PROJECT AT PHIL RIZZUTO PARK COMPLETED

Groundwork Elizabeth

Phil Rizzuto Park, is located on the corner of Elizabeth and Union, N.J. Within the park the Trotters Branch of the Elizabeth River is an example of the result of decades of flooding and erosion. Sediments from an eroding tributary of the river hampered water from flowing freely into the main Elizabeth River as it makes its way to the NJ coastline, upsetting the fragile balance of natural plant and animal life and putting those who live nearby at risk.

There are ways to mitigate these challenges. Groundwork Elizabeth is an Elizabeth based nonprofit which has as its mission to build more sustainable communities, fostering everyone's right to a healthy environment. Youth volunteers from the Groundwork program became enamored with the natural landscape of a woodland/wetland within Phil Rizzuto Park as far back as 2014 and wanted to maintain its vitality. Their continued passion for the site encouraged the 501c organization to take the next steps to helping to restore and preserve it.

A number of funders and agencies stepped up to lend support for a restoration program that would help reduce flooding and foster native coastal watershed wildlife. Phillips 66 Bayway Refinery led the way followed by the National Fish and Wildlife Foundation (Impact Directed Environmental Accounts and Five Star programs), the Natural Resource Conservation Service of the USDA, the US Fish and Wildlife Service and Friends of the Great Swamp, the NJ Conservation Foundation, the NJ Corporate Wetlands Restoration Partnership and the Environmental Endowment for NJ. Together they assisted the Elizabeth based nonprofit in its mission to restore and conserve the wetland.

Some of the improvements to the park include:

- Improvement of the ecological functions as well as the streambank condition by the placement of large rock deflectors and plantings along the streambed
- Stabilization of the streambank erosion underneath pedestrian bridge.
- Improvement of .4 acres of stream habitat, stream channel to enhance water flow and quality, beginning at the site nearest North Avenue for 150 feet.
- Enhance fish and macroinvertebrate habitat while also improving sediment transport and overall stream health.
- Reestablishment of the thalweg (the line or curve of lowest elevation within a valley or watercourse) by creating/enhancing point bars.
- Addition of rock riffles installed and pools deepened to further restore and enhance the health of river
- Replace where invasive species were removed with plantings that help improve water quality and offer a better habitat for native plants, birds, salamanders, turtles, etc
- Introduction of permanent certified native grasses, native trees, legumes and /or forbs along with wildflowers and perennial plants that reduce sheet flow and provide habitats for native birds, butterflies, honeybees, and other native species.
- Construction of rain garden to complement area plantings to reduce runoff and provide habitat for native wildlife. A simple overlook for the public is at the site.

The park was closed for work from July through mid-November and is now open to the public. For more details about this project and more information on Groundwork, visit groundworkelizabeth.org.

ALL HAD FUN AT WEBBY'S FUN FEST

Over 40 people participated in Webby's Fun Fest on November 17 at St. Genevieve's Church. Hosted by Boy Scout Troop 23 and Cub Scout Pack 23, this event provided fun for children of all ages.

Webby, the Webfoot Duck, has been the mascot of Troop 23 since 1967. Activities at Webby's Fun Fest included cornhole, mini-golf, ring toss, Connect 4, Jenga, lawn dice, checkers, chess, Battleship, and dominoes. On the lawn outside the church hall, there was a campfire with marshmallow roasting. And the evening ended with participants enjoying an ice cream sundae!

The Scouting program instills character, good citizenship and physical fitness in youth through outdoor activities such as campouts and hikes, involvement in community activities, and just plain FUN! If you have a son or daughter,

nephew or niece, grandson or granddaughter, or neighbor who is anywhere between a Kindergartener and a high school senior, please suggest they consider getting in on the fun of Scouting.

Cub Scout Pack 23 and Boy Scout Troop 23 have been serving the youth of Elizabeth and the surrounding area for over 60 years. These units have earned hundreds of awards on the local and national level, have produced 80 Eagle Scouts, and have leaders who are well-known and widely respected by other Scout leaders across the country.

New members (regardless of religious affiliation) are welcome at any time, all year round. For more details, please contact Dan Bernier, Scoutmaster, at (908) 451-1948 or webfoottroop@gmail.com.

HEARTWARMING SUCCESS FOR SOCKTOBER DRIVE

Rotary Club of Union

The Interact Club at Union High School, under the direction of Dr. Ed Boffa, is a club of students dedicated to active service for the good of the school and community. The Socktober drive began in 2019 when the UHS Interact Club decided to hold a sock drive for a homeless shelter in Orange. That year, students collected 633 pairs of socks. In 2021, after Covid, they collected 1,099 pairs of socks.

In 2022, the Union Rotary Club heard about the Socktober drive. Since Interact is a branch of the Rotary Youth Programs, the Union Rotary Club joined their drive. The YMCA also joined in, and the total rose to 1,665 pairs which were

donated to the YMCA shelter in Elizabeth.

This year, the bar was raised even higher. Members of the community realized that socks are one of the most requested items for people who turn to shelters for assistance. A call went out to try to reach the goal of 2,023 pairs for 2023. That call was quickly answered. Members of the YMCA donated 305 pairs and employees at Hillmann Consulting brought in 274 more. The Interact students realized a total of 1,724 pairs. Elementary school students at Livingston School, as well as the UTEA, joined in the drive. Rotary members, family and friends joined in to heed the call and help others while a member of the Rotary, Dennis Laronga, donated an entire pallet

of socks which was 2,052!

