His favorite MHS memory also comes from this past swimming season. Between being named captain, beating Morristown for the first time in 15+ years, beating Bernards by 2 points to advance to the state semifinal, and watching the girls team win sectionals, it was a pretty awesome season.

HAPPY 101ST BIRTHDAY JAYLYNN MORRISON

Jaylynn Morrison recently celebrated his 101st birthday surrounded by friends at SAGE Eldercare. Born in 1922, Jaylynn grew up listening to his parents' wise words and following their advice. He believed that being a good person and taking care of oneself were the keys to a long and happy life. He spent his childhood listening to jazz music and watching monster movies. He was always fascinated by the world around him and loved to learn new things.

Jaylynn graduated from Morningside High School. He earned his Bachelor of Science Degree from Johnson C. Smith University. During his time at JCSU, he played on the basketball and tennis teams. He earned the nickname "Speedy" because of his calm and slow-moving demeanor. He quickly became one of the team's stars.

After graduation, Morrison moved to Newark, and married the love of his life, Louise. Both were public school teachers in Newark. Jaylynn taught math and science and became a beloved teacher among his students. He made complex concepts easy to understand. And his willingness to go the extra mile to help his students succeed. After their careers as teachers, they retired and traveled the world, went on several cruises and enjoyed going to sporting events, playing tennis and gardening. They shared a life together for

over 65 years.

A man of many passions, Jaylynn had a gift for sports and loved to coach basketball and teach tennis to children. He believed that sports could teach valuable life lessons, and he was always eager to pass on his knowledge to the next generation. Despite his busy schedule, Jaylynn always was available for his favorite foods. He loves nothing more than a plate of sweet, juicy corn on the cob. Ice cream, his favorite dessert, usually concludes his meals.

JOHN FORTE APPOINTED TO VACANT COUNCIL SEAT

Borough of Madison

During the May 8, 2023 Council Meeting, Madison Borough Council members unanimously selected Mr. John Forte to fill the recently vacated council seat of Debra Coen through November 7, 2023. With this appointment, Forte brings a wealth of experience, dedication, and a passion for serving the Madison

community.

As a fifth generation Madisonian, Forte has served on multiple volunteer boards including 4-years on the Downtown Development Commission, 19-years on the Historic Preservation Commission and 15-years on the Planning Board.

"I would like to express my immense gratitude

to the Mayor and Council for this appointment to serve with them. It is truly an honor to have their trust put in me to continue the good work they're doing as stewards of Madison for future generations. I look forward to learning from their collective decades of experience and I am ready to serve the residents of Madison to the best of my abilities," said Forte. "This is an honor that I take very seriously, and I pledge my commitment to listen to all members of the community and do my best to ensure that Madison continues to be a vibrant, desirable community that attracts residents and businesses. I look forward to the work ahead and collaboration with the Mayor, Council, Borough Administration, and all the dedicated employees and volunteers. Again, I'm grateful for this honor and I am truly humbled by their vote of confidence in me to serve in this role," continued Forte.

"We had three very strong candidates' names put forward to fill the vacant council seat," said Mayor Robert H. Conley. "I have had the pleasure of working with John on the planning board for the past twelve years and have witnessed his dedication to Madison. He will be a tremendous asset to this council, and I look forward to working with him," continued Conley.

Forte will serve through November 7, 2023, when an individual is elected during the general election to serve for the remainder of the unexpired term through December 31, 2024.

TMC ATTENDS FEDERATION SPRING CONFERENCE

Eleven members of the Thursday Morning Club (TMC) recently attended the NJ State Federation of Women's Clubs (NJSFWC) Highlands District Spring Conference, held at Centenary University in Hackettstown, NJ. The Conference recognizes women's clubs in the Highlands District (primarily Morris County) for their service to people in their communities and support of the Special State Project, The Emmanuel Cancer Foundation, which assists families with children suffering with cancer.

At the conference, work in various categories, such as, Leadership, Special State Project, Environment, Communications, Domestic Violence Awareness, are recognized and judged. In addition, also judged are arts creative achievements, including paintings, photography, knitting, crocheting, counted cross stitch, baked items, and environmental items, such as floral arrangements. NJ Districts' award winners are judged at the state level with results announced at the NJSFWC convention in May in Atlantic

City.

Presidents of local Women's Clubs spoke about the service projects each of their Clubs accomplished in the last year. The NJSFWC President, Shirley Holly, congratulated the Highlands District women's club for their amazing contributions and thanked the volunteers for all they do for their communities.

The Thursday Morning Club, a non-profit service and social organization, owns, operates, and maintains the Madison Community House and its Before and After School Child Care Program. Organized in 1896, the Club is a member of both the New Jersey State and General Federation of Women's Clubs. The Club offers programs and services to support the community, and its Community House provides a home for a number of sports, recreation, and civic groups. For information about the Thursday Morning Club or membership, call the Community House at 973-377-0244 or visit TMCCH.org.

