AMERICAN LEGION RESUMES “GIVEAWAYS” EVENT

On April 6th, after the hiatus due to covid, the Frank Patterson American Legion Post #43 of Florham Park-Madison, resumed its in person “Giveaways” event. Post Commander Joseph Nester welcomed representatives from a variety of local and state level organizations involved in veteran, educational, and community programs.

Over the one hundred years since receiving its charter, Post #43 has donated thousands of dollars to the communities of Florham Park and Madison. Twenty-two organizations and programs received donations this year. At the top of the list, Nester and other members of the Post presented checks to various Veterans’ Memorial Homes and Veterans’ Administration Hospitals. Included for the first time, was a donation to Joint Base McGuire/Dix/Lakehurst to assist military families on base who are experiencing food insecurities.

As part of their Children and Youth program, funds have been provided for boys at local High Schools to attend the Boys State Program over the summer. Scholarships will be awarded to graduating seniors at Madison and Hanover Park high schools in June. Gifts to various charities that provide comfort and medical help to children in need were included as well. That included Jake Macko of Madison who is suffering from a rare form of cancer and is in desperate need of a wheelchair accessible van.

Community First Aide Squads were not forgotten. Nester stated that

(above) Florham Park Mayor Mark Taylor greets members of his town’s First Aid Squad.

Post #43 looks forward to continuing to serve its communities in the future.

Roughly thirty people were in attendance at the event including Florham Park Mayor Mark Taylor who later joined members for refreshments.

Residents are reminded to keep an eye out for the invasive spotted lanternfly that has caused damage to residential and agricultural plants and trees throughout the area. Residents are asked to check trees, fences, and other flat surfaces around their homes and neighborhoods for egg masses, as well as grown lanternflies and Stomp Them Out!

The spotted lanternfly is native to China, India, and Vietnam. It was first sighted in the United States in Pennsylvania, and has since spread to surrounding states, including New Jersey. The spotted lanternfly was first discovered in Somerset County in 2019. While not harmful to humans or animals, this invasive insect feeds on the sap of many different hardwood trees, scrubs, ornamental plants, and has the potential to impact agricultural crops of economic importance such as grape vines, hops, and apple orchards. Feeding damage caused by the spotted lanternfly significantly stresses the affected plants which can lead to decreased health and potential crop loss.

Residents and visitors are advised to keep an eye out for spotted lanternflies and their egg masses and kill them on sight. Destroying spotted lanternfly egg masses before they hatch is the best way to limit their spread. Eggs can be laid on any flat hard surface including metal, wood, and plastic. Egg masses are commonly found on fence posts, telephone poles, lawn furniture, and

the underside of tree branches. Egg laying begins in September and continues through November or until the first freeze.

While adult spotted lanternflies do not survive the cold winters, their egg masses do. Beginning in May through June, the eggs will start to hatch and mature through their life stages into adulthood. Join the battle to beat the bug and help us Stomp Them Out!

IF YOU FIND SPOTTED LANTERNFLY EGG MASSES:

- Scrape egg masses using scraper cards, or anything else that is hard, tapered and/or flat
- Kill eggs by putting them into doubled bags, using alcohol/hand sanitizer, or by smashing

GALINA MULLER APPOINTED EXECUTIVE DIRECTOR OF SAGE ELDERCARE

The Board of Trustees at SAGE Eldercare, Summit-based nonprofit provider of programs and services to the elderly, their families, and caregivers, has appointed Galina Muller, most recently Director of Finance & Administration, as Executive Director, effective February 9, 2023.

Since 1954, SAGE Eldercare has provided a wide array of information, support, and services designed to help individuals lead the most independent and active lives possible. From helping with errands, to exercise classes, community programs, care planning, meals delivery, adult medical daycare and home health care, SAGE's mission is to help older adults remain independent in their own homes.