The grand total for the 2023 Socktober drive was 4,885 pairs of socks donated! The results of this drive will help hundreds of people!

Jodi Pelano of the Wellness Center, Gateway Family YMCA, said, "People are overwhelmed with the generosity of all the donations, especially in light of the cold weather approaching." When the thousands of pairs of socks were dropped off at the YMCA Housing, Laura Margeotes, Director, said this holiday season more than 300 individuals, families, veterans, and others will be serviced. The socks should last through the next 5 months and help hundreds of people feel warm and dry through the winter months.

FOSTER YOUTH JOIN FOREVER FAMILIES AT ADOPTION DAY

CASA of Passaic and Union Counties

On a recent fall morning, five youth ranging from three to 10 years old entered the courtrooms of Superior Court Judges Gavin Handwerker, Paul Nieves and Chanel Hudson as foster youth and, shortly after, emerged as official members of their new families.

Adoption Day is eagerly anticipated by many at Union County's Family Court, as ample smiles fill the courthouse – a juxtaposition to the daily navigation of complex issues fraught with loss or discord. This year, county dignitaries presented

families with proclamations and certificates, and festivities included performances by 30 high school students from Elizabeth's Thomas Jefferson Arts Academy A Cappella Choir; a former foster youth sharing her personal journey and adoption story; a roaming balloon artist; sheriff's officers dressed as superheroes and a Batmobile outside for visiting; furry greetings from Kenilworth's David Brearley Middle High School mascot bear; personalized cupcakes; and ice cream, face painting, and friendship-bracelet making stations.

CASA of Passaic and Union Counties presented family fun-themed gift baskets made possible in part from donations by David Brearley Bears That Care program and the Union County Bar Association. Baskets were given to all those finalizing on Adoption Day, as well as several families who adopted earlier in the year.

Cynthia Evans of Scotch Plains was among the CASA volunteers to attend the ceremonies for their assigned children. "The day was a long time

coming for these sisters, and it was amazing," she said. "I've been their advocate since 2020. Between their adoptive families and all involved, embraces and cheers were aplenty. My time as their CASA volunteer was both rewarding and challenging. I'm thankful I could help ensure their needs were met and services were provided while in care."

Adoption Day is a national movement to raise awareness of children in foster care. Since its inception 23 years ago, nearly 60,000 children have found permanency. More than 437,000 youth in the United States are currently in the child welfare system awaiting a permanent home, and the average wait is four years. For more than 23,000 youth, that doesn't happen, and they age out of the system, facing life on their own.

For details on CASA of Passaic and Union Counties, becoming an advocate for foster children or other opportunities to support the organization's work, log on to www.casapassaicunion.org.

ATLANTIC FEDERAL GIVES RECOVERY GRANTS TO LOCAL NONPROFITS

The Atlantic Federal Credit Union (“The Atlantic”) distributed \$50,000 in grant funding to five local nonprofit organizations through the Federal Home Loan Bank of New York Small Business Recovery Grant Program (“SBRG”). The SBRG is designed to support the financial security and health of organizations that have faced economic challenges due to the rate environment, inflation, supply-chain constraints, and/or rising energy costs.

The SBRG began in 2017 in response to hurricanes in Puerto Rico and the U.S. Virgin Islands. The Program relaunched in 2020 and was made available again in 2021 to aid small businesses and nonprofit organizations facing

challenges due to the Coronavirus pandemic. By participating in the SBRG this year, The Atlantic was able to grant \$10,000 each to Bianca F.L.O.W.E.R.S. Inc. in Plainfield, Jewish Family Service of Central New Jersey, Mobile Meals of Westfield, St. Joseph Social Service Center in Elizabeth, and SHARE Alliance in Springfield.

“Thank you to the Federal Home Loan Bank of New York for their partnership and the opportunity to extend recovery grants within the communities we serve,” shared The Atlantic Federal Credit Union Chief Executive Officer Anthony Mero. “The SBRG funding will help our deserving recipients continue their selfless work throughout Essex and Union counties –

ensuring community members in need have access to food, clothing, social services and other crucial resources through the holiday season and beyond.”

ROTARY FOOD DRIVE DONATION

The Rotary Club of Union, following the motto of Service Above Self, holds monthly drives. During November, Club members held a food drive to benefit the Union Food Pantry. Rotary members collected food at their places of business or sent it to Hillmann Consulting, who also supports Rotary drives. A generous Rotarian donated \$500 so that 50 ShopRite gift cards could be purchased. So much food was donated that the bags filled a pick-up truck!

The Rotary Club of Union meets 2 Thursdays of the month at 12:15 p.m.. Rotary provides service to others, contributes to community, and world goodwill and charities, through fellowship of business, professional and community leaders. The motto is "Do good in the world. Service above self." We are residents or business owners in Union who are dedicated to helping our community as we continue to grow and thrive. Our activities include speakers who make us aware of needs in the town, state and world and

involvement in charities and services. For more information visit: portal.clubrunner.ca/6622
