LONG HILL GIRL SCOUT DAISIES CAROLING FOR SENIORS

Long Hill Twp Girl Scout Daisies helped spread holiday cheer to the residents of senior housing on Sunday, December 3rd.

28 Daisies sang traditional holiday tunes including Jingle Bells, 12 Days of Christmas, Feliz Navidad and Santa Claus is Coming to Town, just to name a few. Additionally, the Girl Scouts took song requests and the residents

enjoyed the festivities clapping and singing along with the scouts.

The Daisies happily shared handwritten holiday cards that were created from various scouts with the Long Hill service unit. This annual tradition is a time both the scouts and residents really enjoy together, it especially gets everyone in the holiday spirit.

THE JANUARY SPEAKERS PROGRAM FOR THE SUMMIT AREA OLD GUARD

The Summit Area Old Guard was founded in 1930 and meets most Tuesdays at the New Providence Presbyterian Church located at 1307 Springfield Ave. Our motto is "Come for the Programs. Stay for the Friends."

January speakers include Kathleen Bassiacos, Melanie Hazim, Joe Kane, Iveth Gonzales, and Charles Clarkson. Please join us. Our programs are free to the public, and we welcome you!

On January 2nd, Kathleen Bassiacos, a nurse at Unicity Healthcare, with over three decades of experience in oncology, geriatrics, assisted living and at-home care, will discuss how she focuses on her patients' health by managing emergencies mixed with adaptability. Her presentation will include not only nursing, but also treating the myths surrounding aging and nutrition.

On January 9th, Melanie Hazim, Director of Outreach at the NJ Division of Consumer Affairs, will discuss her responsibilities for educating and promoting awareness of scams targeting New Jersey residents, and implementing the Division's mission and goal to protect New Jersey's residents from becoming victims of these frauds.

On January 16th, Joe Kane, a prevention specialist with The Council on Compulsive Gambling of NJ, will help us understand compulsive gambling and the need to support those suffering from this addiction. The Council focuses on educating the public, training professionals, referring gamblers and their families to treatment, and advocating for increased treatment services.

On January 23rd, Iveth Gonzales, a team leader with the New Jersey Sharing Network, will discuss organ donation, its benefits and how the acquisition and distribution system is organized. Iveth will also speak from her experience after her father was diagnosed with pulmonary fibrosis and why registering as an organ donor, you may change of even save someone's life.

On January 30th, our speaker will be Charles Clarkson, an attorney, and a project director for the Senior Medicare Patrol (SMP) under the

auspices of Jewish Family Services of Middlesex County. Medicare is for seniors, it expends many billions of dollars, and it must deal with the hazards of fraud. Charles will explain how to detect and how to report Medicare fraud and related healthcare scams.

Past speakers and much more can be viewed at SummitOldGuard.org but we encourage people to drop in on our meetings which take place at the church at 10:00 AM most Tuesdays. "Come for the Speakers. Stay for the Friends." We look forward to meeting you.

NEW DIRECTOR, ADULT LIBRARIAN FOR 2024

Long Hill LEADER • Page 7 • January 2024

Long Hill Township Library has appointed Albie Ashbrook as its next director, effective in 2024.

Ashbrook, who currently serves as the library's adult services librarian and assistant director, has worked in New Jersey libraries since 2019, when she received her library degree from Rutgers University. She previously worked in the international development field, leading field offices in Ukraine and Romania, and later worked in international school libraries in Hong Kong and Munich.

"We want Long Hill Township Library to continue to be the go-to place in the community for adults and kids looking to read, learn, and play," Ashbrook said of her plans for the library in the year ahead. "We aim to provide a space where everyone is welcome to grow as readers, people, and community members."

Current library director Marygrace Luderitz will retire at the end of 2023. Luderitz has worked at Long Hill Township Library since 2011, serving as adult services librarian, assistant director, and interim director on multiple occasions before becoming the permanent director in February 2021.

Luderitz supervised the library's reopening during the global pandemic and oversaw a makeover project that included repainting the library, reupholstering chairs, and adding patio furniture to the library's exterior.

"I have loved working alongside Marygrace over the past few years," said Ashbrook, praising Luderitz for bringing her "unique blend of fun and function" to the library during her tenure as director.

"She and I have had fun brainstorming new activities, like mini-golf, scavenger hunts, and story walks," Ashbrook continued. "She showed me that a library doesn't have to be too serious to do serious work."

Luderitz said she can't wait to see what Ashbrook does in the position.

Suzanne Kosempel will replace Ashbrook as Long Hill's new adult services and community engagement librarian. Kosempel joins the library after seven years at Raritan Valley Community College working as an academic librarian.

(above, l-r) Suzanne Kosempel, Albie Ashbrook, and Marygrace Luderitz.

"Suzanne's librarian experience at the college level will benefit all of us, especially our teen and young adult patrons," said Ashbrook.

Kosempel was previously a marketing specialist at Prudential. She has also served on the Library's Library Board of Trustees for seven years, most recently as its president, and is the secretary of the Long Hill Community Center Board of Directors.

She called joining Long Hill Township Library in her new role a "full circle moment," having worked at the library at its previous location in Stirling when she was in high school. "I am a strong believer in the power of libraries to enrich our lives and open our minds, and I look forward to serving the Long Hill community."

In addition to offering books, audiobooks, movies, and even ukuleles for patrons to borrow, the library hosts a diverse array of children's and adult programming and will continue to do so in 2024. These programs include book groups, kids' story times, technology help, arts and crafts, language groups, dance and meditation classes, and author talks, as well as special events such as dinosaur parades and parties featuring a chocolate fountain.

"We look forward to welcoming familiar faces and new patrons in the next year," said Ashbrook. "And to breaking out our chocolate fountain again soon."

