As the staff at Imagine prepared to launch a new program year in September, it quickly became evident that the demand for Imagine's grief support groups had grown. Imagine began its new program year offering three in-person Nights of Support at their Mountainside location, one Night of Support at their Newark location and a virtual option. Though each Night of Support (NOS) can accommodate up to 60 families, it became clear that a new night was needed to support all of the new families that had reached out to Imagine seeking support following the death of someone close to them.

The first step in launching a new NOS is to train new volunteers to facilitate each support group. Imagine held a training session November 3-5th, training 10 new facilitators for the new NOS that will meet on alternate Mondays beginning in November. The ten new facilitators were joined by new Imagine staff who participated in the training as well.

In addition to the story sharing and support for one another that's part of Imagine's training, the group had an opportunity to gain knowledge and skills regarding Alan Wolfelt's Companioning Model for grief support that's practiced at Imagine. Many of the participants in Imagine's training program find the training experience to be meaningful and

life changing. One participant shared: "The training was truly amazing and inspiring. I am so honored to have had the opportunity to participate in it." Another said: "The Imagine Staff are amazing. I so appreciate all the knowledge they shared and the encouragement they gave to me and the other participants." The staff at Imagine are so pleased to welcome this new group to their wonderful team of volunteers!

Imagine has been providing free peer support groups for children and families for over 10 years and relies on both the generosity of volunteer facilitators who donate their time, and the generosity of donors who help fund Imagine's programs. This holiday season, if you'd like to support Imagine's mission of ensuring that no one grieves alone, please consider making a donation to support Imagine's programs at [imagineenj.org](http://imagineenj.org).

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or [info@imagineenj.org](mailto:info@imagineenj.org).

# WATCHUNG HILLS REGIONAL HIGH SCHOOL CLASS OF 2024 PROJECT GRADUATION

## WHAT IS PROJECT GRADUATION?

Project Graduation is a tradition at many high schools to keep graduates safe and substance-free on graduation night. For WHRHS, the event will be six hours long, filled with all kinds of indoor activities, entertainment and -- of course -- lots of food and drinks! All students are required to ride the bus to and from the event, which will be held on graduation night June 13, 2024. Location TBD.

## WHO RUNS PROJECT GRADUATION?

Project Graduation is an independent parent organization with their own budget, fundraising events and planning committee. Senior parent volunteers work hard to host various exciting events that lead up to the end-of-year graduation night event.

## WHO ATTENDS PROJECT GRADUATION NIGHT?

WHRHS has approximately 500 seniors from the towns of Green Brook, Long Hill, Warren and Watchung who will be graduating on June 13, 2024. The event is open at no cost to the entire WHRHS graduating class, and we hope for 100% participation.

## WHO PAYS FOR THE EVENTS?

Project Graduation is funded completely through donations.

The ability to provide all the events throughout the year is only possible through generous donations from our families & community. This includes the parents, local businesses and community organizations. As we are a regional high school, we are reaching out to the member towns, seeking donations to help offset the costs of this celebration. In the past, we have received pledges as well as goods and services, from many different community members. If you have a business or skill you can offer or know someone willing to help, please let us know!

## OPEN HOUSE – JAN. 20

### Dr. John Vermeule House Museum

The Dr. John Vermeule House at 223 Rock Avenue, Green Brook will be open for visitors on Saturday, January 20th, 10:00 a.m. - 12:00 p.m. There you will meet several of its volunteer members to give you a glimpse into 19th - 20th century rural living.

The Dr. John Vermeule House, one of Green Brook's historic links to its early settlers was built as a farmstead. Construction began in 1799 and became occupied by the Vermeule family in 1805. Dr. Vermeule practiced medicine and operated a farm on the original 113 acres of his property. The home is based on a blending of English and Dutch architectural traditions with Georgian and Federal style influences.

Vermeule ownership of the property ended in 1824. Various families bought and sold the property over the years, namely, Vail, Cohen, Voorhies and lastly, Mundy. The farmstead continued to function as a dairy farm into the mid-20th century. The township of Green Brook acquired the house and remaining 2.2 acres of the property in 2008. Necessary preservation renovations have been made to some structural elements, but the house is virtually unchanged from its original construction. There are some interesting outbuildings and farm equipment to see on the 2-acre property. There is wheelchair accessibility to the first floor.

Mark your calendars and consider participating as a volunteer or enjoy the event as a proud visitor! We look forward to meet you!

Our meetings are held at the Green Brook Town Hall, 111 Greenbrook Road, on the 3rd Thursday of every month at 7:30 p.m. Our group has a lot of fun exploring our local history and doing our best to preserve and document its rich heritage. Please consider visiting us! For additional information, please contact 732-968-7696. Leave a brief message with your name and phone number where you can be reached and you'll receive a call back.

## CELEBRATING A BLUE RIBBON YEAR OF SERVICE

Elizabeth Snyder-Continental Chapter DAR

A National Blue Ribbon Achievement Award is one of the honors being celebrated by Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution (DAR) at their 128th Anniversary Luncheon held in Warren on January 27, 2023. The chapter was recognized for outstanding support of the DAR's goals of historic preservation, patriotism, and education.

"We are very honored to receive this award," said Regent Ashley Salsano. "Our members are a dedicated group of women who work hard to honor their heritage by serving our local community and our nation."

Chapter members recorded 1,800 volunteer hours in 2023. Service projects included supporting youth programs and promoting the study of American history; honoring veterans; greeting new citizens at naturalization ceremonies; organizing public genealogy

workshops; preserving local historic sites; and assisting in the creation of a New Jersey Revolutionary War soldier database.

The chapter was also honored for their work with the Children of the American Revolution, American Indians, and Membership committees. Barbara Pollison-Beck, Ruth Ryno, and Holly Dunbar each received committee awards. Ashley Ryno was recognized for serving as a state page and was named Chapter Outstanding Junior.

The DAR is a service organization open to women descended from an individual who aided the cause of independence during the American Revolution. Based in Green Brook, Elizabeth Snyder-Continental Chapter serves areas of Somerset, Middlesex and Union counties. Prospective members are welcome to attend monthly meetings and events as the DAR prepares to celebrate America's 250th. ## **PRE-REGISTRATION REQUIRED Over the Counter Drugs Interactions**

*January 29, 11 a.m.*

Drug interactions with over the counter (OTC) drugs can be a problem. According to the FDA, drug interactions may make your drug less effective, cause unexpected side effects, or increase the action of a particular drug. Some drug interactions can even be harmful to you. It is important to note that OTC drug labels contain information about ingredients, uses, warnings, and directions that is important to read and understand. The label also includes important information about possible drug interactions. You can reduce the risk of potentially harmful drug interactions and side effects with a little bit of knowledge and common sense. Shivani Shah from Walmart Pharmacy will be explaining about what to look for while taking the OTC drugs.
