## BOTTLE HILL DAY 2023, SAT, OCTOBER 7

Madison's annual fall festival, Bottle Hill Day, takes place on Saturday, October 7, from 10:00 a.m. to 5:00 p.m.

This year will mark the 48th Anniversary of this signature Madison, NJ, event. This event has continued to grow yearly since it was first established in 1974 by Mayor Elizabeth Baumgartner.

The Madison Chamber of Commerce and Madison P.B.A. #92 will return on Saturday, October 7, with Bottle Hill Day.

With the expansion a few years ago onto Kings Road, this rain-or-shine street festival spans over six blocks. It includes sidewalk sales, four stages with live music, three Amusement Areas, food, and 225+ vendors, including non-profits, crafters, retail businesses, etc.

There will be great food options, including the Food Court on Cook Avenue, other food vendors throughout the festival, local restaurants, and a Food Truck Court on Kings Road.

Park & Ride Shuttle: Park your car in the parking lot at the Madison Community Pool and ride downtown, where the shuttle will drop you off right in the center of town. The shuttle will run from 9:15 a.m. until 5:00 p.m. in a continuous loop between the parking lot and the town center.

Family Activities & Rides: Provided by Seashore Amusements at Central Avenue School and Kings Road.

DDC Beer Garden: The Bottle Hill Day Beer Garden returns for its 11th year! It will again be located between Prospect Street and Maple Avenue on Kings Road. The Beer Garden will feature a variety of beer on tap and wine and will also include some specialty items.

Street Closures and Parking: Waverly Place, Central Avenue (Main Street to Brittin Street), Kings Road (Prospect Street to Green Avenue), and Green Village Road (Main Street to Kings Road) will be closed, but the municipal lots (Waverly Green, Cook Avenue, and Elmer Street) will be open for parking. Additional event parking will be available at the Madison Junior School parking lots, which are accessible via Brittin Street (behind the school). The Kings Road Parking Lot behind the Public Safety Building will be open for public parking, and the Prospect Street Parking Lot will also be open to the public. Street parking, where allowed, will be available

as well. Main Street remains open all day.

The DDC's objective is to promote economic growth and business development so that Madison's beautiful downtown continues to thrive. Bottle Hill Day was created in 1974 to promote the business district. The name originated from Madison's establishment in 1715 of the village called "Bottle Hill." Over the years, it has grown, evolving into a family, entertainment, and community celebration which draws between 10,000 and 20,000 people to the heart of Madison every fall. This event is free and open to the public.

For more information, please email the DDC at [ddc@rosenet.org](mailto:ddc@rosenet.org).

## BULLIES TO BUDDIES WORKSHOP – OCT. 19TH

On Thursday, October 19th from 6:30-8:00 p.m. Imagine, A Center for Coping with Loss will offer a Bullies to Buddies workshop at their Mountainside center at 244 Sheffield Street in Mountainside. There is no cost for this program. Children and youth, third grade and older are welcome to attend along with adults who wish to help the children in their lives gain skills for responding to bullying behavior. Young people attending will have an opportunity to role play techniques taught throughout the session.

Bullying is a challenge for many students, but children and youth who are grieving are more likely to be bullied or become bullies. The Bullies to Buddies method fosters resilience by showing how to respond to verbal aggression. Children from 3rd grade and up, parents, school staff members and any interested community members are welcome to attend whether or not they have been recently impacted by a loss.

The training will be offered by Connie Palmer, LCSW who is a Grief Education Consultant for Imagine. Connie is a former school social worker, therapist and is a Certified Bullies to Buddies Trainer.

If you and/or your kids are interested in attending, please register by scanning the QR code below or visiting Imagine's website at [imagine-nj.org](http://imagine-nj.org). Pizza dinner is available prior to the workshop at 6:15 p.m. Please indicate your

interest in coming early for pizza when you register. We hope you can join us at Imagine for this timely and beneficial workshop!

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or [info@imagine-nj.org](mailto:info@imagine-nj.org).

## SUMMIT OLD GUARD OCTOBER SPEAKERS

The Summit Old Guard was founded in Summit in 1930 and meets most Tuesdays at the New Providence Presbyterian Church located at 1307 Springfield Ave. in New Providence. Our motto is "Come for the Programs. Stay for the Friends." Please join us. Our programs are free to the public, and we welcome you!

October speakers include Dr. Wm. Happer, professor of Physics; Mike Martin discussing ethical drug development; Robert Connley, Mayor of Madison; and Paul Cirillo, astronomer.

