WRESTLEPRO IS A CROWD PLEASER AT FANNY WOOD DAY

Borough of Fanwood

The annual Fanny Wood Day street fair drew families from across the region for a day of live music, eclectic food, contests, kiddie rides and, for the first time, an exhibition of professional wrestling in an arena erected right on South Avenue.

A color guard made up of Boy Scouts from Troop 33 brought the flag to the stage for the Pledge of Allegiance and National Anthem. Then Mayor Colleen Mahr welcomed visitors from the main stage at Martine and South Avenues accompanied by members of the Borough Council, Police Director Mike Bramhall and event announcer, Recreation Commissioner Bruce Zakarin.

Live music occurred on two stages, one provided by the Union County Commissioners featuring local bands and the other featuring young student musicians and vocalists.

The WrestlePro exhibition took place on an arena erected on South Avenue near the post office. An excited audience were delighted by the contests performed live by wrestlers in various costumes with real body slams, snarls and bodies tossed out of the ring. Before the show, the performers signed autographs and posed for photos with anyone who asked including Mayor Mahr and members of Borough Council.

ANNIVERSARY OF KRISTALLNACHT COMMEMORATION

Congregation Beth Israel (CBI) in Scotch Plains will commemorate the anniversary of Kristallnacht on Friday evening, November 10, at 7:30 p.m. This night of remembrance will feature presentations by Mark Lindenberg and Sylvia Cohen, who are children of Holocaust survivors. The program will take place during CBI's Friday night Shabbat services and is free and open to the community. An Oneg Shabbat dessert reception will follow.

"In light of Hamas' terrorist attack in Israel and a rise in antisemitism, it is more important than ever to learn about the Holocaust and hear stories of survivors," said Rita Geller, who co-chairs the synagogue's Second/Third Generation Holocaust Survivors Group, sponsor of the program.

Kristallnacht, which translates as "crystal night" in German, is also called the "Night of Broken Glass." Kristallnacht refers to the violent attacks that the Nazis waged against Jews on November 9 and 10, 1938 throughout Germany, Austria, and parts of occupied Czechoslovakia. The name Kristallnacht comes from the broken glass that littered the streets after Jewish homes, schools, synagogues, and stores were damaged and destroyed. With Jews beaten, killed and sent to concentration camps, Kristallnacht is often seen as the beginning of the Holocaust.

Mark Lindenberg will speak about his mother, Rosa Tyger Lindenberg, who was born in Germany in 1924 and survived the Holocaust as a teenager through the help of several non-Jews. On Kristallnacht, Rosa's mother hid her from the Nazis in a feather mattress. Rosa was soon smuggled to Belgium and later participated in the Kindertransport, an organized rescue effort that brought 10,000 children from Nazi-controlled territory to safety in England. Rosa's parents were killed in the Holocaust, but Rosa survived by living with cousins in London and eventually immigrated with her new husband to America.

Sylvia Cohen of Scotch Plains was born in a Displaced Persons Camp in Germany. She will tell the story about how her mother, Mania Warsaw, survived the Holocaust and will recount her mother's journey from growing up in a town near Krakow, Poland to raising her family on a chicken farm in Freehold, New Jersey.

Both speakers are members of the Second/Third Generation Holocaust Survivors Group. This support group, which was created at CBI, also includes participants from other area synagogues and the community. It plans events, such as the Kristallnacht commemoration, to educate the public about the Holocaust and to honor and remember those who suffered and perished.

The Kristallnacht commemoration will take place at Congregation Beth Israel, located at 18 Shalom Way, Scotch Plains, NJ (corner of Martine Avenue).

For additional information about CBI's Kristallnacht commemoration, contact co-chair Faye Bodenstein frgbnj@aol.com or call the synagogue office at (908) 889-1830.

