FALL FOOD DRIVE – A COMMUNITY EVENT

Submitted by Sally Reier

Faith Lutheran Church and New Providence Scout Troops are working together again this year to collect non-perishable food items for our annual Fall Food Drive. The collection will

(above) The annual Fall Food Drive, hosted by Faith Lutheran Church in partnership with New Providence Scout Troops, is taking place this November. Last year’s food drive accomplished 402 packed boxes with donations of canned and packaged food valued at \$32,700. Join their efforts this year by donating or volunteering.

benefit the Star Fish Food Pantry in Plainfield and Community Service Association (CSA) of New Providence.

As part of their annual “Scouting for Food” initiative, local scouts will be dropping off bags and flyers at your home. Residents are asked to fill the bags with non-perishable items to donate to the drive. The flyers will have further directions about pick-up and other ways to donate.

Members of the community are also welcome to bring food directly to Faith Lutheran Church at 524 South Street, New Providence, during office hours Monday through Thursday, 8:00 a.m. – 4:00 p.m.

The most needed items are spaghetti sauce, pasta, powdered milk, condiments, canned meat, pork and beans, cereal, Pop-Tarts, mac and cheese, peanut butter, jelly, tea bags, coffee, canned vegetables, canned fruit, raisins, and soup.

In addition, the community is invited to come to Faith Lutheran on Saturday, November 18 at 9:00 a.m. to help sort and pack the collected food into labeled boxes which will provide meals to patrons of the CSA of New Providence and Star Fish Food Pantry. All ages are welcome, and many volunteers are needed, with something for everyone to do.

Stay for 30 minutes or 3 hours - as long as you would like. Being a part of the “organized chaos”

is a lot of fun. The day is “organized” because after 41 years, we’ve worked out the kinks, and “chaos” because of the high-energy volunteers buzzing in every direction! The fun part is working together with family, neighbors, and friends to make a difference in this very direct and tangible way.

On Saturday, November 25, volunteers from Faith will load up a truck and deliver most of the boxes to Star Fish Food Pantry in Plainfield. There, more volunteers will be on hand to unload and further sort products by item and expiration date. This delivery will provide patrons with food throughout the winter and spring.

At the 2022 sort and pack day, 402 boxes were packed with canned and packaged food valued at \$32,700. The CSA of New Providence received 161 boxes and Star Fish Food Pantry received 241 boxes.

To learn more about the CSA of New Providence, visit csanewprovidence.org, and to learn more about the Star Fish Food Pantry, visit starfishplainfield.org

Find out more about Faith Lutheran Church on our website, famfaith.org. We worship on Sundays at 8:00 a.m. and 10:00 a.m. with livestreaming available on our website, Facebook, and YouTube. We practice an open Communion table, and all are welcome.

The church phone number is 908-464-5177 and the pastor of Faith is Rev. Jane McCready.

OLD GUARD SPEAKERS PROGRAM

The Summit Old Guard was founded in Summit in 1930 and meets most Tuesdays at 10 a.m. at the New Providence Presbyterian Church located at 1307 Springfield Ave. Our motto is “Come for the Programs. Stay for the Friends.”

November speakers include Marc Andreo, Greg Wroclawski, Jeffrey Gitterman, and Dr. Paul Desjardins. Please join us. Our programs are free to the public, and we welcome you!

November 7th, Marc Andreo, Scout Executive of the Patriot's Path Council, will give an overview of Scouting in New Jersey, focusing on the council, which includes Morris, Somerset, Sussex, Union, and parts of Middlesex counties. Recent history includes accepting girls in core programs, outdoor activities, life skills and values. Scouting also provides numerous services to local communities such as several major outdoor projects supporting the Summit Library's many learning enhancing programs.

November 14th, Greg Wroclawski, a commercial pilot and flight instructor will tell us about that “other” airport, the Morristown Municipal Airport. Greg's presentation will cover the history of the Morristown Municipal Airport from its origins in the 1930s to the present day. Greg has been a 32-year resident of the airport, having based all four of his personal aircraft there since 1991. He has a commercial license and an instrument rating. He will discuss how each of his successive aircraft has moved up in performance and capability, and he will cover the physical characteristics of Morristown Airport and how they have changed over the years, as well as how the types of operations at the airport and traffic have evolved.

November 21st, Jeffrey Gitterman, CEO, Gittermen Asset Management. Jeffrey will discuss how the physical changes in climate from 1850 through 2020, a period of 170 years, have consistently occurred, and how the current warming of the planet has affected our lives. His presentation is not meant to be a treatise on climate change and its global effects, but rather a discussion of how investment advisors and investors can take action to integrate climate change considerations into investment decisions and to align portfolio goals with both profits and the needs of the planet. Admittedly, he believes this is a difficult and complex task.

November 28th, Dr. Paul Desjardins will be our speaker. Paul has used his wide-ranging educational background to full advantage in his career as a clinical pharmacologist, dentist, Academic Dean at UMDNJ (Newark), Senior Vice President at Wyeth and Pfizer Consumer Healthcare, and leading researcher in over 130 clinical studies. At the same time, he has experienced severe medical challenges. He will share lessons from his lifetime journey as a dentist, pharmacologist and especially a throat cancer survivor.

