## THE SPOTTED LANTERNFLY IS HATCHING

*Invasive Insect Is a Danger to Trees, Decorative Plantings, and Agriculture*

Residents are reminded to keep an eye out for the invasive spotted lanternfly that has caused damage to residential and agricultural plants and trees throughout the area. Residents are asked to check trees, fences, and other flat surfaces around their homes and neighborhoods for egg masses, as well as grown lanternflies and Stomp Them Out!

The spotted lanternfly is native to China, India, and Vietnam. It was first sighted in the United States in Pennsylvania, and has since spread to surrounding states, including New Jersey. The spotted lanternfly was first discovered in Somerset County in 2019. While not harmful to humans or animals, this invasive insect feeds on the sap of many different hardwood trees, scrubs, ornamental plants, and has the potential to impact agricultural crops of economic importance such as grape vines, hops, and apple orchards. Feeding damage caused by the spotted lanternfly significantly stresses the affected plants which can lead to decreased health and potential crop loss.

Residents and visitors are advised to keep an eye out for spotted lanternflies and their egg masses and kill them on sight. Destroying spotted lanternfly egg masses before they hatch is the best way to limit their spread. Eggs can be laid on any flat hard surface including metal, wood, and plastic. Egg masses are commonly found on

fence posts, telephone poles, lawn furniture, and the underside of tree branches. Egg laying begins in September and continues through November or until the first freeze.

While adult spotted lanternflies do not survive the cold winters, their egg masses do. Beginning in May through June, the eggs will start to hatch and mature through their life stages into adulthood. Join the battle to beat the bug and help us Stomp Them Out!

- IF YOU FIND SPOTTED LANTERNFLY EGG MASSES:**
- Scrape egg masses using scraper cards, or anything else that is hard, tapered and/or flat
  - Kill eggs by putting them into doubled bags, using alcohol/hand sanitizer, or by smashing

# SALEM ROADHOUSE CAFÉ JUNE SHOW

The Salem Roadhouse Café presents the Stephen Fuller Quintet, Saturday, June 10, 2023. The doors open at 7:15 p.m., the show starts at 8 p.m. Admission is \$20 and includes show, snacks, non-alcoholic beverages, and dessert. The venue is located in the basement of Townley Presbyterian Church, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities.

Stephen Fuller’s deep rich voice and soulful renditions have long made him a favorite with sophisticated audiences around the world, performing in Israel, Jamaica, Costa Rica and The US Virgin Islands. In addition to his overseas engagements, Fuller has also performed in renowned New York City and New Jersey venues and has opened for both Stevie Wonder and Bill Withers while attending Colgate University.

Stephen will perform at the Roadhouse with his quintet. Last year he did a total calypso show which got the audience totally involved and thrilled. Stephen has always been top notch entertainment. This show he’s working on some special treats for us.

As always, the Salem Roadhouse Café is live, intimate, up front, and personal. All ages are welcome.

### ABOUT SALEM ROADHOUSE CAFÉ

It’s not “church music.” It’s music music. Folks who’ve come to the Salem Roadhouse Café know that it’s a clean, safe place for people

who enjoy listening to live music — in a world otherwise filled with clubs and bars. The Roadhouse has always offered its stage to local and independent mainstream musicians. Jazz, rock, folk, and other groups have performed. What’s the common thread? They’re all great musicians playing the kind of music people like to hear. There’s no message, just music.

The Roadhouse started in 2008 by members of Townley Presbyterian Church with a grant from the Presbytery of Elizabeth. Hey — that’s why we’re located where we are, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities. That’s its social mission.

But the many musicians who’ve played the Salem Roadhouse Café see it as a solid

performance venue. They love it because of its special intimacy and great audiences. They say people here “really listen.” Ask any of the musicians you meet here - they love to play the Roadhouse, and they want to come back often.

The Salem Roadhouse Café has raised funds for many carefully chosen charities. They include: The Presbytery of Elizabeth E-port Center, Center For Hope Hospice, Community Food Bank, Monarch Housing, Angel Paws Animal Rescue, National MS Society, Haiti Disaster Relief, Hurricane Sandy Disaster Relief, The Union County YWCA Domestic Violence Program, Making It Possible To End Homelessness, Camp Johnsonburg, The Music Institute, and others. Many thousands of dollars have been raised for these deserving charities.

## PORCHFEST SUMMERFEST 2023 DATES ANNOUNCED, TALENT AND VOLUNTEERS SOUGHT

### Positively Roselle Park 24/7

Porchfest is Summerfest 2023 is back with the hottest summer ever with local performances around the community. Positively Roselle Park 24/7 volunteer organization has announced Saturday July 15th (rain date Sunday July 16th), AND Saturday August 19th (rain date Sunday, August 20th) as the days when local talents will shine and music will be hot throughout Roselle Park.

