MIDDLE SCHOOL STUDENTS WIN ETHICS BOWL CHAMPIONSHIP

Submitted by Brian Harrington

Green Brook Middle School Ethics Bowl Teams made their mark at the 6th Annual NJ-NY Middle School Ethics Bowl, achieving a resounding victory in only their second year of participation! Facing off against nine other talented schools, both GBMS teams demonstrated their ethical reasoning and critical thinking skills throughout the competition. Green Brook Middle School was the only public school participating in the bowl.

GBMS Team One laid a strong foundation for success with Captain Aarna Kuashaak, Justin Yin, Priya Lele, Shutong Zhai, and Kavin Karthik. GBMS Team Two followed suit, showcasing their dedication and expertise with Captain Charlie Ford, Sonia Nikhil, Raima Jain, and Annika Jivrajani.

The team was coached by Ethics Teacher Brian Harrington and Co-Coached by 5th Grade Teacher Jessica Sura.

The journey began in late November, with the teams diligently examining the competition's six ethical cases. The students honed their critical analysis and communication skills by breaking down each case and discussing its values, stakeholders, and optimal solutions for the match question. The dedicated teams met twice a week after school for months, followed by weekly practice matches in the final stretch leading up to the competition.

Both teams dominated on Saturday, February 24th, winning all three matches and overcoming challenges against the private schools. GBMS Team Two ultimately reached the final round against the hosting Kent Place Institute. Their hard work and unwavering dedication paid off as

they clinched the first-place trophy, a testament to their passion for ethical debate.

This incredible achievement reflects the unwavering commitment of both teams. The countless hours spent researching, crafting arguments, and refining their skills culminated in

this rewarding victory. We are incredibly proud of the GBMS Ethics Bowl Teams and their outstanding accomplishment. They have set a high bar for future teams and are certain to continue achieving great things in the years to come!

GREEN BROOK ROCKERS VS HARLEM WIZARDS

Submitted by Chris Billman

For the third straight year, the Green Brook PTO held the Faculty vs. Harlem Wizards basketball game. The staff team was coached by Christopher Billman and the team was composed of teachers from IEF, GBMS, and also included many Green Brook community members. The game was held on February 23, 2024, at the Green Brook Middle School Gym.

The Harlem Wizards are a prime time show basketball organization delivering wildly successful fundraiser events for schools. The first year the faculty were called the Green Brook Bengals, last year they were the Green Brook Bricklayers and now this year the faculty were the Green Brook Rockers! Paying tribute to Green Brook's Washington Rock and the fun music genre. The Green Brook PTO has raised thousands of dollars by having this fun event year after year. In the end, everyone wins because the PTO has generously used the proceeds for the benefit of the schools.

What makes a Wizards show “awe-inspiring” or as the kids and teens say, “Off the hizzle?” Some say it’s the oohs and aahs created by the thunderous, sky-high slams. For others it’s the humor and seeing the teachers, parents and community members being good sports and having fun on the court with the Wizards. The comedy, the audience participation, the spontaneity delivered as a world class show, in an intimate and community setting adds up to a night to be experienced and treasured. Also, the students love to see their teachers outside the classroom.

This year was no different than the last two events. Despite a valiant effort by the Green Brook community, victory still went to the Wizards. But it is not just a game. It’s a fun, action-packed evening that mixes sport and comedy. Everyone who attended the event were the real winners. We hope everyone will Rock on and get their tickets early next year before the event sells out!

40TH ANNUAL QUILT SHOW – APRIL 20TH

Harvest Quilters of Central NJ will present their 40th annual quilt show on Saturday, April 20, 2024. The 40th Sharing the Quilts will be held at the Willow Grove Presbyterian Church, 1961 Raritan Road, Scotch Plains, NJ from 9 a.m. to 5 p.m. Admission is \$8 for adults, and \$3 for children under twelve.

At 10:30 a.m., fiber artist Karen Hochman of Plainfield will show her creations and speak on “Everything Old is New Again, What Inspires You?” The award-winning hand-quilter is a former antique dealer and collector of vintage textiles. A Harvest Quilter since 1990, her quilts are influenced by and connected to women artists and makers of the past and present.

Kathy Anderson Lee of Plainfield will be recognized as 2024’s Featured Quilter with a special display of 17 colorful modern bed sized quilts. The chemical engineer and active STEM education volunteer began quilting in the 1980’s while living in North Carolina. After a hiatus from the craft to raise 2 children and work in oil research, she rediscovered her talent in 2018.

“It was a revelation returning to quilting given all the advancements in technology, dyes, digital printing along with the new availability of international fabrics,” Lee said.

Baby quilts made by members will be displayed and later donated to a local women’s shelter. Several additional local charities will benefit from the sale of fabric and drawings for a queen-sized quilt and sewing themed gift baskets.

In addition to viewing a full array of modern, traditional, art and wall-hanging quilts, attendees can participate in viewer’s choice awards, kid’s crafting table and vendor sales area.

A tearoom offering lunch, snacks, homemade baked goods, and beverages will benefit Willow Grove Church’s youth activities.

For additional information, please contact harvestquilters.com or with questions email: harvestquiltersnj@gmail.com.

CLASS OF 2024 PROJECT GRADUATION

WHAT IS PROJECT GRADUATION?

Project Graduation is a tradition at many high schools to keep graduates safe and substance-free on graduation night. For WHRHS, the event will be six hours long, filled with all kinds of indoor activities, entertainment and -- of course -- lots of food and drinks! All students are required to ride the bus to and from the event, which will be held on graduation night June 13, 2024. Location TBD.

WHO RUNS PROJECT GRADUATION?

Project Graduation is an independent parent organization with their own budget, fundraising events and planning committee. Senior parent volunteers work hard to host various exciting events that lead up to the end-of-year graduation night event.

WHO ATTENDS PROJECT GRADUATION NIGHT?

WHRHS has approximately 500 seniors who will be graduating on June 13, 2024. The event is open at no cost to the entire WHRHS graduating class, and we hope for 100% participation.

WHO PAYS FOR THE EVENTS?

Project Graduation is funded completely through donations.

The ability to provide all the events throughout the year is only possible through generous donations from our families & community. This includes the parents, local businesses and community organizations. As we are a regional high school, we are reaching out to the member towns, seeking donations to help offset the costs of this celebration. In the past, we have received pledges as well as goods and services, from many different community members. If you have a business or skill you can offer or know someone willing to help, please let us know!

"We had the pleasure of working with Roseann for the second time, and once again, she exceeded our expectations. From start to finish, she was incredibly patient, understanding, and consultative, taking the time to understand our unique needs and preferences. Roseann never pressured us to make a decision, but instead provided us with valuable insights and guidance to help us find a home that perfectly fit our family's culture and lifestyle. Her knowledge of the local market and expertise in the industry were invaluable, and we always felt like we were in good hands.
