YOU CAN HELP STUDENTS CHANGE HUNGER

Submitted by Mary Beth Gabel, MHS Teacher and Key Club advisor

Madison High School Key Club members are hosting the annual Students Change Hunger Food Drive thru January 12, 2024.

38 million Americans are food insecure, meaning they don't know if they have enough to feed themselves and their families. Over 650,000 live right here in New Jersey. The Community Food Bank of New Jersey is challenging all students, staff, teachers, and parents to think of

those less fortunate by organizing a food drive and collecting as much food as possible to support those who need it the most.

WAYS TO GET INVOLVED:

Drop off nonperishable food items at the front entrance of the Madison High School from 2:05-3:05 p.m. on Fridays now thru Jan. 12th. Monetary donations can also be made online using this link: give.cfbnj.org/team/536959

COPING WITH LOSS DURING THE HOLIDAYS

There is so much pressure to be happy in our culture, especially at the holidays. We are supposed to have a Happy Thanksgiving, a "merry little Christmas" or a Happy Hanukkah. But grief doesn't take a holiday.

Imagine, A Center for Coping with Loss would like to offer support to those navigating the challenges of grieving during the holiday season and offer some coping strategies as well. On Thursday December 14th from 6:30-8 pm, Imagine will offer a workshop on Coping with Loss During the Holidays. The free workshop will be held at their center at 244 Sheffield Street in Mountainside and is open to adults and children grades 3 and older.

Imagine's Grief Educator, Connie Palmer, LCSW will present the workshop in English and Training and Education Director, Veronica Ortiz, LPC and Bilingual Program Manager, Sonia Nuñez will present the workshop at the same time in Spanish. Pizza dinner is available prior to the session beginning at 6:15 for those who sign up. Hot cocoa and cookies will be served as well.

If you are looking for support as you cope with a loss this holiday season, the staff at Imagine would like to help, and hope to see you at the workshop on the 14th.

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with

a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imagineinjenj.org.

(above) If you're interested in attending the workshop presented in English, please scan the QR code or visit Imagine's website at imagineinjenj.org/education-training/community-webinars/ to register. Registration is not required for the workshop presented in Spanish.

SCARECROWS ON WAVERLY PLACE

Madison Area Chamber of Commerce

In a delightful display of community spirit, the Madison Area Chamber of Commerce teamed up again with the Garden Club of Madison to adorn the downtown business district with a charming array of cornstalks and family friendly scarecrows this fall. These artistic creations, thoughtfully designed by Chamber member businesses and organizations, transformed Madison's Waverly Place into a vibrant scarecrow wonderland that's set to captivate visitors of all ages.

Local businesses, fueled by their creative ingenuity, were tasked with customizing Chamber-supplied scarecrows to reflect their unique brands and values. The scarecrows were perched upon lamp posts along Waverly Place, through Halloween.

The Garden Club of Madison has long been committed to spearheading and supporting community projects, offering both financial contributions and the dedicated volunteer efforts of its members. Their Civics Committee has been instrumental in leading the club's endeavors to restore and enhance common spaces throughout Madison.

Robbin Salmeri, owner of Cleaners Advantage and the Chamber's President, praised the Garden Club's ongoing dedication to the community, saying, "The Garden Club of Madison's work is done with a true love and commitment for the improvement and quality of our community. We have enjoyed partnering with them, and we plan to continue this annual tradition for all to enjoy."

The collaboration between the Madison Area Chamber of Commerce and the Garden Club of Madison has once again highlighted the unity and creativity of Madison's local businesses and organizations. Scarecrows on Waverly Place serves as a testament to the vibrant and supportive community spirit that prevails in Madison.

SUMMIT OLD GUARD THE DECEMBER SPEAKERS

The Summit Old Guard was founded in 1930 and meets most Tuesdays at the New Providence Presbyterian Church located at 1307 Springfield Ave. Our motto is "Come for the Programs. Stay for the Friends." Please join us. Our programs are free to the public, and we welcome you!

December speakers include Bill Freund, Mitch Erickson, and a special event featuring Joe Regan.

On December 5th, Summit Old Guard member, Bill Freund, will tell us about fleeing Nazi Germany with his family in 1936 at age 11. A refugee doesn't look for happiness, only survival. He was a shoe-shine boy, learned English, and attended school. He eventually earned a PhD from Columbia and became Chief Economist at the New York Stock Exchange. He wrote several professional books and later, two children's stories, including one about a cookie that played a central role in his life. We'll hear the remarkable life story of one of our most notable members.

