NATURE CLUB WRAPS UP THE SEASON

Photo by Berkeley Heights Public Schools

Berkeley Heights Public Schools

Mountain Park Elementary School's Nature Club held their final meeting of the 2022-2023 school year on Monday, April 17th. Participants gathered together with club leaders Mrs. Masri (fourth grade teacher), and parent volunteers Mrs. Campbell and Mrs. Santore who guided MP students, their families and community volunteers who worked together to beautify the courtyard, an outdoor learning space for all students.

With Earth Day around the corner at the time, students cleared weeds and turned the soil in the courtyard's planting boxes. Beet, snap pea, radish, lettuce, and herb seeds were planted. Once matured, the vegetables and herbs harvested will be donated to St. Joseph's food pantry in Elizabeth.

Students also planted marigold and sunflower seeds among the garden's perennials. During the meeting, students also planted flower seeds in individual pots to bring home. Students selected from sunflower, marigold, and zinnia seeds. Students were encouraged to present their plants to a loved one for Mother's Day. Much was accomplished during the productive and fun afternoon that the Club worked together.

In addition, Mrs. Masri and Mrs.Campbell recently applied for a grant through Union County, Union County Kids Dig In! School Garden Grant and Mountain Park Elementary School was awarded \$500 to enhance the courtyard's learning environment!

The Nature Club, led by Mrs. Masri, will continue in the Fall. Students and volunteers are always welcome.

**VOLUNTEER OPPORTUNITY -
ADOPT-A-SIGN PROGRAM**

Berkeley Heights Downtown Beautification Committee

Is your family, business, organization, or club looking for a fun and rewarding way to get involved in our local community? Are you short on time but long on civic spirit? If so, the Adopt-a-Sign program may be the perfect activity for you.

Each Spring, small groups of volunteers work independently to help make Berkeley Heights prettier and more welcoming by planting and maintaining a small flower bed beneath one of 20 welcome and park signs.

Everyone is welcome to take part in the Adopt-a-Sign program. In previous years, participants ranged from Girl Scout Troops and businesses to neighborhood associations and families. Adopting a sign encourages teamwork as volunteers clean the signs, plant the beds, and keep them looking good through periodic weeding and watering as needed. Most groups replant in the Fall using seasonal plants and decorations.

The DPW has already mulched the beds, so they are ready to be adopted. And it's easy to sign up and get more details. Simply contact the Downtown Beautification Committee, who has been managing this initiative for five years, at DBC@bhtwp.com, to choose an available site for

your group. Find more information about Adopt-a-Sign guidelines [here](#). .

A big THANK YOU to those who adopted signs in 2022:

Connell Company, D'Silvia Family, Girl Scout Troop 40950, Junior Girl Scout Troop 40906, Edward Jones – Kevin Mack, Financial Advisor, JL Franchino Masonry, Kingsley Family, Lawrence - DiLullo Family, Moms Club of Berkeley Heights, Ortega Family, Pappas Family, The Rotary Club.

PROTECT YOURSELF - KNOW THE SCAMS

Sometimes impostors contact PSE&G customers demanding immediate payment and threatening service shut off. Don't be a victim...be prepared.

PHONE SCAMS

Residential and small business customers have reported receiving phone calls from individuals claiming to be PSE&G employees. Payment is demanded within hours using a pre-paid debit card. Things to know:

- PSE&G offers a variety of payment options and would never require a specific type of payment.
- Customers scheduled for disconnection due to nonpayment receive written notice on their bill at least 15 days in advance.
- PSE&G will never ask for personal information over the phone unless you initiated the contact.
- If you ever doubt the legitimacy of a call from PSE&G, especially if payment is demanded, hang up and call us directly.

EMAIL SCAMS

PSE&G customers have reported receiving convincing-looking emails that are actually fraudulent. Emails sent by PSE&G would never:

- Threaten to close your account if you do not

take immediate action

- Ask customers to provide personal information online without first logging into My Account
- Should you receive a suspicious email DO NOT reply, click any links, or download any attachments.
- If you're unsure of the legitimacy of the email, feel free to call PSE&G Customer Service.

IMPOSTORS AT YOUR DOOR

If anyone comes to your door looking like, or claiming to be, a PSE&G employee, ask for ID. All PSE&G employees must carry ID and present it when requested. If you are not convinced, do not let the person in your house. Call us at 1-800-436-PSEG (7734). A Customer Service Representative will gladly verify if a technician has been dispatched to your location.

