## LIONS CLUB EXPO IS BACK! JUNE 14-17, 2023

*Spectacular Fireworks Show on Saturday, Jun 17*

The Lions EXPO 2023, will be held at the Warren Township municipal field (46 Mountain Boulevard), a classic CARNIVAL of family fun over four days, 6-10pm between 14 and 17 June, 2023. There will be amusement rides, games of chance, fireworks, food vendors and an exposition of local businesses. This will be the 55th Annual EXPO, the flagship event of the Warren Lions Club.

Our Event sponsor is NextHome Premier. The Corporate sponsors are Lightbridge Academy, The Orchard Academy and Temple Har Shalom. We will also have a spectacular Fireworks, which concludes the EXPO on Saturday, 10pm.

The Lions EXPO attracts approximately 10,000 people over the four days and has become the premier family fun event in Warren Township and the surrounding communities.

The EXPO will have a pay-one-price wristband every night this year. We will be holding a Giant 50/50 cash raffle with the drawing on Saturday June 17th, resulting in a multi-thousand-dollar payout to a single winner. The winner need not be present. Tickets will be available for purchase throughout the Expo dates for \$5 each.

"Hosting the EXPO has been a tradition for us, it's our resolve to spread the smiles on people's faces, especially after the difficult couple of years we all have endured" said Mark Ramos, the 2023 EXPO chairperson of the Warren Township Lions Club.

### LOCAL BUSINESS EXPOSITION

The EXPO is an excellent platform for local businesses to showcase their services and connect directly with customers through the purchase of a \$500 Exclusive Game sponsor sign or a \$150 non-exclusive ride sponsor sign displayed at the Expo for the 4-day duration.

"Interacting with potential customers at a high profile community event can greatly boost a company's image and customer base," noted Anthony Franchini, the Warren Lions Club Treasurer. "Community members deeply appreciate those businesses that demonstrate their local support through events like this."

We are still accepting a very limited number of applications for tent vendors to sell or promote their business to the thousands of people in attendance at the LIONS EXPO. For information on becoming a tent vendor at the 2023 Lions EXPO, please contact Anthony Franchini at 908-334-9304.

All proceed from the Lions EXPO are donated back to community organizations and sight and hearing foundations throughout New Jersey.

# SERVING THE NEEDS OF INDIVIDUALS WITH DISABILITIES

## Inroads to Opportunities

Green Brook resident Michele Ford, President & CEO, Inroads To Opportunities, was recently interviewed on 106.7 Lite FM, "Get Connected," with Host Nina Del Rio. Inroads to Opportunities is a Union County, NJ based non-profit human services agency, that provides programs and services to individuals with disabilities.

In a wide-ranging conversation, Ford covered what drew her to advocacy, her experiences and vast responsibilities at Inroads. Ford is dedicated to the success of each participant and noted that Inroads is one of the most diverse workplaces to be employed.

During National Autism Awareness Month, Inroads expands their already robust outreach to increase awareness for individuals with autism who are seeking employment. Ford mentions 45% of Inroads participants that transition from their school to work program are on the autism spectrum, but yet in the employment world 85% of people with autism and other disabilities are unemployed. This is a huge statistic and obstacle that Inroads seeks to turn around.

According to Ford, "Our participants bring such an enrichment to our setting...we really need employers to open their doors just for practice, just to let someone come in and try." Exposure is necessary for these prospective employees to have a better understanding of their work environment and the expectations of their potential job.

*(above) For over 35 years, Michele Ford has dedicated her life to serving the needs of individuals with disabilities. A life-long advocate, Michele has been a champion for this most vulnerable population by serving on the Union County Nonprofit Consortium, Union County Crisis Consortium and most recently addressing members of the US Commission on Civil Rights in Washington, D.C. to raise awareness of choice in defense of employment options for individuals with disabilities.*

## ABOUT INROADS TO OPPORTUNITIES:

# DAR CHAPTER HONORED AT STATE CONFERENCE

Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution (DAR) was honored with several awards at the New Jersey DAR Spring Conference held at Forsgate Country Club.

The chapter was recognized by DAR President General Pamela Wright for outstanding support of her project to prepare for America's 250th birthday celebration in 2026. On the state level, the chapter was honored for their support of literacy promotion. Chapter Recording Secretary Holly Dunbar received a Thatcher Award for her work with Junior American Citizens and was recognized by the Volunteer Information Specialists committee.

Members who played an active role at the three-day conference included State Chairman and Chapter Treasurer Barbara Pollison-Beck who presented two state scholarships, and Regent Ashley Salsano who served as a state page. Also attending were Vice Regent Marti Kalko and Registrar Ruth Ryno.

An 8th grade student sponsored by the chapter, Arjun Kumar, was honored for placing second in the American History Essay Contest.

News of the awards was shared with members at the May chapter meeting. The launch of a more

extensive online search program for DAR Library holdings was announced. Potential service projects were discussed along with the upcoming DAR Continental Congress in Washington, D.C. Several prospective members are receiving assistance with their applications. A highlight came when Ashley Salsano was named the chapter's Outstanding Junior Member for her service to DAR.