Roselle Park 24/7 Porchfest was first showcased during the summer of 2020 as a way to encourage people to bike and walk around town while enjoying Roselle Park's aspiring and seasoned music professionals. Residents volunteer their home porches or front yards as venues.

Each performance will be from 20 to 45 minutes long and residents are welcomed to get

to know the performers and sing along. Updates to the event will be posted on the Positively Roselle Park Facebook page.

"Volunteers are what makes Porchfest possible. And, we need them." Joe Delorio said. He noted that this is the major issue for this year's Porchfest. "We almost didn't have it, but we know that there are people out there who want to help, they just need to step up."

Porchfest is also looking for additional musical talent and homes as venues. Interested performers and venues are encouraged to email RosellePark247@gmail.com.

Positively Roselle Park 24/7 is a volunteer organization whose mission is to create and support activities for the Borough of Roselle Park that bring people together to celebrate, educate and promote pride and the many positive and diverse aspects of our community.

During this time he had been a presence in local youth baseball, softball, soccer and football leagues. He served on the Executive Board of the Youth Baseball League for 24 years and coached both the girls and boys All Star Softball and Baseball Teams. He received the Man of The Year award in 1992.

Currently, Victor resides in Roselle Park with his wife of 54 years, Janie (Graves) Fuzo. He is enjoying retirement, spending time with his two daughters and five grandkids. Victor is a member of the American Legion Post #284 in White House, NJ.

"Mr. Fuzo is an excellent nomination by American Legion Post 60. His service to the community is remarkable. We could not be happier to have him as the Grand Marshall of this year's Memorial Day Parade," said Mayor Joe Signorello. "Memorial Day is meant to recognize and remember those who fought and sacrificed for our country. We express the utmost gratitude to all our fallen soldiers, but veterans such as Mr. Fuzo do not go unnoticed. I am looking forward to seeing Roselle Park residents come out and join us on Memorial Day as we pay our respects and honor the country's heroes."

*Submitted by Michael Boll, Director New Jersey Veterans Network*

The New Jersey Veterans Network (NJVN) has received countless donations and other awesome support from Renna Media news readers. We are extremely fortunate to have so many readers that love helping our veterans live a better way of life. To date articles in Renna Media publications have resulted in 4 car donations. Veteran "Sarge" is the most recent recipient of a car donation after the donor read an article in a March publication. We are blessed to have such a generous following, donations like this will help our veterans get to work, and their medical appointments.

The Virtual event, held on June 8th will be hosted by Christine Zubra, Owner, Versi Vino Wine Bar & Kitchen in Maple Shade, NJ. A recording will be available for participants unable to attend live. The virtual event is intended to provide educational and fun facts

about the selected wine and cheese pairings.

Virtual Wine Tasting Sponsorships are available to local businesses and community organizations at [tgfymca.org/sponsorships](http://tgfymca.org/sponsorships) in further support of the children in summer camp.

The Gateway Family YMCA has served the community since 1900, and provided over \$250,000 in financial assistance in 2022, ensuring that Y membership, housing, child care, WISE community services and senior socialization is available to all. As a nonprofit organization dedicated to strengthening community in Eastern Union County and Northern Middlesex County, The Gateway

Family YMCA served over 16,000 individuals, families, children and veterans last year.

The YMCA Summer program session includes traditional favorites, along with some added unique programs like W.I.S.E. (Wellness, Independence, and Socialization for our Elders) Community Services, Water Exercise, Arts programs and more.

In response to the growing obesity epidemic and decline in chronic conditions exacerbated by the global coronavirus pandemic, The Gateway Family YMCA offers programs like Blood Pressure Self-Monitoring, Group Lifestyle Balance and Diabetes Management which are open to the community, offered in multiple locations and taught in both English and Spanish. A free Community Membership is available to provide vital access to chronic disease programming and many family events.

to meet the needs of every individual. These programs have become part of the fabric of every day opportunities, including group exercise programs, water safety education, mental health and skills seminars. Busy families and seniors can visit the Y, take a class online, or any combination of both. In person, the Y provides family and lap swimming, basketball, personal training and all the amenities you would expect, while also teaching water safety for all ages, enrichment to combat learning loss and events for community socialization opportunities, bringing everyone together.

