## ROTARY FLAPJACK FUNDRAISER A SUCCESS

(above, l-r) Rotarians Bob Zeglarski, Antoinette Bowers, Cynthia Lubin, Scott Wands, Cynthia Johnson, Donna Eleazer (President), Rhonda Johnson, Jenny Baguidy and Courtney Washington.

Under the leadership of Club President Donna Eleazer, Rotary Roselle-Roselle Park recently filled an entire restaurant with pancakes, smiles and Rotary wheels! Members of the club acted as cashiers, wait staff, table cleaners and goodwill makers after a short training session from management. But we left the cooking to the very capable staff.

An almost forty year tradition of the Rotary Club of Roselle-Roselle Park, the pancake breakfast was held at Community United Methodist Church in Roselle Park for many years. During the Covid Pandemic the tradition was temporarily canceled until President Donna Eleazer brought it back but in a new format at Applebee's Restaurant.

Rotary supporters were served a complete Applebee's

breakfast of pancakes, sausage, eggs, orange juice and coffee. Everyone one took home a Rotary cloth bag and memories of a community supporting a good cause.

So Donna Eleazer and the entire club membership thanks you all for coming!!!! And, we raised some money for service projects planned throughout the Rotary year!

The Rotary Club of Roselle Park is a service organization which has served the twin boroughs of Roselle-Roselle Park since 1923 - 100 years!

The only qualification for joining is that you are a good person who wishes to make a difference in the community, the world and in the lives of others.

See what we do at [roselle-roselleparkrotary.org](http://roselle-roselleparkrotary.org), and join our cause.

Over 700 special needs students, their teachers, and aides had smiles on their faces for the Elks 46th annual Friendship Day at Turtle Back Zoo on October 2, 2023. The event was sponsored by area Elks club members.

It was a perfect Fall day for participants to walk around the park and learn about the animals on display while enjoying activities, games, a DJ, and face painting sponsored by Elks from the North Central District.

Meanwhile, Elks from the East Central District, with Lodges in Stirling, Summit, Mountainside, Springfield, Cranford, Union, and Rahway, provided, prepared, and served 1,200 hot dog meals to hungry visitors.

Elks Care - Elks Share. And Friendship Day is one of many ways that the Elks turn those words into action. Throughout NJ, Elks provide assistance for the caring of special needs children. The Elks maintain clinics, hire nurses, therapists, pediatricians, psychologists, and teachers as well as provide equipment such as

crutches, wheelchairs, walkers, and hospital beds to those in need. In addition, Elks Camp Moore provides special needs children with a fun-filled vacation away from home where they can try new adventures, create lasting friendships, and experience opportunities that promote independence and greater self-confidence.

# YOUTH TRAIN TO BECOME FACILITATORS

## Imagine a Center for Coping with Loss

In the 10 years that Imagine has been offering peer support groups for children, youth facilitators have played an important role in the groups for children ages 3-12. Imagine's youth volunteers are high school age and co-facilitate with adult facilitators in support groups for younger kids. Recently, Imagine staff trained twelve young people who devoted a full Sunday to learning the companioning model of facilitation practiced at Imagine. Imagine's youth facilitators are such a valued and essential part of their support group program, and their staff are grateful for the commitment of this new group of youth facilitators and the many others who have been supporting Imagine's kids.

Abigail Preece, Imagine's Program Supervisor ran the training along with their Bilingual Program Manager, Sonia Nuñez. Abigail said this about the new group of youth facilitators: "Imagine's Youth Facilitators are such an inspiring group of people and this training class is no exception. They are an empathic and enthusiastic group and will do an amazing job being present and supportive to our participants. We are so excited to welcome them to the Imagine community!"

Imagine's youth facilitator training program is held once a year in September. If you are a youth who is interested in participating in the 2024 training, Imagine staff recommend you and a parent or guardian schedule a tour of Imagine's center. Tours can be scheduled by visiting Imagine's website at [imagineenj.org](http://imagineenj.org).

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or [info@imagineenj.org](mailto:info@imagineenj.org).

## HOLIDAY TRIP TO BUCK'S COUNTY, PA. TO BENEFIT HISTORIC NITSCHKE HOUSE MUSEUM

The Kenilworth Historical Society will host a holiday-themed bus trip to historic Buck's County, Pa., on Sat., December 9, 2023.

The trip will depart Kenilworth (St. Theresa's School parking lot on Monroe Ave., between N. 22nd and N. 23rd Streets) at 8:15 a.m. and return to Kenilworth at approximately 8 p.m.

Cost of \$105 includes comfortable motor coach transportation and admission to the renowned Pearl S. Buck House, featuring a guided tour of the iconic stone farmhouse where Nobel-prize-winning author and humanitarian Pearl Buck lived for 40 years and wrote such famous literary works as *The Good Earth*. The National Historic Landmark's rooms will be beautifully decorated for the holidays with a Festival of Trees, designed by local artists, decorators, and community groups, and will additionally feature original artwork created by Anna Marie Magagna to illustrate Buck's children's book, *Christmas Miniature*. The trip also includes an afternoon visit to scenic New Hope to explore the charming riverside town's eclectic shops, art galleries, restaurants, and historic buildings, and, after dusk, an enchanting drive-through of Shady Brook Farm's spectacular Holiday Light Show featuring more than 3 million lights, whimsical displays and familiar characters. There will be a complimentary door prize drawing on the bus.

For further information and reservations, please call 908-709-0434. As space is limited, reservations by November 18 are recommended to ensure availability. Gift certificates for the trip are also available for purchase.

Proceeds will benefit the Kenilworth Historical Society's historic Oswald J. Nitschke House (c. 1880) by helping defray operating expenses, including the cost of an elevator that makes the restored "living history" museum and cultural arts center fully accessible to everyone.

With Thanksgiving behind them, St. Theresa Social Concerns will then be collecting donations for a "giving tree" which will be set up in vestibule of St. Theresa's Church starting November 19th.

The tree is decorated with tags which lists needed items. Donors simply take as many tags as they wish and return the items to the church in a gift bag and the original tag no later than December 10th. These will be distributed to needy families within the community as well as Covenant House, Catholic Charities, CASA Foster Children and St. Joseph's Social Service Center in Elizabeth. If you are in need, please call and register with the Rectory 908-272-4444, Monday-Friday, 9 a.m. – 3 p.m.

## HAPPY 100TH BIRTHDAY JOE AZZARELLO

The Union Municipal Band recently celebrated Joe Azzarello's 100th Birthday. Joe, who has played trumpet in the band since 1955, turned 100 on October 20th. After serving in the Army during World War II, he played for the West Point Band. The Union Municipal Band began before World War I; it legitimately got its start after the war, when many servicemen, who had either played while on duty or in high school, returned and formed the band listeners know today. Though he doesn't play much tennis any more, he is still an active Chess player.

## RELIEF FROM CHRONIC KNEE PAIN

### FDA Approved Treatment to Avoid Surgery

### DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

### If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

### Consider This Alternative To Surgery

**Northeast Spine & Wellness Center** offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

### How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain. Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

### Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

### Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.