RELIEF FROM CHRONIC KNEE PAIN FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation. Call 732-827-0800

EAGLE SCOUT KATELYN CANNON NAMED NJ VFW SCOUT OF THE YEAR

Submitted by Scouts BSA Troop 19

The annual Department of New Jersey Veterans of Foreign Wars (VFW) Convention was again held at the Wildwood Convention Center in Wildwood this June, where Eagle Scout Katelyn Cannon of Scouts BSA Troop 19, chartered at St. Rose of Lima Church, Short Hills, was honored as the New Jersey Veterans of Foreign Wars "Scout of the Year."

Cannon, a resident of Millburn and a recent Millburn High School graduate was selected by the VFW's Scout of the Year as New Jersey's single standout Scout who exemplifies leadership, patriotism, and love of country. State-wide applicants for this distinguished award are both Girl Scouts and Boy Scouts who have earned either the Gold Award or achieved the rank of Eagle Scout respectively.

"The challenge (for the selection committee) is that there are so many worthy applicants from all the districts, but I found this year's choice to be easier than most. It's because this person, this Scout, this Eagle Scout, was just head and shoulders above her peers," said VFW Scouting Chairman, Jim D'Arcy.

"She was in the Inaugural Class of Female Eagle Scouts of 2021, now that is going through a glass ceiling." added D'Arcy to a round of applause.

Cannon was requested to address the statewide delegation at the convention where she requested the assembly of dominantly male veterans to close their eyes, as she walked them through a visualization as to what their childhood as Scouts may have entailed.

"Allow me to take you back to your teenage years. Think about the outdoor place that you loved. It may have been a summer camp, or on the riverbed fishing, or even hiking the Appalachian Trail or possibly camping in the Pinelands. Think about those adventures, what did you learn? You were taught to be independent and confident, you learned critical life skills, became leaders, and made lifelong memories and friends along the way. Just think, for over 110 years, these opportunities to learn leadership,

experience adventure, and master life-long skills were only open to young men. Now open your eyes. I am proud to stand before you as living proof that your daughters and granddaughters now too can have the same wonderful experience in Scouting and possibly become Eagle Scouts."

Cannon's Scouting accomplishments include being a founding member of Scouts BSA Troop 19, a former Senior Patrol Leader and current Junior Assistant Scoutmaster who has earned 83 merit badges to date, has received the Ad Altare Dei and Pope Pius XII religious awards, as well as a citizenship medal from American Legion. Furthermore, she was selected to attend 2022 New Jersey Girls State, a leadership and citizenship program sponsored by the American Legion Auxiliary. In addition, she was recently selected as the Sons of American Revolution Eagle Scout Essay contest winner for the State of

New Jersey and was national runner-up.

"Scouting and my Eagle project was such an incredible learning experience. Being involved in the program, because of the positive change, has defined my path forward in life," said Cannon.

"It was and is a tremendous honor for our Post that Katie was selected as the Scout of the Year. We are very inspired by Katie and all that she has done for herself, the Scouting community, our state and great country. It was especially great that our Post was able to sponsor such a well-qualified person to represent our district and state. We here at Post 6259 offer our thanks and congratulations on her terrific achievement," shared Berkeley Heights VFW Post 6259 Commander Al Campora.

Katelyn Cannon will be embarking on a new journey this fall, studying Public Relations & Strategic Communications at Purdue University

DOCUMENTING NJ'S REVOLUTIONARY VETS

Elizabeth Snyder-Continental Chapter DAR

Two local women are helping create a new database of New Jersey Revolutionary War Soldiers. A project of the Daughters of the American Revolution (DAR), the database will be the most comprehensive produced to date utilizing a wide variety of sources.

"The hope is that this database will not only allow us to recognize and honor these veterans, but also help their descendants and researchers to learn about them," said DAR volunteer Holly Dunbar. Working on Somerset County, Dunbar has compiled information on more than 1,700 individuals to date.

