## COMMUNITY CELEBRATES NATIONAL NIGHT OUT 2023

National Night Out, a national community-building campaign that promotes police-community partnerships, was held on Tuesday, August 8th in Roselle Park. The free event was sponsored by the Borough of Roselle Park and along with fun activities the main focus was for residents to meet and greet with members of the Roselle Park Police and Fire departments.

National Night Out is held annually. It enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

# RELIEF FROM CHRONIC KNEE PAIN

## FDA Approved Treatment to Avoid Surgery

### DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

### If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

### Consider This Alternative To Surgery

**Northeast Spine & Wellness Center** offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

### How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

### Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

### Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

## ELKS SCHOLARSHIP HELPS STUDENTS PURSUE THEIR GOALS

The Elks National Foundation is proud to announce the start of the 2024 Elks Most Valuable Student scholarship contest. The MVS scholarship is available to high school seniors who are United States citizens. Applicants do not need to be related to a member of the Elks. The judging criteria is based on academics, leadership, service, and financial need.

The application is completed online and must be submitted by the November 13, 2023, deadline. The 500 national winners will be announced in April 2024. The top 20 national

finalists will participate in the Leadership Weekend in Chicago and receive \$30,000 scholarships. The remaining 480 runners-up will receive \$4,000 scholarships.

This year, the Elks National Foundation is investing more than \$4 million in college scholarships. MVS scholars—all of whom demonstrate outstanding leadership skills and a commitment to service—are graduating from college at a rate of 90 percent, 30 percent higher than the national average.

Since 1931, the Elks National Foundation has

awarded life-changing scholarships to thousands of students.

“My ultimate career goal encompasses working as an agricultural problem solver through mechanical development and usage education,” says Jones.

Applications for the 2024 contest are available on the Elks National Foundation’s website.

For complete Most Valuable Student scholarship contest details, including the application, visit [enf.elks.org/MVS](http://enf.elks.org/MVS).

## WHAT ARE YOU SEEKING?

A free spirituality seminar is being offered by Immaculate Heart of Mary Church in Scotch Plains, NJ. Meetings are weekly, and most are on Zoom.

Some of the most interesting and meaningful discussions occur when we talk about subjects that really matter to us. What is important to you? What fills you with joy? What do you seek in life? What do you believe? Alpha was created as an opportunity to examine important topics that ask us to reevaluate what we believe and why.

The four in-person meetings begin with a meal, followed by a short video on various Christian topics, small group discussions and conclude with some summary comments. The other meetings are conducted on Zoom. There are twelve meetings in total. While it seems as though only people with faith are the target audience, all are welcome whether a believer, an atheist, or an agnostic. Come and bring a friend.

Listening is critical to this format. It is as important to understand other points of view as much as to be understood. Dialogue is expected to be respectful not confrontational. No one is forced to talk if they simply choose to listen.

The comments of those who have done the Alpha Program offer the best reasons to "Try Alpha":

"I needed a spiritual tune up and I got it." "It was a safe place to discuss deep topics of faith." "I found a new energy and peace about my faith."

"It gave me a sense of hope." "I found my faith again."

The next Alpha Program will begin on Monday, September 18, 2023 with a dinner at 7 p.m. in the Nazareth Center at Immaculate Heart of Mary (IHM) Church, 1571 S. Martine Avenue, Scotch Plains. Since most meetings will be on Zoom it will require access to a device for the Zoom meetings. Links and directions for Zoom will be provided to those who register. Participation is capped at 30 people. Sign up by visiting the IHM website: [ihmparish.net](http://ihmparish.net). If you have any questions about Alpha, email: [office@ihmparish.net](mailto:office@ihmparish.net) or call: 908-889-2100.

# SALEM ROADHOUSE CAFÉ SEPTEMBER SHOW A JAZZ EVENING WITH DAVID BRAHAM TRIO

The Salem Roadhouse Café presents Carrie Jackson and the Jazzin' All Stars, Saturday, September 9, 2023. The doors open at 7:30 p.m., the show starts at 8:00 p.m. Admission is \$20 and includes show, snacks, non-alcoholic beverages, and dessert. The venue is located in the basement of Townley Presbyterian Church, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities. The performance will be held upstairs in the church sanctuary.

Pianist/Organist Dave Braham has played with and/or recorded with many of the top names in jazz, including Etta Jones, Houston Person, Lou Donaldson, Al Grey, David "Fathead" Newman, Arthur Prysock and Irene Reid. He has two recordings as a leader – "To Be Free" on the RandomAct record label and "Blue Gardenia" on BlueJay records. He has also taught music in NJ public schools, including Union Public Schools. Dave will be backed up with bass and drums by

two of the area's finest musicians, creating a musical treat for all who come to this exciting all-acoustic show in a great listening environment.

Bassist Belden Bullock has quickly become one of the most sought-after jazz bassists in the greater NYC area. He has travelled extensively with jazz piano giants Ahmad Jamal, South African pianist Abdullah Ibrahim as well as the Harlem Blues and Jazz Band. Belden lives in a very talented household. His wife, Audrey, is a very busy professional singer. Their two sons are actors/dancers.

Drummer Willie Martinez is well known in the tri-state area as one of the most versatile percussionists around. He has played and recorded with a wide variety of artists – jazz musicians such as Benny Powell, Mulgrew Miller and George Cables; Cuban bandleader Chico O'Farrill; even pop singer Faith Hill. In addition to drum set, Willie is a master of the timbales and other Latin percussion instruments.

Willie can also be seen leading his own Latin Jazz sextet, La Familia.

As always, the Salem Roadhouse Café is live, intimate, up front, and personal. All ages are welcome.

### ABOUT SALEM ROADHOUSE CAFÉ

It's not "church music." It's music music. Folks who've come to the Salem Roadhouse Café know that it's a clean, safe place for people who enjoy listening to live music — in a world otherwise filled with clubs and bars. The Roadhouse has always offered its stage to local and independent mainstream musicians. Jazz, rock, folk, and other groups have performed. What's the common thread? They're all great musicians playing the kind of music people like to hear. There's no message, just music.

The Roadhouse started in 2008 by members of Townley Presbyterian Church with a grant from the Presbytery of Elizabeth. Hey — that's why we're located where we are, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities. That's its mission.

But the many musicians who've played the Salem Roadhouse Café see it as a solid performance venue. They love it because of its special intimacy and great audiences. They say people here "really listen." Ask any of the musicians you meet here — they love to play the Roadhouse, and they want to come back often.

The Salem Roadhouse Café has raised funds for many carefully chosen charities. They include: The Presbytery of Elizabeth E-port Center, Center For Hope Hospice, Community Food Bank, Monarch Housing, Angel Paws Animal Rescue, National MS Society, Haiti Disaster Relief, Hurricane Sandy Disaster Relief, The Union County YWCA Domestic Violence Program, Making It Possible To End Homelessness, Camp Johnsonburg, The Music Institute, and others. Many thousands of dollars have been raised for these deserving charities.