THINGS TO KNOW:

- If the person at your door gives you a different phone number to verify his/her presence, do not call it. Only call 1-800-436-PSEG (7734).
- PSE&G will never send employees to your home or small business offering cash refunds on deposits or utility charges. We will only either credit your account or mail a check to your service address.

ETHAN WONG, MAY STUDENT OF THE MONTH

Berkeley Heights Public Schools

In an effort to showcase our students in BHPS who have excelled either in academics, leadership, community, or have shown excellent growth in any of those areas, the district is hosting a “Superintendent’s Student of the Month”. For May, Governor Livingston High

School honors senior Ethan Wong.

Ethan is an accomplished student-athlete who has achieved much in his time at Governor Livingston High School. A member of National Honor Society, where he is the Vice President of Tutoring, Ethan is additionally a member of the Athletic Honor Society, as well as Science and French National Honor Societies. He is also a member of Interact Club and the Technology Student Association at GLHS. This past year, following his experience successfully applying to the United States Naval Academy, Ethan began the Service Academy Interest Club at GLHS in hopes of sharing information related to the benefits of attending a service academy, to share information about application requirements, and to develop a support system for future students who are interested in attending a service academy.

Ethan is a 2022 recipient of the Johns Hopkins Book Award for intellectual and moral aspiration, scholarly promise, and strength of character. This past year Ethan was appointed as GLHS’ sole representative to the Junior Board of the Overlook Foundation where he met monthly with the team during the school year and personally raised over \$1,000 for renovations to the Overlook Medical Center’s maternity center. Ethan also attended the Mandarin Learning

Center (Chinese Culture University) in July 2017, a 3-week Chinese study abroad program.

Ethan is a decorated swimmer and has been swimming competitively with the Summit YMCA Swim Team since 2013 and is currently their Senior Captain. At GLHS, Ethan is the Captain of the Varsity Swim Team and a 4-year Varsity Letter Winner. He is the 2023 Union Country Champion in the 100 Butterfly, and held the title of County Champion in the 100 Breaststroke in 2022. Ethan was a member of the Varsity Lacrosse Team for three seasons and is currently on the Varsity Track and Field Team. His passion for swimming has led him to offer countless hours as a Volunteer Coach for the 8 & under team at Summit YMCA Swim Team (Sept. 2021-Present). Ethan works in the summers as an Assistant Coach for the swim team at the Berkeley Heights Community Pool and as a lifeguard.

Ethan is proud of the hard work that led him to be a high achiever at GLHS, noting that it was not always easy and that he particularly found Calculus challenging at the beginning but that with hard work, extra help and diligence he succeeded.

Ethan looks forward to continuing his studies at the Naval Academy in Annapolis, Maryland where he will focus on quantitative economics.

THE WARREN LIONS CLUB EXPO IS BACK! - JUNE 14-17, 2023

The Lions EXPO 2023, to be held at the Warren Township municipal field (46 Mountain Boulevard), is a classic carnival of family fun over four days, 6-10pm between 14 and 17 June, 2023. There will be amusement rides, games of

chance, fireworks, food vendors and an exposition of local businesses. This will be the 55th Annual EXPO, the flagship event of the Warren Lions Club.

Our Event sponsor is NextHome Premier. The Corporate sponsors are Lightbridge Academy, The Orchard Academy and Temple Har Shalom. We will also have a spectacular Fireworks, which concludes the EXPO on Saturday, 10pm.

The Lions EXPO attracts approximately 10,000 people over the four days and has become the premier family fun event in Warren Township and the surrounding communities.

The EXPO will have a pay-one-price wristband every night this year. We will be holding a Giant 50/50 cash raffle with the drawing on Saturday June 17th, resulting in a multi-thousand-dollar payout to a single winner. The winner need not be present. Tickets will be available for purchase throughout the Expo dates for \$5 each.

"Hosting the EXPO has been a tradition for us, it's our resolve to spread the smiles on people's faces, especially after the difficult couple of years we all have endured" said Mark Ramos, the 2023 EXPO chairperson of the Warren Township Lions Club.

LOCAL BUSINESS EXPOSITION

The EXPO is an excellent platform for local businesses to showcase their services and connect directly with customers through the purchase of a \$500 Exclusive Game sponsor sign or a \$150 non-exclusive ride sponsor sign displayed at the Expo for the 4-day duration.

"Interacting with potential customers at a high profile community event can greatly boost a company's image and customer base," noted Anthony Franchini, the Warren Lions Club Treasurer. "Community members deeply appreciate those businesses that demonstrate their local support through events like this."