On December 12th, another distinguished Old Guard member, Mitch Erickson will review the science, biology, and environmental and social uses of water as a parable of the intersection of science, environment, policy, recreation, safety, climate change, and social justice that affects all 8 billion of us. It is important to be informed about the fundamental properties of H₂O to participate in societal discussions. Mitch is an environmental chemist with a lifetime of professional experience with water. He also enjoys a variety of beverages comprised largely of water.

December 19th will be our last meeting of the year. We always try to make it a little special and a little festive. This year we will feature Joe Regan, a well-known cabaret singer and pianist we have always enjoyed, and he'll appear with a repertoire of popular standards and holiday songs. There will be special refreshments and decorations, and the bigger the turnout the better it will be. Join us for the music, snacks, and SOG bonhomie.

(above, l-r) Bill Freund, Mitch Erickson, and Joe Regan

Past speakers and much more can be viewed at SummitOldGuard.org but we encourage people to drop in on our meetings which take place at the church at 10:00 a.m. most Tuesdays. "Come for the Speakers. Stay for the Friends." We look forward to meeting you.

(above) The Summit Old Guard has 19 activity and interest groups. During a Nov. 3rd fishing outing Bob Eng, along with Joe Geist, Joe Corona, and Marv Gersten all landed some sizeable striped bass for dinner and the freezer. Besides fishing, members golf weekly, play bocce followed by lunch, discuss the latest technology issues, and much more.

AP HONOR ROLL & ACCESS AWARD RECOGNITIONS

Madison Public Schools

On October 3rd, the College Board announced that Madison High School has been named to the Advanced Placement® Program (AP®) School Honor Roll, earning Silver distinction. In addition, Madison High School received the 2023 AP Access Award, which is given to schools when the percentage of underrepresented and/or low income students accessing the school's AP Program is the same as, or greater than the percentage in the school's graduating class.

The AP® School Honor Roll recognizes schools whose AP programs are delivering results for students while broadening access. Schools can earn this recognition annually based on criteria that reflect a commitment to increasing college-going culture, providing opportunities for students to earn college credit, and maximizing college readiness.

To earn this recognition, schools must meet certain milestones within three categories:

1. College Culture: % of seniors who take at least one AP exam before graduating
2. College Credit: % of seniors earning an AP Exam score of 3 or higher on an AP exam
3. College Optimization: % of seniors taking a total of 5 or more AP exams across their high school years, with at least one taken in 9th or 10th grade.

Madison High School had 64% of seniors who took at least one AP exam during high school, 54% of seniors scoring a three or higher on at least one AP exam, and 20% of seniors who took five or more AP exams with at least one being taken in 9th or 10th grade!

Madison High School earned the highest recognition, Platinum, in the categories of college credit (need 50%) and college optimization (need 15%). MHS was one percentage point shy of Gold recognition and 16% points shy of Platinum recognition in College Culture.

"100 TREES" PROJECT COMPLETES ITS FIRST PHASE

The Rotary Club of Madison announced in June 2023 a "100 Trees for 100 Years" project, in which it committed to lead the planting of 100 new trees in Madison to commemorate the Rotary's 100th year of community service. The club has just completed the first phase of this project, planting 52 trees this fall at the Public Library, the Lucy D playing fields and the Water Tower on Madison Avenue.

Gene Cracovia, Chair of Madison's Shade Tree Management Board, commented "Madison needs more trees, both to replace those that have died or reached the end of their useful life, as well as to add new trees to our long-term tree canopy. It is gratifying to see the trees in this first Phase of

the Rotary project get into the ground. By next spring and for years to come, Madison residents will start experiencing the many benefits these trees provide."

Jim Foster, President of Madison Rotary, said "We're pleased to have completed Phase One of this long-term project. As we work on planning Phase Two for 2024 under the guidance of the Shade Tree Management Board, our website will have progress updates on the project, and will invite the public to participate in this important effort to keep Madison beautiful."

Madison Rotary is a 501c3 charity focusing on community service. We can be found at madisonrotarynj.org.

HOLIDAY RECYCLING

The Morris County Municipal Utilities Authority (MCMUA) reminds county residents to recycle gift wrap this holiday season rather than put it into the trash. The only exception is real foil wrap, which should be reused or put into the garbage.

Penny Jones, former MCMUA recycling education specialist, said gift wrap, including tissue paper, is acceptable in Morris County's recycling programs. "The amount of trash that haulers collect increases dramatically during the holidays," Jones said. "Much of that is gift wrap and packaging that can be reused or recycled rather than relegated to the trash."