Muller joined SAGE in 2007 as Finance Director, to supervise all accounting activities and maintain financial records. During the pandemic, Muller was promoted to Director of Finance and Administration, interim for the vacant Executive Director position, and took on addressing organizational effectiveness. She restructured SAGE's business model by identifying best practices, consolidating its two clinical care programs, HomeCare and Spend-A-Day, to improve quality of care, and reducing costs to allow the organization to deliver on its mission for many years to come. As Executive

Director, Muller will oversee the overall operations and the fundraising component of SAGE Eldercare.

Muller earned a master's degree in accounting from Fairleigh Dickinson University and a bachelor in economics, accounting, and finance from New Bulgarian University. Prior to joining SAGE, she held various positions of increasing responsibility at Robert Saunders CPA in Westfield, Island Auto Rental Group, and Glory School of Foreign Languages.

"I am pleased to announce Galina Muller has accepted the responsibilities of Executive Director for SAGE. Her knowledge of SAGE and tenure with the organization contributes to keeping it constant and thriving for our community. Galina is committed to the mission of SAGE and the clients we serve," said Leslie Hardin, President of SAGE Eldercare's Board of Trustees.

"In my role as Executive Director of SAGE, I look forward to helping the organization grow and evolve to meet the increasing needs of older adults in our area and continuing on our mission to help seniors age at home where they want to," said Muller.

For more information regarding SAGE Eldercare, call 908.273.5550 or visit www.sageeldercare.org.

MADISON PD JOINS 'BLUE ENVELOPE PROGRAM'

Borough of Madison

The Madison Police Department is proud to be joining the 'Blue Envelope Program', which was created to help those with autism spectrum disorder, as well as Police Officers in the event of a motor vehicle stop.

Created in Connecticut, this program's primary goals are to aid autism spectrum disorder drivers with document organization – the Blue Envelope – and to educate them about what to do and expect during a motor vehicle stop, so that the motorist as well as the Police Officer have a beneficial encounter.

The Blue Envelope will hold a color photocopy of the individual's driver's license, vehicle registration card and insurance card, as well as an emergency contact form and emergency contact phone numbers. Blue Envelopes are available to be picked up at Madison Police Department, located within the

Public Safety Complex at 62 Kings Road, Madison, NJ and should be placed in every vehicle that is operated by a person with autism spectrum disorder.

"April is Autism Awareness Month, so what better time than now for Madison Police Department to join the 'Blue Envelope Program'. Our Officers receive constant training on how to effectively conduct traffic stops for those with autism spectrum disorder, and this program is just another step forward to allow a beneficial, effective, and pleasant encounter between the officer and the motorist," said Chief of Police John Miscia.

This program is brought to you by Madison Police Department, Morris County Police Chiefs Association, Morris County Sheriff's Office, and the Morris County Prosecutor's Office.

DAUGHTER'S KIDNEY DONATION SAVED HER MOM'S LIFE

NJ Sharing Network

Twenty years ago, Rosemarie Hampp, 58, made the loving decision to donate one of her kidneys to save her mother's life. Today, Rosemarie is forever thankful for that decision, and she is now on a personal mission to support NJ Sharing Network, the nonprofit organization responsible for the recovery and placement of donated organs and tissue in the Garden State.

"My goal is to save and enhance more lives because there are nearly 4,000 people in New Jersey waiting for a life-saving transplant," said Rosemarie. "I believe that everyone should consider being a living organ donor or simply register as an organ and tissue donor to make a positive difference in the lives of others after your time on Earth is done."

Rosemarie's fundraising efforts to support the Sharing Network Foundation have been powered by many of her family members and friends who are participating in the 5K Celebration of Life on May 20 in Ocean Grove. "Team Rosie," named in honor of Rosemarie's mother (Rose Marie Hampp), was established earlier this year to

celebrate the 20th anniversary of Rosemarie's life-saving gift.

"My mom lived a healthy and happy life until she was diagnosed with primary amyloidosis," said Rosemarie. "Her health issues grew progressively worse and dialysis treatments were never easy."

