A PHONE CALL CAN SAVE A VETERAN'S LIFE

Michael D. Boll, President, NJVN

Every year we honor the fallen, who have sacrificed their lives so we can live in the best country in the world. Please reflect on the service our heroes perform to keep us safe and protect our way of life. This Memorial Day we are asking people to call and check on our active duty soldiers and veterans that have served. Every day we lose twenty-two veterans to suicide and 40 percent of veterans that return from combat are diagnosed with PTSD. Unfortunately, this number has not changed much, and we feel that recreational therapy and peer support can really make a difference for our veterans living in crisis. The New Jersey Veterans Network (NJVN) is fully committed to combat this epidemic by aggressively seeking out veterans in need. Our goal is to contact the veteran before they fall into a deep state of depression and provide them lifesaving and lifechanging resources.

Over the last few years, the NJVN has been able to provide thousands of meals to our veterans and active duty soldiers. Thousands of veterans were given new suits and clothing from our storage area, over thirty newly refurbished

automobiles were gifted to disabled veterans, and the most important thing the NJVN does is save lives through our peer support /mentorship program.

The NJVN works from the heart and is therefore able to work with all the other amazing veteran charities that share the same common goal, putting veterans first. Our donations go directly to the veteran's programs, which allows us to assist veterans and their families throughout the entire state and host numerous recreational therapy activities as well. This year we are starting up a few veterans' retreats and will focus on increasing events at our state veteran hospitals and shelters.

We are always looking for volunteers that can both assist with upcoming events and help mentor veterans so they can live better productive lives. Volunteers are the most important NJVN resource, and we would love to have more people help us save lives. If you need assistance or are interested in joining the team, please send us your name, email, and phone number to NJVN1775@gmail.com or call 973-332-1556. Check out our website NJVN.org for our services and accomplishments.

REGISTER FOR RELAY FOR LIFE OF RAHWAY

More than just a walk, the American Cancer Society Relay For Life brings together passionate supporters who embody the American Cancer Society's vision to end cancer as we know it, for everyone. This volunteer-led experience unites communities to celebrate cancer survivors, remember loved ones lost to cancer, and raise funds to improve the lives of people with cancer and their families through advocacy, research, and patient support, to ensure everyone has an opportunity to prevent, detect, treat, and survive cancer.

Please join us for our biggest event of the year, and bring the whole family, on Saturday, June 8th at the Rahway River Park Stadium, Rahway, NJ, from 2:00 to 10:00 p.m. (check in begins at 1:30). During the course of the day, we will celebrate cancer survivors and caregivers; there will be an array of children's activities; healthcare, fitness, and wellness personnel with educational materials; music, entertainment, fun, and food trucks! At sunset, there is a very moving, candlelight luminaria ceremony to honor and remember loved ones who have lost their fight against cancer.

Visit relayforlife.org/rahwajnj to register today and join your community in the fight against cancer. If you cannot attend this event, please go to our website to find information regarding cancer prevention, support and services

for patients and families, ways to get involved, future events, or to make a tax-deductible donation.

Relayers celebrate the wins we have accomplished, own the impact our dollars are making, and champion the future for everyone. Sadly, in 2024, it is predicted that there will be over 2 million new cancer cases diagnosed, and over 600,000 cancer deaths in the US. Cancer deaths have declined dramatically in the last 30 years due to early detection, a decrease in smoking, and much improved treatment options. These are just some of the things the contributions of relayers have funded. Together we have made a huge impact!

Cancer has touched us all. This is our chance to fight back! Every cancer, every life.

ALJ HIGH SCHOOL'S UNSUNG HEROES

Clark Public Schools

Arthur L. Johnson High School students Danielle Archer and Cassandra Gloster were recently recognized by Union County School Boards Association as Arthur L. Johnson's 2024 Unsung Heroes, at a ceremony at Kean University on March 5th.

The ceremony honors students who "make your district a better place simply because they are part of it." According to the New Jersey School Boards Association, these students have made "outstanding contributions to their schools and communities."

"Unsung heroes can be people who make

their school a better place because of their warm personality, their empathy and concern for others." They have impacted their school, district and larger communities through their leadership and desire to help others. The district is immensely proud of the achievements of these students.

SPRING CERAMICS

Clark Public Schools

On April 11th, the Clark Public School District's Parent University Program hosted Spring Ceramics Night. Parents and students district-wide created a turtle with ceramics teacher Barbera Aliseo. Earlier in the year, a winter ceramics night was held in addition to other programs including "Remembering T.J.," which addressed mental health, and motivational speaker Gian Paul Gonzalez who spoke to parents and students about being "All In". The program also held a Tea with the Superintendent on the topic of "Transitioning to Kindergarten."

READ ACROSS AMERICA DAY

Clark Public Schools

Frank K. Hehly Elementary School celebrated Read Across America with several guest readers including Board of Education members, administrators, and community members. Special guests selected a favorite book to read to a designated grade level. Members of the Carl H. Kumpf National Junior Honor Society also visited classrooms and read to the students.

