AREA ELKS RECEIVE VETERANS WELCOME HOME KITS

(above) Area Elks and volunteers - Elks Care and Elks Share.

Recently, twenty-five area Elks and volunteers helped to restock the shelves at the NJ State Elks Veterans Annex in Stirling. The items that were received will be assembled into Welcome Home Kits and delivered free of charge to previously homeless Veterans who are moving into a new residence.

Welcome Home Kits include a bed, night stand, dresser, sofa, dining table and chairs, lamps, bedding, linens, appliances, cleaning supplies, a shower curtain, mats, pots and pans, flatware, glassware, and more. All items are brand new.

Enough items to assemble 20 Welcome Home Kits were purchased by the NJ Elks East Central District, with Lodges in Stirling, Summit, Springfield, Mountainside, Union, Cranford, and Rahway, at a cost of approximately \$10,000 which was provided through grants, donations, and fundraising

The NJ State Elks National Veterans Service Commission

has helped over 2,300 veterans since 2016 and makes 25–30 deliveries each month throughout the state. The NJ State Veterans Annex was recently featured in "Givers of Hope" view on YouTube: youtu.be/Qvndf 310Y4

Every night, as many as 40,000 veterans are sleeping on the streets. In partnership with the Department of Veterans Affairs, the Elks National Veterans Service Commission has pledged to help end veteran homelessness, and ensure that every veteran has the safe, stable home they deserve. In New Jersey, Elks volunteers provide direct service to over 1,000 veterans in multiple VA homes and connect with veterans and military members in their communities, providing them with services where they live.

Please email njelksnvsc@gmail.com to learn more about what NJ State Elks do to help veterans and visit Elks.org for more information about the Elks and how to join.

INTERNET CRIMES AGAINST CHILDREN TOPIC OF MEETING

Retired Policemen and Firemen's Association, Local 3

New Jersey State Police Detective Daniel Rafanan gave a 45-minute presentation on Internet Crimes Against Children, at the Retired Policemen and Firemen's Association, Local 3 meeting recently held at the Kenilworth VFW.

Detective Rafanan covered many of the issues with the Internet that lead to texting, bullying, depression, and suicide in our teens today. Detective Rafanan also covered sextortion which is an increasingly common online crime in which people are enticed into sending sexually explicit photos. Once the photos are sent, the receiver of the images threatens to share them online or with family or friends unless the victim sends money.

Detective Rafanan also explained what parents can do including, Establish rules and expectations for online behavior early on; Review your child's social media account periodically, look at comments and photos; Explain consequences for inappropriate online behavior; Review your child's friends accounts as well; and Talk about what their friends are posting.

The Internet Crimes Against Children Unit is responsible for conducting investigations of offenders that utilize computers and computer technology for the purpose of exploiting children. The unit conducts proactive and reactive investigations into endangerment of children.

This was a powerful and educational presentation that all parents and teenagers should see and hear. If anyone would like more information on this program, you can email Retired Chief Grady at rprflocal3@gmail.com for contact information.

YMCA FREE WELL-BEING INITIATIVE FOR CANCER SURVIVORS

The Gateway Family YMCA recently celebrated a heartwarming graduation ceremony for members of the LiveSTRONG® at the YMCA program, held at The Gateway Family YMCA — Wellness Center Branch. LIVESTRONG® at the YMCA is a research-based physical activity and well-being initiative that helps people affected by cancer reach their holistic health goals.

The LIVESTRONG® at the YMCA program is offered free to cancer survivors to provide support and assistance in a small community format. Registration is available for the next program session, held at The Gateway Family YMCA - Wellness Center Branch, 1000 Galloping Hill Rd, Union. The program will be held March 5th – May 23rd, on Tuesdays and Thursdays 1:00-2:00 p.m. Interested participants can contact Jodi Pelano at 908-349-9622 or livestrong@tgfymca.org to register or to express interest in a future program.

