CHARITY GLOW RUN FOR ST. JUDE CHILDREN'S HOSPITAL

Submitted by Carl H. Kumpf PTA

It was a glorious night for a walk amongst friends of Carl H. Kumpf Middle School on Thursday, October 12. The kids held a charity event in honor of St. Jude's Children's Hospital and donations of more than \$850 were collected.

Over 85 participants enjoyed dancing to the beat of music around the Arthur L. Johnson High School track; special thanks to the High School Cross Country team that came out to support the charity. Also, a big thank you to the four 8th-grade students who volunteered their time to set up for the event: James Drivas, Mason Immella, Gianfranco Miraldo, and Vincent Motsay.

Everyone enjoyed the night as the lights went out and they all donned light-up glasses and bracelets sponsored by Chris Raguso of the Clark Education Association.

We couldn't have had everyone dancing around the track without the help from Glenn Robinson (who donated his DJ equipment) and Mr. Joseph Sortino (Kumpf's very own Guidance Counselor) who entertained us all as Master of Ceremony for the evening.

We thank everyone for their donations! It was a wonderful sight to see the community pulling together to help a great organization such as St. Jude's Cancer Research Center for Children.

ALJ FALL PLAY MARVIN'S ROOM

The Arthur L. Johnson Theatre Project will present Scott McPherson's play Marvin's Room this month in the ALJ auditorium, 36 Westfield Ave., Clark NJ.

Performances are Thursday, November 16th and Friday, November 17th at 7 p.m. All seats are \$5.00 and can be purchased at the door.

This dark comedy tells the story of two estranged sisters who come together after a 20-year separation and realize that there is nothing more important than family. The play made it to the silver screen in 1996 and starred Diane Keaton, Meryl Streep and Leonardo DiCaprio.

The story revolves around Bessie, played by ALJ senior Isabel Cortese, who while taking care of her ailing father and crazy aunt, becomes ill herself and must call on her sister along with her sons in the hopes of their being a match for a life-saving bone marrow transplant. Their reunion does not go smoothly, and in the midst of all the illness and chaos, comedy ensues.

Director Peter Nevargic says about his production, "Many of us have lived through the failing health of a loved one, and through the day-to-day grind of it, there also is a lot of laughter. That is the essence of Marvin's Room. Even in the bleakest of situations, sometimes you just gotta laugh!"

So come see these very talented students, among who are seniors, Maya Soares as Bessie's sister Lee, along with Jason Conrad & Taylor Normann in what promises to be a very enjoyable evening of theatre that will make you laugh, cry, and send you out of the theater with a new appreciation for family.

RELIEF FROM CHRONIC KNEE PAIN FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

UNICO'S 16TH ANNUAL ITALIAN AMERICAN FEST

Clark UNICO held the 16th Annual Italian American Feast. Thousands of people swarmed the Clark municipal grounds to partake in great food – great entertainment – rides – games, etc. for the four-day festival. Despite cool temps and a rainy Saturday – residents and UNICANS enjoyed this Clark tradition.

Clark UNICO is an Italian-American organization that strives to incorporate our unique Italian heritage and culture into the lives of our members and surrounding communities. In accomplishing this, we organize and run countless community related and Italian-centered events throughout the year. Some of these events consist of but are not limited to our trips to Dyker Heights in Brooklyn, New York to view their Christmas light displays, Arthur Avenue in Bronx, New York, mozzarella and wine making

lessons, and of course our Annual Clark Unico Italian Festival. In addition to the heritage-based events, we also strive to give back within our local communities, which can be emphasized by our motto, “Service Above Self”. In contributing towards the greater good, we as an organization volunteer for different causes and make much needed contributions to the local sporting clubs and leagues of Clark. Furthermore, we sponsor annual scholarships for well deserving high school seniors that reside in the town of Clark, have Italian lineage, and are seeking to continue their academic education. As an organization we have much to offer, which is more than what is written here. If you have any specific questions, we kindly welcome you to reach out to us. Email:CLARKUNICONJ@GMAIL.COM

SUPPORT OUR TROOPS CASINO NIGHT 2023

Bonds of Courage, the NJ Cavalry and Armor Association and the 1-102nd Cavalry Family Readiness Group will be hosting the 12th Annual Support Our Troops Casino Night on Saturday, November 18, 2023, at 7:00 p.m. at the Westfield Armory, 500 Rahway Avenue in Westfield, NJ.

The night will benefit Bonds of Courage and the Family Readiness Groups of the 1st Squadron 102nd Cavalry Regiment, 44th Brigade Combat Team of the New Jersey Army National Guard.

