PIKTORS METAMORPHOSIS AT THE SALEM ROADHOUSE CAFÉ

The Salem Roadhouse Café presents the Piktors Metamorphosis, Saturday, May 20, 2023. The doors open at 7:15 p.m., show starts at 8 p.m. Admission is \$20 and includes show, snacks, non-alcoholic beverages, and dessert. The venue is located in the basement of Townley Presbyterian Church, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities.

Piktors' Metamorphosis takes you on a journey back to the incendiary sounds of the Jazz/Rock fusion era injecting their improvisational craft. The Jazz/Rock/Fusion heyday of experimental creativity has inspired it's fans and other great musicians alike to push music further to its limits. This exciting music is challenging to execute, understandably a reason why many have not approached it. That is until now. Whether it's exciting tributes or their ambitious original pieces this ensemble delivers with passion and warmth.

Piktors overall sound departs from just another stage show to a level of cerebral and tonal excitement that comes with Fusion rock/jazz. They are masters at what they do, and they continue the traditions of modern fusion started by the likes of Mile Davis, Weather Report and Pat Methany, just to name a few.

As always, the Salem Roadhouse Café is live, intimate, up front, and personal. All ages are welcome.

ABOUT SALEM ROADHOUSE CAFÉ

It's not "church music." It's music music. Folks who've come to the Salem Roadhouse Café know that it's a clean, safe place for people who enjoy listening to live music — in a world otherwise filled with clubs and bars. The Roadhouse has always offered its stage to local and independent mainstream musicians. Jazz, rock, folk, and other groups have performed. What's the common thread? They're all great musicians playing the kind of music people like to hear. There's no message, just music.

The Roadhouse started in 2008 by members of Townley Presbyterian Church with a grant from the Presbytery of Elizabeth. Hey — that's why we're located where we are, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities. That's its social mission.

But the many musicians who've played the Salem Roadhouse Café see it as a solid performance venue. They love it because of its special intimacy and great audiences. They say people here "really listen." Ask any of the musicians you meet here — they love to play the Roadhouse, and they want to come back often.

The Salem Roadhouse Café has raised funds for many carefully chosen charities. They include: The Presbytery of Elizabeth E-port Center, Center For Hope Hospice, Community Food Bank, Monarch Housing, Angel Paws Animal Rescue, National MS Society, Haiti Disaster Relief, Hurricane Sandy Disaster Relief, The Union County YWCA Domestic Violence Program, Making It Possible To End Homelessness, Camp Johnsonburg, The Music Institute, and others. Thousands of dollars have been raised for these deserving charities.

SOS ~ SAVE OUR SEAL! A MESSAGE FROM THE U.C. HISTORICAL SOCIETY

War is hell. Unfortunately, that powerful expression is just as accurate today in Ukraine, for example, as it was in Elizabethtown in 1780. In both cases, civilians suffered, and are suffering, along with soldiers.

Heroic sculptures and statues of beribboned generals on horseback are noble and inspiring, to be sure. On the other hand, however, there is the World War II Katyn Memorial in Jersey City, showing the horror of war as it depicts the brutal massacre Russians committed on Polish soldiers graphically showing a bound and gagged Polish soldier impaled through his back by a bayoneted rifle. At its base, a Polish woman cradles a starving child, representing the Polish citizens who were deported to Siberia. Are we to take down such monuments because the horror they depict offends us, or should they remain, conveying their timeless message to us: “Never forget, and Never again!”

Yes, war is hell. And it was so in 1780 as local patriots fought for independence against the often cruel and brutal British and Hessian troops.

One of the most infamous events of that struggle was the horrible murder of Mrs. Hannah Caldwell, the wife of the famous Rev. James Caldwell (“the fighting Parson”), on June 7, 1780 in Connecticut Farms, now Union. It seems that ongoing discussions concerning the changing of the County Seal depicting Mrs. Caldwell’s murder by a British soldier apparently have finally come to light recently.

This tragic event has been depicted on our County Seal for over 100 years. In 1923, the Union County Historical Society proposed and supported the official adoption of the Seal, which had previously been used unofficially for decades. It was formally ratified by the Board of Freeholders at that time. The Society has been proud of its role in the adoption of the Seal a hundred years ago, and strongly opposes current efforts to change it.

Some now object to the Seal’s depiction of a violent and senseless act against a woman and mother of nine young children. But it really happened! Are we to ignore it? Those were dangerous times in this area and few were spared from the death, destruction, and suffering that occurred.

Indeed, Hannah Caldwell’s death became a rallying cry to the despondent, tired, and outnumbered American troops who were inspired to fight on at the Battle of Springfield, the turning point of the Revolution in the North, just two weeks after her death.

Whether she was inside the house or outside when she was murdered is immaterial to the Seal’s message. Showing her outside the house simply makes the event more visible. Similar artistic license is often employed in depicting important events in history. For example, the iconic and dramatic 1851 Emanuel Leutz painting of Washington’s 1776 Christmas night crossing of the Delaware near Trenton is inaccurate in every way except one: its heroic portrayal of a courageous and brilliant military operation, which led to an important turning point

in the war.