Principal Shirley Bergin stated, "We are so grateful to have such involved community to promote reading. The students enjoy having Board of Ed members, district administrators and supervisors, the Clark Public librarian, and the Clark police DARE officers reading their favorite books."

According to the National Education

Association, "Read Across America is an annual reading motivation and awareness program that calls for every child in every community to celebrate reading on March 2, the birthday of beloved children's author Dr. Seuss."

VALEDICTORIAN AND SALUTATORIAN ANNOUNCED

Clark Public Schools

Arthur L. Johnson High School is proud to announce the Class of 2024 Valedictorian Grace Wright and Salutatorian Taylor Normann.

Grace has excelled in a challenging curriculum of honors, AP and Dual enrollment courses at Arthur L. Johnson High School, including being the lone student to take Calculus 3, a class typically reserved for the second year of college. Mr. Michael Charatan, her teacher, commented, "Grace is extremely bright and easily grasps difficult concepts." She had the distinction of receiving the Dwight. D. Eisenhower Leadership Award from West Point

and the Rensselaer Medal for her excellence in math and science. Throughout the years, Grace's talents flourished in all of her activities, notably serving as a peer leader, treasurer for the S.M.A.C (Student Movement Against Cancer), varsity tennis and softball player, member of five national honor societies, Key Club volunteer in both her school and community, and reigning as homecoming queen. Seeking a new adventure this year, she had her first audition for a high school musical and landed the starring role of Regina in "Mean Girls." She will be attending the University of Virginia and pursuing a major in biochemistry.

Taylor has taken on the most rigorous course load that Arthur L. Johnson High School offers. She has excelled in 10+ Advanced Placement

courses, including our AP Capstone Program, which is a two-year endeavor through the art of conducting research. Outside of the classroom, Taylor has been a dedicated member of our Theatre Program; from coordinating musical numbers to small roles to starring in this year's rendition of "Mean Girls," Taylor is just as artistically talented as she is academically. She plans on studying Pharmaceutical Sciences and/or Chemistry at Duquesne University in the fall.

Superintendent Edward Grande stated, "Grace and Taylor displayed standout academic performance. We are looking forward to celebrating their accomplishments with them and their families in the coming weeks and ultimately at graduation this June."

CLARK COMMUNITY MEMBERS HELP IMAGINE

Imagine, A Center for Coping with Loss offers free peer support groups for children, youth, young adults and their parents and guardians who are grieving the loss of someone close to them. Each time the groups meet for a Night of Support, an activity is planned that the group members may participate in. Some activities may help group members connect with one another as they share their stories, some can provide opportunities to remember and honor their memories, while others may encourage them to consider coping skills and strategies that can be helpful. Often, supplies are needed for the group activities.

Recently, Kathy Terzo, a Deacon at the Osceola Presbyterian Church in Clark coordinated with Imagine's Mountainside Program and Partnership Manager, Kristin Imbimbo to collect items needed for the activities planned for Imagine's groups. Kathy also collected other items for Imagine's support group rooms in Mountainside and Newark.

Donations came from many community members and friends and family of the church and included board games, doll houses, stuffed animals and mats for our "Volcano Room" in Newark, along with the items for activities. (Imagine's Volcano Rooms are spaces where

participants can have a safe physical outlet for feelings that are sometimes hard to express verbally.)

In addition to the church community, local high school student, Charlie Nemeth did a service project that resulted in the collection of a large box of assorted art supplies for Imagine.

When asked about the overwhelming success of the collection, Kathy shared: "It does indeed take a village, and we have one of the best villages in the town of Clark."

Imagine staff appreciate the donations so much, and Kristin shared: "We are so grateful for this amazing community and all the coordination and thoughtfulness that went into this donation. We feel so honored and grateful that we were chosen to receive this and that so many people are supporting the families of Imagine."

Imagine is a 501c3 that offers grief and loss education and training to the community and free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. For more information please contact Imagine at 908-264-3100 or info@imagineenj.org or visit our website at imagineenj.org.

ADMINISTRATIVE ASST OF THE YEAR

Clark Public Schools

Geraldine Bonaccorso has been chosen by the Executive Board of the DAANJ and Chairman of the Committee, Joe Piro, as the Administrative Assistant of the Year for Central Jersey. This is a well-deserved honor that speaks of Geraldine’s ability, personality and dedication to the Clark School District and athletic community.

Gus Kalikas, Athletic Director of Arthur L. Johnson High School, had the following to say about Geraldine “Behind any high functioning Athletic Department stands an effective Administrative Assistant willing to do the hard work that is needed for all of our student-athletes. Geraldine works tireless hours for our student-athletes, and our Athletic Department and student-athletes are lucky to have such a dedicated employee working for them behind the scenes.”

Geraldine was honored at the DAANJ Annual Awards Banquet on March 14, 2024.

CLARK ELEMENTARY SCHOOLS’ SCIENCE FAIR

Clark Public Schools

Valley Road and Hehnlly Schools participated in the Elementary Science Fair held in the Arthur L. Johnson High School cafeteria. At this event, students displayed their science fair projects which ranged from determining which foods/drinks are healthiest to vegetables powering lights to assessing the bacteria growth on common surfaces.

