Linden Public Schools

The Linden School District Department of Multilingual Learners, (MLs), partnered with the New Jersey Education Association (NJEA), School Number Four and the City of Linden Department of Parks and Recreation to host a successful Family Fun Night at School Number 4. Upwards of 400 students, teachers, parents, and grandparents, were in attendance.

There were lines of happy faces as they entered School Number Four ready to enjoy some pizza and participate in the many different activities and games planned for the evening. Families were greeted by School Number Four Principal, Dr. Suzanne Olivero, Multilingual Learners Director, Danie Orelie and ESL, Bilingual & World Language Supervisor, Tania Miguelez.

ESL Teachers, Stephanie Ross, Anna Pelez, Kevin Ross, World Language teacher, Lin Lin Hu, City of Linden Arts & Crafts Instructor, Valerie Graham and Recreation Leader, Branly Cadet, coordinated activities, games, food, snacks, and drinks for the evening.

The Department of Multilingual Learners is thankful to all of our parents, teachers, administrators, and custodians for working together. A special shout out to the Linden Department of Parks and Recreation for assisting with the games and the NJEA for sponsoring the food!

HOMETOWN HEROS HONORED

Linden Public Schools

Linden High School Navy Junior Reserve Officer Training Corps (NJROTC) students had the opportunity to celebrate the Veterans at the City of Linden’s Hometown Heroes Program held on Sunday, November 12th, 2023. The Linden High School NJROTC unit was established in 1986 and originally had approximately 90 cadets in the first years of its establishment. Currently, the Linden High School NJROTC has an impressive number of about 480 cadets enrolled in the program.

As you entered the large room of the JTG Recreation Center in Linden NJ, right by the entrance, first eyes were on, and everyone noticed a special table. This table was round, smaller than the others, reserved, and had a

candle burning, a simple plate with a slice of lemon and salt. This one lonely table was empty, it was reserved to honor our missing men and women, the empty chair represents Americans who were or are missing from each of the services. The slice of lemon reminds us of their bitter fate, and salt is a reminder of the tears that have been shed. The significance of this lonely, small table is called to attention, the NJROTC cadets stood at attention, and we were reminded of the strength of those who fight for our Nation. Cadet Gonzalez had command of the room, as she stood solemnly up on the podium, with a deep breath she effortlessly projected her voice, full of emotion, she captivated the audience as she read a poem thanking the Veterans.

Every year the residents of Linden have gathered to pay tribute to the brave women and men of our great city who have served in the armed forces during our Hometown Heroes event. This was the 10th year for the hugely successful program that displays banners with the names, images, and dates of service of active military and veterans on the city of Linden streets. Everyone in the community of Linden as well as the Linden Public Schools family agree that our Hometown Veteran Heroes are the backbone of Linden and through this honorable event, we are giving back to them for going above and beyond the call of duty and we are also supporting the future of Linden through our Linden High School NJROTC.

The Linden High School NJROTC cadets paid a special honor to all of the Veterans in our great city of Linden by presenting them with a plaque, banner, and a salute.

The cadets had an opportunity to speak to the Veterans who were being honored and had a hands-on learning experience about one of the most demanding and rewarding occupations in our nation. Superintendent of Linden Public Schools Atiya Perkins, the wife of a Navy

Veteran, acknowledges the sacrifices and all their contributions to protect our freedom. Under the leadership of Superintendent Perkins, she advocates for the support of the Veterans who work in the Linden Public School system. She understands the training of the military to have self-control over your own emotions and she recognizes the importance of interpersonal relationships as a key to success on the team of Linden Public Schools.

The cadets of the Linden High Schools NJROTC shared their own experiences on being a unit, taking on leadership roles, and attending staff meetings where they discuss what needs to be done for the week and plans for upcoming events. Many of the Veterans in attendance shared their own experiences of staff meetings, promotions, and the food that is served. One of the cadets said the food sounded like the cafeteria food. You can hear the laughter as the stories from the youth of Linden to the Veterans were relatable. The most important lesson that was captured is about the community and the family bonds you build here in Linden and Linden Public Schools.