Past speakers and much more can be viewed at SummitOldGuard.org but we encourage people to drop in on our meetings. “Come for the Speakers. Stay for the Friends.” We look forward to meeting you.

In addition to performances, Wharton Arts has planned an informative Parent Circle Series, offering insights into supporting student musicians. These discussions cover a range of topics, including preparing college applications and supporting neurodiverse children in their study of music.

Wharton Arts is New Jersey's largest independent non-profit community performing arts education center serving nearly 2,000 students through a range of classes and ensembles. The 5 ensembles of the New Jersey Youth Chorus, an auditioned choral ensemble

program for students in grades 3–12, encourage a love and appreciation of choral music while nurturing personal growth and creative development. The 15 ensembles of the New Jersey Youth Symphony, which serve over 500 students in grades 3–12 by audition, inspire young people to achieve musical excellence through high-level ensemble training and performance opportunities. Based in Paterson, the Paterson Music Project is an El Sistema-inspired program of Wharton Arts that uses music education as a vehicle for social action by empowering and inspiring young people to achieve their full potential through the community experience of ensemble learning and playing. From Pathways classes for young children to Lifelong Learning programs for adults, the Wharton Performing Arts School has a robust musical theater and drama program and offers both private and group classes for instruments and voice for all ages and all abilities. With the belief in the positive and unifying influence of music and that performing arts education should be accessible to all people regardless of their ability to pay, Wharton Arts offers need-based scholarships.

Wharton Arts is located in Berkeley Heights, New Providence, and Paterson, NJ and reaches students from 12 counties. All of Wharton Arts' extraordinary teaching artists, faculty members, and conductors hold degrees in their teaching specialty and have been vetted and trained to enable our students to achieve their personal best.

FROM STORAGE SPACE TO SAFE SPACE FOR SCHOOL NURSE'S OFFICE

The New Providence High School Parent Teacher Student Association is proud to announce that the room previously used as a sick room/storage room within the nurse's office has been updated. The new space will now serve as a wellness room for our middle school and high school students and staff to use as a place to unwind, relax and decompress throughout the school year.

(above) A newly updated space where students and staff can decompress was created through efforts from the New Providence High School Parent Teacher Student Association in collaboration with Debbie Merrick of the New Providence Mental Health Advocacy & Education Committee and school nurses Andrea Wright and Lauren Abbatemarco.

This quiet, comfortable space came to fruition through the collaboration of the PTSA and Debbie Merrick, founder of the New Providence Mental Health Advocacy & Education Committee. The goal was to design a space that would give students and staff a place where they can take a short break and reset themselves for the rest of the day.

"This is an important step in reducing the stigma of mental health and aligns with the NP MHAEE committee mission. It allows those who need it to take a few minutes to pause, breathe, regroup or destress from a difficult moment," says Debbie.

We were also lucky to have our high school administration, nurses Andrea Wright R.N and Lauren Abbatemarco R.N and our custodial staff, update this room so that it is a safe and comfortable environment that can be easily accessed for any student or staff member who would like to take advantage of this newly created space.

The room includes freshly painted walls, a mural (provided by Lilo Walls), a new couch, soft lighting, additional storage, an ottoman, a meditation pillow, a sound machine, an iPad with calming apps, plush carpet, soft pillows and an extra special window light to brighten up the room (donated by the 2023 National Honor

Society). Everything was carefully and thoughtfully planned out in order to create the perfect space.

Our wellness room was generously funded, in part, by Skin Deep Salon & Spa who offered us an amazing fundraising opportunity over the holidays which raised more than \$5,000. This room could not have been completed without the success of this fundraiser and everyone in our New Providence community who supported it.

"Mental health and wellness is very important to us here at Skin Deep. We are very happy and proud to be able to help our teens and young adults in New Providence," says salon owner, Susan Barbaglia.

The PTSA works continuously throughout the year to raise funds that support all of our students and staff. The money raised from memberships, fundraisers and, most importantly, our annual Tricky Tray fashion show event in March, enable us to provide important activities and events that benefit the entire NPHS community. We are also able to fund special projects needed throughout the school such as this wellness room and, most recently, a \$20,000 donation to help fund a new digital sign and permanent directional signage around the high school campus. None of this would be possible without the amazing support of our New Providence community.

(above) From storage space to safe space, high school nurse's office gets a makeover with the help of the New Providence community.

LIBRARY FALL CONCERT SERIES

New Providence Library

The Friends of the Library are happy to continue our Fall Sunday concert series performances at the New Providence Library.

The concerts are free and open to the public, and held on Sundays from 3 – 4 p.m.

On November 19th we welcome Sam Edelston who is not your ordinary Dulcimer musician. He plays to many musical tastes: rock, pop, blues, country, classical, a bit of jazz, and of course folk music; and all on the acoustic and electric dulcimer. He aims not just to expand the horizons

of dulcimer players, but to expand the common repertoire of the instrument.