Members enjoyed a program on DAR insignia by State Chairman Susan Luczu, who explained the meaning behind the pins worn on blue and white ribbons by DAR members and how to properly display them. The chapter will now take a summer hiatus; the next meeting will be held in September at Green Brook Town Hall.

DAR is a nonprofit service organization open to women 18 and older who can prove lineal descent from a patriot of the American Revolution. For more than a century, the DAR has promoted historical preservation, education, and patriotic endeavor. Elizabeth Snyder-Continental Chapter is based in Green Brook, N.J., and serves areas in Somerset, Middlesex and Union counties. New members are welcome. Contact ESCchapterDAR@gmail.com or learn more at [www.DAR.org](http://www.DAR.org).

(above) The Dr. John Vermeule House

## OPEN HOUSE JUNE 17, 2023

### Green Brook Historical Society

The Dr. John Vermeule House, one of Green Brook's historic links to its early settlers was built as a farmstead. Construction began in 1799 and became occupied by the Vermeule family in 1805. Dr. Vermeule practiced medicine and operated a farm on the original 113 acres of his property. The home is based on a blending of English and Dutch architectural traditions with Georgian and Federal style influences.

Vermeule ownership of the property ended in 1824. Various families bought and sold the property over the years, namely, Vail, Cohen, Voorhies and lastly, Mundy. The farmstead continued to function as a dairy farm into the mid-20th century. The township of Green Brook acquired the house and remaining 2.2 acres of the property in 2008. Necessary preservation renovations have been made to some structural elements, but the house is virtually unchanged from its original construction.

The Dr. John. Vermeule House at 223 Rock

Avenue, Green Brook will be open for visitors on Saturday 5/20/23 at 10:00am-12:00pm There you will meet several of its volunteer members to give you a glimpse into 19th - 20th century rural living. There are some interesting outbuildings and farm equipment to see, on the 2-acre property.

Mark your calendars and consider participating as a volunteer or enjoy the event as a proud resident! We look forward to meet you!

Our meetings are held at Green Brook Town Hall, 111 Greenbrook Road, on the 3rd Thursday of every month at 7:30 p.m. We also offer Zoom, for those who can't come in person. Our group has a lot of fun exploring our local history and doing our best to preserve and document its rich heritage. Please consider joining us!

# NEW JERSEY VETERANS NETWORK MEMORIAL DAY MESSAGE

**Michael D. Boll, Director, NJVN**

A few years ago, I was approached by a veteran who is a friend of mine who expressed how extremely depressed he was and that he wanted to take his own life. Initially, I was completely shocked because this guy seemed to be upbeat and happy all the time. Immediately, I asked him to come with me to a private office so we could talk about his awful situation. This was the first time in my life that I had a friend talk to me about suicide, and I knew I had to really do my best to help him get through this horrible ordeal. We spoke for a few hours and I listened closely to everything he said. I was able to convince him to immediately get some help and we went to the hospital. I stayed with him at the hospital and met with him when he was released. I did everything to show my friend that I had his back, and because of this he is alive today. This awful situation inspired me to do whatever I possibly can to help others in need, and shortly after the New Jersey Veteran's Network created our mobile outreach program.

In today's day and age, most of you have known a veteran or first responder who has taken their own life. We lose nearly 22 veterans and approximately 300 first responders every year to suicide. Even with all the awareness and new anti-suicide programs available, this number has not changed, and in some cases has

increased.

The VA hospitals with PTSD and mental health programs are packed with patients and unfortunately, the numbers continue to increase. More of our first responders are also seeking help and are utilizing some of the state programs being offered. So many people want to help and put an end to this crisis, but sadly there isn't a foolproof program available that will stop this ever-growing crisis from destroying our uniformed heroes and their family's lives.

For the last two years, our team has been working tirelessly with other charities to come up with a better solution to help prevent this epidemic from continuing. Personally, we believe our Mobile Outreach Team is really making a difference and everyday it helps our uniformed heroes live a better way of life.

The first thing we learned as a team is that we must lose our ego and seek out other groups and organizations that are looking to save lives. Then we find the right volunteers who are committed and dedicated to being a men-tor to a person in crisis. Volunteers are extremely valuable because they want to be there, and they usually care more than the people who get paid for their services.

To date, we have been able to change and save countless lives because of the incredible commitment from the volunteers and other

supporting groups. In the next few months we are excited to be launching the "Uniformed Heroes Project," which is a statewide peer support/mentorship program for veterans, first responders, and active duty military. This project is a collaboration between the NJ VFW, NJ American Legion, NJ FMBA, PFANJ, NJSPBA, NJ FOP, NJ MAVA, NJ legislators, other military/first responder organizations. The Uniformed Heroes Project will provide peer support training throughout the state for volunteers and host numerous recreational therapy events for our heroes in need.

## ABOUT NEW JERSEY VETERANS NETWORK
