## CHAMBER OF COMMERCE AWARDS SCHOLARSHIPS

Donors to the Greater Union Township Chamber of Commerce Scholarship Fund gathered recently to meet the two Union High School graduates who received scholarships for 2023.

Named the "Union Township Chamber of Commerce Businesses Scholarship," the award was created to allow all Chamber member businesses to collectively contribute to the fund and thereby allow for bigger awards. This year, two scholarships of \$3,000 each were presented to Janaya Warren-Bey, who will be attending Lincoln Technical Institute with the goal of becoming an electrician, and Ritch-Tara Pompilus, who will begin her studies at Brandeis University to study economics.

The scholarship is dedicated to the memory of Anthony Giordano, a longtime Chamber member who served on its Board of Directors for more than a decade. Affectionately known as "Uncle Tony" by his friends and colleagues, he was a major force in the Chamber in the 1980's and 1990's and chaired the organization's Golf Outing for many years.

"We are beyond grateful to the many Chamber businesses who stepped up and contributed to this year's fund," said Executive Director/CEO James Masterson. "Our Chamber is

an important and active part of the community –and this is one way in which we demonstrate our commitment to the Township of Union. I encourage our community to show their gratitude by patronizing these businesses."

The Chamber businesses who supported this year's scholarship fund are: Chairman's Circle: Cold Stone Creamery; Union County Orthopedic Group; Sheptock, Chelland and Grieves and Signaturz Sports Bar and Restaurant; President's Circle: Anytime Fitness, Laura and Paul McGrath and Northfield Bank; Founder's Circle: All City Electric, BCB Bank, Beacon Wealth, Insurance Associates Plus; Kessler Rehabilitation Center, Mathnasium and Shake A Paw Center for Rescue and Adoption; Scholars Circle: Friends of the Union Library, JAG ONE Physical Therapy and NJ Arts World; Student's Circle: Atlantic Federal Credit Union, JKS Web Design and The Theater Project; Friends Circle: Union Township Historical Society and SGS.

Information concerning the Scholarship and how to contribute to the fund may be had by calling the Chamber at 908-688-2777 or emailing Masterson at [executivedirector@unionchamber.com](mailto:executivedirector@unionchamber.com).

# THE FUTURE OF REAL ESTATE

## ***GEORGE A. CASTRO IV (21) SELLS RECORD-BREAKING \$4.36 MILLION DOLLAR MANSION***

By: Abraham Friedman

**C**ASTRO - When it comes to the world of business, there is no mistaking that attaining success is anything but an effortless feat. Simply charting a clear-cut way to do so necessitates utmost tenacity and discipline, and to then realize such a goal pivots on consistency. This is precisely what can be said in regard to Real Estate, where one's expertise in communication and character must stand at the forefront of every endeavor, making it a demanding profession, regardless of age. Thus, it's nothing short of outstanding when the youngest in the industry work their way up to greatness, and in regard to those who have gone as far as to break records, look no further than George A. Castro IV of Premier Homes who, at just 21 years old, has realized unprecedented triumph in his career through a most recent transaction worth millions, making a name for himself as the true future of real estate.

Having been acclaimed time and again for his unwavering dedication and ingenuity as a businessperson, it is beyond doubt that George Castro has made impactful strides within the Real Estate industry, and the vast recognition brought about by his latest sale of a new residence is no exception. Located at 420 Ludlow Avenue in Spring Lake, New Jersey, the property was built by "AllertonFox Construction", one the biggest commercial construction and development companies in Manhattan, New York, and is but one of many multi-million dollar homes throughout the prestigious neighborhood.

As with all his previous work, George enthusiastically took this unique opportunity presented to him, procuring a contract on the property under 30 days from the original listing date. The residence was initially listed at \$3,995,000, and was ultimately sold for \$4,367,000, a whopping \$372,000 above the original listing price. While this in itself is an exceptional accomplishment, it is made even more significant by George's remarkably young age, recognized as the most ever expensive residential sale by a 21-year-old in the entirety of the United States.

Castro emphasizes the importance of his medium of both marketing and selling, a crucial variable in his mastery of Real Estate. In the case of most Realtors who are selling million-dollar properties, they often focus solely on the market and local areas surrounding a particular residence, which is considered an outdated means to advertise to affluent buyers. Meanwhile, George has been marketing luxurious properties to purchasers not only from New York but several states throughout the country and even overseas. It is exactly this which differentiates him from the majority of agents. "There are many rich and affluent purchasers in Manhattan who live in small apartments but are paying hundreds upon thousands of dollars in rent," he states. With his concentration on efficient and contemporary ways of selling, George has been able to hone into this market and grant a myriad of buyers, whether near or far, the opportunity of purchasing opulent homes in New Jersey.

With his record-breaking achievement, George Castro's eminence in the tri-state area's Real Estate scene is ever-increasing and has been actualized by the aptly named "Wonder Boy" in the short span of only 3 years, at that. First setting foot in the industry at 18, his talent in Real Estate was put to the test by the adverse impact of the COVID-19 pandemic, which brought change to our lifestyles, and hence, the state of the business. George rose to the challenge without hesitation, honing his potential with ceaseless determination to be greater than meets the eye. "If you're looking to think at all, you might as well think big, and in the Real Estate industry, it's important to always look to have the upper hand" he says.

By virtue of his prowess and passion for Real Estate, George Castro has come to establish himself not only as a distinguished professional in an industry marked by competition but as a paragon of his age. Through 2022 and beyond, he has earned numerous commendations as a top agent in the Premier Homes company and the state of New Jersey. More than that, George is the youngest realtor to have received the 2022 Gold New Jersey Realtors Circle of Excellence Sales Award, further underscoring his ascendancy in the industry, all through skill well beyond his years.