Project volunteers aim to find and record as much information about each patriot as possible. This includes dates and locations of birth, enlistment, death and burial; service record with rank and unit, battles, if wounded, taken prisoner or killed; family with names of spouses, parents and children; and the sources of this information. A special effort is being made to include women, African Americans and Native Americans.

"We are starting with the current DAR database, but also using church records, county and local histories, surviving military and pension records, newspapers, and more," said Dunbar, who is a member of Elizabeth Snyder-Continental Chapter in Green Brook.

Another chapter member, Ruth Ryno, is working on Essex County, which also includes present-day Union and part of Passaic County. "I look forward to helping prepare this database in honor of our New Jersey patriots as our country prepares to celebrate America's 250th anniversary in 2026." When the project is completed, the database will cover all of New Jersey and will be made available to the public.

DAR is a nonprofit nonpolitical service organization open to women 18 and older who can prove lineal descent from a patriot of the American Revolution. Elizabeth Snyder-Continental Chapter is based in Green Brook and serves areas in Somerset, Middlesex and Union counties. New members are welcome. Contact ESCchapterDAR@gmail.com or learn more at DAR.org.

Master Gardener and Certified Square Foot Garden Instructor Bob Markey started Mr. Bob's Garden Foundation for YMCA Campers in 2008 when he launched his YMCA Square Foot Gardening Summer Camp initiative at the Gateway YMCA in Rahway, New Jersey. In 2019, the program was incorporated as a 501(c)(3) organization and registered as Mr. Bob's Garden Foundation for YMCA Campers.

Bob Markey also provided oversight, for several years, for a Square Foot Gardening program for summer campers at Fanwood-Scotch Plains and East Orange YMCAs.

Square Foot Gardening is simple, easy to learn for all ages, and does not require lots of space or heavy tools. It involves the assemblage of an above-ground 3'x 3' box, a special organic soil mix, and a grid of nine squares and it is ready to plant. It is possible to grow nine different crops in that small space. Sixteen radishes fit in a square, nine bush beans fit in a square but only one tomato plant. Ultimately, Markey became known to the campers as "Mr. Bob the Gardener".

The Square Foot Garden Summer Camp Program supports the YMCA's Core Values of Youth Development, Healthy Living, and Social Responsibility. Along with learning the basics of Square Foot Gardening, the campers develop a deeper relationship with nature, a greater appreciation for the food they grow, and an expanded sense of community. The program's mission connects kids with nature by empowering them to grow, harvest, taste, and market the organic fruits and vegetables of their

labor.

The Square Foot Garden concept originated in 1976, when civil engineer Mel Bartholomew set out to solve world hunger one square foot at a time. He called his revolutionary approach to growing plants of all kinds called Square Foot Gardening. In 1981 his book, “Square Foot Gardening,” became the largest selling gardening book of all time. That is when Markey, traveled to Eden, Utah, in 2008, to meet the author and where he became a Square Foot Gardening Instructor to teach the method to kids.

Since 2009, The Great Zucchini Race is the foundation's signature special event. The campers harvest zucchini squash, break into teams, and with bamboo skewers as axles they decorate their zucchini “racecars” with veggies. Add a 6-foot-tall wooden racetrack and it's “game on!” You can see the race on YouTube – search Great Zucchini Race!

Mel Bartholomew has said, “Mr. Bob's Square Foot Gardening for Kids has done an excellent job of bringing a summer program that will give a lifetime of memories for all of the children associated with the Y and all of their programs.”

National Garden Clubs, Inc. currently has over 5000 local clubs, with 145,000 members, and over 330 international affiliate clubs. The organization provides education, resources, and national networking opportunities for its members to promote the love of gardening, floral design, civic, and environmental responsibility.

CALLING ALL VETERANS JOIN THE ROTARY CLUB FOR LUNCH!

