5TH ANNUAL BRIDGES STREETS-TO-HOMES 5K WALK & RUN

Bridges Outreach

Bridges Outreach hosted its 5th Annual Bridges Streets-to-Homes 5K Walk & Run in Summit, NJ on Saturday, September 30th. Despite the rain, over 100 participants crossed the finish line. Other events of the day included a Kids Fun Run, a rejuvenating Burn & Flow class led by The Goodburn, and stations to meet event sponsors and pack lunches for distribution during Bridges' streets-based case management. Thanks to event sponsorships as well as individual and team fundraising efforts, the event raised over \$36,000 to end chronic homelessness in Union and Essex Counties - NJ.

"The Bridges 5K was such a wonderful event! I want to thank all of our sponsors for their generous support – we couldn't do it without you!" reflected Jessica Mills – Bridges Board Member and Fundraising Chair.

Bridges Outreach is at the forefront of tackling chronic homelessness. Founded in 1988 by Geoff and Ginger Worden of Summit NJ, Bridges provides resources and case management to those experiencing homelessness and facing imminent homelessness. Project Connect, launched in 2014, connects people experiencing homelessness in Newark with trained case managers to ultimately achieve permanent housing. "This past year, Bridges has helped to create a 27.7% reduction in unsheltered homelessness, in New Jersey. Bridges is about meeting people where they are, literally and figuratively. We believe that housing is a human right." Shares Richard Uniacke, President of Bridges Outreach.

Runners were fueled with competition, camaraderie, and a shared passion to make an impact. Congratulations to the top 3 male finishers: Paul Dorsey, 18:14.1, Leon Sarkissian, 19:04.3, and Carlos Cañaveral, 19:14.7; and the top 3 female finishers: Dena Peyster, 20:46.5, Christine Ciccone, 24:11.2, and Sophie Capone, 25:35.3.

Special thanks to Teens Tackle Homelessness and Oak Knoll School students who helped with event registration and the Kids Fun Run, and The Goodburn for a pre-run stretch & warm-up for all.

"Participating in events like The Bridges 5K is just one way that we can prioritize the physical and mental well-being of each and every member of our community. When we support each other, we thrive!" reflected Valerie Flax and Jessica Scarpelli of The Goodburn.

November speakers include Marc Andreo, Greg Wroclawski, Jeffrey Gitterman, and Dr.

It's about your future.

Paul Desjardins. Please join us. Our programs are free to the public, and we welcome you!

November 7th, Marc Andreo, Scout Executive of the Patriot’s Path Council, will give an overview of Scouting in New Jersey, focusing on the council, which includes Morris, Somerset, Sussex, Union, and parts of Middlesex counties. Recent history includes accepting girls in core programs, outdoor activities, life skills and values. Scouting also provides numerous services to local communities such as several major outdoor projects supporting the Summit Library’s many learning enhancing programs.

November 14th, Greg Wroclawski, a commercial pilot and flight instructor will tell us about that “other” airport, the Morristown Municipal Airport. Greg’s presentation will cover the history of the Morristown Municipal Airport from its origins in the 1930s to the present day. Greg has been a 32-year resident of the airport, having based all four of his personal aircraft there since 1991. He has a commercial license and an instrument rating. He will discuss how each of his successive aircraft has moved up in performance and capability, and he will cover the physical characteristics of Morristown Airport and how they have changed over the years, as well as how the types of operations at the airport and traffic have evolved.

November 21st, Jeffrey Gitterman, CEO,

Gittermen Asset Management. Jeffrey will discuss how the physical changes in climate from 1850 through 2020, a period of 170 years, have consistently occurred, and how the current warming of the planet has affected our lives. His presentation is not meant to be a treatise on climate change and its global effects, but rather a discussion of how investment advisors and investors can take action to integrate climate change considerations into investment decisions and to align portfolio goals with both profits and the needs of the planet. Admittedly, he believes this is a difficult and complex task.

November 28th, Dr. Paul Desjardins will be our speaker. Paul has used his wide-ranging educational background to full advantage in his career as a clinical pharmacologist, dentist, Academic Dean at UMDNJ (Newark), Senior Vice President at Wyeth and Pfizer Consumer Healthcare, and leading researcher in over 130 clinical studies. At the same time, he has experienced severe medical challenges. He will share lessons from his lifetime journey as a dentist, pharmacologist and especially a throat cancer survivor.

Past speakers and much more can be viewed at SummitOldGuard.org but we encourage people to drop in on our meetings. “Come for the Speakers. Stay for the Friends.” We look forward to meeting you.

