## NATIONAL MERIT SEMIFINALISTS & COMMENDED STUDENTS

### Westfield Public Schools

Five Westfield High School 12th graders have been named 2024 National Merit Semifinalists. Jacob Blaustein, Yenjay Hu, Kathryn Kengeri, Tage Mehta, and Nathan Reynders are among a nationwide pool of about 16,000 semifinalists who represent less than one percent of U.S. high school seniors. These academically talented students have the opportunity to continue in the competition for National Merit Scholarships that will be offered next spring.

"Being named a National Merit Semifinalist is a great honor and it speaks volumes about the semifinalists' strength of character and commitment to their education," says WHS principal Mary Asfendis.

Asfendis also congratulated 21 WHS students who have been recognized for their exceptional academic promise as Commended Students in the 2024 National Merit Scholarship Program as well. They are: Samuel Altman, Colin Cimei, Samuel Clark, Allison Constantinou, Margaret Crooks, Christopher Gonzalez, Collin Greco, Lucas Gunzberg, Owen Hilliard, Gregory Hurford, Charles Jeckell, Jonathan Jiao, Dillon Ma, Edward Mendel, Benedict Nematadzira,

## SUPPORT OUR TROOPS CASINO NIGHT 2023

Bonds of Courage, the NJ Cavalry and Armor Association and the 1-102nd Cavalry Family Readiness Group will be hosting the 12th Annual Support Our Troops Casino Night on Saturday, November 18, 2023, at 7:00 p.m. at the Westfield Armory, 500 Rahway Avenue in Westfield, NJ.

The night will benefit Bonds of Courage and the Family Readiness Groups of the 1st Squadron 102nd Cavalry Regiment, 44th Brigade Combat Team of the New Jersey Army National Guard.

The Headquarters (the 102nd's Forward Support Company) are the units that are assigned to the Westfield Armory. The soldiers, noncommissioned officers, and officers assigned there perform a variety of duties focused on the command and control, operations, administration, logistics, and communication of the squadron. The squadron also has three line units, A, B and C Troop, that are assigned to armories in Dover, West, Orange, and Hackettstown, respectively. Cavalry units perform a variety of functions that include reconnaissance and security; they have a distinct culture and history that promote adaptability, flexibility and taking initiative. New Jersey's cavalry has a rich tradition of service to our state and nation.

The squadron is preparing to deploy again, this time to Iraq and Syria. They are deploying in 2024 in support of Operation Inherent Resolve (OIR), which includes a campaign in both of those countries.

As we prepare for their absence, we hope to continue and even redouble our fundraising efforts. While Bonds of Courage's mission has been to support all Veterans and service members serving all branches of the military, we now turn our hearts and our effort toward the 102nd Cavalry Squadron. They are our hometown heroes.

Bonds of Courage is an all-volunteer organization that serves to support our troops, veterans, and their families. The Family Readiness Group assists the Commander in maintaining readiness for service members and families by promoting self-sufficiency, resiliency, and stability during peace and war.

Tickets are \$60 per person \$ 0 seniors and veterans. Special military ticket pricing available. Tickets include \$75 in gaming chips for casino, buffet dinner, beer and wine, and music.

Business owners, please join the community and consider a donation of product, service, program ad, or sponsorship to our event.

## RELIEF FROM CHRONIC KNEE PAIN FDA Approved Treatment to Avoid Surgery

### DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

### If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Addictions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

### Consider This Alternative To Surgery

**Northeast Spine & Wellness Center** offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

### How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

### Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

### Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

## WSL THRIFT & CONSIGNMENT STORE

The Westfield Service League Thrift & Consignment Store will start selling holiday wreaths and trees, ornaments, garlands, lights, Christmas and Hanukah housewares, baking tins and more the first week in November.

"Our very merry holiday sale will begin in November and go through December 21st. Every week we will have new items which include everything you will need to decorate your home, holiday dishes, nutcrackers, platters, linens, Hanukah dishes and musical Santa's," said Meryl Hymson, who is serving her third year as Holiday Co-Chair.