The Fanwood-Scotch Plains Rotary Club is hosting a Veterans Appreciation lunch at their meeting on Wednesday, November 15, 2023 at 12:15 p.m. at the Stage House Restaurant in Scotch Plains. They'll honor veterans in the club as well as veterans in the local community. The Rotary Club is very grateful to all men and women who served the United States Armed Forces and will pay tribute to those who served, those who continue to serve and those who made the ultimate sacrifice. Veterans in the towns of Fanwood and Scotch Plains are invited to attend but should register in advance because space is limited. To register for the event, Veterans can contact Al Smith at 908-317-4646.

MARIE LEPPERT RECEIVES SERVICE AWARD

Each year since 2012, the College Club of Fanwood-Scotch Plains has honored a club member for exemplary service and commitment to the College Club and the surrounding community. At the September meeting of the College Club, Co-Presidents, Jean Naugle and Joan Skubish, presented the 2023 Service Award to Marie Leppert.

Marie Leppert's record of service to the College Club exceeds 60 years and she has received numerous awards for her volunteer service in other organizations.

Marie Leppert has served as President of the College Club (1959-1961), (1989-1991), and as Co-President (2005-2007). She Co-Chaired the spring fundraiser for two years and has co-chaired the Membership and Hospitality Committees. Since 2015, Marie has been co-chairing the Program Committee, providing informative and entertaining programs to club members and the public. TINY TIM NEEDS VOLUNTEERS & DONATIONS

The Tiny Tim Fund is a registered NJ non-profit Corporation 501 (c)(3) that raises funds to provide financial assistance to help families pay for the medical expenses of children in Fanwood and Scotch Plains including doctors, dentists, and psychological testing. The organization has been assisting local families since 1983.

This year there are two ways that volunteers can help the members of the Tiny Tim Fund Board raise funds to be able to continue our mission.

This year the Tiny Tim Fund Board is inviting members of the community who have enjoyed the tradition of caroling on Tiny Tim Carol Night and spreading holiday cheer while soliciting donations, to form a group and commit to caroling on December 7th. A carol group can be made up of family members, neighbors, co-workers, scout groups, church organizations etc. A group can also select a date to carol that is more convenient if needed.

Since carol groups will not be able to reach all neighborhoods in Fanwood and Scotch Plains, volunteers are needed to help distribute letters requesting financial support to homes during November and December. Carol Night in combination with the letter campaign will be the organization's sole fundraiser. Donations for this

year's fundraiser are being requested during the holiday season and are also greatly appreciated at any time during the year.

To register a carol group and receive more information about Carol Night or to volunteer to deliver solicitation letters, please contact Barbara at 732-259-6348 or Mari at 908-917-5979.

The Tiny Tim Fund is administered by a volunteer Board of Trustees which consists of Fanwood and Scotch Plains citizens from varied sections of the community. There are no administrative fees. All collected contributions are dispersed for children's needs.

Donations from local citizens as well as from civic and service organizations will enable the Tiny Tim Fund to continue supporting families in our local community. The trustees are hopeful that members of the community who have generously supported the Fund in the past, will make it possible for the Tiny Tim Fund to continue to provide assistance to current cases as well as to accept new requests for financial assistance during the coming year.

Donations can be sent directly to the Tiny Tim Fund. Checks made out to The Tiny Tim Fund can be mailed to: The Tiny Tim Fund, PO Box 181, Fanwood, NJ 07023.

YOUTH TRAIN TO BECOME FACILITATORS

Imagine a Center for Coping with Loss

In the 10 years that Imagine has been offering peer support groups for children, youth facilitators have played an important role in the groups for children ages 3-12. Imagine's youth volunteers are high school age and co-facilitate with adult facilitators in support groups for younger kids. Recently, Imagine staff trained twelve young people who devoted a full Sunday to learning the companioning model of facilitation practiced at Imagine. Imagine's youth facilitators are such a valued and essential part of their support group program, and their staff are grateful for the commitment of this new group of youth facilitators and the many others who have been supporting Imagine's kids.