For each project, students had to create a question to guide their experiment as well as generate a hypothesis, collect data and draw conclusions based on their results. The event was well attended by students, parents, teachers, board members, and elementary administrators.

According to Assistant Principal of the Elementary Schools Mallory Applebaum, “Each

year we are blown away by the creativity and hard work of our students. All of the participants were passionate about their topics and were knowledgeable when it came to presenting their finds at the fair. Congratulations to all of our participants! ”

WE’RE SCOUTING FOR UNIFORMS

Do you have a Cub Scout or Boy Scout uniform hanging in your closet that is not used anymore? Please consider donating it to the uniform exchange maintained by Cub Scout Pack 23 and Boy Scout Troop 23 at St. Genevieve’s Church, Elizabeth.

Like everything else, the cost of Scout uniform parts has risen greatly in recent years. Through its uniform exchange, the Scouting program at St. Gen’s helps to ease that burden for its member families. Scouts are often able to find a shirt, pants, belt, hat, neckerchief or

neckerchief slide that has been donated by a former member, or by a current member who has outgrown the uniform.

Donations can be brought to the church hall almost any Wednesday evening from 7:00 to 8:30 p.m., or they can be placed at any time in the American flag retirement box next to Webby’s Woodshed, behind the church Rectory, at 822 Livingston Road, Elizabeth.

For more details, please contact Dan Bernier, Scoutmaster, at (908) 451-1948 or webfootroop@gmail.com.

UNICO CELEBRATES ST. JOSEPH'S DAY

On March 19, each year Catholics celebrate the Solemnity of St. Joseph, protector of the family and patron of the universal Church and of workers. The importance of this day in Catholic tradition extends throughout the world, but one related custom in particular originated on the island of Sicily: St. Joseph's Table.

Clark Unico celebrated St. Joseph's Day with an annual dinner at café Gallo complete with St. Joseph's alter, delicious food and of course St. Joseph's zeppole. Over 50 Clark Unicans attended the event along with National President Anthony Bencivenga, past National President Anne Walko, Westfield President Bob Tart, Secretary Gerri Samuael.

PASSAIC COUNTY CASA EXPANDS TO UNION

Submitted by Gretchen Boger-O'Bryan

Passaic County Court Appointed Special Advocates (CASA), a leading child advocacy organization focused on protecting the best interests of abused and neglected youth, has announced the expansion of its service footprint to include Union County. With this expansion, critical volunteer advocacy for child victims removed from home and living under the jurisdiction of the family court will be made available to even more of New Jersey's most vulnerable children. This expansion allows for greater community impact, efficiency in operations, and greater long-term sustainability.

CASA recruits, screens, trains, and supervises community volunteers to advocate for local abused, neglected, and abandoned youth from birth to age 21 involved in the child welfare system through no fault of their own.

Executive Director Erica Fischer-Kaslander, who continues to lead the expanded advocacy organization, said, "There's no doubt this expansion will reap even greater rewards for Union County's vulnerable youth. The synergy created from two experienced programs allows far greater community impact and enhances its agility to withstand today's shifting landscape as a strengthened, multi-county program." Acknowledging the nearly two-decade impact of the previous Union County CASA organization, Fischer-Kaslander adds, "The dedicated advocates in Union County remain focused on fulfilling CASA's mission: quality advocacy, continuity of presence, and increased access to services for local vulnerable youth-victims. As a combined force, we will build on that good work. I remain grateful to all professionals involved in these cases for their support – judges, attorneys, caseworkers, and more – and look forward to the collaboration required for us all to do our best for the children depending on us."

Gretchen Boger-O'Bryan, Content Director for CASA of Passaic and Union Counties, added, "In my 11 years working with CASA in Union County, I have seen the organization pivot to

meet unforeseen needs, adapt to changing trends, and persevere through recent challenges faced by all nonprofits, including a global health pandemic. Indeed, passion for and commitment to every child drives us, and this new chapter is simply an opportunity to enjoy greater efficiency, resource allocation, and space for innovation. Ultimately, the expansion of Passaic County CASA to include Union County breeds a strengthened organization that bolsters CASA's impact throughout the county. For our local youth, that's what matters."

Considered extra "eyes and ears" for judges hearing abuse and neglect cases, CASA volunteers are assigned to a youth or sibling set by court order, granting access to all parties in the youth's life. Advocates use unbiased observations to make fact-based recommendations to judges deciding the future of each youth. Often, CASA volunteers are the only long-term, caring, and informed adult in the corner of a youth awaiting a safe, stable, and permanent placement.

Volunteer advocates need no prior experience in child welfare. All prospective volunteers complete a 36-hour training course, extensive application, and screening process in addition to background checks. Volunteers with the newly expanded CASA of Passaic and Union Counties program are supported by a 26-person professional staff with extensive experience in child welfare. For details on becoming an advocate or other ways to get involved, visit casapassaicunion.org.