*(above) "Summer Day camp is a foundational support program for our working families, providing child care, drowning prevention, academic reinforcement, art activities, special events and fun," stated Melynda A. Disla, President/CEO, The Gateway Family YMCA. "Through our Virtual Wine Tasting, we will be providing summer camp financial assistance to those who may not otherwise be able to attend."*

## RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

### DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

### If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Addictions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

### Consider This Alternative To Surgery

**Northeast Spine & Wellness Center** offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

### How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain. Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

### Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

### Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

# ROSELLE PARK POLICE PARTICIPATE IN POLICE UNITY TOUR

(above) Team Roselle Park

Team Roselle Park participated in a 4-day, 320-mile bicycle ride from Northern NJ to Washington DC to remember fallen police officers. The Police Unity Tour was formed in 1997 and its mission is to raise public awareness about law enforcement officers who have died in the line of duty.

The Roselle Park Police Cycling Team consisted of Sgt Medrano, Officer Kot and Officer Matthews. They rode for Roselle Park retired Captain Manuel Jimenez, who passed away from cancer while assisting in the 9/11 recovery efforts, and Officer Bobby Shisler of the Deptford NJ Police Department who recently

passed away as a result of a gunshot wound he endured during a foot chase in March.

The officers rode with hundreds of law enforcement officers to the National Law Enforcement Officers Memorial in Washington, D.C. They arrived in Washington D.C. on Friday, May 12, after completing the last leg of the ride from Annapolis, MD, alongside members of the Cranford, Summit, Kenilworth, Westfield, Springfield police departments, Union County Sheriff's Office, and Federal partners in the USSS.

For additional information about the Police Unity Tour, please visit [policeunitytour.com](http://policeunitytour.com).

# ARRIVE TOGETHER PROGRAM

## Union County Prosecutor's Office

The Union County Prosecutor's Office is pleased to announce that New Jersey's highly regarded ARRIVE Together program, aimed at providing compassionate response during 9-1-1 calls involving a mental health crisis, has been expanded to additional police departments in Union County.

The focus of the ARRIVE Together program is to provide individuals in crisis with whatever help they need as quickly and effectively as possible, by teaming up a police officer – specifically trained in crisis intervention — with a civilian certified mental health screener in order to respond to 9-1-1 calls relating to a mental health crisis. The officer and crisis worker literally arrive together. Both are in plain clothes, and arrive at the call in an unmarked police vehicle. During the encounter, the mental health screener takes the lead.

This focused approach both supports the individual facing a mental health crisis, and protects the responding officers. The intention is to get the person in crisis the proper help they need as quickly as possible, while also preventing escalation and facilitating any necessary de-escalation.

The ARRIVE Together team also follows-up on these specific calls to ensure that the individual is doing well and does not need additional mental health support.

“Heart is a core value of the program, as this program humanely gets to the heart of many of the difficulties of responding to calls involving a mental health crisis for both law enforcement and those in crisis” said Union County Prosecutor William A. Daniel.

“This partnership approach enables a quicker response time to get the individual the help they need, rather than having to wait for the later

arrival of a mental health screener,” Director of the Pre-Indictment Division Tiffany Wilson, who is also the UCPO Liaison for the ARRIVE Together Program, states. “It also helps to avoid having this person come in contact with the criminal justice system.”

The Prosecutor said that, since its inception, it is extremely promising that there have been no injuries or escalations associated with any Union County ARRIVE Together calls, specifically because nationally, half of the “Use of Force” reports arise from police responding to these types of calls.

Elizabeth and Linden Police Departments were quick to pilot the program in June of 2022, following its creation and the Office of the Attorney General's pilot launch in November 2021 in Cumberland County involving a partnership between the Cumberland County Prosecutor's Office and the New Jersey State Police, who provide local police services in that part of the state.

Elizabeth Police Chief Sacca is optimistic about the benefits of the ARRIVE Together program. “Since the inception of ARRIVE together program in Elizabeth, in addition to the lack of force and injuries, the department has had great successes in aiding those experiencing homelessness. This success is not only a benefit for the individuals impacted, but a benefit for the relationship between the police department and the community as a whole.”

The Roselle Park Police Department launched this program in December of 2022, followed by the current launch by the police departments in Clark, Cranford, Plainfield, Scotch Plains, and Westfield, along with the Union County Police Department and the Union County Sheriff's Office.

“Union County has led the way for the past two decades in sensitizing our law enforcement officers to the struggles of individuals dealing with the wide spectrum of mental illness,” Prosecutor Daniel said. “We continue to offer law enforcement sensitivity training, including our intensive Crisis Intervention Team Training (CIT) and Autism Spectrum Awareness training, and de-escalation training, such as Integrated Communications, Assessment, and Tactics (ICAT),” he said.

“We are committed to partnering with the County community to tackle these tough issues, and to engage in honest dialogue with our citizens, with our eye on equality and social justice for all,” he added.