"LIVESTRONG® at the YMCA offers those who have been diagnosed with cancer the support they need to build both physical and emotional Melvnda strength," stated A. President/CEO, The Gateway Family YMCA. "With a mission centered on equity for all, we strive to be a leading voice on health and wellbeing for our community, providing resources and guidance so that all people, no matter what their circumstance, can achieve their goals and feel supported in spirit, mind and body." Through YMCA Financial Assistance supported by the Annual Campaign and grant funding, there is no fee for individuals to attend LiveSTRONG® at the YMCA.

"Research shows exercise is the simplest way for cancer survivors to reduce fatigue, improve their mood and bounce back from the debilitating effects of cancer treatment more quickly," said Dr. Ruth Rechis, LIVESTRONG® Foundation Vice President of Programs. "But there weren't

(above) The Gateway Family YMCA celebrated LIVESTRONG® AT THE YMCA Graduation

enough programs to help people affected by cancer reach their health and well-being goals, so LIVESTRONG® and the Y joined forces to create LIVESTRONG® at the YMCA. The Y is the perfect collaborator because of its national reach, commitment to meeting the needs of all community members and history of program innovation in support of health and wellness."

As part of LIVESTRONG® at the YMCA, the Y engages cancer survivors through an approach that focuses on the whole person. Participants work with specially trained staff to build muscle mass and strength, increase flexibility and endurance, and improve functional ability. In addition to physical benefits, the program also focuses on the emotional well-being of survivors by providing a supportive community environment where people affected by cancer can connect during treatment and beyond.

OLD GUARD FEBRUARY SPEAKERS

The Summit Area Old Guard was founded in works -roads and infrastructure, health care, 1930 and meets most Tuesdays at the New Providence Presbyterian Church located at 1307 Springfield Ave. Our motto is "Come for the Programs. Stay for the Friends."

February speakers include Scott Hough, Ed Oatman or Amy Wagner, Dr. Yaron Moshel, and Amy Behr-Shields. Please join us. Our programs are free to the public, and we welcome you!

Our speaker on **Tuesday**, **February 6th** will be Scott Hough, Superintendent of Schools, Summit, NJ. Scott will give us an overview of the school system and describe the impact covid had and how he dealt with it (he was appointed to his position in June 2020!). Scott will also discuss critical issues facing all school administrators, such as bullying, security and student safety. Roughly one half of Summit's annual budget goes to support the public schools, and the appeal of Summit as a great place to live is supported by its excellent schools.

Our speaker on Tuesday, February 13th will be either the manager or deputy manager of Union County, NJ. Union County has a diverse population equivalent in size to that of Wyoming and a budget of a half billion dollars. Most people are quite familiar with their own city or town, but usually know much less about their county. Ed Oatman, manager, or Amy Wagner, deputy manager, will hopefully change that for you. County operations include areas such as law enforcement/courts, parks & recreation, public

economic development, and a lot more.

On **Tuesday, February 20th**, Dr. Yaron Moshel, co-director of the Gerald J. Glasser Brain Tumor Center at Atlantic Health System's Overlook Medical Center, will be our speaker. He is one of a select few surgeons who specialize in removing deep-seated brain tumors using technology that includes computer-guided navigation, awake intraoperative brain mapping, endoscopy, and microsurgery. Dr. Moshel will explain how the convergence of precision medicine, advanced robotics, and specialized imaging are fostering new breakthroughs in the treatment of brain and spine tumors.

Finally, on **Tuesday, February 27th**, we ask the question, 'with so much information accessible online, is a public library still relevant'? Amy Behr-Shields, the Director of the Summit Free Library, will explain how the library is needed to curate reliable sources of information, and to manage the complexities of digital and nondigital media, while serving as a community center and a welcoming environment. You will also be surprised to learn how many varied programs and services the library offers.

Past speakers and much more can be viewed at SummitOldGuard.org but we encourage people to drop in on our meetings which take place at the church at 10:00 a.m. most Tuesdays. 'Come for the Speakers. Stay for the Friends."