The Headquarters (the 102nd's Forward Support Company) are the units that are assigned to the Westfield Armory. The soldiers, noncommissioned officers, and officers assigned there perform a variety of duties focused on the command and control, operations, administration, logistics, and communication of the squadron. The squadron also has three line units, A, B and C Troop, that are assigned to armories in Dover,

West, Orange, and Hackettstown, respectively. Cavalry units perform a variety of functions that include reconnaissance and security; they have a distinct culture and history that promote adaptability, flexibility and taking initiative. New Jersey's cavalry has a rich tradition of service to our state and nation.

The squadron is preparing to deploy again, this time to Iraq and Syria. They are deploying in 2024 in support of Operation Inherent Resolve (OIR), which includes a campaign in both of those countries.

As we prepare for their absence, we hope to continue and even redouble our fundraising efforts. While Bonds of Courage's mission has been to support all Veterans and service members serving all branches of the military, we now turn our hearts and our effort toward the 102nd Cavalry Squadron. They are our hometown heroes.

Bonds of Courage is an all-volunteer organization that serves to support our troops, veterans, and their families. The Family Readiness Group assists the Commander in maintaining readiness for service members and families by promoting self-sufficiency, resiliency, and stability during peace and war.

Tickets are \$60 per person \$ 0 seniors and veterans. Special military ticket pricing available. Tickets include \$75 in gaming chips for casino, buffet dinner, beer and wine, and music.

Business owners, please join the community and consider a donation of product, service, program ad, or sponsorship to our event.

For ticket sales and further information, visit bondsofcourage.org or contact Christine Bradley 703-407-0203, chrisb@bondsofcourage.org or Danielle Bracco 917-301-8751, danielle@bondsofcourage.org.

AMERICAN LEGION PROMOTES THE VOTE

Former President Dwight D. Eisenhower once said, “The future of our republic is in the hands of the voters.” Also, Veterans who have served overseas have seen first-hand how others in less democratic countries live.

According to Past National Commander Denise H. Rohan.” Voting in municipal elections is considered vitally important to our democracy, whether casting ballots for local school board, town council members or other local positions, those elected will have the power to make decisions that affect you and your neighbors for years to come.

As President Franklin Roosevelt said, “Nobody will ever deprive the American people of the right to vote except the American people themselves and the only way they could do this is by not voting!”

These leaders made it a point to encourage each registered citizen to exercise his/her responsibility and fundamental right as an American citizen to vote this year on Tuesday, November 7. Elections and a peaceful transition of power are hallmarks of our free society.

Master Gardener and Certified Square Foot Garden Instructor Bob Markey started Mr. Bob's Garden Foundation for YMCA Campers in 2008 when he launched his YMCA Square Foot Gardening Summer Camp initiative at the Gateway YMCA in Rahway, New Jersey. In 2019, the program was incorporated as a 501(c)(3) organization and registered as Mr. Bob's Garden Foundation for YMCA Campers. Bob Markey also provided oversight, for several years, for a Square Foot Gardening program for summer campers at Fanwood-Scotch Plains and East Orange YMCAs. Square Foot Gardening is simple, easy to learn for all ages, and does not require lots of space or heavy tools. It involves the assemblage of an above-ground 3'x 3' box, a special organic soil mix, and a grid of nine squares and it is ready to plant. It is possible to grow nine different crops in that small space. Sixteen radishes fit in a square, nine bush beans fit in a square but only one tomato plant. Ultimately, Markey became known to the campers as "Mr. Bob the Gardener". The Square Foot Garden Summer Camp Program supports the YMCA's Core Values of Youth Development, Healthy Living, and Social Responsibility. Along with learning the basics of Square Foot Gardening, the campers develop a deeper relationship with nature, a greater appreciation for the food they grow, and an expanded sense of community. The program's mission connects kids with nature by empowering them to grow, harvest, taste, and market the organic fruits and vegetables of their

labor. The Square Foot Garden concept originated in 1976, when civil engineer Mel Bartholomew set out to solve world hunger one square foot at a time. He called his revolutionary approach to growing plants of all kinds called Square Foot Gardening. In 1981 his book, "Square Foot Gardening," became the largest selling gardening book of all time. That is when Markey, traveled to Eden, Utah, in 2008, to meet the author and where he became a Square Foot Gardening Instructor to teach the method to kids. Since 2009, The Great Zucchini Race is the foundation's signature special event. The campers harvest zucchini squash, break into teams, and with bamboo skewers as axles they decorate their zucchini "racecars" with veggies. Add a 6-foot-tall wooden racetrack and it's "game on!" You can see the race on YouTube – search Great Zucchini Race! Mel Bartholomew has said, "Mr. Bob's Square Foot Gardening for Kids has done an excellent job of bringing a summer program that will give a lifetime of memories for all of the children associated with the Y and all of their programs." National Garden Clubs, Inc. currently has over 5000 local clubs, with 145,000 members, and over 330 international affiliate clubs. The organization provides education, resources, and national networking opportunities for its members to promote the love of gardening, floral design, civic, and environmental responsibility.
