CLARK AMERICAN LEGION’S “HOMETOWN HERO”

Abigail Han, a lifelong resident of Union and a freshman attending Oak Knoll School, is a candidate for The Leukemia & Lymphoma Society’s (LLS) Student Visionaries of the Year fundraising campaign. The campaign ran through March 4, 2023. Abigail raised money to help LLS find a cure for blood cancers and to assist patients and families as they battle these diseases. Recently, a young boy from Union, Marciano Rosa, was diagnosed with leukemia and the community has come together to help support him. He is our team’s “Hometown Hero”. The American Legion gave Abigail a generous donation to help her with her campaign.

EARTH DAY RAHWAY RIVER CLEAN-UP APRIL 22

Rahway River Watershed Association

All volunteers are invited to celebrate Earth Day 2023 with a clean-up of the Rahway River with Union County Parks and Recreation's Rahway River Park on Saturday, April 22nd (with a rain date of Sunday, April 23rd).

The clean-up will focus on areas upstream and downstream of the dam at Winfield Park, New Jersey in Cranford, Clark, Linden and Rahway. Please come by the parking area adjacent to the waterfall of the Rahway River by the Bloodgood Dam at Winfield Park at 8:45 to register, pick up bags, gloves, bottled water and snacks, and receive safety information. Teams will be encouraged to travel to any part of the river within the park where they would like to perform cleanup activities. We specifically ask all folks to register and to work in small groups for safety purposes. Everyone under 18 must have their parent's signature on the attached Individual Waiver form as well as adult supervision to participate.

Cleaning up a river and park area is a great way to celebrate Earth Day and if you haven't participated in an event like this before, you will find it invigorating, and you will feel good about what you have accomplished...it is also fun and educational...especially for Scouts and young adults as they always find something interesting. Over the 25 years this cleanup has occurred thousands of folks have participated, and pulled some amazing things from the river improving its quality.

The clean-up will generally be between 9 a.m. – 12 p.m., but any amount of time or effort that folks can volunteer is appreciated. There is always a large volume of floatable debris to pick up. The team working registration will provide suggestions on areas with large volumes of floatable debris.

All participants should wear jeans, long-sleeved shirts, gloves and boots, waders are welcome for folks who like to get a little wet. Each participant should bring a standard 5-gallon carry bucket with a handle (put your name on the bottom)...this makes for easy carrying of "stuff" for transfer to the large garbage bags. A mulching rake is also a great asset to have to enable reaching out and pulling debris into shore from the river bank. After the event there is an inventory of the debris removed, and within approximately 24 hours Union County Parks and Recreation removes and disposes of all the trash.

There is no RSVP required but if more information is required please contact rivercleanup@comcast.net or the Rahway River Watershed Association at CleaCarchia@outlook.com.

IMAGINE SEEKS LOVING LISTENERS FOR JUNE TRAINING

You may be familiar with Imagine and know that the non-profit provides free peer support groups for children, youth, young adults and parents/guardians who are grieving. Did you know that the groups are facilitated by an amazing team of volunteer facilitators? Imagine's volunteer facilitators come from all walks of life and no special background is required other than

a willingness to listen, a heart inclined to serve, and the ability to be with children and adults in grief without trying to fix, solve or give advice. No prior experience is necessary.

Volunteers must be 18 years or older. Spanish-speaking volunteers are needed as well. Volunteers serve as companions and loving listeners for those who are grieving and help create a safe space where participants can share tears and embrace the joys of life.

Here's how some of our current volunteer facilitators have described their experience:

"Being an Imagine volunteer has been the most fulfilling and worthwhile volunteer experience I've ever had. I feel that the model is just what it should be, and I love being a part of it. I think being an imagine volunteer helps me fulfill my desire to be a good person." Aimee-6+ years as Imagine Facilitator

"People outside of Imagine are always supportive when they hear that I volunteer at a grief support center. But I know it can be a little confusing to hear that volunteering at a grief support center is the best night of my week. And that's the magic. That as a volunteer, the joy is not in what we bring, but what we take home from our participants." Rob-4+ years as Imagine Facilitator

"I have found the people at Imagine to be among the best that I have ever met." Diane-6 months as Imagine Facilitator

If you'd like to join Imagine's amazing team of volunteer facilitators, there is a training planned for June 2 - 4. Each training is held from 9 a.m. – 5a.m. each day over 3 days at Imagine's Mountainside center. Imagine asks that you plan to attend the entire training. Participants in the training will have an opportunity to learn companionship and facilitation skills while sharing stories with one another and providing each other with support. Many of Imagine's facilitators come away from the training feeling truly connected to one another and describe the experience as "life changing" Participants also come away better prepared to support those at Imagine, and those in their lives who have experienced a loss.

