CENTRAL SCHOOL STUDENT LEADERS FUNDRAISER

Warren Township Public Schools

Warren Township's Central School Student Leaders, a group of 4th and 5th-grade students, recently facilitated their first fundraising event for the local organization Moms Helping Moms. According to their website, Moms Helping Moms supports mothers in the area by providing diapers, menstrual products, and various other baby supplies. "Moms Helping Moms Foundation started out as a simple idea by a group of new mothers who shared the common ideal that no baby should ever have to go without life's necessities. Our plan started simply: we would collect donations of essential baby items from families who no longer needed them and pass them on to families who did. Over the years, this simple idea has turned into a large network of passionate, caring, like-minded people who work together to help hundreds of babies and young children each year." - Moms Helping Moms Founder Bridget Cutler.

To keep the donation momentum going, the Student Leaders created some friendly competition between the grade levels, which was recorded on the main bulletin board. The Central School Parent Teacher Organization (PTO) also recorded the competition results on different social media platforms to encourage parents to donate. Central School's 3rd grade won, and the school cheered for them over the loudspeaker.

The Student Leaders also had a "Bonus Bucket" where items such as gently used books, baby wipes, and 0-5T clothing were donated. 4th grade Student Leaders Pia Joshi and Hayden Smith thought of letting the winning grade of the overall diaper drive sit wherever they wanted during lunch as their reward. "We thought it was a great idea because usually we win prizes or extra recess, but why not be able to sit with friends from other classes at recess as a reward!" commented Pia Joshi. The students who donated to the "Bonus Bucket" had their names submitted into a raffle to win a Lunch Bunch in Ms. Pech's office with some friends.

The fundraiser brought in over 6,500 diapers

for Moms Helping Moms. Ms. Lamson, Central School Physical Education Teacher, and Ms. Pech, Central School Counselor, loaded up each of their cars to bring the donations to the Moms Helping Moms drop-off center in Warren on Monday, March 25th. The organization was overwhelmed with gratitude with the arrival of over 2,000 donations.

"It was so great to help families and moms that don't have the equipment and money right now to get their babies what they need," said 4th grade Student Leader Elijah Feliciano. Ms. Pech was so thrilled and proud of how the Student Leaders came up with creative ways to make this drive fun and successful.

INSPIRATIONAL WOMEN ESSAY CONTEST

Somerset County

Out of dozens of essay submissions from local students, six talented students recently won the “Inspirational Women” essay contest sponsored by the Somerset County Commission on the Status of Women (SCCSW). The winning essays were selected for originality of content, the organization of argument, and adherence to grade-appropriate writing standards. The winners received citations at the Somerset County Board of County Commissioners meeting in December.

The six winners came from five different schools, in Bernards Township, Bernardsville, Franklin, Montgomery, Watchung Hills, which had two winners. One student was chosen as winner from each grade, 7 through 12.

Among the people named as “inspirational winners” were First Lady Dr. Jill Biden, Red Cross Founder Clara Barton, Women’s Right’s activist Alice Paul, New Jersey Congresswoman Bonnie Watson Coleman, and local nonprofit leader, Megan McDowell of Bernardsville.

Maya Omkar – 9th Grade, Watchung Hills Regional High School, honored Founder of the American Association of the Red Cross, Clara Barton

“Every year, the American Red Cross reaches over 100 million people, and we have Clara Barton to thank for that.”

Advaith Busa – 10th Grade, Watchung Hills Regional High School, honored Women’s Rights Activist, Alice Paul

“Alice Paul’s inspirational journey from a small town in New Jersey to the forefront of the suffrage movement showcases the immense impact that one dedicated individual can have on her community, state, and nation.”

Prepare to be enchanted once again! American Repertory Ballet (ARB) proudly announces the return of Ethan Stiefel's celebrated production of A Midsummer Night's Dream, May 10-12, 2024 at the New Brunswick Performing Arts Center.

"This production was made during my first year as ARB's Artistic Director, and it truly represents the overall vision we wanted to kickstart at the time," says Stiefel. "Its blend of artful, athletic, whimsical and heartfelt movement and storytelling absolutely encapsulates ARB, and what makes both the show and the company wholly authentic. Simply put, our A Midsummer's Night Dream production is as unique as our artists and our repertoire."

Audiences of all ages will once again be cheering, laughing out loud, and mesmerized by

WARREN GIRL SCOUT TROOP 65825 NEWS

Girl Scout Troop 65825 from Mt Horeb School in Warren, recently collected donations at the Warren Public Library for the Somerset Regional Animal Shelter. The scouts also made toys. They braided old dish towels and made dog toys. They collected old socks, and stuffed them with cat nip and a bell to be used as cat toys. The scouts recently delivered the donations to the shelter and toured the facility.