Mayor Derek Armstead said, “It’s good to see our younger generation, the veterans, and their families that represent our city form a bond together, we know there is not anything free in the word freedom.” “Bringing the NJROTC and our Veteran family together is strengthening our Linden Community as a whole.”

“As an educator first, and the leader of the schools, with a Veteran in my family, teaching our students structure, discipline, and accountability is very important. Under my leadership, we will always recognize, understand, and honor those who fought for our country.” Stated Superintendent Atiya Perkins.

Thanksgiving is about practicing gratitude. We encourage our entire Linden Public School community to continue to be a service to others.

THE FEBRUARY SPEAKERS PROGRAM FOR THE SUMMIT AREA OLD GUARD

The Summit Area Old Guard was founded in 1930 and meets most Tuesdays at the New Providence Presbyterian Church located at 1307 Springfield Ave. Our motto is "Come for the Programs. Stay for the Friends."

February speakers include Scott Hough, Ed Oatman or Amy Wagner, Dr. Yaron Moshel, and Amy Behr-Shields. Please join us. Our programs are free to the public, and we welcome you!

Our speaker on **Tuesday, February 6th** will be Scott Hough, Superintendent of Schools, Summit, NJ. Scott will give us an overview of the school system and describe the impact covid had and how he dealt with it (he was appointed to his position in June 2020!). Scott will also discuss critical issues facing all school administrators, such as bullying, security and student safety. Roughly one half of Summit's annual budget goes to support the public schools, and the appeal of Summit as a great place to live is supported by its excellent schools.

Our speaker on **Tuesday, February 13th** will be either the manager or deputy manager of Union County, NJ. Union County has a diverse population equivalent in size to that of Wyoming and a budget of a half billion dollars. Most people are quite familiar with their own city or town, but usually know much less about their county. Ed Oatman, manager, or Amy Wagner, deputy manager, will hopefully change that for you. County operations include areas such as law enforcement/courts, parks & recreation, public works -roads and infrastructure, health care, economic development, and a lot more.

On **Tuesday, February 20th**, Dr. Yaron Moshel, co-director of the Gerald J. Glasser Brain Tumor Center at Atlantic Health System's Overlook Medical Center, will be our speaker. He is one of a select few surgeons who specialize in removing deep-seated brain tumors using technology that includes computer-guided navigation, awake intraoperative brain mapping, endoscopy, and

microsurgery. Dr. Moshel will explain how the convergence of precision medicine, advanced robotics, and specialized imaging are fostering new breakthroughs in the treatment of brain and spine tumors.

Finally, on **Tuesday, February 27th**, we ask the question, 'with so much information accessible online, is a public library still relevant'? Amy Behr-Shields, the Director of the Summit Free Library, will explain how the library is needed to curate reliable sources of information, and to manage the complexities of digital and non-digital media, while serving as a community center and a welcoming environment. You will also be surprised to learn how many varied programs and services the library offers.

Past speakers and much more can be viewed at SummitOldGuard.org but we encourage people to drop in on our meetings which take place at the church at 10:00 a.m. most Tuesdays. "Come for the Speakers. Stay for the Friends."

HILARIOUS WHODUNIT COMING TO CDC THEATRE IN CRANFORD

The Musical Comedy Murders of 1940, an Agatha-Christie-meets-Clue parody, is full of twists, turns, red herrings and slapstick for audiences of all ages! John Bishop's 1987 comedy is a send-up of all the cliches and stereotypes from both musical theater and murder mysteries thrown together and shaken up for laughs.

The creative team responsible for a recent Broadway flop assemble for a backer's audition of their new show at the Westchester estate of a wealthy and eccentric theatre financier. However, the shadow of the team's last show hangs over the group-- Manhattan Holiday was ravaged by the "Stage Door Slasher," a mysterious killer who stabbed chorus girls. As the composer, lyricist, actors and director prepare their performance, and a blizzard cuts off any possible retreat, bodies start to drop in plain sight. It doesn't take long for everyone to figure out that one of them is The Stage Door Slasher and accusing fingers point in all directions. The bumbling police inspector, who snowshoes in to investigate, is hoping to flush out the killer from this group of suspects--but the killer has other plans. More than that, the threat of Nazi saboteurs lurks among them!