We are still accepting a very limited number of applications for tent vendors to sell or promote their business to the thousands of people in attendance at the LIONS EXPO. For information on becoming a tent vendor at the 2023 Lions

EXPO, please contact Anthony Franchini at 908-334-9304.

All proceed from the Lions EXPO are donated back to community organizations and sight and hearing foundations throughout New Jersey.

ABOUT THE LIONS CLUB OF WARREN TOWNSHIP

When caring people join together, roll up their sleeves and take action to make their community better, it's a beautiful thing—and an incredible feeling for everyone involved. That's Lions. Being a Lion is about leading by example, building relationships and improving the world through kindness. The service of Lions reaches around the planet. Serving in over 200 countries and geographic areas, our 48,000 clubs and 1.4 million members are helping others and making communities better.

The Warren Lions Club currently has more than 100 active members from Warren Township and surrounding communities. Members include business and professional leaders who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and bonding in the communities. All funds raised by the Lions Club of Warren Township are used to support a wide variety of community service organizations and projects. The Club holds dinner meetings every second and fourth Wednesday of the month from September through June and occasionally feature speakers, donation recipients and special guests that inform and entertain. The Club encourages all members to help set the direction of our Club, participate in leadership roles, and identify causes to support and the Club's priorities, while fostering camaraderie and advancing our mission.

OUR MISSION AND MOTTO

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace, and promote international understanding through Lions clubs. Our motto: "WE SERVE." Our Vision: To be the global leader in community and humanitarian service.

- **They will run faster and jump higher** so they can show up to their next season and people will start asking what the heck have they been doing.

FUN WITH ROBOTS

Berkeley Heights Public Schools

Students in kindergarten through second grades at both Mary Kay McMillin and William Woodruff Early Childhood Centers had fun as they worked with computer teacher Mrs. Mary Niedenuhr and STEAM teacher Mrs. Lisa Genua on projects using Code and Go Mouse Robots. Using computational thinking skills and engineering habits of mind, students worked collaboratively to move the robot from the starting line to the cheese at the finish line. First students planned, designed and built mazes. Then the students created code sequences to program the mice to go from the start to the "cheese". What a fun way to develop critical thinking skills!

THE JUNE SPEAKERS PROGRAM

THE SUMMIT OLD GUARD

The Summit Old Guard was founded in Summit in 1930 and meets every Tuesday at the New Providence Presbyterian Church located at 1307 Springfield Ave. Our motto is "Come for the Programs. Stay for the Friends." and our June program theme is "Mostly from Brooklyn."

The leadoff speaker on June 6th is distinguished professor Arnold J. Levine who will speak on the Origins and Treatments of Cancer. Professor Levine is a professor emeritus at the Princeton Institute for Advanced Studies.

On June 13th, Judge David Hittner will review his life and experiences as a federal judge, including involvement with Enron litigation, and cases involving gerrymandering, redistricting, and financial fraud.

On June 20 we feature our own Old Guard member Merv Gersten who will talk about his career in traffic and transportation engineering and nearly lifelong hobby of model railroading.

The only June speaker not born in Brooklyn is Gordon Meth, who will review his career as a forensic engineer engaged around the nation as an expert in cases involving pedestrian and vehicle injuries and deaths. Mr. Meth will conclude the June series on Tuesday, June 27th.

Past speakers can be viewed on Facebook, but we encourage people to drop in on our meetings which take place at the church at 10:00 a.m. every Tuesday. "Come for the Speakers. Stay for the Friends." We look forward to meeting you.

RE-"CYCLE" YOUR BIKES AND SEWING MACHINES

Pedals for Progress & Sewing Peace of High Bridge, NJ is having a used bike and sewing machine collection sponsored by Faith Lutheran Church at 524 South Street in New Providence on June 17, 2023 from 9:00 a.m. until 12:00 p.m. Anyone with an adult or child's bicycle in rideable or easily repairable condition is urged to donate that bike to this worthy cause. "Bikes for parts" or disassembled bicycles will not be accepted. Working portable sewing machines are also greatly appreciated and put to good use around the world. If you are unable to drop your donation off on the actual collection date, you may do so ahead of time by leaving your bicycle(s) in Faith Lutheran's lower lot next to the utility shed. If you are donating a sewing machine, please leave it underneath the sheltered alcove by the main doors at the bottom of the parking lot.

