HALOS FOR ANGELS LOOKING FORWARD

Karen M. Casolaro, President, HFA

Members of the Junior Board of Halos For Angels (HFA) held their first meeting in August at the Florham Park Library. The Junior Board is a new group of local teens excited to participate in the growing need for connecting the HFA community. The idea came from Steven Marlin, 16-year-old president of the board, after he organized the popular Pickle Ball Fundraiser this year. HFA is excited to welcome a younger generation who will contribute to our growth bringing added innovative fundraising ideas and connecting the local communities. For more information and to donate please visit our website halosforangelsinc.org or contact us at halosforangels@gmail.com.

HFA's 12th annual gala "Love is in the Air" will be held on Thursday, November 16, 2023, at the Ravello in East Hanover. Steven Marlin, Halos For Angels, Jr. Board President will be honored this year, amongst other honorary

angels that went beyond their call of duty. All are welcome to attend this fundraiser. Its success will help serve and support those in sudden need due to tragedy, all of whom are living in our own communities. Please help US to help others...TOGETHER, we make a difference!

Halos For Angels, Inc. is a nonprofit, 501(c)3 charity. Our primary purpose is to nurture its "community's well-being" by extending to its family members temporary relief, comfort, and support when sudden tragedy "hits home". HFA can help with day-to-day responsibilities whatever the sudden need may be, until the family is stronger and back on their feet. For all inquiries and volunteer opportunities, and to make a donation, please visit; halosforangelsinc.org (all donations are tax-deductible EIN#80-0506158.)

BULLIES TO BUDDIES WORKSHOP – OCT. 19TH

On Thursday, October 19th from 6:30-8:00 p.m. Imagine, A Center for Coping with Loss will offer a Bullies to Buddies workshop at their Mountainside center at 244 Sheffield Street in Mountainside. There is no cost for this program. Children and youth, third grade and older are welcome to attend along with adults who wish to help the children in their lives gain skills for responding to bullying behavior. Young people attending will have an opportunity to role play techniques taught throughout the session.

Bullying is a challenge for many students, but children and youth who are grieving are more likely to be bullied or become bullies. The Bullies to Buddies method fosters resilience by showing how to respond to verbal aggression. Children from 3rd grade and up, parents, school staff members and any interested community members are welcome to attend whether or not they have been recently impacted by a loss.

The training will be offered by Connie Palmer, LCSW who is a Grief Education Consultant for Imagine. Connie is a former school social worker, therapist and is a Certified Bullies to Buddies Trainer.

If you and/or your kids are interested in attending, please register by scanning the QR

code below or visiting Imagine's website at imagineinnj.org. Pizza dinner is available prior to the workshop at 6:15 p.m. Please indicate your interest in coming early for pizza when you register. We hope you can join us at Imagine for this timely and beneficial workshop!

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imagineinnj.org.

BULLETS THAT CHANGED AMERICA

Historical Society of Florham Park

Author, historian and teacher, Peter Zablocki returns to Florham Park for the second October in a row. Recall last year’s presentation by the Denville Historical Society president on his book – 1788 Morristown Ghost Hoax when he shared a major scam that ran 250 years ago in our area.

This time, Mr. Zablocki will present "Bullets that Changed America". Some were small mistakes or misjudgments, others intentional acts that sparked events documented in our history textbooks. A single bullet serves as the catalyst for each of the stories in this book. We may or may not know who fired it but we know each bullet's end point and the effects it had on America's trajectory: the wars, social movements, and political and economic paradigm shifts. The names of those involved may not be recognizable to many but the events their acts precipitated are etched in American history.

Mr. Zablocki will also preview his new book coming out on October 16 - New Jersey and the Medal of Honor: A History.

The Historical Society of Florham Park continues with an interesting lineup of presentations from Fall 2023 through Spring 2024. Each is free to the public, will be at the Florham Park Library, and all start at 7pm.

The Historical Society of Florham Park was founded in the 1930s to save and preserve the Little Red Schoolhouse. Located on the corner of Columbia Turnpike and Ridgedale Avenue the former schoolhouse was converted into a museum and is the symbol of Florham Park. HISTORICAL SOCIETY UPCOMING PROGRAMS

Mark your calendars for the Historical Society of Florham Park lineup of presentations starting this Fall. Each is free to the public and will be at the Florham Park Library starting at 7 p.m.

"Bullets that Changed America".

October 9, 2023

Recall that last October Mr. Zablocki, Historical Society of Denville president, presented the 1788 Morristown Ghost Hoax -the saga of the Morristown tale told around campfires and dinner tables in Morris County for generations. Local legend claimed British Loyalists secretly buried stolen Patriot treasure on Schooley Mountain as they fled the oncoming forces of George Washington.

This time Mr. Zablocki will present "Bullets that Changed America". Some were small mistakes or misjudgments, others intentional acts that sparked events documented in our history textbooks. A single bullet serves as the catalyst for each of the stories in this book. We may or may not know who fired it but we know each bullet's end point and the effects it had on America's trajectory: the wars, social movements, and political and economic paradigm shifts. The names of those involved may not to many be recognizable but the events their acts precipitated are etched in American history.

Mr. Zablocki will also preview his new book coming out on October 16 - New Jersey and the Medal of Honor: A History.

Pat Wells, "Stories from the Mayflower: What Were They Thinking?"

November 13

Pat Wells, VP Chatham Township Historical Society, shares a far more interesting and complex story of the Mayflower and its passengers than what we were taught in school. Enjoy some of the extraordinary stories that will change the way you think about the Pilgrims.

Maud Dahme,

"Hidden Children of World War II"

March 12, 2024

Ms. Maud Dahme is a World War II Holocaust survivor from the Netherlands. Separated from her parents at age six, she went into hiding with her younger sister during the German occupation. The two were placed with a family they had never met and had to understand an alias-family background in case they were ever questioned by the authorities. Their parents went into hiding at a different location. When it was feared the Germans would find them, they moved to another family and continued hiding

until the war ended. Maud relates her compelling story and her eventual emigration to the US.

"Tuskegee Airmen"

April 9, 2024

Dr. Roland Brown will be the speaker for this presentation about the Tuskegee Airmen, one of whom was his father. This group of African American military pilots (fighter and bomber) and airmen who fought in World War II. The Tuskegee airmen received praise for their excellent combat record earned while protecting white American bombers from enemy fighters.

The group was awarded three Distinguished Unit Citations.