History is not always convenient; it has more than its share of suffering and evil, as the Union County Seal demonstrates. And isn’t that in fact the meaning and message of the Seal, that democracy and freedom often demand sacrifice. It is a reminder of the terrible price paid by the brave men and women during those difficult times. Any redesign of our iconic and unique Seal would dishonor and diminish the memory of Hannah Caldwell and so many others who sacrificed all in the long and difficult struggle for independence.

Indeed, after the war, Washington acknowledged that no place had suffered greater deprivation and destruction than Elizabethtown and its environs. Our Seal reminds us of that. Let it be.

Charles Shallcross, Vice-President, U.C.H.S.

SHINING STARS TO PERFORM ON MAY 13TH

The Shining Stars, now in their 11th year, will take the main stage at the Union County Performing Arts Center for their "World Tour" on Saturday May 13th for a 7 p.m. show.

The talented cast of special needs performers will highlight the hits from groups and artists from all around the globe, including The Beatles and One Direction (England), Bruce Springsteen (USA), Abba (Sweden), Irish dancing, and so much more. The show will feature 30 special needs individuals and their "buddies" from local high schools, who serve as mentors during rehearsals.

"Our cast has been working hard for their 2023 debut," noted Shining Stars Network Cofounder and Show Director Sally Curci. "The acts are going to be amazing and we invite everyone to join us for another exciting and fun night."

Tickets are now on sale at UCPAC.org.

Also, on Saturday, August 5th, history will be

made when the Shining Stars make their Paper Mill Playhouse main stage debut. Tickets for "The Greatest Show" — which will feature songs from Broadway and movies — are on sale now at PaperMill.org.

The Camp Shine Summer Workshop will take place from August 14th-25th (go to ShiningStarsNetwork.org to register) and they will cap off the year with their annual "Christmas Spectacular" in December.

"Shining Stars is all about being inclusive and giving our performers a chance to shine on stage while creating lasting memories," said Sally Curci. "These opportunities build all-important self-esteem and self-confidence. Along the way our cast members and their high school buddies create bonds and friendships that they'll always remember."

For more information on the organization or upcoming events, please visit ShiningStarsNetwork.org.

THE SPOTTED LANTERNFLY IS HATCHING

Invasive Insect Is a Danger to Trees, Decorative Plantings, and Agriculture

Residents are reminded to keep an eye out for the invasive spotted lanternfly that has caused damage to residential and agricultural plants and trees throughout the area. Residents are asked to check trees, fences, and other flat surfaces around their homes and neighborhoods for egg masses, as well as grown lanternflies and Stomp Them Out!

The spotted lanternfly is native to China, India, and Vietnam. It was first sighted in the United States in Pennsylvania, and has since spread to surrounding states, including New Jersey. The spotted lanternfly was first discovered in Somerset County in 2019. While not harmful to humans or animals, this invasive insect feeds on the sap of many different hardwood trees, scrubs, ornamental plants, and has the potential to impact agricultural crops of economic importance such as grape vines, hops, and apple orchards. Feeding damage caused by the spotted lanternfly significantly stresses the affected plants which can lead to decreased health and potential crop loss.

Residents and visitors are advised to keep an eye out for spotted lanternflies and their egg masses and kill them on sight. Destroying spotted lanternfly egg masses before they hatch is the best way to limit their spread. Eggs can be laid on any flat hard surface including metal, wood, and plastic. Egg masses are commonly found on fence posts, telephone poles, lawn furniture, and the underside of tree branches. Egg laying begins in September and continues through November or until the first freeze.

While adult spotted lanternflies do not survive the cold winters, their egg masses do. Beginning in May through June, the eggs will start to hatch and mature through their life stages into adulthood. Join the battle to beat the bug and help us Stomp Them Out!

IF YOU FIND SPOTTED LANTERNFLY EGG MASSES:

- Scrape egg masses using scraper cards, or anything else that is hard, tapered and/or flat
- Kill eggs by putting them into doubled bags, using alcohol/hand sanitizer, or by smashing

FAMILY FUN FITNESS EVENT - MAY 13

The Rotary Club of Union, in conjunction with the Township of Union and the Board of Education, is hosting a Family Fun Fitness event on May 13 at the Union High School football field from 9 a.m. – 1 p.m. Bring your children or grandchildren. Events include activities for children, food trucks, a DJ and fitness classes. Take one class or all the classes or just watch, enjoy the music and food.

The event will benefit two elementary school students from our town.

Camy Dudek is a 2nd grader at Washington School. She was diagnosed with brain cancer when she was in kindergarten. Camy will need further treatment, which will require her parents to be away from her three other siblings. Her mother, Robynn said, "We just need to get an

EKG and echocardiogram and we will be able to start chemo. We will still need to go for extensive testing of the heart, eyes, kidneys, brain and spine every month to make sure all stays stable. We will also need to do bi-weekly blood work."

Marciano Rosa is a 3rd grader at Washington School. He was recently diagnosed with T-cell leukemia and began his 2-3 year long chemotherapy journey this past November. His mother says, "Marciano is a sweet, kind-hearted, smart and funny boy who has a smile that can light up any room."

All proceeds will be donated to the two families to help offset some of their medical bills as they travel with their child on the road to wellness.
