PLAY BALL!

The Long Hill Baseball and Softball Association (LHBSA) held their opening day parade on April 15th.

LHBSA is an organization of volunteers in service to the children of our community. Our purpose is to teach game fundamentals as well as provide a safe, fun and healthy environment for children to develop the ideals of good sportsmanship, teamwork, fair competition, positive self-esteem, courage and respect, so that they may be well-adjusted, stronger and happier children and will grow to be good, decent, healthy and trustworthy citizens.

We are dedicated to having a positive influence in the lives of our players and their families by promoting fair play, confidence, a diligent work ethic, friendship, and a lasting respect for the games of baseball and softball. Our goal is to create a positive culture in which coaches, parents, fans, officials, and athletes work together to achieve this mission. We want every player’s experience to foster lasting relationships with good friends, individual growth through personal achievement and lead them back to play year-after-year with LHBSA. We accept this responsibility with great pride.

PROTECT YOURSELF - KNOW THE SCAMS

Sometimes impostors contact PSE&G customers demanding immediate payment and threatening service shut off. Don't be a victim...be prepared.

PHONE SCAMS

Residential and small business customers have reported receiving phone calls from individuals claiming to be PSE&G employees. Payment is demanded within hours using a pre-paid debit card. Things to know:

- PSE&G offers a variety of payment options and would never require a specific type of payment.
- Customers scheduled for disconnection due to nonpayment receive written notice on their bill at least 15 days in advance.
- PSE&G will never ask for personal information over the phone unless you initiated the contact.
- If you ever doubt the legitimacy of a call from PSE&G, especially if payment is demanded, hang up and call us directly.

EMAIL SCAMS

PSE&G customers have reported receiving convincing-looking emails that are actually fraudulent. Emails sent by PSE&G would never:

- Threaten to close your account if you do not

take immediate action

- Ask customers to provide personal information online without first logging into My Account
- Should you receive a suspicious email DO NOT reply, click any links, or download any attachments.
- If you're unsure of the legitimacy of the email, feel free to call PSE&G Customer Service.

IMPOSTORS AT YOUR DOOR

If anyone comes to your door looking like, or claiming to be, a PSE&G employee, ask for ID. All PSE&G employees must carry ID and present it when requested. If you are not convinced, do not let the person in your house. Call us at 1-800-436-PSEG (7734). A Customer Service Representative will gladly verify if a technician has been dispatched to your location.

THINGS TO KNOW:

- If the person at your door gives you a different phone number to verify his/her presence, do not call it. Only call 1-800-436-PSEG (7734).
- PSE&G will never send employees to your home or small business offering cash refunds on deposits or utility charges. We will only either credit your account or mail a check to your service address.

THE WARREN LIONS CLUB EXPO IS BACK! - JUNE 14-17, 2023

The Lions EXPO 2023, to be held at the Warren Township municipal field (46 Mountain Boulevard), is a classic CARNIVAL of family fun over four days, 6-10pm between 14 and 17 June, 2023. There will be amusement rides,

games of chance, fireworks, food vendors and an exposition of local businesses. This will be the 55th Annual EXPO, the flagship event of the Warren Lions Club.

Our Event sponsor is NextHome Premier. The Corporate sponsors are Lightbridge Academy, The Orchard Academy and Temple Har Shalom. We will also have a spectacular Fireworks, which concludes the EXPO on Saturday, 10pm.

The Lions EXPO attracts approximately 10,000 people over the four days and has become the premier family fun event in Warren Township and the surrounding communities.

The EXPO will have a pay-one-price wristband every night this year. We will be holding a Giant 50/50 cash raffle with the drawing on Saturday June 17th, resulting in a multi-thousand-dollar payout to a single winner. The winner need not be present. Tickets will be available for purchase throughout the Expo dates for \$5 each.

"Hosting the EXPO has been a tradition for us, it's our resolve to spread the smiles on people's faces, especially after the difficult couple of years we all have endured" said Mark Ramos, the 2023 EXPO chairperson of the Warren Township Lions Club.

LOCAL BUSINESS EXPOSITION

The EXPO is an excellent platform for local businesses to showcase their services and connect directly with customers through the purchase of a \$500 Exclusive Game sponsor sign or a \$150 non-exclusive ride sponsor sign displayed at the Expo for the 4-day duration.

"Interacting with potential customers at a high profile community event can greatly boost a company's image and customer base," noted Anthony Franchini, the Warren Lions Club Treasurer. "Community members deeply appreciate those businesses that demonstrate their local support through events like this."

We are still accepting a very limited number of applications for tent vendors to sell or promote their business to the thousands of people in attendance at the LIONS EXPO. For information on becoming a tent vendor at the 2023 Lions

EXPO, please contact Anthony Franchini at 908-334-9304.

All proceed from the Lions EXPO are donated back to community organizations and sight and hearing foundations throughout New Jersey.