Jones suggested saving and reusing bows as well as bubble wrap and clean, dry polystyrene (Styrofoam®) packing peanuts. She said the packing peanuts and bubble wrap can be taken to Mail Boxes Etc., the UPS Store or similar retailers for reuse. To find the closest store, Jones said an individual can call the Plastic Loosefill Council's "Peanut" Hotline at 1-800-828-2214.

Jones said corrugated cardboard cartons, pre-holiday catalogs and gift boxes should also be

recycled, as should glass bottles, plastic bottles coded 1 and 2, aluminum and steel (tin) food and beverage cans from holiday gatherings. Newspapers, magazines and junk mail - all of which are generated year round, should be recycled as well.

If cardboard boxes are too large to fit into a curbside recycling bin, they should be flattened, folded and stacked inside one cardboard box and placed next to the recycling bin, Jones said.

In addition, a number of new items are now being accepted for recycling in the communities that participate in the MCMUA's All-In-One, single-stream curbside recycling program Jones said.

KNITTING TOGETHER WHILE MAKING NEW FRIENDS

The Gates Avenue Knitters celebrated their 23-year anniversary in April. The group has been meeting at the Long Hill Township Library, located at 917 Valley Road, Gillette, every Monday from 1p.m. to 3 p.m. Everyone is welcome to join in.

In the month of April in the year 2000, Gates Avenue, Gillette resident Arlene Kaplan, started a knitting group along with 4 friends. Twenty-three years later the group, now called the Gates Avenue Knitters, are still knitting together, including 4 of the 5 original knitters who still live in town.

Eighteen to twenty ladies show up on any given meeting day. Their skills range from beginner to experienced knitters (and crocheters). They help each other get past problems with patterns, and they are excited and willing to teach beginners to knit.

They come from Long Hill Township and surrounding towns, including Warren, Watchung, Bridgewater, Springfield, Chatham, Madison, Summit, and Westfield. Many were introduced to the group thru friends.

Along with their own projects, the group knits for causes. They knit approximately 500 hats per year and distribute them to local charities. Beginning in November they have a display at the library and the hats are sold as a fundraiser thru the end of February for \$10 each. The group

recently presented the library with \$1,300 from the proceeds of the last hat sale, which is the most funds ever raised.

The group welcomes donations of yarn and knitting and crocheting supplies. Donations can be dropped off at the Long Hill Township Library any day during business hours.

AMERICAN LEGION ACCEPTS PATRIOTIC ARTWORK

Submitted by Maryann Doherty

Special needs children at St. Joseph's School in Hillsborough, N.J. created red, white and blue "Thank you for your service" artwork. Their teacher Ginny Houle presented the artwork to decorate the Legion Home in time for Veterans Day.

Mrs. Houle has been a member of Auxiliary #43 since birth and volunteers at the church reporting her volunteer hours monthly to Unit #43. The Legionnaires also were gifted with home-baked brownies to enjoy after the Annual Veterans Day Service in Madison held on Saturday, November 11, 2023.

CHRISTMAS PAGEANT WITH LIVE NATIVITY - SUN., DEC. 17

Bring the whole family to a unique outdoor Christmas pageant and Live Nativity planned for 4 p.m. on Sunday, Dec. 17, on the adjoining front lawns of the Presbyterian Church of Chatham Township (PCCT) and Corpus Christi Roman Catholic Church on Southern Boulevard. Children from both churches will be presenting the Christmas story.

The pageant starts on the front lawn "shepherd's hills" of the Presbyterian Church (240 Southern Blvd.) and concludes with a Nativity scene, bellringing and carols at Corpus Christi (234 Southern Blvd.). Costumed children will play the roles of Mary, Joseph, the innkeeper, shepherds, and a narrator. Trained animal handlers from Swift Farms Animal Zoo of Milford, NJ, also in costume, will shepherd their barnyard creatures for the gathering.

"We are delighted to invite the whole

community to join our two church families in celebrating the job of Christ's birth," said The Rev. Dr. Ellen C. Clemot, senior pastor of PCCT. "We hope children and adults of all ages will find this a heart-warming and memorable event."

"We are excited to join in celebrating the Birth of our Lord," added Fr. Kevin Corcoran, pastor of Corpus Christi. "We hope that many will come to share in the joy, hope and healing of this season."

The pageant will feature musical selections, and everyone attending is encouraged to raise their voices in singing favorite Christmas Carols.

Attendees should park in the lots behind either church before 4 p.m. to allow a timely start to the pageant. Everyone is invited to enjoy hot chocolate and cookies at Corpus Christi and the end of the pageant.