Once Rosemarie learned about the possibility of being a living kidney donor for her mother, she was eager to move forward with hopes of giving her mother the gift of life. However, her parents did not want her to donate her kidney.

"Even though I knew they were against it, I secretly got tested for transplant compatibility," said Rosemarie. "When the results showed that I was a great match, I was a nervous wreck because I was not sure how I was going to tell them about it."

Although Rosemarie's mother was hesitant at first, she finally agreed. The successful kidney transplant was completed by the medical team at Cooperman Barnabas Medical Center on December 17, 2003. Rosemarie's gift gave her mother several additional years to enjoy life's precious moments.

"We named my donated kidney 'Fred,' and we called my remaining kidney 'Ginger' because they worked well together and individually," said Rosemarie. "My mom ultimately passed away in 2006 due to pancreatitis. It was unrelated to her transplant, and her kidney always worked perfectly."

Rosemarie has also used her professional art skills to create colorful Donate Life stickers to raise additional funds and awareness. To support Rosemarie's efforts, visit events.njsharingnetwork.org/go/TeamRosie23.

According to United Network for Organ Sharing (UNOS), over 100,000 people in the U.S. are waiting for a life-saving organ transplant, and 17 people in the U.S. die each day waiting for an organ transplant. To learn more, get involved and register as an organ and tissue donor, visit NJSharingNetwork.org.

EASTER FUN FEST CONTEST WINNERS

The Madison Area Chamber of Commerce hosted its annual Easter Fun Fest on Saturday, April 8th. This year's Easter Fun Fest was sponsored by Alfred's Sport Shop, C.Toto & Sons, Carter Smile, Cleaners Advantage, and Harvest Bistro.

The Chamber tent, located in front of The Pink Pear, welcomed families to take a chance to win a 20" Rip-Rock Specialized bicycle donated by Peter Daniele of Rose City Collision, and to take a chance to win other prizes donated by the local businesses.

The winner of the bicycle was Teddy DeMarzo of Madison. In addition to the bicycle, the family received a beautiful Easter basket and a spring flower arrangement donated by Ankor Patel and his staff at Stop & Shop. They also received deluxe car wash coupons donated by Ken Maietta, owner of Madison Car Wash. Kelsey

Heitzmann received a \$25 Tons of Toys Gift Certificate donated by owner Chris Brinkofski.

This year's jelly bean contest was once again a highlight of the event with Lincoln Fielding receiving a \$200 Tons of Toys gift certificate donated by Doug Loikith, owner of Madison Memorial Home. Lincoln also received an Easter basket and flowers donated by Stop & Shop and deluxe car wash coupons donated by Madison Car Wash. Second place jelly bean runner up received a \$25 Tons of Toy gift certificate donated by Tons of Toys.

"Madison families, and those visiting from nearby towns, came to enjoy searching for Shelly the Easter Egg, visiting with the Easter Bunny, and exchanging greetings with friends and neighbors." said Chamber Vice President Peter Daniele. "Thank you to everyone who participated."

LOOKING FOR VOLUNTEER HOST FAMILIES

The Fresh Air Fund

Open our hearts and homes to a New York City child for one week this summer. Looking for volunteers in Morris County and Somerset County, New Jersey.

The Fresh Air Fund is looking for new volunteer families to host a New York City child, ages 8 to 14, for one week this summer with The Fresh Air Fund's Friendly Towns program because a summer can last a lifetime. Enjoy the simple pleasures of summer when you host a Fresh Air child.

A Fresh Air visit to a volunteer host family is full of fun experiences like playing in the backyard, riding bicycles, swimming, hiking, catching fireflies, gazing at the stars and making new friends. Volunteer host families live in small towns, suburban and rural communities along the East Coast. Every host family goes through a rigorous screening process including a home visit, background check, interview and reference check.