WELCOME REVEREND STEFANIE MUNTZEL

The First Presbyterian Church of Stirling and Meyersville Presbyterian Church have welcomed the Reverend Stefanie Muntzel to serve as their shared pastor beginning May 23, 2023.

(above) Reverend Stefanie Muntzel

Courtesy photo

Both churches are excited to welcome Rev. Muntzel who has a long history of community outreach and mission work. In her words, Rev. Muntzel considers herself “a passionate witness to the Good News of the gospel, for I have known the grace of God in my life.” Over the past 25 years, Rev. Muntzel has served homeless persons in Manhattan, directed youth ministry in Queens, and worked as a Christian Education director in New Jersey. She graduated from Union Theological Seminary in NYC in 2002 and then served on the staff of a Presbyterian church for 8 years where her ministry focused on Christian education and community outreach. Rev. Muntzel was ordained in 2012 when she became the pastor of Musconetcong Valley Presbyterian Church in Hampton, New Jersey. During this time, she also worked as the Resource Coordinator for the Newton Presbytery, now the Presbytery of the Highlands. Since 2017, Rev. Muntzel has served as the pastor at the First Presbyterian Church in Easton, Pennsylvania. As she joins the partnership of the two churches, she believes “the call of Christ to worship, study, service and stewardship is a joy.”

Rev. Muntzel is a lifelong Presbyterian. Her mom is a retired pastor and her dad is a retired ethics professor. She grew up in Scranton, Pennsylvania and currently lives in High Bridge, New Jersey with her husband Rich Gelson, pastor at Pilgrim Presbyterian Church in Philipsburg NJ. They are a clergy couple who love to talk shop with one another and recently became empty nesters this fall when her son Crosby started his first year at Dickinson College. Her stepdaughter Rebecca graduates from Muhlenberg College this May and Rich's eldest daughter, Anna, works with special needs children outside of Philadelphia.

She is an avid reader, gardener, and a lover of nature, music, and stories. During COVID she dabbled with embroidery and is a new convert to throwing pottery.

The churches will be hosting an event in the near future to introduce Rev. Muntzel to the Long Hill Community and local congregational leaders. Her first Sunday service was on Pentecost, May 28th, at the First Presbyterian Church of Stirling, and was followed by a reception.

RE-“CYCLE” YOUR USED BIKES AND SEWING MACHINES

Pedals for Progress & Sewing Peace of High Bridge, NJ is having a used bike and sewing machine collection sponsored by Faith Lutheran Church at 524 South Street in New Providence on June 17, 2023 from 9:00 a.m. until 12:00 p.m. Anyone with an adult or child's bicycle in rideable or easily repairable condition is urged to donate that bike to this worthy cause. “Bikes for parts” or disassembled bicycles will not be accepted. Working portable sewing machines are also greatly appreciated and put to good use around the world. If you are unable to drop your donation off on the actual collection date, you may do so ahead of time by leaving your bicycle(s) in Faith Lutheran's lower lot next to the utility shed. If you are donating a sewing machine, please leave it underneath the sheltered alcove by the main doors at the bottom of the parking lot.

Every year, Americans buy 22 million new bicycles and discard millions of old ones, abandoning many more unused in basements, sheds, and garages. Most of these end up in our already overburdened landfills. Meanwhile, underprivileged people overseas need cheap, non-polluting transportation to get to jobs, markets, medical care and schools. Pedals for Progress has received, processed and donated over 165,000 bicycles, 6,000 used sewing machines and millions of dollars in new spare parts to partner charities in 32 developing world countries. In 2022, deliveries were made to partners in Belize, Cameroon, Guatemala, Rwanda, Somalia, Togo and Uganda.

It costs approximately \$52 to collect, process, ship, rebuild and distribute each bicycle or sewing machine. A donation toward shipping

costs is necessary with a suggested minimum \$20 per item. All cash and material donations are fully deductible, and a receipt will be provided on site. Pedals for Progress is a 501(c)(3) corporation and a registered charity in the states of NJ, NY, PA, CT, VT. Brochures explaining this innovative program will be available at the collection site.

P4P seeks donations of wrenches for their overseas shops. For detailed information about P4P's overseas projects and a current schedule of bicycle and sewing machine collections, or to make a donation, please visit their website at www.p4p.org.

Faith Lutheran Church is located at 524 South Street, New Providence, NJ. The Rev. Jane McCready is Pastor at Faith Lutheran Church. Visit online at famfaith.org to learn more about our worship schedule and ministry opportunities.

SAGE WORKSHOP RENEWS FATHER’S DAY GIFT

Ed Midgley of Berkeley Heights received a bench as a Father’s Day gift from his children. After years of outdoor weathering and exposure to the temperatures, it had fallen apart in a distant corner of his garden. While spring cleaning last year, Ed decided to have it refurbished at SAGE Workshop in Summit and it is now a focal point of curbside appeal for his home. “Coming into the workshop in the basement” said Ed, “is like coming into Santa’s Workshop with every workstation abuzz with elves working on gifts for the holiday.”

