COPING WITH LOSS DURING THE HOLIDAYS

There is so much pressure to be happy in our culture, especially at the holidays. We are supposed to have a Happy Thanksgiving, a “merry little Christmas” or a Happy Hanukkah. But grief doesn’t take a holiday.

Imagine, A Center for Coping with Loss would like to offer support to those navigating the challenges of grieving during the holiday season and offer some coping strategies as well. On Thursday December 14th from 6:30-8 pm, Imagine will offer a workshop on Coping with Loss During the Holidays. The free workshop will be held at their center at 244 Sheffield Street in Mountainside and is open to adults and children grades 3 and older.

Imagine’s Grief Educator, Connie Palmer, LCSW will present the workshop in English and Training and Education Director, Veronica Ortiz, LPC and Bilingual Program Manager, Sonia Nuñez will present the workshop at the same time in Spanish. Pizza dinner is available prior to the session beginning at 6:15 for those who sign up. Hot cocoa and cookies will be served as well.

If you are looking for support as you cope with a loss this holiday season, the staff at Imagine would like to help, and hope to see you at the workshop on the 14th.

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with

a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imagineenj.org.

(above) If you’re interested in attending the workshop presented in English, please scan the QR code or visit Imagine’s website at imagineenj.org/education-training/community-webinars/ to register. Registration is not required for the workshop presented in Spanish.

BLUE ENVELOPE POLICE PROGRAM FOR RESIDENTS ON SPECTRUM

The Blue Envelope Program is accessible to all Union County residents on the Autism Spectrum. Residents can obtain a Blue Envelope at their local police departments throughout the county.

The Blue Envelope Program introduces a simple yet effective tool that contains essential information for drivers with Autism Spectrum Disorder. This includes a copy of their driver's license, vehicle registration, insurance details, and an emergency contact card. Additionally, the envelope provides clear instructions to drivers on how to navigate a traffic stop and interact with law enforcement officers in a manner that promotes clarity and safety.

Key features of the Blue Envelope Program include:

- **Specialized Training:** Every officer in Union

County, including local officers in all 21 municipalities, will undergo specialized training to develop a deeper understanding of Autism Spectrum Disorder and the best practices for engaging with individuals during traffic stops.

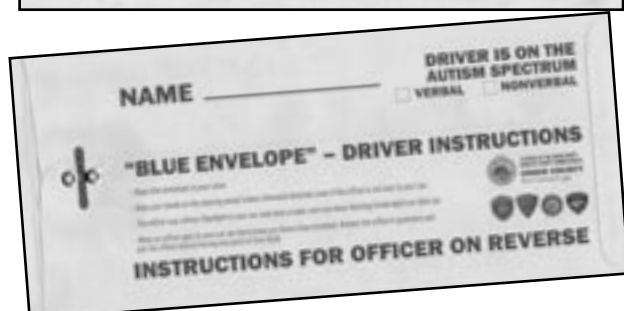

- **Communication Facilitation:** Drivers with Autism Spectrum Disorder can present the blue envelope to the officer upon being stopped, allowing officers to quickly recognize the situation and adapt their approach accordingly.
- **Essential Information:** The envelope includes guidance for officers to simplify requests and minimize the risk of misunderstandings or potential escalation. Additionally, officers are advised to contact the person listed on the

emergency contact card for assistance if needed.

- **Verbal or Nonverbal Indication:** A checked-off box on the envelope indicates whether the driver is verbal or nonverbal, which aids officers in communicating effectively.

"Every single police department in Union County is proud to be a part of this initiative," said Elizabeth Police Chief Giacomo Sacca and President of the Union County Police Chief's Association. "Our officers have undergone thorough briefings and trainings to ensure they are well-versed in the proper protocols, and they are eager to put their training into action."

For information on this program in your town, contact your local Police Department's Community Outreach Unit.

Disla, President and CEO, The Gateway Family YMCA. “At our Y, everyone has a place to go where they can feel supported and receive help. We are proud to be the place where adults can find life balance; children can reach their full potential; seniors can be active and social; and families can connect and strengthen relationships.”

WE'RE SCOUTING FOR UNIFORMS

Do you have a Cub Scout or Boy Scout uniform hanging in your closet that is not used anymore? Please consider donating it to the uniform exchange maintained by Cub Scout Pack 23 and Boy Scout Troop 23 at St. Genevieve's Church, Elizabeth.