WHRHS CLASS OF 2024 PROJECT GRADUATION

WHAT IS PROJECT GRADUATION?

Project Graduation is a tradition at many high schools to keep graduates safe and substance-free on graduation night. For WHRHS, the event will be six hours long, filled with indoor activities, entertainment and -- of course -- lots of food and drinks! All students are required to ride the bus to and from the event, which will be held on graduation night June 13, 2024. Location TBD.

WHO RUNS PROJECT GRADUATION?

Project Graduation is an independent parent organization with their own budget, fundraising events and planning committee. Senior parent volunteers work hard to host various events that lead up to the end-of-year graduation night event.

WHO ATTENDS PROJECT GRADUATION NIGHT?

WHRHS has approximately 500 seniors from the towns of Green Brook, Long Hill, Warren and Watchung who will be graduating on June 13, 2024. The event is open at no cost to the entire WHRHS graduating class, and we hope for 100% participation.

WHO PAYS FOR THE EVENTS?

Project Graduation is funded completely through donations.

The ability to provide all the events throughout the year is only possible through generous donations from our families & community. This includes the parents, local businesses and community organizations. As we are a regional high school, we are reaching out to the member towns, seeking donations to help offset the costs of this celebration. In the past, we have received pledges as well as goods and services, from many different community members. If you have a business or skill you can offer or know someone willing to help, please let us know!

NJ MOM CELEBRATING 10-YEAR ANNIVERSARY OF LIVER TRANSPLANT

NJ Sharing Network

Renee Reilly, a resident of Madison, NJ, is celebrating an incredible milestone as she marks the 10-year anniversary of her life-saving liver transplant. Renee, 52, has not only cherished every moment of her life since her successful transplant but is also passionate about advocating

for NJ Sharing Network, the nonprofit organization responsible for the recovery and placement of donated organs and tissue for transplant in the Garden State. She actively shares her story with others to encourage more people to register as organ and tissue donors.

“I continue to feel overwhelmed, humble, and grateful,” said Renee. “Giving someone a second chance as an organ and tissue donor is such a special and amazing gift of love.”

Renee’s journey began when she was 16 years old and was diagnosed with Polycystic Kidney Disease (PKD). Her father, who also battled PKD, had received a life-saving kidney transplant that gave him an additional 35 years of life. Renee later developed Polycystic Liver Disease (PLD) after giving birth to her two boys. She was added to the liver transplant list in 2009.

“Waiting for the liver transplant phone call, I felt hopeless at times, tired, anxious, and I didn’t think I would ever get ‘the call,’” said Renee.

The pivotal moment in Renee’s journey arrived unexpectedly on a day filled with emotional turmoil. Her father had been in the hospital for weeks due to complications from a previous surgery. Renee had just visited him when she received ‘The Call’ from the transplant center.

“I began to cry because I was filled with emotions, from joy and excitement to worry about my family and guilt about receiving such a precious gift. But my husband, John, and my sons, Ian and Brendan, served as a source of

strength and kept me focused because they were excited to know that I was going to get a liver transplant,” said Renee.

On August 6, 2013, Renee’s liver transplant surgery was a success, giving her a new lease on life. In 2017, Renee’s kidneys started to fail. Fortunately, she received a kidney transplant in 2018, sparing her from the hardships of dialysis treatments.

The transformation in Renee’s life post-transplants has been remarkable. She now enjoys all of her favorite hobbies, including gardening, knitting/crocheting, sewing, and spending time with her family.

“Thanks to my organ donors and the miracle of transplantation, I have been there for unforgettable moments like my boys’ graduations. I am now able to give hugs again without any pain due to my enlarged liver,” said Renee. “Now, I am focused on sharing my story to give hope for those waiting for the gift of life and inspire everyone to register as organ and tissue donors.”

According to United Network for Organ Sharing (UNOS), there are over 100,000 Americans – nearly 4,000 of whom live in New Jersey – waiting for a life-saving transplant. One organ and tissue donor can save eight lives and enhance the lives of over 75 others. To learn more, get involved, and join the National Donate Life Registry as an organ and tissue donor, visit NJSharingNetwork.org.

IMAGINE, A CENTER FOR COPING WITH LOSS

As the staff at Imagine prepared to launch a new program year in September, it quickly became evident that the demand for Imagine's grief support groups had grown. Imagine began its new program year offering three in-person Nights of Support at their Mountainside location, one Night of Support at their Newark location and a virtual option. Though each Night of Support (NOS) can accommodate up to 60 families, it became clear that a new night was needed to support all of the new families that had reached out to Imagine seeking support following the death of someone close to them.

The first step in launching a new NOS is to train new volunteers to facilitate each support group. Imagine held a training session November 3-5th, training 10 new facilitators for the new NOS that will meet on alternate Mondays beginning in November. The ten new facilitators were joined by new Imagine staff who participated in the training as well.

In addition to the story sharing and support for one another that's part of Imagine's training, the group had an opportunity to gain knowledge and skills regarding Alan Wolfelt's Companioning Model for grief support that's practiced at Imagine. Many of the participants in Imagine's training program find the training experience to be meaningful and life changing. One participant

shared: "The training was truly amazing and inspiring. I am so honored to have had the opportunity to participate in it." Another said: "The Imagine Staff are amazing. I so appreciate all the knowledge they shared and the encouragement they gave to me and the other participants." The staff at Imagine are so pleased to welcome this new group to their wonderful team of volunteers!

Imagine has been providing free peer support groups for children and families for over 10 years and relies on both the generosity of volunteer facilitators who donate their time, and the generosity of donors who help fund Imagine's programs. This holiday season, if you'd like to support Imagine's mission of ensuring that no one grieves alone, please consider making a donation to support Imagine's programs at imaginenj.org.

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imaginenj.org.
