BUSY AUTUMN SEASON AHEAD FOR DAR

Following a summer hiatus, members of Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution (DAR) resume monthly meetings on Sept. 12 with a busy fall agenda.

Upcoming events include the State Meeting, collecting pet food as a DAR Day of Service project, honoring veterans at an assisted living facility, collecting holiday gifts for hospitalized veterans and participating in Wreaths Across America.

Chapter members will report on summer activities, including greeting new citizens, DAR Continental Congress in Washington, D.C., and a workshop to preserve historic cemeteries. Members are also working on a state project to create an index of N.J. Revolutionary War veterans by county.

Do you have an ancestor who served in the American Revolution, or donated goods, services or paid a supply tax? We can help you with your research and DAR application.

DAR is a service organization open to women 18 and older who can prove descent from a patriot of the American Revolution. Elizabeth

Snyder-Continental Chapter is based in Green Brook and serves areas in Somerset, Middlesex and Union counties. Contact ESCchapterDAR@gmail.com or learn more at DAR.org.

(above) DAR members attended a summer workshop on how to preserve historic cemeteries at the Presbyterian Church in Morristown, N.J.

OPEN HOUSE SEPTEMBER 19TH

Green Brook Historical Society

The Dr. John. Vermeule House, located at 223 Rock Avenue, Green Brook, will be open for visitors on Saturday, September 19th from 10:00 a.m. - 12:00 p.m. There you will meet several of its volunteer members to give you a glimpse into 19th - 20th century rural living. There are some interesting outbuildings and farm equipment to see, on the 2-acre property. Mark your calendars and consider participating as a volunteer or enjoy the event as a proud resident!

The Dr. John Vermeule House, one of Green Brook's historic links to its early settlers was built as a farmstead. Construction began in 1799 and became occupied by the Vermeule family in 1805. Dr. Vermeule practiced medicine and operated a farm on the original 113 acres of his property. The home is based on a blending of English and Dutch architectural traditions with Georgian and Federal style influences.

Vermeule ownership of the property ended in 1824. Various families bought and sold the property over the years, namely, Vail, Cohen, Voorhies and lastly, Mundy. The farmstead continued to function as a dairy farm into the mid-20th century. The township of Green Brook acquired the house and remaining 2.2 acres of the property in 2008. Necessary preservation renovations have been made to some structural elements, but the house is virtually unchanged

from its original construction.

The Green Brook Historical Society meetings are held at Green Brook Town Hall, 111 Greenbrook Road, on the 3rd Thursday of every month at 7:30 p.m. We also offer Zoom, for those who can't come in person. Our group has a lot of fun exploring our local history and doing our best to preserve and document its rich heritage. Please consider joining us! For additional information, please contact 732-968-7696. Please leave a brief message with your name and phone number where you can be reached at and you'll receive a call back.

(above) The Dr. John. Vermeule House, located at 223 Rock Avenue, Green Brook, will be open for visitors on Saturday, September 19th from 10:00 a.m. - 12:00 p.m.

Food too Good to Waste

September 18 - 11 a.m.

Food is the single largest category of material placed in municipal landfills and represents wasted nourishment that could have helped feed families. Additionally, water, energy, and labor used to produce wasted food could have been employed for other purposes. Effectively reducing food waste will require cooperation

among federal, state, tribal, and local governments, faith-based institutions, environmental organizations, communities, consumers, and the entire supply chain. Jennifer will introduce us to simple, yet effective ways we can start as individuals to becoming smarter with food consumption and effective waste management. Every little bit of change can make a difference.

★★★★★ Client Testimonial

"There is no one else to hire other than Roseann. She invests her time and effort and her team in ways I didn't even predict. She attends her open houses, and she joins the buyer's agents when they are showing the house to answer questions immediately. We listed our house for the right price, and it sold for \$50K over ask! To not hire Roseann is to compromise quality. Period." - Allan P. seller in Green Brook
