HAPPY 200-YEAR-OLD DOUBLE BIRTHDAY!

Submitted by Dr. D. Michael Hart

On Sunday, February 18, 2024, Marilyn Hart (98) and brother-in-law Joe Schott (102) celebrated their joint birthdays, totaling 200 years. Marilyn had married David Hart who had the same birthday as his sister Nancy Hart, who married Joe. The two couples only had two birthdays between the four of them, so they always celebrated together. David and Nancy have since passed away.

Forty-eight friends and family held a joint birthday celebration on Sunday, Feb 18, 2024 at Lantern Hill Retirement Community in New Providence, NJ.

Dr. Marilyn McGuire Hart was valedictorian of her high school class of 1944. After high school Marilyn worked for the phone company "Ma Bell" as a service representative. She eventually married David who was a teacher in Westfield, and they settled in Mountainside. After having 3 children, Marilyn started her college education. She finished her Ph.D. in Education 20 years later. Imagine 20 years of night school! During those two decades, Marilyn was working, raising children, going to night school and volunteering in the community. She became a Full Professor, teaching Educational Psychology at Kean University, and was made Professor Emeritus upon her retirement. Her volunteer activities included serving as the Chair of the March of Dimes, Cub Scout Den Mother, Girls Softball League, Girl Scouts, and Mountainside Music Association. She was elected to the Regional High School Board of Education and served for 6 years, then subsequently ran for Mountainside Town Council and served for an additional six years. She was the first woman elected to the Council in 150

years, and eventually became the Council President. She advocated for women's rights including "equal pay for equal work" in the Township. Marilyn was married to David for 65 years. In addition to her 3 children, she has 7 grandchildren and 6 great grandchildren.

Joe Schott was stationed overseas (Londonderry) in World War II, attended the same church for over 60 years, raised five children and was married to his wife Nancy for 66 years. He is very optimistic, has a good sense of humor, and is always looking at the bright side of life.

Joe served in the Navy during WWII, outfitting ships with radar in preparation for the D-Day Normandy Invasions. Joe is active in the VFW and served as Grand Marshall of the 2019 Fanwood Memorial Day Parade. His career after the Navy was in research at Bell Labs in Berkeley Heights, NJ, where he worked for time with a Nobel Prize laureate and met three others. During his lifetime Joe has done a lot of volunteer work, including 12 years of weekly visits with young boys at Children's Specialized Hospital, the Fanwood Recycling Center, several historical restorations in Fanwood, and as an Assistant Scoutmaster for the Fanwood Boy Scout Troop. One day, driving down the shore, Joe saw a young boy drowning. He stopped the car, swam out and saved the boy's life, and received accolades from the Township of Red Bank. After departing the Labs in 1984, Joe joined a group of retired men, which volunteers to help maintain the Boy Scout camps. The Boy Scouts of America have given him many awards including Trailblazer, Silver Beaver, and Camping Hall of Fame.

On Thursday, March 7, 2024, Wharton Arts will honor award-winning jazz bassist, educator, and composer Rufus Reid with its Lifetime Achievement Award at its Annual Gala. An active presence in the jazz world since the 1970s, Reid has recorded over 500 albums and can be heard on recordings with Dexter Gordon, Andrew Hill, The Thad Jones/Mel Lewis Quartet, Kenny Barron, Stan Getz, J.J. Johnson, Lee Konitz, and Jack DeJohnette, among others. His reputation as an educator is equal to that of his musical achievements. Reid’s book, *The Evolving Bassist* (Myriad Limited, 1974), remains the industry standard for double bass methodology. Reid and Dr. Martin Krivin created the Jazz Studies and Performance Bachelor of Music Program at William Paterson University, a program offering the first professional academically accredited Bachelor of Music in Jazz Studies in the tri-state area.

The prestigious Wharton Arts Lifetime Achievement Award distinguishes individuals who, during their lifetime, have made creative contributions of outstanding artistic significance to the performing arts and represent a beacon of inspiration to Wharton Arts' students. Previous Wharton Arts Lifetime Achievement honorees were Jamie Bernstein, John Debney, Paul Shaffer, and Angel Blue.

Wharton Arts’ Annual Gala will feature student performances and a live auction at the Westmount Country Club, 728 Rifle Camp Road in Woodland Park, NJ. To attend the gala and support Wharton Arts, including its silent

auction, please visit WhartonArtsGala.org.

Wharton Arts’ mission is to offer accessible, high quality performing arts education that sparks personal growth and builds inclusive communities.

Wharton Arts’ vision is for a transformative performing arts education in an inclusive community to be accessible for everyone.

Wharton Arts is located in Berkeley Heights, New Providence, and Paterson, NJ and reaches students from 12 counties. All of Wharton Arts’ extraordinary teaching artists, faculty members, and conductors hold degrees in their teaching specialty and have been vetted and trained to enable our students to achieve their personal best.

GLHS PERCUSSION ENSEMBLE PERFORMS AT KEAN UNIVERSITY COLLABORATIVE CONCERT

Berkeley Heights Public Schools
Students from the GLHS Percussion Ensemble recently performed at a collaborative concert at Kean University recently. A video of the DHH (Deaf and Hard of Hearing) Percussion Workshop Ensemble was also shown to highlight the class.

The concert was a collaboration of students from Union County Public Schools, Kean University alumni/current students and faculty, as well as the Community Access Unlimited's

Academy of Continuing Education. CAU provides support and gives a voice to adults and youth who traditionally have little support and no voice in society.

The event was a culmination of their musical experiences up until the event. It was a special evening for everyone involved and everyone in attendance. Congratulations to BHPS Staff Members Josef Ellis, Joseph Laurino, Scott Jonach (Student Teacher) and all of the student performers for being a part of this special event.

RENNA MEDIA LAUNCHES YOUTUBE PODCAST

Joe Renna

Renna Media has posted its first episode of “Mind Your Own Local Business,” a podcast that gives advice on how to run a successful local business.

This is my 40th year in business and I draw from my experience and expertise to give advice. I have received so much help in my career from mentors and seasoned business owners, and this is a way to pay it forward.

I already offer free one-on-one consultation on putting together business plans and marketing plans. The show would be a way to reach many more people.

I started in business in 1984 as a graphic designer and grew into a full-service marketing and advertising company. Now, along with my wife Tina, we publish twenty-four community newspapers mailing out 160,000 to homes and businesses monthly.

Like the newspapers, the show will serve as a venue to support local community service organizations and events and production costs will be covered by advertisers. There are several marketing and advertising opportunities for businesses to be included with the freedom to be unique and creative.

I am looking forward to having a lot of fun doing the show. It is another application of my Do-What-You-Love mentality. The show is a free-form magazine format production that is flexible. I welcome business owners to join in the fun.

To learn more call me, 908-447-1295, or email joerenna@rennamedia.com.