"Volunteer host families can create lifelong connections, gain new perspectives and make memories that will last a lifetime. By volunteering as a host family in Morris County or Somerset County, New Jersey, you will expand opportunities for New York City children living in underserved communities to help them learn, grow and thrive in the summer and beyond," says Lisa Gitelson, The Fund's Chief Executive Officer.

For more information about The Fresh Air Fund's host volunteer program, please visit FreshAir.org/Host.

Since its founding in 1877, The Fresh Air Fund, a not-for-profit youth development organization, has provided free life-changing summer experiences in the outdoors to more than 1.8 million children from New York City's underserved communities. Young people also participate in year-round leadership, career exploration and educational programs.

HOLOCAUST SURVIVOR TO SPEAK - MAY 9TH

The Summit Old Guard

Of the 1.6 million Jewish children who lived in Europe before World War II, only 100,00 survived the Holocaust. Most were hidden children. Separated from her parents in July 1942, 6-year old Maud Dahme and her 4-year old sister, Rita, were hidden from the Nazis by Christian families in the Netherlands. Dahme will share with the Summit Old Guard her wartime experiences, as well as her reunion with her parents, immigration to the United States at age 14, and serving as a Holocaust education advocate.

"I think the greatest gift that was given me was to be alive," said Dahme in an interview with the Huffington Post. Dahme went on to explain the significance of genocide education and the importance of emphasizing the efforts of people who hid, protected, and rescued Jewish people with no concern for their own safety. "I think it's very important to remember that it was a time in history when millions of people died and only because of their religion. But there's also the other side of the story, which is how many people cared and were willing to risk their lives to save Jews and anyone else."

Dahme was inducted in the New Jersey Hall of Fame as one of the state's Unsung Heroes in 2014. She served as president of the New Jersey State Board of Education and has spent much of her time speaking to students and adults about her experiences during World War II. Dahme's story was published in a 2015 memoir entitled "Chocolate, The Taste of Freedom." The memoir was co-written and edited by Maryann McLoughlin of Stockton University's Sara & Sam Schoffer Holocaust Resource center.

Dahme will speak at the Summit Old Guard's weekly meeting on Tuesday, May 9th at 10 a.m.

in the Parish Hall of the New Providence Presbyterian Church, 1307 Springfield Ave., New Providence, NJ. This presentation is open to guests and prospective new members, who are also invited to enjoy coffee and conversation at a social reception starting at 9:15 a.m.

About the Summit Old Guard: The Old Guard of the Summit NJ area was founded in 1930 with the purpose of providing retired business and professional men with good fellowship and activities. Men from throughout the broader Summit area gather on Tuesday mornings to hear from interesting speakers on a broad range of topics. The 270+ members may also choose to participate in various activities/interest groups, including bocce, golf, fishing, books, chess, financial & investment, sports forum, timely topics, and weekday lunches. Prospective new members are always welcome to attend a Tuesday morning meeting to learn more about the organization. See also summitoldguard.org.

A RAPTOR FESTIVAL - COMMUNITY DAY AT TRT – MAY 21

The Raptor Trust’s 9th annual Community Day will take place on Sunday, May 21, 2023 from 11 a.m. – 3 p.m. We invite you and your family for a day of all things bird!

Spring and summer are our busiest time of year, and we’re preparing for the adorable invasion of tiny Robins, Great Horned Owl fluffballs, and baby Blue Jays with an attitude, among hundreds of other youngsters.

The average cost of one bird’s total rehabilitation is currently \$237, and, because we admit an average of 5,000-6,000 birds per year, those costs quickly add up. All proceeds from the event provide resources for these busy months—from purchasing food and medicine for injured birds of all ages and species, to maintaining the caging and grounds that visitors can enjoy.

All proceeds from the event benefit our wild bird hospital, which offers free veterinary services to wild birds, empowering our community to help. On May 21, we celebrate that community. For more information visit: theraptortrust.org/trt-community-day

TRT is committed making a long-term impact.