Like everything else, the cost of Scout uniform parts has risen greatly in recent years. Through its uniform exchange, the Scouting program at St. Gen's helps to ease that burden for its member families. Scouts are often able to find a shirt, pants, belt, hat, neckerchief or neckerchief slide that has been donated by a former member, or by a current member who has outgrown the uniform.

Donations can be brought to the church hall almost any Wednesday evening from 7:00 to 8:30 p.m., or they can be placed at any time in the American flag retirement box next to Webby's Woodshed, behind the church Rectory, at 822 Livingston Road, Elizabeth.

For more details, please contact Dan Bernier, Scoutmaster, at (908) 451-1948 or webfootroop@gmail.com.

(above) Cub Scout Pack 23 and Boy Scout Troop 23 are looking for old Scout uniforms that can be reused by their members.

RELIEF FROM CHRONIC KNEE PAIN

FDA Approved Treatment to Avoid Surgery

DON'T BLAME THE ARROW FOR MISSING THE TARGET

Just like tens of millions of other Americans, you were looking for relief from your chronic knee pain. You thought Viscosupplementation injections might be the answer, but the results were disappointing and painful. Don't assume the treatment wasn't right. That could very well be like blaming the arrow for its path to the target when the problem might be the archer. If you didn't get the pain relief you were hoping for, chances are your injection treatment was off target. Unlike blind injections or even ultrasound targeted treatments found elsewhere, **Northeast Spine & Wellness Center** uses diagnostic fluoroscopy to make sure the area that needs treated is the exact area where the injection goes. This is the most advanced method of delivering this pain relieving treatment with 95% accuracy to give you the results you're looking for. The use of Fluoroscopy guided injections sets **Northeast Spine & Wellness Center** apart. The end result is you living pain free from your chronic knee pain. You can avoid the lengthy and painful road of knee replacement surgery. You can avoid the endless trial and error assortment of potentially addictive prescription medications. This treatment, using fluoroscopy guided injections has seen a success rate of above 85% in those suffering from knee pain related to osteoarthritis, and that includes people with bone on bone involvement. You've suffered from chronic knee pain long enough. Call **Northeast Spine & Wellness Center** now for a RISK FREE consultation.

If Knee Surgery Sounds Scary, It Should

Have you have been told you are facing knee replacement surgery? Have you been told about all the downsides you could be facing? First and foremost, there are NO guarantees that knee replacement surgery will be the answer to your pain, but let's look further:

- Surgery is costly, regardless of the percentage of services covered by insurance.
- Surgery requires lost time from work and typically requires a regimen of rehabilitation and medications.
- With surgery, there is always a risk for unwelcomed complications. And you could be back to where you started, or worse.
- Medications will be required for relief from surgery and you have been down that road before. Additions to these pain medications can cause potential side effects, something you do not want to experience.
- Rehabilitation can take years.

Consider This Alternative To Surgery

Northeast Spine & Wellness Center offers you a real opportunity and a painless way to say goodbye to your knee pain without any surgery. Here are just a few of the important benefits you should consider?

- Diagnostic fluoroscopy accurately targets the pain, unlike blind injections.
- Guided fluoroscopic injections are virtually pain free, unlike blind injections.
- No lost time from work or family.
- No expensive or time consuming rehabilitation.
- No potentially addictive prescription medications.
- Recovery time is almost instant, not months or years.

How Does This New Treatment Work?

Relief begins almost as fast as it takes to pronounce the treatment. It's called Viscosupplementation Therapy. To begin with, it starts with **Northeast Spine & Wellness Center** investing in the use of diagnostic fluoroscopy. This enables them to target the exact location of your knee pain with pinpoint accuracy. What follows is a simple injection that causes little to no pain, especially when compared to what you may be living with daily. That explains what you will see on the surface of this revolutionary treatment. What's taking place below the surface is how and where the natural healing process takes place. The injection of a Hyaluronic acid called Hyalgan. This gel-like substance was approved by the FDA in 1996. Hyalgan is a natural substance that mimics the synovial fluid that is already produced by your body in your joints. Osteoarthritis sufferers in particular see a reduction in this much needed synovial fluid in their knee joints. Without that cushioning layer of protection, the cartilage in your knee can begin to wear away leading to the rubbing of bone on bone. Through Viscosupplementation Therapy, this natural substance immediately goes to work reducing the swelling and inflammation in the joint and adding a coating layer of protection. Think about Dorothy taking the oil can to The Tin Man. You'll begin to feel that same kind of relief and quite possibly feel like you're ready for a dance down the yellow brick road to recovery yourself. And with a success rate of over 85% in alleviating pain associated with osteoarthritis, it's easy to see why this treatment is so readily covered by Medicare and by most major insurance providers. Diagnostic fluoroscopy to target the pain, Viscosupplementation Therapy to relieve the pain. Simple, fast and no surgery!