Abigail Preece, Imagine's Program Supervisor ran the training along with their Bilingual Program Manager, Sonia Nuñez. Abigail said this about the new group of youth facilitators: "Imagine's Youth Facilitators are such an inspiring group of people and this training class is no exception. They are an empathic and

enthusiastic group and will do an amazing job being present and supportive to our participants. We are so excited to welcome them to the Imagine community!"

Imagine's youth facilitator training program is held once a year in September. If you are a youth who is interested in participating in the 2024 training, Imagine staff recommend you and a parent or guardian schedule a tour of Imagine's center. Tours can be scheduled by visiting Imagine's website at imagineenj.org.

COLLEGE CLUB HOSTS AUTHOR TALK - NOV. 13TH

(above) Jean Hoffman Lewanda will share her dad's memoir, "Witness to History" on November 13th.

Jean Hoffman Lewanda, an author and editor, will be hosted by the College Club of Fanwood-Scotch Plains on November 13th. The program will take place at the Fanwood Presbyterian Church meeting hall, 74 Martine Avenue, Fanwood (McDermott St. entrance). The program will begin at 7:30 p.m.; it is free and open to the public.

Jean's presentation will be based on her dad's book, *Witness to History*. *Witness to History* is the moving memoir of Paul Hoffman who witnessed and experienced the Nazi revolution in Europe, the Japanese invasion of China and the Communist victory in China in 1949. His story is one of escape, survival, and resilience.

Jean Hoffman Lewanda was born in 1954 in New York City, one year after her parents arrived in America. FANWOOD POETRY SERIES CELEBRATES 25TH ANNIVERSARY

(above) Poet Paul Muldoon read several of his works to a standing-room audience at the Carriage House. Photo by Tom Kranz

Paul Muldoon, a renowned poet and winner of the Pulitzer and T.S. Eliot prizes, was the guest reader at a celebration held on September 26th, 2023, for the 25th anniversary of Fanwood's Carriage House Poetry Series.

The event was organized and hosted by Fanwood's Cultural Arts Commission co-chaired by Adele Kenny and Tom Plante, both published poets themselves. Adele is Fanwood's award-winning Poet Laureate. Tom has published *Exit 13 Magazine*, a poetry travelogue, for 35 years.

Mr. Muldoon, a native of Northern Ireland, is the author of thirty poetry collections and is currently a professor at Princeton University. He read several of his works to a standing-room audience at the Patricia Kuran Arts Center, also known as the Carriage House. A highlight was his reading of the lyrics to the Warren Zevon song *My Ride's Here*, which he wrote with the rock artist in the early 2000s several months before Zevon's death.

Mayor Colleen Mahr was joined by Councilwomen Kathy Mitchell and Patricia Walsh in welcoming Mr. Muldoon to Fanwood.

ITALIAN HERITAGE CELEBRATION AT TOWN HALL

Scotch Plains-Fanwood UNICO, along with the Scotch Plains Italian Club, hosted a celebration of Italian heritage at their annual Columbus Day ceremony. The event, presided over by UNICO and Italian Club member Tom Donatelli, took place on Saturday, October 14th at Scotch Plains Town Hall and featured a variety of guest speakers.

The Executive Vice President of UNICO National, Anthony Bengivenga, was the first speaker and he shared a story about his recent experience at a White House dinner alongside leaders of other Italian-American organizations. Following Anthony, the President of UNICO National, Ralph Contini, shared memorable stories of Italian heritage initiatives he had been involved in. Speaking after Mr. Contini was Andy MacDonald of the Scotch Plains Knights of Columbus, who explained the history of his organization's namesake.

Scotch Plains Mayor, Joshua Losardo, spoke about Columbus' voyage to the Americas and its impact on the course of history: "While we honor Columbus, we pause and acknowledge the profound consequences that voyage had on those who lived in the Americas long before Columbus' arrival. The encounter between the old world and the new world brought about changes that still affect us today. So, Columbus Day is a celebration of discovery and bravery, and it's also an opportunity for reflection and learning."