On October 3rd, Dr. William Happer, retired professor of physics, Princeton, will present a different interpretation of selected Climate change data. Dr. Happer will question current dogma about climate change by presenting scientific data and theory which questions the underlying assumptions of conventional wisdom. He expects many questions and will allow ample time to accommodate OG members. Dr. Happer worked in various capacities for the Bush and Trump Administrations.

Our speaker on October 17th will be Mike Martin. Mike spent many years in the pharmaceutical industry and will focus on how drugs are developed, the regulatory process, historic examples of pioneering discoveries which have combated serious diseases. Unique theories on how penicillin was discovered! Is Thalidomide which was the scourge of the 1950's still prescribed? The discussion will present an entertaining description on important historical discoveries and controversies. As part

of the presentation, he will also discuss the origins of a few common therapies which the OG members are currently taking.

On October 24th, Robert Conley, Mayor of Madison will be our speaker. The Mayor will discuss his administration's efforts to maintain the excellent quality of life in Madison despite dealing with diverse populations composed of students and suburbanites with different needs. Three universities are headquartered in Madison which has tax consequences and other social issues. The Mayor had to address the following proposals: allow Madison to become a sanctuary city and providing a storefront for marijuana dispensing, indeed, Madison is also unique because it has its own electric power distribution facility. The Mayor will discuss these and other issues.

Finally, on Halloween, October 31st, amateur astronomer, Paul Cirillo will tell us about the latest discoveries that have been made by the many robotic space exploration missions to the planets, asteroids and comets in our solar system as well as the latest images from the James Webb Space Telescope. Also, an overview will be provided of the latest human space programs planned by the United States, China and several commercial space companies.

Past speakers and much more can be viewed at SummitOldGuard.org but we encourage people to drop in on our meetings which take place at the church at 10:00 a.m. most Tuesdays. "Come for the Speakers. Stay for the Friends." We look forward to meeting you.

Steven Marlin, Halos For Angels, Jr. Board President will be honored this year, amongst other honorary angels that went beyond their call of duty. All are welcome to attend this fundraiser. ### **The Gilded Age Houses of "Dark Shadows", Cult Classic Soup Opera**

**Tuesday, October 3rd @7pm**

Dark Shadows, one of the most popular soap operas of the 1960s, had mysterious, vast, and shadowy mansions — with their endless number of secret rooms, hidden tunnels, and cobwebbed halls — that arguably made the show and its future spinoffs into one of the greatest cult classics of all time. Through vintage photos and rare archival floor plans, it's time to explore six of the real-life mansions as seen in this landmark TV series, along with their shocking stories of murder, suicide, and scandals, worthy of their own Dark Shadows storyline. Led by architect, historian, and Dark Shadows fan, Gary Lawrance.

### **A Cultural History of the Grateful Dead with author Peter Richardson**

**Tuesday, October 17th @7pm**

Routinely caricatured by the mainstream media, the Grateful Dead are usually portrayed as grizzled hippy throwbacks with a cult following of burned-out stoners. Peter Richardson in his book, No Simple Highway corrects that impression. This presentation places the band in

the broad sweep of American culture and depicts them as one of the most popular, versatile, and resilient ensembles in the second half of the twentieth century. Finally, it argues that the Grateful Dead's success cannot be separated from the deep utopian chords they struck among two generations of American youth.

## AMERICAN LEGION AUXILIARY UNIT #43

*Submitted by Maryann Doherty*

American Legion Auxiliary Unit #43, located in Florham Park, NJ, began its Service to Veterans for 2023-2024 year with an Off Station Party at Post #43 on August 7th. In addition to dinner, the vets were entertained with live music presented by Chas Ricci and Garry Decker of the In-Law Outlaws Band who are members of the Sons of the American Legion.

The Unit is planning several more activities for veterans at Lyons Hospital and Off Stations at the Post.

Stop by to visit the Unit's table during Bottle Hill Day to be held on Saturday, October 7th in Madison. Memorial Poppies will be available for a donation which helps to support the Unit's work with our veterans. The Unit will also be accepting donations of tee-shirts sizes X large and XX large for residents at Veterans' Haven North, located in Glen Garden, which is part of the New Jersey Department of Military and Veterans' Affairs.

Also available at that time will be Membership

Applications, as the Unit is always in need of Volunteers to help with its activities that support our Veterans.