Do you Suffer from any of these Symptoms?

There are a number of reasons why you developed Osteoarthritis pain. It can develop with age or because of heredity. It could be from repetitive stress from a job or some glory days in athletics. Of course your concern is with the symptoms you face daily and how to make them end, hopefully without surgery or the use of potentially addictive medications. **Northeast Spine & Wellness Center** understands the symptoms you have been living with and can help. If you have any of the symptoms below, please call us today. Relief is a phone call away.

- **Pain** - Whether it's a sharp aching or maybe a burning sensation, the pain can range from irritating to debilitating.
- **Swelling** - This can cause tenderness and soreness to the entire knee area, making walking or going up and down stairs painful, getting in and out of bed or bathtubs difficult and dangerous just name a few activities affected by swelling.
- **Stiffness** - Getting up out of bed or after sitting for a period of time gets more and more difficult. This loss of mobility can be more than a hindrance. It can be dangerous if you need to move quickly.
- **Loss of muscle strength** - This can lead to balance issues and the strong possibility of falling.
- **Joint deformity** - Not just unsightly, but painful as well.
- **Creaking Joints** - Can be painful and a sign of more discomfort to come.
- **Sleepless nights** - Losing sleep over your suffering is not just irritating, but potentially dangerous because of so many other health concerns that can be affected by loss of sound sleep.

Let Me Show You Targeted Relief From Your Knee Pain

Every day, I see patients suffering from knee pain due to arthritis, osteoarthritis, sports injuries or other conditions. Many have been told that they are in need of knee replacement surgery. Other patients say they have been prescribed various prescription medications to deal with the pain.

Something else I see almost every day, are patients that have tried viscosupplementation knee injections elsewhere and found it to be a painful and ineffective experience because the injections were not administered using fluoroscopic guidance. Instead of using the incredibly accurate diagnostic fluoroscopy we use at **Northeast Spine & Wellness Center** these patients experienced a blind injection technique, which can be as inaccurate as playing pin the tail on the donkey.

Once I am able to explain to my patients about the pin point accuracy of using diagnostic fluoroscopy and the amazing results viscosupplementation can provide, they are thrilled to get started. They are even more thrilled when they feel the relief. Please contact **Northeast Spine & Wellness Center** today to schedule your RISK FREE consultation.

UNION TOWNSHIP AND AND ROSELLE PARK CHAMBERS WELCOME KENILWORTH CHAMBER OF COMMERCE

The Greater Union Township Chamber of Commerce (GUCC) Board of Directors formally welcomed the Borough of Kenilworth and its Chamber of Commerce as a new addition to its association at a ceremony recently held at the Union Chamber’s headquarters. Officials from both Union and Kenilworth were in attendance to mark the occasion.

“Although our Chamber has always welcomed businesses from outside the Union area to its membership, this is the second formal expansion of our organization that will bring Kenilworth under our auspices so that they may avail themselves of our member benefits and to have our Chamber represent and promote Borough businesses, said Union Chamber CEO James Masterson. “We warmly welcome them and we pledge to do all that we can to promote and represent each business.”

Kenilworth is joined by Roselle Park, which came into the Union Chamber last November.

Greater Union Chamber Board President Marie Maguire added, “Those Kenilworth businesses who join the Chamber will find more than 50 member benefits to help them succeed in these challenging times and we encourage them to become as active as possible.”

The Greater Union Township Chamber of

Commerce is an association of 400 businesses. Its mission is to promote, unite, represent, and strengthen its members through networking opportunities, special events and a variety of economic initiatives.

For more information, contact Masterson at executivedirector@unionchamber.com.

Perhaps it is because I see today due to the generous life changing gifts of two donated corneas, I tend to become very reflective when I collect the donated glasses that are received in the Lions drop box.

When I sort the glasses and package them to be sent into the Lions Processing Center, I am reminded of the good in people who are eager to help. I look at all the glasses that were once worn on the faces of members of our community which form a beautiful mosaic representing so many different shapes, sizes, colors, glasses for the old and young....and think that this is beautiful on many levels. I then think about the people who will experience that magical moment I had when sight is restored.