A heartwarming portion of the celebration

occurred when local middle school students, Alina Nizzardo and Domenick Saliola Jr., were announced as winners of the UNICO Italian Heritage Essay Contest. Alina and Domenick both read their essays, which focused on their own families' history.

Mouthwatering tales of Italian cuisine were shared by UNICO member Joe Schiavo and his mother Helen, who shared memories of making rice balls, ravioli, lasagna, meat, gravy, and desserts with family. Helen and Joe reflected on how Italian food preparation was part of their tradition and culture: "We'd make ravioli early in the morning because by 1 o'clock you sat down and you ate dinner."

Scotch Plains resident Marcello Nizzardo shared stories of his family's long-standing tradition of homemade winemaking and provided the audience with an informative breakdown of his award-winning process. Reflecting on his father, Michele, who passed away, "We know in our hearts that our dad would be proud if he were only here to see these medals and accomplishments."

Native Italian and Scotch Plains resident, Romano Del Roio, captivated the audience with his challenging immigration story and the perseverance required to make Scotch Plains his home: "I'm glad I'm here; I created my family here. I have 3 kids, 8 grandkids, and I love them all, and all this happened because Christopher Columbus had the courage to cross the Atlantic."

Local floral and landscaping business owner Andrew Ponzio reflected on the memories of his late father, Carmen Ponzio, and made a correlation between Columbus' voyage and business: "The courage and risks that he took to get on the boat and take a chance and sail across the Atlantic...in business, for me, that means every day I get up I say, all right, I'll take the job, it's a challenge. I might not make a dollar, I might make a dollar, but you have to take the chance."

Concluding the celebration, Father Matthew Gonzalez from St. Bartholomew's Church shared his sentiments about what Italian culture brings to Scotch Plains, "which is warmth, values, virtues, and faith."

Following the event, attendees indulged in Italian panini and desserts while they reflected on the momentous occasion.

UNICO is America's largest Italian-American service organization, and the Scotch Plains Fanwood chapter is celebrating its 50th year.

SUPPORTING FOOD SECURITY IN UNION COUNTY

The SHARE Alliance (the “Alliance”), a newly formed 501(c)(3) organization dedicated to addressing food security concerns in the County of Union, NJ, recently received a \$3,000 donation from the Springfield-based Atlantic Federal Credit Union to support the Alliance’s mission to help community members in need.

“As a community-chartered Credit Union, we succeed when our Members, neighbors and the greater community succeed,” stated Atlantic Federal Credit Union Chief Executive Officer Anthony A. Mero. “We are honored to be able to support the SHARE Alliance as the team offers critical resources to put local families on the path to success through food security and education.”

The Atlantic Federal Credit Union is a not-for-profit financial cooperative providing banking services to residents and businesses in Union and Essex counties. For more than 85 years, the Atlantic Federal Credit Union has focused on delivering competitive rates on deposit accounts, low fees, and attractive rates on loans. In addition, the Credit Union regularly contributes to the social and economic wellbeing of the communities it serves by volunteering and

donating to local charitable organizations.

More information about the Atlantic Federal Credit Union, including membership available to those who live, work, worship, attend school or conduct business in Union or Essex counties, is available at web.atlfedcu.com.

The S.H.A.R.E. (Sowing Hope and Reaping Equity) Alliance is a consortium of several congregations and other interested parties, is dedicated to the proposition that no one should go to bed hungry, or wonder where their next meal will come from. Under the sponsorship of the First Presbyterian Church of Springfield, the Alliance seeks to approach the issue of food security in Union County with a three-prong tactic of increasing availability of healthier food, coordinating their distribution, and promoting their right use in the kitchen. These objectives are achieved through the establishment of a Community Pantry and Community Kitchen that will operate from the Parish House, located at 37 Church Mall, Springfield.