In recent times, opportunities for prosperity have been sought out on a progressively larger scale, giving rise to new and innovative talent more so than ever before. However, it is George Castro who has proven that the scope of one's success hinges on the individual mindsets of those who strive for it. As he strongly believes "There are no limits to what you can accomplish, except the limits you place on your own thinking. Usually those who are the most competent and committed, are the ones that rise to the occasion."

## IMAGINE GRIEF SUPPORT FOR CHILDREN AND YOUNG ADULTS

Volunteers recently completed three full days of training in order to join Imagine's amazing team of volunteer facilitators. During their training, space was provided where they could share their stories of loss with one another and give and receive support as Imagine staff modeled the skills utilized in Imagine's peer support groups. Imagine practices Alan Wolfelt's Companioning Model which encourages us to walk beside someone on their grief journey, so they feel felt and know that their story matters. Those who participated in this training can utilize the same skills and tools modeled by Imagine staff as they create safe spaces for Imagine participants in our peer support groups.

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with

a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Groups are also available for parents who have lost a child aged 30 or younger.

Imagine's Training and Education staff provide grief and loss education and training to the community. For more information, please visit [imaginenj.org](http://imaginenj.org) or contact Imagine at 908-264-3100 or [info@imaginenj.org](mailto:info@imaginenj.org).

## ROTARY HELP STOCK FOOD PANTRY

### The Rotary Club of Union

Members of The Rotary Club of Union and Hillmann Consulting of Union recently held a mini-drive to assist the Union Township Food Pantry. Members donated Stop and Shop gift cards and Hillmann Consulting matched the donation. Employees of Hillmann donated their time to go shopping to get the necessary staples. The donations and gift cards, totaling \$1,000, were delivered to Mayor Manny Figueiredo to supplement the shelves of the food pantry during the summer.

Each month the Rotary Club holds a drive or performs a service meant to positively impact on our community. In the past, drives have resulted in donations of goods or services to the Union food pantry, to Cornell Hall nursing home, and to area shelters. Established in Union in 1941, members of Rotary continue to work for and believe in the principle of Service Above Self.

## “AFRICAN ACCENTS” CELEBRATES AFRICAN FABRIC MONTH IN SEPTEMBER

The Cultured Expressions Sewing & Quilting Studio in Rahway is marking African Fabric Month in September with a special event at the Barron Arts Center in Woodbridge on September 7, 2023. Studio owner Lisa Shepard Stewart will share her passion for the unique textile arts of the Continent, and how to use them creatively. Learn how and why the fabrics are made traditionally, and view some of the most recent projects she has made with them. Sewing skills are NOT required to enjoy this informal presentation of creative ideas and inspiration. “Of course, if you ARE inspired to learn to sew after the presentation, we do offer beginner classes at the studio, and lots of virtual classes”, says Lisa.

African Fabric Month promotes the beauty and cultural significance of textiles like bogolan (mudcloth), kente cloth, adinkra, batik, ankara

prints and more. Their suitability and versatility for DIY enthusiasts ranges from fashion and quilts to home décor, crafts and gifts. Embellishments like Krobo beads and brass accents from Ghana will also be shown and discussed as the perfect finishing touches for any project.

(NOTE: The lecture is FREE but advance reservations are required; please call Barron Arts Center at 732-634-0413)

Regular studio hours are Wed 4-8pm;

Thurs 12-6pm; Fri 12-6pm and Sat 10-6pm.

## ARC OF UNION COUNTY RAISES \$41,000

The Arc of Union County, a non-profit agency serving more than one-thousand adults with intellectual and developmental disabilities, raised over \$41,000 at its first annual Swing Into Summer Golf Invitational on June 21st at Galloping Hill Golf Course in Kenilworth.

Golfers from local and regional businesses, private individuals and other supporters enjoyed a full day of golf, breakfast, lunch and numerous prizes. Among them was a raffle for an all-expense paid luxury three-day, two-night stay at the exclusive Kiawah Island Golf Resort in South Carolina won by Ryan Frangopoulos of Macro Technology.

The event also served as a passing of the torch from The Arc of Union County's long-time Executive Director Frank Caragher, who retired at the end of June after 49 years of service to the IDD community, to his successor, Edwin Asuta, who took over in January.

For 74 years, The Arc of Union County has offered a lifespan of services including family support, early intervention, education, residential, day habilitation and employment services. All proceeds will directly support these programs.

The Arc is grateful to Galloping Hill Golf Course and GAPGEM LLC Golf Event Management for their essential roles in making this event a success. We also thank our 23 sponsors without whose support this event wouldn't have been possible. They are:

Risk Strategies, Meeker Sharkey Hurley, Excel Air, Frieri Law Group, Macro Technology, NJM Insurance, The Branna Agency, Columbia Bank Foundation, Document Solutions, Springbrook Wealth Advisors powered by Ameriprise Financial, Withum, Coordinated Compliance Solutions, Caffrey Landscaping, Carracino's Auto & Truck Service, Fuscon, J & E Auto Body, Improcom, MargFinancial, The Robbins Agency, The Dudas Family, Kenilworth Carwash, TK Books, and PSE&G.

Learn more about The Arc of Union County, its programs and services, at [arcunion.org](http://arcunion.org) or follow us on Facebook, Instagram, and LinkedIn. And for an early start on next year's golf event, contact Marianne Kranz at [mkrantz@arcunion.org](mailto:mkrantz@arcunion.org).