Simon Rosenstein, workshop volunteer, chose mahogany flooring to restore the bench. He measured, cut the wood planks to fit the originals, and painted the wrought iron back to its original glamour. “Repairing this bench for Ed was an honor,” said Simon.

Since 1961, the SAGE Eldercare Workshop has offered the public fine-quality furniture repair. The volunteers will consider repairing any piece of furniture that can be carried into the workshop. The Workshop has a reputation throughout Union County and beyond for its fine reweaving of caned and rushed chairs. Our artisans are all highly trained volunteers. Proceeds from the Workshop benefit SAGE programming. Prices are reasonable and depend upon the condition of the chair or furniture item and the materials required in the restoration process.

The Workshop started out over fifty years ago as a place for older men who no longer had access to a home workshop. Dozens of women have worked in the historically male enclave. Most volunteers are former professionals including investment bankers, college professors, physicians, and scientists. Over the years, they have taught each other caning, rushing and a myriad of other techniques needed to fix the aging furniture brought to them for restoration.

The Workshop is in the basement of the SAGE building located at 290 Broad Street, Summit and is easily accessible. Shop hours are Mondays through Fridays, 8:30 a.m. – 11:30 a.m. For more information about the service, or to schedule an appointment to bring in furniture, call

908-598-5531.

ABOUT SAGE ELDERCARE

SAGE Eldercare supports the independence, wellbeing and quality of life of older adults, their families and caregivers, through the provision of client-centered health, social and support services. Founded in 1954, SAGE is both the oldest and one of the few nonprofit eldercare agencies in the United States that offers a broad and comprehensive array of services under one roof that assist elderly, often frail, adults to remain independent in their own homes. SAGE Eldercare programs include: HomeCare; Meals-on-Wheels; Spend-A-Day Adult Day Health Center; InfoCare free information and referral service; Fall Prevention Initiative; Chore Service; Shopping Service; Bill Paying Service; PREP caregiver support group; and SHIP(State Health Insurance Assistance Program). SAGE Eldercare serves over 5,000 older people and their families annually in Union, Essex Morris and Somerset counties. For more information, call 908.273.5550 or visit sageeldercare.org.

NEW JERSEY VETERANS NETWORK MEMORIAL DAY MESSAGE

Michael D. Boll, Director, NJVN

A few years ago, I was approached by a veteran who is a friend of mine who expressed how extremely depressed he was and that he wanted to take his own life. Initially, I was completely shocked because this guy seemed to be upbeat and happy all the time. Immediately, I asked him to come with me to a private office so we could talk about his awful situation. This was the first time in my life that I had a friend talk to me about suicide, and I knew I had to really do my best to help him get through this horrible ordeal. We spoke for a few hours and I listened closely to everything he said. I was able to convince him to immediately get some help and we went to the hospital. I stayed with him at the hospital and met with him when he was released. I did everything to show my friend that I had his back, and because of this he is alive today. This awful situation inspired me to do whatever I possibly can to help others in need, and shortly after the New Jersey Veteran's Network created our mobile outreach program.

In today's day and age, most of you have known a veteran or first responder who has taken their own life. We lose nearly 22 veterans and approximately 300 first responders every year to suicide. Even with all the awareness and new anti-suicide programs available, this number has not changed, and in some cases has

increased.

The VA hospitals with PTSD and mental health programs are packed with patients and unfortunately, the numbers continue to increase. More of our first responders are also seeking help and are utilizing some of the state programs being offered. So many people want to help and put an end to this crisis, but sadly there isn't a foolproof program available that will stop this ever-growing crisis from destroying our uniformed heroes and their family's lives.

For the last two years, our team has been working tirelessly with other charities to come up with a better solution to help prevent this epidemic from continuing. Personally, we believe our Mobile Outreach Team is really making a difference and everyday it helps our uniformed heroes live a better way of life.

The first thing we learned as a team is that we must lose our ego and seek out other groups and organizations that are looking to save lives. Then we find the right volunteers who are committed and dedicated to being a men-tor to a person in crisis. Volunteers are extremely valuable because they want to be there, and they usually care more than the people who get paid for their services.

To date, we have been able to change and save countless lives because of the incredible commitment from the volunteers and other

supporting groups. In the next few months we are excited to be launching the "Uniformed Heroes Project," which is a statewide peer support/mentorship program for veterans, first responders, and active duty military. This project is a collaboration between the NJ VFW, NJ American Legion, NJ FMBA, PFANJ, NJSPBA, NJ FOP, NJ MAVA, NJ legislators, other military/first responder organizations. The Uniformed Heroes Project will provide peer support training throughout the state for volunteers and host numerous recreational therapy events for our heroes in need.

ABOUT NEW JERSEY VETERANS NETWORK