NEW JERSEY VETERANS NETWORK MEMORIAL DAY MESSAGE

Michael D. Boll, Director, NJVN

A few years ago, I was approached by a veteran who is a friend of mine, he expressed how extremely depressed he was and that he wanted to take his own life. Initially, I was completely shocked because this guy seemed to be upbeat and happy all the time. Immediately, I asked him to come with me to a private office so we could talk about his awful situation. This was the first time in my life that I had a friend talk to me about suicide, and I knew I had to really do my best to help him get through this horrible ordeal. We spoke for a few hours and I listened closely to everything he said. I was able to convince him to immediately get some help and we went to the hospital. I stayed with him at the hospital and met with him when he was released. I did everything to show my friend that I had his back, and because of this he is alive today. This awful situation inspired me to do whatever I possibly can to help others in need, and shortly after the New Jersey Veteran's Network created our mobile outreach program.

In today's day and age, most of you have known a veteran or first responder who has taken their own life. We lose nearly 22 veterans and approximately 300 first responders every year to suicide. Even with all the awareness and new anti-suicide programs available, this number has not changed, and in some cases has

increased.

The VA hospitals with PTSD and mental health programs are packed with patients and unfortunately, the numbers continue to increase. More of our first responders are also seeking help and are utilizing some of the state programs being offered. So many people want to help and put an end to this crisis, but sadly there isn't a foolproof program available that will stop this ever-growing crisis from destroying our uniformed heroes and their family's lives.

For the last two years, our team has been working tirelessly with other charities to come up with a better solution to help prevent this epidemic from continuing. Personally, we believe our Mobile Outreach Team is really making a difference and everyday it helps our uniformed heroes live a better way of life.

The first thing we learned as a team is that we must lose our ego and seek out other groups and organizations that are looking to save lives. Then we find the right volunteers who are committed and dedicated to being a men-tor to a person in crisis. Volunteers are extremely valuable because they want to be there, and they usually care more than the people who get paid for their services.

To date, we have been able to change and save countless lives because of the incredible commitment from the volunteers and other

supporting groups. In the next few months we are excited to be launching the "Uniformed Heroes Project," which is a statewide peer support/mentorship program for veterans, first responders, and active duty military. This project is a collaboration between the NJ VFW, NJ American Legion, NJ FMBA, PFANJ, NJSPBA, NJ FOP, NJ MAVA, NJ legislators, other military/first responder organizations. The Uniformed Heroes Project will provide peer support training throughout the state for volunteers and host numerous recreational therapy events for our heroes in need.

ABOUT NEW JERSEY VETERANS NETWORK

We are a group of veterans and volunteers dedicated to helping our veterans and their families live better lives. Our mission is to identify veterans and connect them with resources and programs designed to meet their unique set of needs. Help us save Vets! We are always looking for volunteers, with various skills, to join the team.

If you are a veteran or family member that's in need of assistance; or are interested in volunteering, would like us to speak at your event, or contribute to our mission, call 973-332-1556 or email njvn1775@gmail.com. To learn more about the team please check out our website njvn.org (accomplishments). Help us save Vets!

THE CLASSICAL ERA MINICOURSE AT LIBRARY

The Friends of the Madison Library will offer one summer minicourse entitled “The Classical Era” presented by Dr. Robert Butts in the Chase Room of the library. The class begins on Tuesday, May 30th, and will run five consecutive Tuesday mornings in May and June from 10:00 a.m. - 11:30 a.m. in the library’s Chase Room.

The Classical era refers to the period 1750-1820 and is sometimes called The Age of the Enlightenment. Composers such as Franz Joseph Haydn, Wolfgang Amadeus Mozart, and Ludwig van Beethoven created the modern ideas of concertos, symphonies, opera, chamber music, and even the concept of what is an orchestra and what is a public concert. While the music of those three composers continues to dominate the music world, many other composers were active, popular, and influential, including Antonio Salieri, Leopold Kozeluch, The Chevalier de Saint Georges, and many others. It was also a time of great change marked by the American and French Revolutions as well as the Napoleonic years. The primary centers of music, artistic, and social change were Vienna, London, and Paris.

Dr. Robert Butts has won acclaim as a conductor, composer, and educator. He is the director of the Baroque Orchestra of NJ, now in its 26th season. He teaches/lectures at Montclair State University, the Caspersen School of Graduate Studies at Drew University, NJ Council for the Humanities, and Saint Elizabeth University. He has conducted major orchestra and opera performances throughout NJ and the US, as well as guest appearances in Romania, the Czech Republic, Russia, Italy, and England. Dr. Butts received his M.A. in Musicology from the

University of Iowa with a specialty in 17th and 18th-century music and a D.M.A. in

conducting from the American Conservatory of Music in Chicago. He also studied conducting at Julliard with Maestro La Selva.

Interested students can find registration information on the Friends website friendsmadisonnjlibrary.org. The tuition for each course is \$95. These courses are organized by the Friends of the Madison Public Library, a nonprofit 501©(3) organization. All proceeds benefit the Madison Public Library. These non-credit courses are open to the public with no prerequisites or examinations.

For more information or to register, visit friendsmadisonnjlibrary.org/current-minicourses or email minicoursesmadisonlibrary@gmail.com.
