entrance). The Garden State: Where Ideas Grow, presented by author, Linda Barth.

According to Linda Barth: Many people are familiar with Edison's "Invention Factory" in Menlo Park, where he invented the phonograph, the light bulb and many more inventions. Yet many other ideas have grown in the Garden State too- New Jerseyans brought sound and music to movies and built the first drive-in theater. In addition to the first cultivated blueberry, tasty treats like ice cream cones and M&M's, are also Jersey natives. Iconic aspects of American life, like Bubble Wrap, the boardwalk, the Band-Aid and even professional baseball itself started in

New Jersey. Life would be a lot harder without the vacuum cleaner, plastic, and air-conditioning, and many other important advances in medicine and surgery were developed here.

Linda Barth has been a fan of New Jersey for a long time. A lifelong resident of the Garden State, she has written two books on the D&R Canal and three children's picture books, Bridgewater Boy, Hidden New Jersey and Alice Paul: Champion of Women's Rights. She has also authored: A History of Inventing in New Jersey, From Thomas Edison to the Ice Cream Cone and New Jersey Originals.

Linda Barth spent 45 years teaching fourth grade in the Bridgewater-Raritan School District. She is the director of the League of Historical Societies of New Jersey and president of the D&R Canal Watch, a friends' organization of the D&R Canal State Park.

## FROM DENSITY COLUMNS TO ELEPHANT TOOTHPASTE: COLES SCHOOL SCIENCE FAIR RETURNS!

*Submitted by Coles PTA*

Coles Elementary School was proud to once again host its annual student Science Fair this February, after having to pause the event for several years due to the pandemic. The event was highly anticipated and well attended, with nearly 200 students preparing their projects and showcasing them during the Fair. Many other students, family members, and friends were in attendance to walk the isles and take in the experiments, learnings, and fun!

The Fair brought out the curiosity and enthusiasm for learning in the young scientists, with 65 group and 39 single participant projects and experiments on display. In addition to live demonstrations, there was a photo booth setup for students and families to document all the fun. "I was excited to answer questions about my

project, but the best part was walking around and seeing the live demonstrations with my friends!" said Abby, a Coles 1st grader. Mr. Mintz, a parent on the planning committee commented "You could tell from the energy and from the posters how much fun and hard work was had. Personally, I have very fond memories of science fairs from my childhood."

Science experiments and projects included everything from density columns to test what floats and sinks, volcanoes, gummy bear osmosis, robotics, elephant toothpaste, and much more.

The planning committee, which consisted of PTA parent volunteers was absolutely overwhelmed by the positive response and large turnout from the Coles community. "The excitement for learning was certainly in the air at the Fair. I look forward to continuing to be on the committee and welcome others to join us as we plan for future gatherings to manage the large student and parent interest for the event," said Dr. Shah, a member of the committee.

Thank you to the Coles PTA volunteers and the Coles School staff for bringing back an incredibly important event for Coles students.

## 39TH ANNUAL QUILT SHOW - MARCH 25

Harvest Quilters of Central NJ will present their 39th annual quilt show on Saturday, March 25, 2023. Sharing the Quilts XXXIX will be held at the Willow Grove Presbyterian Church, 1961 Raritan Road, Scotch Plains NJ from 9 a.m. to 5 p.m. Adult admission is \$8 and \$3 for children under twelve.

As always, giving back will be at the heart of the show, with local charities benefiting from the sale of fabric and drawings for a quilt and fabric basket. A special display will feature several of the over 300 colorful pillowcases and lap quilts made by members and donated to a children's hospital under the umbrella of Ryan's Case for Smiles.

At 11 a.m., nationally recognized quilt book author Karen Gloegler of Rahway will speak on "The Secrets to Preventing Unfinished Projects." The award-winning quilter is the author of "Jane Austen's Quilts Inspired by Her Novels" (available for purchase at the show) and "Crazy, Luscious Quilting" due out by the end of the year.

Diane Fleming of Westfield will be honored as 2023 featured quilter. Known for creating one-

of-a-kind king-sized works of her own design, Fleming's 13-year journey as a quilter will be explored through 20 spectacular themed quilts. "My interests in art history and watercolor painting influence my fabric and design choices," said the avid gardener and mother of three grown sons, who will also display examples of her painting and needlework.

Linda Blauvelt, artist-in-residence, will exhibit original oil paintings. A quilter for many years, she has branched out into this second art form, recently displaying her work at the Westfield Public Library.

A memorial tribute will be on display for Peg Foy, coverlet expert and prolific miniature quilter. Late Harvest Quilters founder Ann Eelman will also be remembered.

In addition to viewing a full array of modern, traditional bed-sized, art and wall hanging quilts, attendees can participate in viewer's choice awards, kid's scavenger hunt, vendor area and a tearoom for snacks or lunch.

## SHINING STARS GALA SET FOR MARCH 14TH

Shining Stars Network, a non profit organization that creates opportunities in the performing arts for the special needs community, kicks off their 11th year with their 2nd “Reach for the Stars” Gala, set for Tuesday, March 14th at the elegant Park Chateau Estate & Gardens in East Brunswick.

The evening, which will begin at 6:00 p.m., will feature a five-star cocktail hour, open bar, dinner and dessert. Highlights of the evening include performances by the Shining Stars cast and buddies, live and silent auctions and a 50/50. Special guest will be celebrity chef and restaurateur David Burke, of Iron Chef America, who will auction off dinner experiences at his famous New Jersey eateries, including a personalized dinner for four.

“Our first gala in 2019 was a great success and we can’t wait for what will be another magical evening,” noted Shining Stars Network President and co-founder Mike Curci. “Park Chateau is one of the finest venues in the country, and we’re

excited for our Shining Stars families, friends and supporters to enjoy this special night together.”

Individual tickets are \$175 and a table of 10 can be purchased for \$1500 (a savings of \$250). Email your request to [ShiningStarsNetwork@gmail.com](mailto:ShiningStarsNetwork@gmail.com). Please mention “gala tickets” in the subject line. Venmo, checks and credit cards are gladly accepted. Sponsorship opportunities and journal ads are also available.

The Gala will start a big year for the Shining Stars, who will take to the stage for their “Evening of Shining Stars Talent Show” on Saturday May 13th at the Union County Performing Arts Center in Rahway.

On Saturday August 5th, history will be made when the Shining Stars make their Paper Mill Playhouse main stage debut, becoming the first special needs show to perform a full production on that iconic venue. Tickets for “The Greatest Show” — which will feature songs from Broadway and movies — will go on sale in late

spring.

“We’re honored and thrilled to be co-producing a show with the esteemed Paper Mill team,” added Curci. “Our brookside cabaret at Paper Mill last September was an overwhelming success and to see our stars on the main stage this August will be a dream come true.”

The Camp Shine Summer Workshop will take place in late August, and the Stars will cap off the year with their annual “Christmas Spectacular” on Friday, December 1st.

“Shining Stars is all about being inclusive and giving our performers a chance to shine on stage while creating lasting memories,” noted co-founder and show director Sally Curci. “These opportunities build all-important self-esteem and self-confidence. Through the journey, our cast members and their high school buddies create bonds and friendships that they’ll always remember.”