If you'd like to join one of the upcoming trainings, please visit Imagine's website at imagineenj.org or call the center at 908-264-3100. Imagine's staff and volunteers hope to welcome you to the team!

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imagineenj.org.

SALEM ROADHOUSE CAFÉ ANNOUNCES MARK ADAMY BAND

The Salem Roadhouse Café presents the Mark Adamy Band, Saturday, April 15, 2023. The doors open at 7:15 p.m., show starts at 8 p.m. Admission is \$20 and includes show, snacks, non-alcoholic beverages, and dessert. The venue is located in the basement of Townley Presbyterian Church, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities.

Mark Adamy is a multitalented keyboardist and vocalist who works with artists around the globe as a live performer and recording artist. This includes his own band: The Mark Adamy Band, which is a group of accomplished musicians that has thrilled listeners with its original stylings fusing pop, rock, jazz, R&B, world, and spiritual music.

Mark has enjoyed popularity as a sought-after

talent for special events, productions, and performances. Mark has won honors including Entertainer of the Year and Boston Music award nominations. He has shared the stage with greats like Chaka Khan, James Brown, The Four Tops, John-Lee Hooker, Pieces of a Dream, Howard Hewitt, Phil Driscoll, Phil Keaggy, Roger Humphries, and many others. Mark has played in many Broadway productions as well as music directing off-Broadway productions in NYC.

Mark's concert credentials are extensive with acts such as the Coasters, the Cadillacs, Ink Spots, Jive Five, Silhouettes, Marvellettes, the Charelles, and guitarist Billy Davis. He has jammed with jazz artists such as Warren Hill, Makoto Ozone, Darren Lyons Group, and Lee Robinson at venues ranging from New York's Russian Tea Room and Knitting Factory to Boston's Symphony Hall

As always, the Salem Roadhouse Café is live, intimate, up front, and personal. All ages are welcome.

ABOUT SALEM ROADHOUSE CAFÉ

It's not "church music." It's music music. Folks who've come to the Salem Roadhouse Café know that it's a clean, safe place for people who enjoy listening to live music — in a world otherwise filled with clubs and bars. The Roadhouse has always offered its stage to local and independent mainstream musicians. Jazz,

rock, folk, and other groups have performed. What's the common thread? They're all great musicians playing the kind of music people like to hear. There's no message, just music.

The Roadhouse started in 2008 by members of Townley Presbyterian Church with a grant from the Presbytery of Elizabeth. Hey — that's why we're located where we are, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities. That's its social mission.

But the many musicians who've played the Salem Roadhouse Café see it as a solid performance venue. They love it because of its special intimacy and great audiences. They say people here "really listen." Ask any of the musicians you meet here — they love to play the Roadhouse, and they want to come back often.

The Salem Roadhouse Café has raised funds for many carefully chosen charities. They include: The Presbytery of Elizabeth E-port Center, Center For Hope Hospice, Community Food Bank, Monarch Housing, Angel Paws Animal Rescue, National MS Society, Haiti Disaster Relief, Hurricane Sandy Disaster Relief, The Union County YWCA Domestic Violence Program, Making It Possible To End Homelessness, Camp Johnsonburg, The Music Institute, and others. Thousands of dollars have been raised for these deserving charities.

LEADING THE WAY TO HELP OTHERS IN NEED

Mason Immella, a 7th grade student at Carl H. Kumpf Middle School, is working to make a difference and help those in need throughout the New Jersey area.

By contacting Meagan Mulligan at Jersey Cares and Dr. Norma Bowe at Be the Change to ask which items were in greatest need for local shelters, homes, and runaway safe havens, Mason identified that basic hygiene products were what most people lacked. With that, he organized and assembled kits made up of shampoo, conditioner, soap, bodywash, toothbrushes, and deodorant in hopes to give some sense of comfort and normalcy to their lives.

Over 60 bags in total were made to be distributed to these organizations, with a goal of doubling that amount in the spring. What a great influence this young man is becoming in our community.

Arthur L. Johnson High School student Tina Herron was recently recognized by Union County School Boards Association as Arthur L. Johnson's 2023 Unsung Hero, at a ceremony at Kean University. The ceremony honors students who "make your district a better place simply because they are part of it."

At the ceremony, ALJ Principal Tara Oliveira stated, "Each student at ALJ is challenged during their four years to find their FOCUS (which stands for Future, Opportunity, Character, Unity, Service). Tina exemplifies this vision." Oliveira spoke of Herron's desire to become a teacher and involvement in ALJ's Tomorrow's Teachers Program to learn, practice, and prepare for her future. She also discussed Tina's determination as demonstrated through becoming volleyball

Varsity Team Captain. She stated, "Tina can be described as having self-discipline, a strong work ethic, and an overall desire to help others reach their fullest potential. These attributes contribute to her success." Oliveira continued to discuss how Tina leads by example and is an instrumental member of the ALJ Key Club. Tina has worked with the Miracles for Myeloma 5K walk/race, has been a champion for bringing back the Senior Citizen Prom, wrapped presents for a Jenni's Toys event, a non-profit organization that provides holiday gifts to children in foster care throughout the state of NJ.

RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Addictions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

SUPPORTING FOOD SECURITY IN UNION COUNTY

The SHARE Alliance (the "Alliance"), a newly formed 501(c)(3) organization dedicated to addressing food security concerns in the County of Union, NJ, recently received a \$3,000 donation from the Springfield-based Atlantic Federal Credit Union to support the Alliance's mission to help community members in need.

"As a community-chartered Credit Union, we succeed when our Members, neighbors and the greater community succeed," stated Atlantic Federal Credit Union Chief Executive Officer Anthony A. Mero. "We are honored to be able to support the SHARE Alliance as the team offers critical resources to put local families on the path to success through food security and education."

The Atlantic Federal Credit Union is a not-for-profit financial cooperative providing banking services to residents and businesses in Union and Essex counties. For more than 85 years, the Atlantic Federal Credit Union has focused on delivering competitive rates on deposit accounts, low fees, and attractive rates on loans. In addition, the Credit Union regularly contributes to the social and economic wellbeing of the communities it serves by volunteering and donating to local charitable organizations.

More information about the Atlantic Federal Credit Union, including membership available to those who live, work, worship, attend school or conduct business in Union or Essex counties, is available at web.atlfedcu.com.

The S.H.A.R.E. (Sowing Hope and Reaping Equity) Alliance is a consortium of several congregations and other interested parties, is dedicated to the proposition that no one should go to bed hungry, or wonder where their next meal will come from. Under the sponsorship of the First Presbyterian Church of Springfield, the Alliance seeks to approach the issue of food security in Union County with a three-prong tactic of increasing availability of healthier food, coordinating their distribution, and promoting their right use in the kitchen. These objectives are achieved through the establishment of a Community Pantry and Community Kitchen that will operate from the Parish House, located at 37 Church Mall, Springfield.

"Recognizing that economic insecurity is a primary driver of nutrition related health issues, and that community members in food insecure settings are forced to make difficult decisions around food on a daily basis, the Alliance has come together to leverage the work of existing organizations and identify innovative solutions to help more people with food security," stated Acting Executive Director of the SHARE Alliance Rev. Dr. Roberto Fois. "The generous donation from our neighbors at Atlantic Federal reflects the spirit that will help us to promote better health and strengthen family cohesion in communities throughout Union County."

Information about the availability of services from the SHARE Alliance Community Kitchen and Pantry can be found on-line through the First Presbyterian Church of Springfield at springfieldpresbyterian.org. The SHARE Alliance can also be reached at info@SHARE-Alliance.net.

(above, l-r) S.H.A.R.E. Alliance: Rev. Dr. Roberto Fois, Andrea Holley-Blair, Russell Hovland, Rev. Reginald Harris, Jim Bover, Carol Kaiser; Atlantic Federal Credit Union: Anthony A. Mero, CEO; and Carla White-Garrett, Community Engagement Representative.

SLOW DOWN, MOVE OVER CAMPAIGN

The Retired Policemen and Firemen's Association, Local 3 of Union/Somerset Counties (NJRPF), is helping NJSP and the NJ Department of Transportation (NJDOT) to promote this important Safety Issue to help protect our First Responders. 41 Emergency First responders were struck and killed by motor vehicles in 2022. When you see flashing lights ahead, please, "Slow Down and Move Over", stated Local 3 President, retired Police Chief Kenneth Grady.

NJ State Trooper Marc Castellano who was killed by a speeding vehicle on June 6, 2010, while assisting during a roadside investigation. His mother, Donna Setaro has made it her life's mission to share the Slow Down, Move Over message with the public. Local 3 will assist in this program in memory of her son and many other NJSP Troopers and local Police Officers who were struck and killed by speeding vehicles while working our busy roads and Highways in the State of New Jersey.

New Jersey is a leading State in Traffic Incident Management (TIM) responder training

provided by NJDOT. It brings Police, Firefighters, medical personnel, transportation, towing, and other incident responders together to engage in interactive, hands-on incident resolution exercises. In New Jersey, more than 20,000 first responders have completed NJDOT's TIM training.

The NJRPF was established in 1987 to promote and develop a friendly spirit among its members, both retired and associate members. There are over 3,000 members of the association in various county Locals in NJ, as well as Local 22 in the State of Florida. These members are retirees from State, County and Local Firefighters, Police, Sheriff, Prosecutors, and Attorney General's Office to name a few. These members reside in NJ, NY, PA, FL, VA, SC and many other states.