With your help, we will continue to play a major role in conserving local wild bird populations and reducing the suffering of wildlife in the tri-state area.

The Raptor Trust is located at 1390 White Bridge Road, Millington, NJ. Approximately 50 resident birds are on exhibit in large outdoor aviaries viewed by walking along the trails. Living on the campus of the Trust throughout the year is variety of raptors and birds of prey. Currently, the Trust is home to two Bald Eagles, Turkey Vultures, Barred Owls, Great Horned Owls, Ravens, Screech Owls, Red-Tailed Hawks, a Snowy Owl and many more!

The aviaries are open to the public seven days of week. Our visiting hours during the fall, winter and spring are 9 a.m. to 4 p.m. During the summer we are open to visitors from 9 a.m. to 7 p.m. There is no cost to come by for a self-guided tour, however, we ask you to consider a small donation of \$2 per person.

The Raptor Trust is a 501(c)(3) not for profit organization which provides free medical care to thousands of orphaned or injured birds each year.

Our infirmary staff is available seven days a week during daylight hours to admit injured birds, but we must rely on the people who find them to bring them to us for care. If you find a bird that needs help, please visit our website theraptortrust.org for instructions. We cannot do what we do without the kindness of many – including our visitors.

GOLDEN OLDIES SHOWS AT SEIMINSKI THEATER

VANDALS CAUGHT IN THE ACT.

Submitted by Dr. D. Michael Hart

The "Pool House Gang" were caught red handed vandalizing a building at Boy Scout Camp Wheeler, in Byram Township, NJ. They are seen here in a "line up" against the wall.

They claim that they were doing repairs and renovations to an old decrepit building at the Boy Scout Camp. But they were seen removing valuable lumber, sinks, toilets, shower heads, and construction materials from the building.

Just kidding. This is a group of dedicated volunteers, including many retired professionals, who volunteer every week all year round at the Boy Scout camps for Patriot's Path Council in northern New Jersey. These guys pictured have come up every Wednesday and Thursday for several months to renovate the Pool House and other buildings. This group includes retired engineers, an electrician, computer experts, small business owners, and corporate executives.

The Pool House building was built in 1971. The roof was still good, but the wooden walls were completely rotted, and the roof was sagging perilously. They needed to prop up the roof and replace the boards one by one.

Eventually the building will have two bathrooms, two common showers and 8 individual changing rooms on each of two sides. There is a full sized swimming pool behind the building, so all of the chlorination, pumping mechanisms and electrical service are also located inside the building.

The "Flintlocks BSA, Inc." a 501c3 corporation, is a group of retired scouts who volunteer at the camps every week, all year round, to help the council. They do most of the repairs and maintenance for the three Council camps, but also build new structures, such as cabins, waterfront structures, picnic tables and tent platforms. In 2018 they secured funding and built the STEM Lab at Allamuchy. Second, they make the craft kits for birdhouses, bird feeders, stools, handy boxes, racing sailboats, etc., which are sold through the Scout Shops. Third, Flintlocks volunteer to help run the many Council programs. Three quarters of the Flintlocks have received the Silver Beaver Award, the highest National award a volunteer may receive. The Facebook Page is "Flintlocks" For more information please contact Secretary Dr. Michael Hart drmhart@yahoo.com.

(above, l-r) "Line Up": Al Thomas, Randy Johnson, Frank Wallace, Dave Greene, George Van Dyke, Barry Bird, and Tom Mollitor.

Making The American Revolution Museum

Tuesday, May 2nd @ 7pm

The Museum of the American Revolution opened in 2017, but it has a history that reaches back over a century. Where did our collection come from? How did an Episcopal minister in Valley Forge, Pennsylvania, acquire

Washington's war tent, and what did that acquisition have to do with the American Civil War? How did our Museum end up in downtown Philadelphia? What new discoveries have we made from recent acquisitions? This presentation highlights key artifacts and reveals how things work behind-the-scenes at the Museum. Presented by the Museum of the American Revolution.