REV. PAUL KEENE WELCOMED AS ASSISTANT RECTOR

Christ Church in Short Hills welcomes The Rev. Paul Keene as its new Assistant Rector. Rev. Paul was appointed over the summer upon graduating from seminary with a Masters of Divinity from Yale Divinity School. He also earned an Anglican Studies diploma from Berkely Divinity School. Rev. Paul was ordained to the transitional Diaconate on June 3, 2023, by

Bishop Carol Gallagher at the Cathedral Church of St. Paul, Boston, in the Diocese of Massachusetts. Previously, he served for two years as a seminarian intern at St. Luke’s Parish in Darien, Connecticut. At Christ Church in Short Hills, Rev. Paul’s ministries will focus on Christian formation, adult education and pastoral care, as well as sharing liturgical responsibilities under the leadership of The Rev. Bowie Snodgrass, Rector of Christ Church in Short Hills.

“I am thrilled to introduce our new Assistant Rector, Rev. Paul, who has impressed all of us with his warmth, intellect, experience and deep faith,” said Rev. Bowie. “Rev. Paul is a strong preacher and caring pastor with a deep prayer life and capacity for innovation.”

During his seven years residing in Boston, Rev. Paul was the Minister of Music and Director of Choirs at St. Peter’s in Cambridge and served as Administrator and Minister for Digital

Worship in 2020, during the first year of the COVID pandemic. He also worked in restaurant management for a leading dining establishment situated in Boston Harbor.

Rev. Paul noted that “music has always been a major part of my life.” He studied French Horn at an early age at the Virginia Governor’s School for the Arts, a regional secondary arts school. Rev. Paul holds a Master of Music in early music performance and interpretation from the Longy School of Music of Bard College in Cambridge, Massachusetts, and received a Bachelor of Music degree in vocal performance from Christopher Newport University in Newport News, Virginia.

Rev. Paul resides in Maplewood with his husband, Dr. Corey Clapp, an atmospheric scientist and lecturer at Princeton University. His favorite pastime is cooking, reflecting his tastes and experiences of living various places throughout the U.S. and Italy with his family, as the son of a Navy officer.

LAUGHTER IS THE BEST MEDICINE

DID YOU KNOW THAT LAUGHTER HAS AN EFFECT SIMILAR TO ANTIDEPRESSANTS?

As a caregiver, laughter is a great resource to have in your toolbox. Cause let's face it – the role can be emotionally draining. Sometimes a laugh can be the pick-me-up you need to get through the day; keeping things in perspective, diverting from stressful situations and helping to refocus the mind.

THE SCIENCE BEHIND A GOOD LAUGH

Laughing activates the release of the neurotransmitter serotonin, the same brain chemical affected by the most common types of antidepressants, SSRIs. It's not clear from the research how long this effect sticks around, but the burst of brain activity laughing triggers is undoubtedly potent, at least for short periods of time.

OTHER AMAZINGLY AWESOME BENEFITS OF LAUGHTER

- Fostering brain connectivity
- Forming social bonds
- Maintaining relationships
- Protecting your heart
- Inducing euphoria

IDEAS TO KEEP LIFE FUNNY

We've noted the importance of keeping laughter in your life. But what about some ideas to initiate belly-rolling humor? While there are many outlets to find a good laugh these days, here are a few of our favorites:

- Streaming a favorite sitcom on Hulu or Netflix
- Joke books or comic memoirs
- Comedian podcasts
- YouTube clips of comedian standups

ALL ROADS LEAD TO ROME FOR MIDDLE SCHOOLERS!

Submitted by Palak Mehra

The Millburn Middle school boys had a pretty historical season participating in various competitions held by the International Academic Competitions (IAC). International Academic Competitions is a buzzer-based competition program founded by 19-day Jeopardy champion David Madden in 2010, as a place for students to compete in single subject disciplines such as history, geography, and science. International Academic Competitions offer regional, national, and international competitions for students K-12 with our National History Bee and Bowl, National Geography Bee, National Science Bee, US History Bee, and the US Geography Championships. IAC is a network of over a dozen separate academic competitions. IAC's staff administers and oversees competitions in over 50 countries, committed to the growth and development of academic teams both in the USA and abroad.

The Millburn Middle school boys, Aaditya Reddy, Alex Choong, Ben Qin, Raghav Sampath and Shaayan Tiwari, performed tremendously without any formal coaching. They were truly hardworking, motivated, self-driven, and did it all on their own. Kudos to their hard work!

It all started with the students participating in the International Academic Competitions' Northern New Jersey History Bee and Bowl competition in November 2022. They were declared History Bowl champions at the competition. Due to their superlative performance, they simultaneously qualified for the New Jersey State competition and the National History Bowl & Bee in Virginia in June. Despite being eighth graders, they also took part in the JV competitions. At the Regional JV competition, they were pitted against 9 and 10 graders and performed commendably to reach the semi-finals. At the JV Nationals, they reached the quarterfinals!

Separately, middle schoolers Aaditya Reddy, Ben Qin, Raghav Sampath and Shaayan Tiwari competed individually winning various medals and qualifying for the individual events at the Nationals and the International History Olympiad in Rome. Aaditya Reddy and Shaayan Tiwari also qualified for the International Environmental Science Olympiad, however it was cancelled and will be rescheduled to another year.