The New Providence Lions Club Eyeglass collection site is in front of the New Providence Library which is located at 377 Elkwood Ave. Since January 2022 we have collected 2,165 pairs of glasses.

TICKETS NOW ON SALE FOR 24TH ANNUAL PIPES OF CHRISTMAS

The Pipes of Christmas will celebrate its 24th joyous season with performances in New Jersey and New York this December. The holiday favorite opens on Saturday, December 17 at Madison Avenue Presbyterian Church, located at 921 Madison Avenue (at 73rd Street) for two performances at 2 and 7PM. The concert moves across the Hudson River on Sunday, December 18 to Central Presbyterian Church located at 70 Maple Street in Summit, NJ also with performances at 2 and 7PM.

For those weary of the ceaseless stream of secular seasonal music from department stores to TV, the Pipes of Christmas offers a spiritual and traditional take on the season that connects concertgoers to the holiday in a fresh, meaningful way. The show features tunes such as, "Highland Cathedral," "Joy to the World", and "Amazing Grace", all performed live on pipes and drums, harp and fiddle, and organ and brass and more. Not only does the performance define Christmas cheer, but also it inspires those of Celtic descent to retrace and reconnect to their ancestry.

According to producer Robert Currie, "We are absolutely delighted to be bringing our concert back to full force after two devastating years weathering the Covid pandemic. Supporting our GoFundMe campaign will continue to make these concerts possible."

The 2022 production marks the NYC solo debut of soprano Sharon Lyons originally from Dublin, Ireland.

(above) Soprano Sharon Lyons originally from Dublin, Ireland, made her NYC solo debut at the 2022 Pipes of Christmas concerts NJ.

The concert presents the music of Christmas accompanied by readings taken from the Celtic literature of Scotland, Ireland, and Wales. In addition to Ms. Lyons, featured performers include James Robinson from the film "Braveheart," New England fiddle champion Paul Woodiel, champion harpist Rachel Clemente, and the Pipe Major Kevin Ray Blandford Memorial Pipe Band from Redlands, CA among many more.

PROCEEDS SUPPORT SCHOLARSHIPS AND MORE

Proceeds from the concert support an extensive music scholarship program, which include annual gifts to the National Piping Centre and the Royal Conservatoire of Scotland (both located in Glasgow, Scotland) the Gaelic College of Nova Scotia and the Carol Hassert Memorial Fine Arts Scholarship at Summit (NJ) High School.

Proceeds also support the annual Tartan Day on Ellis Island celebration and the Society's sponsorship of the US National Scottish Harp Championship, the Gaelic Literature Competition at Scotland's Royal National Mod, and an academic research prize at Sabhal Mòr Ostaig, Scotland's Gaelic college on the Isle of Skye.

Each year, concert highlights are webcast in high definition over the Christmas holiday to a global audience in cooperation with HomeTowne Television. In addition to winning multiple Telly Awards for broadcast production excellence, the 2020 virtual concert was a finalist for the coveted

MG Alba Trad Music Award presented annually in Scotland.

The concert is still accepting Title Sponsors as well as Program Ads. These gifts help offset production expenses and add help fund our scholarships.

TICKETS AVAILABLE NOW

Tickets may be purchased online exclusively through ShowTix4U at www.showtix4u.com (be certain you select the event name and date in the search engine). Reserved patron seats are available at both venues.

ABOUT "THE PIPES OF CHRISTMAS"

Since making its debut in 1999, The Pipes of Christmas has played to standing room only audiences. Now a cherished holiday event, the concert provides audiences with a stirring and reverent celebration of the Christmas season and the Celtic spirit. Audience-goers return year after year to experience the program, many reporting that the Pipes of Christmas has become part of their family's annual Christmas tradition.

The concert has been lavished with critical acclaim. In his review for Classical New Jersey Magazine, Paul Somers wrote, "The whole evening was constructed to introduce gem after gem and still have a finale which raised the roof. In short, it was like a well-constructed fireworks show on the Glorious Fourth. The Westfield Leader described the concert as "a unique sound of power and glory nowhere else to be found."

Light refreshments will be served afterward. For further information, you may call the parish center at 908-464-1585 and ask for Dan Grossano or email bereavement.lf@gmail.com.