Will the Slasher be unmasked? Maybe, but not before the audience has been treated to a rollicking good time full of the author's biting, satiric and irreverent wit.

Performances are at CDC Theatre, 78 Winans Ave. in Cranford with shows on Fridays and Saturdays, February 9-24 at 8pm and on Sunday, February 18 at 2pm. For the best ticket selection and price, visit cdctheatre.org.

IMAGINE VOLUNTEER FEBRUARY TRAINING

A recent participant in Imagine's last volunteer facilitator training shared this about her experience: "The training was truly amazing and inspiring. I am so honored to have had the opportunity to participate in it." Another shared: "The Imagine Staff are amazing. I so appreciate all the knowledge they shared and the encouragement they gave to me and the other participants."

Participants in Imagine's training programs often describe the experience as "life-changing". In addition to story sharing and the opportunity to support one another, training participants gain knowledge and skills regarding Alan Wolfelt's Companioning Model for grief support that's practiced at Imagine. Participants often walk away with a new understanding of themselves, and a new capacity for supporting the people in their lives. They bring this understanding to their role as facilitators in Imagine's peer support group program where children, youth, young adults and adults come together to share their grief experiences and receive and give support.

Imagine's volunteer facilitators come from all walks of life and no special background is required other than a willingness to listen, a heart inclined to serve, and the ability to be with children and adults in grief without trying to fix, solve or give advice. No prior experience is necessary. Volunteers must be 18 years or older. Bilingual (Spanish speaking) volunteers are needed as well. Volunteers serve as companions and loving listeners for those who are grieving and help create a space where participants can share tears and embrace the joys of life.

If you'd like to join us for Imagine's next facilitator training, it will be held Saturday, Feb. 17th through Monday, February 19th from 9 am-5 pm each day at Imagine's Newark Center at 570 Broad Street in Newark, and we ask that our new volunteers attend the entire training. Our new Newark center is located downtown in the Chase building with parking available directly behind the building. It's also close to public transportation. We're hoping those completing the training will be able to facilitate groups held every other week at our Newark center. We have

Imagine
a world where no
child grieves alone

so many children and families currently in need of support that we're planning to launch a new Night of Support in Newark. We're also looking for a few new facilitators for our Mountainside location.

If you're interested in making a difference in the lives of grieving families and would like to participate in this transformative training experience, please visit Imagine's website at imagineenj.org or scan the bar code below to let us know of your interest. Please reach out to Imagine's Program Supervisor, Abigail Preece, LPC at abigail@imagineenj.org with any questions.

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imagineenj.org.

DAR HELPS STIR UP A TEMPEST WITH A TEA BAG

Elizabeth Snyder-Continental Chapter DAR

At the 128th Anniversary luncheon of Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution (DAR) held in January, the chapter reported on their first U.S. Semiquincentennial observance.

(above) Outstanding Junior Ashley Salsano (r.) pictured with DAR President General Pamela Wright at the 2023 Spring State Conference.

Members celebrated the fact that some tea supplied by the chapter was used in the 250th anniversary re-enactment of the Boston Tea Party in December. The chapter contributed a limited edition King's Coronation Tea. "It seemed appropriate," said Chapter Treasurer Barbara Pollison-Beck who donated the tea.

During the luncheon, Ashley Salsano was honored as the chapter's Outstanding Junior member. Four new chapter members were officially welcomed and Beth Kavanaugh of Oldwick was sworn in. Women observing milestone membership anniversaries were also recognized: Carol DeFilippis, Warren, 55 years; Margaret Shilay, North Plainfield, 50 years; Catherine Strohmeier, Watchung, 40 years; Patricia Sullivan, Bridgewater, 10 years.

Monthly meetings will resume on March 12 with a program on Betty Bradbury Vail and planning for a spring service project to clean and help preserve historic headstones in the area. Also on the agenda is the NJDAR State Conference in April.

The DAR is a nonprofit service organization open to women descended from an individual who aided the cause of independence during the American Revolution. New members are welcome. Contact the chapter at ESCchapterDAR@gmail.com.