At the Middle School National Competition, they won several plaques. Raghav Sampath won 3 plaques for International Geography bee, US History bee and National History bee. Aaditya Reddy and Shayaan Tiwari made Millburn proud

by winning plaques for the History Bee.

In July Aaditya Reddy, Ben Qin, Raghav Sampath and Shaayan Tiwari packed their bags for Rome! To quote the IAC “The 5th International History Olympiad took place in Rome, Italy from July 23-30 with 258 students in attendance, representing 30 US states, 20 other countries, and 4 territories. St. Stephen’s School was the host site for most of the competitions, though several finals were held in historic venues throughout the area, including inside the Colosseum (Roman History Bee), at St. Peter’s Square (Catholic History Bee), and in the Circus Maximus (Sports History Bee and Running Combined). Students had a chance to sightsee around Rome, including visits to the Colosseum, the Roman Forum, St. Peter’s Basilica the Vatican Museums and Sistine Chapel, Ostia Antica, the UN Food and Agriculture Organization Headquarters, the Baths of Caracalla.”

The Millburn boys had a fantastic experience. Raghav Sampath was a finalist in the Sports Bee and Recent History Bee. He describes the

experience of competing at the Circus Maximus as surreal. Aaditya loved the opportunity to compete against and interact with people from other countries and cultures. Benjamin Qin placed 6th in the Running Combined competition at the Circus Maximus, and placed joint-third in the Running Combined initial test. He loved the chance to go to historical locations and compete with other exceptionally talented students from around the world. Shaayan's favourite part of the IAC experience was the trips - "... from Washington D.C. to Rome, Italy, I enjoyed every moment and understood the location's history and geography. Overall, the memories and information gathered travelling for the competitions were the best part of the experience.

At the Closing Ceremonies of the Olympiad, it was announced that the 2025 Olympiad will likely take place in Vienna, Austria. Students will be able to qualify during either the 2023-24 or 2024-25 academic years.

AAUW MADISON AREA BRANCH TO HOST “HOW DID I GET HERE?” PROGRAM - NOV 6

Submitted by Susan Mennella

On Monday, November 6, 2023, at 7 p.m. nonprofit AAUW (American Association of University Women) Madison Area Branch will host a program entitled, “How Did I Get Here?” The speaker is AAUW Madison Area Branch President, Ann Huber from Madison. The event will be held at Florham Park Library, Akhoury Meeting Room, 107 Ridgedale Avenue, Florham Park. The program is free and open to the public and advance reservations are not needed.

Ann will discuss her memoir, *Lost and Found, Surviving Displacement, Finding Love, Uncovering Secrets*. She will talk about her journey from one country to another, learning new languages and adapting to different cultures, while struggling to figure out where she fits in. The book can be purchased online and copies are available thru the MAIN Library system. Reading the book is suggested but not required to attend and enjoy the program.

Born in war-torn Romania shortly after WWII, the author fled to Israel along with her family, and then they abruptly moved to Canada. She moved to the US at 19, another uprooting in her young life. When she meets the love of her life at a young age, she learns that his family’s history of displacement and survival during the Holocaust parallels her own. As she matures, has children, and her ambitions grow, the author finds an inner strength. Even a shocking family secret learned late in life that might have shattered another person’s worldview, only strengthens her resolve to remain true to herself. Her extraordinary life of dealing with losses and secrets, and finding love, is the subject of this moving memoir.

Ann & her husband are residents of Madison, having moved here 18 years ago after raising 3 daughters and 5 dogs in Randolph Township. Ann is a retired Deputy Attorney General, following her trial work of Termination of Parental Rights trials and appeals. She is a graduate of Rutgers University (New Brunswick) and Rutgers Law School (Newark).

(above) Ann Huber is the current President of the AAUW Madison Area Branch

Never happy to sit still, she has always been involved in volunteer work and politics, starting with the Red Cross and Leaders' Corps in High School, Pres. of Morristown Jewish Center Sisterhood, Pres. Randolph Chamber of Commerce and member of Rotary, then held elected office as Councilwoman and Mayor in Randolph. Ann has been president of the AAUW Madison Area Branch since June 2022. She thinks she fits in here pretty well.

AAUW has been transforming women’s lives for more than a century. Our Madison area branch continues to support education with grants, programs that expose teen girls to STEM, topical monthly programs, and member special interest groups. Join us to find purpose, community, and friendship at madisonareaaauw.org/

MAHJONGG TOURN - NOV. 15

The nonprofit AAUW Madison Area Branch is hosting its next Mahjongg Tournament on Wednesday, Nov. 15, 2023, between 10 a.m. to 3:30 p.m. at the Community Arts Center, 10 Kings Road in Madison. Please join us for 4 rounds of games, door prize and 50/50 drawings, lunch, and free parking. All proceeds benefit education for women and STEM programs for middle school girls. Cost is \$55 pp.