If you live in Union County or Somerset County, please consider joining our Local 3 to keep abreast of major issues which may impact on your retirement benefits and issues that may be of value to you. Our yearly dues are \$10. For more information visit: njrpf.org/local3/

PASTA NIGHT RETURNS TO LEGION POST 328

Back by popular demand, Pasta Night, hosted by the American Legion Auxiliary, has been scheduled for Sunday, April 23, from 1 to 5 p.m. This annual event has not been held since 2019 due to Covid restrictions. But the ladies of the Legion Auxiliary are ready to cook again.

Pasta Night is \$20, and includes pasta, meatballs, or sausage, salad, bread, wine, beer, soda, and dessert. The homemade sauce is a secret recipe handed down through the years by the ladies of the auxiliary. For \$25 you can order linguine and clam sauce. A cash bar is available downstairs.

Sign up with the Post 328 bartender and reserve your table. Many friends come for an afternoon of camaraderie and fun to catch up on the news after the winter months have kept us inside or sent us south to warm up.

EAGLE SCOUT KATELYN CANNON WINS STATE-WIDE ESSAY CONTEST

CLARK MONTHLY • Page 21 • April 2023

Eagle Scout Katelyn Cannon of Scouts BSA Troop 19 from St. Rose of Lima Church, Short Hills, was unanimously selected as New Jersey's 2022 Sons of the American Revolution (SAR) winner of the Arthur M. & Berdena King Eagle Scout Award for authoring a patriotic themed essay titled "The Legacy of the Revolutionary Frontiersmen".

Katelyn's essay focused on racial tensions of the "Bloody Year" of 1782, where she highlighted the spike in racially motivated slaughters and vengeful attacks of both Native Americans and western Pennsylvania frontiersmen. Katelyn research discovered that she was a revolutionary descendant of Captain John "Miller" Hardin, who served under Colonel William Crawford in the Sandusky Plains as a member of the Westmoreland County Pennsylvania Militia. Colonel Crawford led his unit of approximately 500 men deep into Indian territory; however, he and dozens of his men were ultimately captured. Colonel Crawford was tortured and burned at the

stake by American Indians. Fortunately, Captain Hardin was able to return home to his family shortly thereafter.

Katelyn's essay presented a brave argument that "the revolution of frontiersmen, including her ancestor John Hardin, left an important, if not always positive, legacy".

Katelyn, who is also a senior at Millburn High School, was presented an Eagle Scout trophy and scholarship check by the national SAR President General C. Bruce Pickett. "Katelyn's essay has now been submitted to the national competition where the top Eagle Scout award recipient will receive a ten-thousand-dollar scholarship to be awarded at the national headquarters in Louisville, Kentucky this summer.", said SAR West Fields Chapter President Julien Hershey.

The Sons of the American Revolution is a genealogical society for males who can prove descent from a patriot of the American Revolution. For more information contact Chris Sands at Chrissands44@aol.com.

APHASIA COMMUNICATION GROUP OFFERED

The Adler Aphasia Center is currently offering an Aphasia Communication Group for stroke and brain injury survivors with aphasia in Scotch Plains, NJ. This group provides those diagnosed with aphasia an opportunity to socialize with others who share similar experiences, provide tips to communicate more effectively, and time to practice communication skills in a natural environment. Aphasia is a language disorder caused by stroke or other brain injury. It affects spoken language, reading, and writing, but does not affect one's intellect.

This group is facilitated by a licensed speech language pathologist and is offered two Fridays of each month for two hours. A person with aphasia may join the group at any time but must pre-register. There is a nominal charge, but we never turn people away for lack of funds, we offer scholarships to those who are not able to pay \$80 for eight sessions.

To learn more about this communication group and to pre-register, please contact Gretchen

Szabo, M.A., CCC-SLP at 551-287-2238 or email gszabo@adleraphasiacenter.org.

Adler Aphasia Center, a non-profit organization with three full-service facilities based in Maywood, West Orange, and Toms River, NJ and Aphasia Communication Groups located throughout the state, is an innovative, post-rehabilitative program that addresses the long-term needs of people with aphasia and their families. Aphasia is a communication disorder that impairs the expression and understanding of spoken language, reading, and writing. It occurs most often from a stroke or other brain injury. It affects a person's ability to communicate, but not his or her intellect. This communication disorder affects 40% of all stroke and brain trauma survivors. The Center is considered a world leader in long-term, post-rehab community-based care for people with aphasia. With 2.5 million people diagnosed with aphasia in the U.S., the Center is the only one of its kind in NJ, an area with an estimated 70,000 people living with

aphasia. For more information about the Center's programs and services in Maywood, West Orange, or Toms River, NJ, or for information about the Center's Aphasia Communication Groups in Bridgewater, Haddonfield, Hammonton, Maywood, Monroe, Scotch Plains, Toms River, Virtual Spanish Speaking Group and Virtual NJ Group, visit their website at adleraphasiacenter.org or call 201-368-8585