Starting after Thanksgiving on Black Friday and Super Saturday, the shops will feature new clothing, designer handbags and shoes with original tags for good prices and brand-new toys donated by our volunteers for half price.

"Our holiday sale is our biggest sale of the year and it allows us to make generous grants to the non-profits that we support," said Hanan Haddad,

Holiday Co-Chair.

If you are looking for a special gift, there will be holiday gift baskets ranging in price from \$10 to \$25. Perfect gifts for teachers and coaches.

The money raised from the sale of the goods goes to local non-profit organizations, including the Jewish Family Service of Central New Jersey, Moms Helping Moms, Caring Contact, Roots and Wings, and St. Joseph's Social Services Center. Last year, the League was able to donate \$70,000 to 29 organizations.

The shop is located at 114 Elmer Street in Westfield and is open Tuesday through Friday, 9:30 am to 4 pm and Saturday from 10 am to 4 pm. ## WESTFIELD UNITED BY LIGHT 2023 FUNDRAISING EVENT

### *The Westfield United Fund*

The Westfield United Fund (WUF) announced it will again host Westfield United by Light, a fundraising event to shine a light on mental health. Building on last year's success, when the program raised \$20,000 for WUF supported programs focused on mental health, the focus this year will again emphasize the importance of mental health, committing the first \$20,000 raised again to those programs. For this year, setting the goal even higher, all funds raised in excess of \$20,000 will be allocated across the other agencies and programs supported by WUF.

"The mental health crisis is a pressing global issue that transcends age, affecting people of all backgrounds. However, its impact on children is particularly concerning," said Mary Claire Givelber, Executive Director, Caring Contact. "In recent years, we've witnessed an alarming rise in mental health challenges among young individuals. Factors such as academic pressure, social media, family dynamics, and the enduring effects of the COVID-19 pandemic have created a perfect storm. Children are experiencing elevated levels of stress, anxiety, depression, and loneliness, often without the necessary support systems in place."

With the help of the local community, WUF plans to light up the town of Westfield on Sunday, November 26, 2023 with candlelight

*(above) The Westfield United Fund will host its 2nd annual Westfield United by Light to shine a light on mental health. Deadline to purchase candle kits is Nov. 6th. To order visit: [westfieldunitedfund.org/unitedbylight](https://westfieldunitedfund.org/unitedbylight)*

luminaries lining the streets.

Candle kits are available for the public to purchase through November 6, for \$20 per kit. Each candle kit contains 10 candles, 10 bags and sand for a total of 10 luminaries. To order candle kits, donors should visit [westfieldunitedfund.org/unitedbylight](https://westfieldunitedfund.org/unitedbylight). Candle kit distribution will take place November 17-18 at the Memorial Pool Complex parking lot.

Instructions for pick-up and candle display will be provided upon purchase. At dusk on Sunday, November 26, the candle kits will be lit all over Westfield to show the community's support for important local mental health services.

Proceeds will be donated to local mental health programs and other agencies affiliated with Westfield United Fund, including Caring Contact (suicide prevention hotline), Imagine (grief support for children & families), Jewish Family Service (non-denominational counseling for children & family), Youth & Family Counseling (outpatient mental health counseling), YWCA Union County (supporting teens impacted by domestic violence) and more.

Westfield United Fund is proud to be a locally-focused, grassroots organization that has served the Westfield Community & surrounding areas for more than 80 years. It is a 501c3 organization that provides funding to 22 local human care agencies & programs. For over 80 years, WUF has remained true to its mission of helping people in the Westfield area care for one another, taking an active role in building a stronger community. Through the generosity of area residents, WUF has been able to distribute more than \$30 million to the community through its member agencies.

## TIME FOR AN APPLE BEE

Much like the more familiar barn raising or quilting bee, the apple bee was a yearly fall activity at the Miller-Cory farm which included an orchard. Experience all things apple including cider-press demonstrations, an apple-themed story time, a scavenger hunt and more. String apple rings to dry and enjoy the savory aromas as our docents prepare colonial dishes using apples over the open hearth. The grounds will be open for viewing and docents will be offering tours of the fully furnished c1740 farmhouse. Admission is \$5 ages 13 and older; \$4 ages 3-12 and free age 2 and younger. No reservations are necessary.