“Recognizing that economic insecurity is a

primary driver of nutrition related health issues, and that community members in food insecure settings are forced to make difficult decisions around food on a daily basis, the Alliance has come together to leverage the work of existing organizations and identify innovative solutions to help more people – including children and seniors – with food security and avoiding difficult tradeoffs between necessities like food and medicine,” stated Acting Executive Director of the SHARE Alliance Rev. Dr. Roberto Fois. “The generous donation from our neighbors at the Atlantic Federal Credit Union reflects the community spirit that will help us to promote better health and strengthen family cohesion in communities throughout Union County.”

Information about the availability of services from the SHARE Alliance Community Kitchen and Pantry can be found on-line through the First Presbyterian Church of Springfield at springfieldpresbyterian.org. The SHARE Alliance can also be reached at info@SHARE-Alliance.net.

NATIONAL SOJOURNERS GARDEN STATE CHAPTER #438

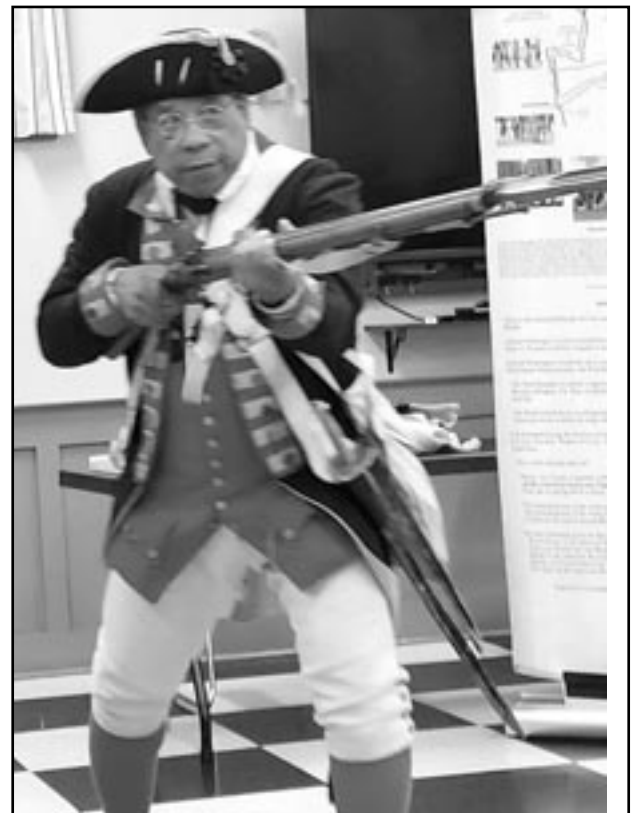

Submitted by Chris Sands

National Sojourners Garden State Chapter #348, which has members from around Union County, held their quarterly meeting at the Atlas-Pythagoras Lodge building, located on Central Ave. in Westfield, NJ, on September 14. Mr. Noah Lewis portrayed Private Edward "Ned" Hector from Colonel Proctor's 3rd PA Artillery, Continental Line. Ned discussed the role of Afro-Americans in the Revolutionary War and his heroic role in the Battle of Brandywine, where he saved arms, powder, his horses and wagon during the retreat. Ned also instructed the chapters members on the duties of a cannon crew.

The Chapter is currently fund raising to send high school sophomores and juniors to the Freedoms Foundation "Spirit of America" Youth Leadership Conference at Valley Forge, PA. We were honored to receive a \$1,500 donation from the H. Hovnanian Foundation to support this effort.

The National Sojourners are a Uniformed Services-Masonic organization that cultivates Masonic ideals, supports all patriotic aims and activities in Masonry, develops true patriotism and Americanism throughout the nation, brings together representatives of the uniformed services of the United States (past and present) in a united effort to further the military needs of national defense, and for opposing any influence

whatsoever calculated to weaken the national security. For more information contact chrissands44@aol.com.