Every year, Americans buy 22 million new bicycles and discard millions of old ones, abandoning many more unused in basements, sheds, and garages. Most of these end up in our already overburdened landfills. Meanwhile, underprivileged people overseas need cheap, non-polluting transportation to get to jobs, markets, medical care and schools. Pedals for Progress has received, processed and donated

over 165,000 bicycles, 6,000 used sewing machines and millions of dollars in new spare parts to partner charities in 32 developing world countries. In 2022, deliveries were made to partners in Belize, Cameroon, Guatemala, Rwanda, Somalia, Togo and Uganda.

It costs approximately \$52 to collect, process, ship, rebuild and distribute each bicycle or sewing machine. A donation toward shipping costs is necessary with a suggested minimum \$20 per item. All cash and material donations are fully deductible, and a receipt will be provided on site. Pedals for Progress is a 501(c)(3) corporation and a registered charity in the states of NJ, NY, PA, CT, VT. Brochures explaining this innovative program will be available at the collection site.

P4P seeks donations of wrenches for their overseas shops. For detailed information about P4P's overseas projects and a current schedule of bicycle and sewing machine collections, or to make a donation, please visit their website at www.p4p.org.

FIRST RESPONDER “HERO MEDAL” 2023 RECIPIENTS

Submitted by Michael G Higgins

The Berkeley Heights Rotary Club recently honored local first responders with their Annual “Hero Medal” Reward. A brief ceremony was held at Rotary’s recent business meeting at Delicious Heights on Wednesday May 10.

“Hero Medals” are presented by various Rotary Club throughout the country, and are intended to recognize those first responders who exemplify the Rotary’s core value of service to others and to their community. This year’s

recipients are:

Anthony Padovano joined the Berkeley Heights FD in 1988 and is a lifelong resident of Berkeley Heights, serving the Township in several capacities including the OEM (Office of Emergency Management) Coordinator and General Foreman in DPW.

Anthony has lived in BH for 50 years with wife Olga and has two adult daughters.

Daniel Schafer has been a Patrolman for the Berkeley Heights PD since 2017. He is a 2nd generation Police officer. His career path was inspired by his dad Tom, who served Berkeley Heights for 28 years.

Dan lives in Lebanon township and holds a degree in Criminal Justice from Monmouth University.

Joseph Savino has been a member of the Berkeley Heights Volunteer Rescue Squad

(BHVRS) for over 9 years, with 4 of those years as Squad President. He was instrumental in building a strong collaborative relationship between BHVRS and the township that ultimately improved the safety and well being of our citizens.

Joe is the owner of Adam’s Fine Clothing in New Providence and has lived in Berkeley Heights for 23 years where he and his wife Maria have raised their four children.

With service as our primary goal, the Rotary is involved in many community efforts to promote good will and the betterment of others. Some recent events include our Annual Luminary Event held during December as well as our Pancake Breakfast in November.

The Berkeley Heights Rotary is always seeking new members and meets the 2nd and 4th Weds of each month at Delicious Heights at 12:15.

NEW JERSEY VETERANS NETWORK MEMORIAL DAY MESSAGE

Michael D. Boll, Director, NJVN

A few years ago, I was approached by a friend and veteran of mine who expressed how extremely depressed he was and that he wanted to take his own life. Initially, I was completely shocked because this guy seemed to be upbeat and happy all the time. Immediately, I asked him to come with me to a private office so we could talk about his awful situation. This was the first time in my life that I had a friend talk to me about suicide, and I knew I had to really do my best to help him get through this horrible ordeal. We spoke for a few hours and I listened closely to everything he said. I was able to convince him to immediately get some help and we went to the hospital. I stayed with him at the hospital and met with him when he was released. I did everything to show my friend that I had his back, and because of this he is alive today. This awful situation inspired me to do whatever I possibly can to help others in need, and shortly after the New Jersey Veteran's Network created our mobile outreach program.

In today's day and age, most of you have known a veteran or first responder who has taken their own life. We lose nearly 22 veterans and approximately 300 first responders every year to suicide. Even with all the awareness and new anti-suicide programs available, this number has not changed, and in some cases has

increased.

The VA hospitals with PTSD and mental health programs are packed with patients and unfortunately, the numbers continue to increase. More of our first responders are also seeking help and are utilizing some of the state programs being offered. So many people want to help and put an end to this crisis, but sadly there isn't a foolproof program available that will stop this ever-growing crisis from destroying our uniformed heroes and their family's lives.

For the last two years, our team has been working tirelessly with other charities to come up with a better solution to help prevent this epidemic from continuing. Personally, we believe our Mobile Outreach Team is really making a difference and everyday it helps our uniformed heroes live a better way of life.