The Miller Cory House Museum is located at 614 Mountain Avenue in Westfield, NJ. Call the museum at 908-232-1776 or email millercorymuseum@gmail.com for more information. Since 1968, the 501(c)(3) non-profit Miller Cory House Museum/Westfield Historical Society has worked to preserve, interpret and encourage interest in history, Westfield, and its residents through educational efforts and community outreach programs.

## A COLONIAL THANKSGIVING – NOV. 19

### Miller-Cory House

A special day of thanks has been part of the American tradition since 1621. The Miller-Cory House Museum cooks will demonstrate the preparation of an early American Thanksgiving feast over the museum's open-hearth fire, using colonial recipes and seasonal ingredients. (Please note that this is a demonstration only; dinner is not being served.)

Proper colonial dining also requires proper table customs. The program includes a presentation on authentic early American manners, place settings, and other interesting "table top traditions." Docents will be available to give tours of the fully furnished colonial era farmhouse. Admission is \$5 for ages 13 and older; \$4 for ages 3-12, and free for ages 2 and younger.

The Miller Cory House Museum is located at 614 Mountain Avenue in Westfield, NJ. Call the museum at 908-232-1776 or email [millercoreymuseum@gmail.com](mailto:millercoreymuseum@gmail.com) for more information.

## NATIONAL SOJOURNERS MEETS AT ATLAS-PYTHAGORAS LODGE

Submitted by Chris Sands

National Sojourners Garden State Chapter #348, which has members from around Union County, held their quarterly meeting at the Atlas-Pythagoras Lodge building, located on Central Ave. in Westfield, NJ, on September 14. Mr. Noah Lewis portrayed Private Edward "Ned" Hector from Colonel Proctor's 3rd PA Artillery, Continental Line. Ned discussed the role of Afro-Americans in the Revolutionary War and his heroic role in the Battle of Brandywine, where he

saved arms, powder, his horses and wagon during the retreat. Ned also instructed the chapters members on the duties of a cannon crew.

The Chapter is currently fund raising to send high school sophomores and juniors to the Freedoms Foundation "Spirit of America" Youth Leadership Conference at Valley Forge, PA. We were honored to receive a \$1,500 donation from the H. Hovnanian Foundation to support this effort.

The National Sojourners are a Uniformed

Services-Masonic organization that cultivates Masonic ideals, supports all patriotic aims and activities in Masonry, develops true patriotism and Americanism throughout the nation, brings together representatives of the uniformed services of the United States (past and present) in a united effort to further the military needs of national defense, and for opposing any influence whatsoever calculated to weaken the national security. - December 8: Last day leaves can be placed curbside
- December 16: Anticipated last day for curbside collection

**WESTFIELD ROTARYSPEAKER**

*Submitted by D. Michael Hart*

During a regular meeting, the members of the Rotary Club of Westfield heard about how a young man is making a difference to help people.

John El-Maraghy was a student at Rutgers and noticed that during covid, the men's shelter in New Brunswick shut down the showers. He and his wife decided to do something about that to help the homeless men in New Brunswick. They started a 501c3 to provide a mobile van which offered the homeless men the ability to take showers. It also includes a barbershop. They started in New Brunswick once a week, but have expanded to include Newark once a month, and hope to expand to Hoboken and Orange. After the shower, they offer a care package including socks, T shirts and toiletries.

He needs to get permits from the towns to operate, but since this is a new project, the towns do not have specific permits for him. Instead, they issue a street fair permit for the vehicle; and a construction permit for them to use the fire hydrant.

The Rotary Club of Westfield meets the first three Tuesdays of each month for lunch at noon, at Limani Seafood Grill on North Ave. Guests are always welcome. For information check out the website [westfieldrotary.com](http://westfieldrotary.com) or contact club secretary Dr. D. Michael Hart by email at [drmhart@yahoo.com](mailto:drmhart@yahoo.com).