We close our Fall season on December 17, with our very own New Providence High School Jazz Ensemble, always a big hit in the community, who will share their holiday tunes and magical sound.

The Friends of the New Providence Memorial Library is a 501(c)3 non-profit organization whose mission is to raise awareness and funds, as well as advocate for, the New Providence Memorial Library.

WE'RE JOINING A LIBRARY ALLIANCE

Submitted by Stacey Maisch, Library Director

Hello, and Happy Fall to all New Providence Memorial Library patrons and community members.

We have big news!

The New Providence Memorial Library is joining the MAIN Library Alliance, as of December 7, 2023.

MAIN is a network of libraries in northern New Jersey, which offers borrowing, delivery, technology, and other shared services to patrons in 50 library locations.

For over 100 years, the New Providence Memorial Library has been an independent, stand-alone library serving our community. Our dedication and commitment to New Providence residents is still our top priority. By joining the MAIN alliance, we will still be the same cozy, hometown library you all love, while providing you with so much more.

Once we join MAIN, our collection will grow from around 55,000 print books and physical materials to almost 3 million. If a book you want is not available in New Providence, you'll be able to request it on our online catalog and have it delivered from another library. We will still be the place you come to pick up all of your

favorite reads.

You will also be able to visit any of the 50 member libraries in MAIN and use your NP Library card at those locations, the same way you use it here.

Joining the MAIN alliance allows our library to provide more materials, more services, shorter wait times, and upgraded technology all with your one New Providence Library card. By utilizing new developments in technology and making the most of taxpayer dollars through shared service costs, this is a library game-changer. We are grateful to the Union County Commissioners, who provided the shared services grant to our library to pay for the initial costs to join MAIN.

For more information, please visit our website and click on MAIN Frequently Asked Questions.

Thank you all so much for your continued support of our hometown New Providence Library. We're so excited to bring you this fantastic new advancement!

Stacey Maisch
Library Director

AMERICAN LEGION COOKIE WALK – DEC. 9

New Providence American Legion Post 433 invites all to their Annual Cookie Walk Fundraiser.

Our annual event will be held on Saturday, December 9th from 11:00 a.m. until cookies run out. Santa will be there to greet the little ones. It's a fun day and a great way to start the holidays.

We are always looking for bakers. You can drop cookies off at the legion Hall located at the 357 Elkwood Avenue (next to the New Providence Library) of Friday, December 8th from 5:00 to 9:00 p.m. We would prefer cookies on disposable foil or plastic trays with fitted lids. Lids should be clear plastic so cookies can be safely viewed by customers. We can't wait to see you all there.

Thank you for your support over the years.

SUMMIT'S SANTA CLAUS SHOP

For the 57th consecutive year, the Santa Claus Shop will open its doors to area families to provide complementary holiday shopping. The Shop serves more than 400 low-income families and senior citizens from Summit, New Providence, Berkeley Heights, and other local communities.

This year's Santa Claus Shop will be held at St. John's Lutheran Church, 587 Springfield Avenue in Summit. Families will be offered shopping hours by invitation only during the first week of December.

The Santa Claus Shop is chaired by Summit residents, Michelle Kalmanson, Alison MacMillan, Katie Orr and Elizabeth Somerlot and co-chaired by Jen Adel, Amanda Darnowski, Jenny Groves and Corinne White. The Santa Claus Shop exists solely on donations and

volunteers. With the monetary donations from area residents, local organizations and businesses, the Santa Claus Shop can purchase the gifts that allow less fortunate neighbors to experience the joy of holiday giving without financial burden.

To keep the holiday spirit alive for local residents in need, the Santa Claus Shop chairwomen ask for members of the community to consider giving. Checks can be made payable to SHIP, with Santa Claus Shop noted on the check's memo line, and mailed to the Santa Claus Shop, P.O. Box 119, Summit, NJ 07902.

The ability to make an online donation is also available at summitsantaclausshop.com. If you would like to find out more information, or get involved, please visit our website or follow us on Facebook at Santa Claus Shop - Summit, NJ and Instagram - @santa_claus_shop_summit.

(above, l-r) Summit's Santa Claus Shop is preparing to help deliver a joyous holiday to locals in need. The chairs for this year are Michelle Kalmanson, Alison MacMillan, Katie Orr and Elizabeth Somerlot.

NPFD OPEN HOUSE

New Providence Fire Department

The New Providence Volunteer Fire Department hosted an Open House event on Saturday, October 14th, intentionally timed during Fire Prevention Week. Despite the rain, the department had a wide variety of activities for residents to take part in. These activities included fire prevention handouts/information, meet the Chief of Department, recruiting information, equipment demonstrations, fire engine tours as well as hands on fire extinguisher and fire hose activities. The William Paca Club of New Providence graciously volunteered to serve refreshments as part of our event, and the New Jersey American Water Company had a giveaway table as well.