The first thing we learned as a team is that we must lose our ego and seek out other groups and organizations that are looking to save lives. Then we find the right volunteers who are committed and dedicated to being a men-tor to a person in crisis. Volunteers are extremely valuable because they want to be there, and they usually care more than the people who get paid for their services.

To date, we have been able to change and save countless lives because of the incredible commitment from the volunteers and other

supporting groups. In the next few months we are excited to be launching the "Uniformed Heroes Project," which is a statewide peer support/mentorship program for veterans, first responders, and active duty military. This project is a collaboration between the NJ VFW, NJ American Legion, NJ FMBA, PFANJ, NJSPBA, NJ FOP, NJ MAVA, NJ legislators, other military/first responder organizations. The Uniformed Heroes Project will provide peer support training throughout the state for volunteers and host numerous recreational therapy events for our heroes in need.

ABOUT NEW JERSEY VETERANS NETWORK

We are a group of veterans and volunteers dedicated to helping our veterans and their families live better lives. Our mission is to identify veterans and connect them with resources and programs designed to meet their unique set of needs. Help us save Vets! We are always looking for volunteers, with various skills, to join the team.

If you are a veteran or family member that's in need of assistance; or are interested in volunteering, would like us to speak at your event, or contribute to our mission, call 973-332-1556 or email njvn1775@gmail.com. To learn more about the team please check out our website njvn.org (accomplishments). Help us save Vets!

SALEM ROADHOUSE CAFÉ JUNE SHOW

The Salem Roadhouse Café presents the Stephen Fuller Quintet, Saturday, June 10, 2023. The doors open at 7:15 p.m., the show starts at 8 p.m. Admission is \$20 and includes show, snacks, non-alcoholic beverages, and dessert. The venue is located in the basement of Townley Presbyterian Church, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities.

Stephen Fuller's deep rich voice and soulful renditions have long made him a favorite with sophisticated audiences around the world, performing in Israel, Jamaica, Costa Rica and The US Virgin Islands. In addition to his overseas engagements, Fuller has also performed in renowned New York City and New Jersey venues and has opened for both Stevie Wonder and Bill Withers while attending Colgate University.

Stephen will perform at the Roadhouse with his quintet. Last year he did a total calypso show which got the audience totally involved and

thrilled. Stephen has always been top notch entertainment. This show he's working on some special treats for us.

As always, the Salem Roadhouse Café is live, intimate, up front, and personal. All ages are welcome.

ABOUT SALEM ROADHOUSE CAFÉ

It's not "church music." It's music music. Folks who've come to the Salem Roadhouse Café know that it's a clean, safe place for people who enjoy listening to live music — in a world otherwise filled with clubs and bars. The Roadhouse has always offered its stage to local and independent mainstream musicians. Jazz, rock, folk, and other groups have performed. What's the common thread? They're all great musicians playing the kind of music people like to hear. There's no message, just music.

The Roadhouse started in 2008 by members of Townley Presbyterian Church with a grant from the Presbytery of Elizabeth. Hey — that's why we're located where we are, 829 Salem Rd.

Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities. That's its social mission.

But the many musicians who've played the Salem Roadhouse Café see it as a solid performance venue. They love it because of its special intimacy and great audiences. They say people here "really listen." Ask any of the musicians you meet here — they love to play the Roadhouse, and they want to come back often.

The Salem Roadhouse Café has raised funds for many carefully chosen charities. They include: The Presbytery of Elizabeth E-port Center, Center For Hope Hospice, Community Food Bank, Monarch Housing, Angel Paws Animal Rescue, National MS Society, Haiti Disaster Relief, Hurricane Sandy Disaster Relief, The Union County YWCA Domestic Violence Program, Making It Possible To End Homelessness, Camp Johnsonburg, The Music Institute, and others. Many thousands of dollars have been raised for these deserving charities.

RECYCLE FOR SIGHT

The New Providence Lions Club is collecting used eyeglasses to be recycled for needy people.

When collected, these glasses are sorted and sterilized and are then donated to a charity and/or medical organizations that provides free eye exams and eyeglasses to needy people in the countries they serve.

To date the New Providence Lions have collected and donated 1,315 pairs of glasses to the Lions Eyeglass Recycling Center in West Trenton, New Jersey.

“These donated eyeglasses will bring sight to many people” commented Peter DeSarno, Lions Club member and collection coordinator.

The Lions Eyeglass drop off box is located in front of the New Providence Memorial Library, 377 Elkwood Avenue, New Providence.

Being a Lion empowers you to help others in a way that no one person could alone. The Lions are dedicated to helping others. Lions make a difference! Learn more at nplions.org.