We look forward to meeting you.

HILARIOUS WHODUNIT COMING TO CDC THEATRE IN CRANFORD

The Musical Comedy Murders of 1940, an Agatha-Christie-meets-Clue parody, is full of twists, turns, red herrings and slapstick for audiences of all ages! John Bishop's 1987 comedy is a send-up of all the cliches and stereotypes from both musical theater and murder mysteries thrown together and shaken up for laughs.

The creative team responsible for a recent Broadway flop assemble for a backer's audition of their new show at the Westchester estate of a wealthy and eccentric theatre financier. However, the shadow of the team's last show hangs over the group-- Manhattan Holiday was ravaged by the "Stage Door Slasher," a mysterious killer who stabbed chorus girls. As the composer, lyricist, actors and director prepare their performance, and a blizzard cuts off any possible retreat, bodies start to drop in plain sight. It doesn't take long for everyone to figure out that one of them is The Stage Door Slasher and accusing fingers point in all directions. The bumbling police inspector, who snowshoes in to investigate, is hoping to flush out the killer from this group of suspects--but the killer has other plans. More than that, the threat of Nazi saboteurs lurks among them!

Will the Slasher be unmasked? Maybe, but not before the audience has been treated to a rollicking good time full of the author's biting, satiric and irreverent wit.

Performances are at CDC Theatre, 78 Winans Ave. in Cranford with shows on Fridays and Saturdays, February 9-24 at 8pm and on Sunday, February 18 at 2pm. For the best ticket selection and price, visit cdctheatre.org.

IMAGINE VOLUNTEER FEBRUARY TRAINING

A recent participant in Imagine's last volunteer facilitator training shared this about her experience: "The training was truly amazing and inspiring. I am so honored to have had the opportunity to participate in it." Another shared: "The Imagine Staff are amazing. I so appreciate all the knowledge they shared and the encouragement they gave to me and the other participants."

Participants in Imagine's training programs often describe the experience as "life-changing". In addition to story sharing and the opportunity to support one another, training participants gain knowledge and skills regarding Alan Wolfelt's Companioning Model for grief support that's practiced at Imagine. Participants often walk away with a new understanding of themselves, and a new capacity for supporting the people in their lives. They bring this understanding to their role as facilitators in Imagine's peer support group program where children, youth, young adults and adults come together to share their grief experiences and receive and give support.

Imagine's volunteer facilitators come from all walks of life and no special background is required other than a willingness to listen, a heart inclined to serve, and the ability to be with children and adults in grief without trying to fix, solve or give advice. No prior experience is necessary. Volunteers must be 18 years or older. Bilingual (Spanish speaking) volunteers are needed as well. Volunteers serve as companions and loving listeners for those who are grieving and help create a space where participants can share tears and embrace the joys of life.

If you'd like to join us for Imagine's next facilitator training, it will be held Saturday, Feb. 17th through Monday, February 19th from 9 am-5 pm each day at Imagine's Newark Center at 570 Broad Street in Newark, and we ask that our new volunteers attend the entire training. Our new Newark center is located downtown in the Chase building with parking available directly behind the building. It's also close to public transportation. We're hoping those completing the training will be able to facilitate groups held every other week at our Newark center. We have

imagine
a world where no
child grieves alone

so many children and families currently in need of support that we're planning to launch a new Night of Support in Newark. We're also looking for a few new facilitators for our Mountainside location.

If you're interested in making a difference in the lives of grieving families and would like to participate in this transformative training experience, please visit Imagine's website at imaginenj.org or scan the bar code below to let us know of your interest. Please reach out to Imagine's Program Supervisor, Abigail Priece, LPC at abigail@imaginenj.org with any questions.

Imagine is a 501c3 nonprofit that offers free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. Imagine also offers grief and loss education and training to the community. For more information please contact Imagine at 908-264-3100 or info@imaginenj.org.