The Troop, along with several other Troops, recently went to The Chelsea Senior living center and played board games with the seniors. Each girl brought a different flavor of Girl Scout cookies to share. They played board games and chatted and then the girls sang “My Brownie Smile” at the end, and the seniors loved to see the girls perform.

JOSHUA AND JULIE FELDBLUM COMPETE AT NATIONAL CHAMPIONSHIPS

Courtesy photo

Two Warren siblings recently had the honor of competing at the USA Snowboard and FreeSki National Championships at Copper Mountain in Colorado.

Joshua Feldblum, a 2nd grader at ALT School, and Julie Feldblum, an 8th grader at WMS, have been skiing Windham Mountain Club since they were 3 years old and competing in the Catskill Mountain Series of USASA for the last 3 years.

Josh and Julie both compete in Rail Jams, Slopestyle competitions and Ski Cross. During their competition season they compete against athletes from all over the East Coast and score points based on their finishes. Only those ranked in the top Nation wide are offered the opportunity to compete at the National Championships.

Julie qualified for Nationals in all 3 disciplines and performed incredibly well in each. Her training, tricks and skills put her in the top third of the country in a very talented and aggressive group of athletes.

Josh qualified to compete in Ski Cross and Slopestyle. Josh came into Nationals as the Regional Champion in his age group for Ski Cross and finished an impressive 8th place in

Country. Josh also brought his skills and big air to Slopestyle and finished in the top half of his field.

Josh and Julie train at Windham Mountain Club on the Freestyle Competition team. Training begins in November and they are on the snow every weekend until April working with an amazing group of coaches and fellow athletes. Both Feldblums spend a lot of time in the terrain parks working on features such a pipes and rails, big jumps and aerial rotations.

Ski Cross is race at which competitors race head to head down a sloped course featuring jumps, banked curves and features a great speed. In Slopestyle, athletes ski down a course through a variety of rails, park features and several large jumps. Points are scored for amplitude, style and quality of tricks. A Rail Jam is competition where the athletes get to showcase their best tricks for the judges on a series of rails, boxes, tubes and more.

Julie and Josh are very excited to continue their training next winter and will be working in the off season on the Watching Hills softball and baseball fields in town.

PACK 182 CELEBRATED “ARROW OF LIGHT”

Submitted by Adam Lella

Pack 182 recently celebrated our “Arrow of Light” AOL’s crossing into Boy Scouts. We had eight Scouts complete the all the ranks of Cub scouting this year. This milestone takes time and patience and includes rank completions, earning badges, community service, outdoor team building events, camping activities, and assisting leadership during our Pack meetings. The ceremony included an opening reflection, highlights, recognition and a welcoming from Boy Scout Troop 228 as the scouts crossed the bridge. For anyone who has a son in grades K-4 please reach out if you would like your child to join or learn more about the Cub Scouts. Adam Lella - adamlella@gmail.com

Another recent highlight from Pack 182 was in our Bear Den (3rd graders). Scouts participated in a Claws Adventure and the Whittling Chip program. The scouts were introduced to pocketknife safety. After reviewing rules and safety, the boys practiced their whittling skills by carving a figure of their choice on a bar of soap. This is a major milestone for Cub Scouts to earn their Whittling Chip.

GET INVOLVED WITH PROJECT GRADUATION

WHAT IS PROJECT GRADUATION?

Project Graduation is a tradition at many high schools to keep graduates safe and substance-free on graduation night. For WHRHS, the event will be six hours long, filled with all kinds of indoor activities, entertainment and -- of course -- lots of food and drinks! All students are required to ride the bus to and from the event, which will be held on graduation night June 13, 2024. Location TBD.

WHO RUNS PROJECT GRADUATION?

Project Graduation is an independent parent organization with their own budget, fundraising events and planning committee. Senior parent volunteers work hard to host various exciting events that lead up to the end-of-year graduation night event.

WHO ATTENDS PROJECT GRADUATION NIGHT?

WHRHS has approximately 500 seniors from the towns of Green Brook, Long Hill, Warren and Watchung who will be graduating on June 13, 2024. The event is open at no cost to the entire WHRHS graduating class, and we hope for 100% participation.

WHO PAYS FOR THE EVENTS?

Project Graduation is funded completely through donations.

The ability to provide all the events throughout the year is only possible through generous donations from our families & community. This includes the parents, local businesses and community organizations. As we are a regional high school, we are reaching out to the member towns, seeking donations to help offset the costs of this celebration. In the past, we have received pledges as well as goods and services, from many different community members. If you have a business or skill you can offer or know someone willing to help, please let us know!
