ROSELLE PARK NATIVES RECEIVE NATIONAL ACCOLADES

Newark Academy

A father and son duo from Roselle Park are among Newark Academy's high school jazz band, Chameleon, which recently took first place at Essentially Ellington (the Super Bowl of high

school jazz festivals), making NA's band the top high school jazz band in the entire country. The Essentially Ellington High School Jazz Band Competition & Festival was held in May at Lincoln Center.

Among those honored were Roselle Park residents Director of Bands Julius Tolentino, and his son, Jacob, who is a senior in the band and was named "Outstanding Trumpet."

This was the first time Newark Academy (NA) — an independent school for grades 6-12 in Livingston, NJ — earned first place at the competition. The band has been named an Essentially Ellington finalist six prior times, under the leadership of Roselle Park resident and Director of Bands Julius Tolentino.

"This is an accomplishment that our whole community will relish — and for the band and myself — for a lifetime," says Julius. "As the judges pointed out, the 15 bands at Essentially Ellington continue to raise the level, and to be top in the nation with the best of the best is unreal."

Chameleon performed Duke Ellington's "Diminuendo and Crescendo in Blue" and earned outstanding accolades for its trombone and rhythm sections. Several Newark Academy students were also recognized during the outstanding performance with individual awards. They were:

- Outstanding Trumpet
 - Jacob Tolentino '24 (Roselle Park resident)
- Outstanding Tenor Saxophone
 - Ani Chakravarthy '24
- Outstanding Trombone - Vanessa Fang '24
- Outstanding Piano - Ben Collins-Siegel '25

Earlier this year, the jazz band took first at the Mid Atlantic Jazz Festival as well as its 13th consecutive first place victory at the New Jersey Association for Jazz Education State Championship.

"The combination of 11 senior leaders, the whole band buying into a culture of listening to the music and each other, a focused drive to get to that next level at each rehearsal, and soloists and sections playing with subtle nuance is what it took," says Julius. "This has been a personal goal of mine that I never thought would happen, and I'm happier than I could ever be doing it with this group of students. I think it was meant to be."

The annual Essentially Ellington High School Jazz Band Competition & Festival is one of the most innovative jazz education events in the world. It is known as the "Super Bowl" of high school jazz band competitions, attracting the top programs in the country to make an audition tape. Jazz at Lincoln Center selects 15 bands through a rigorous screening process from over 100 submissions. The 15 finalists traveled to New York City to spend three days immersed in workshops, jam sessions, rehearsals and performances at the "House of Swing" Frederick P. Rose Hall in Jazz at Lincoln Center.

ABOUT NEWARK ACADEMY

Celebrating the 250th anniversary of its founding this year, Newark Academy provides students in grades 6-12 with the knowledge and skills to become meaningful contributors to their communities and the wider world. For more information about Newark Academy, visit newarka.edu.

ELKS ASSEMBLE 200 BACKPACKS FOR HOMELESS VETERANS

Elks members from across NJ recently gathered at the NJ Elks Veterans Annex in Stirling to assemble 200 backpacks which will be distributed to homeless veterans at Stand Down events in Newark, Atlantic City, and other locations throughout the state. These backpacks help to provide comfort to homeless veterans, offering them a sense of support and care during challenging times.

The backpacks contain clothing, food, personal hygiene, and other care items, including many of the 4,000 pairs of socks and undergarments that were collected and donated to the Elks through the Middlesex Borough Police sock drive for New Jersey veterans.

The NJ Elks Veterans Annex also serves as a warehouse for Welcome Home kits consisting of furniture and other household

items that a formerly homeless veteran would need when moving into their new housing. It is featured in the Youtube video "Givers of Hope".

Elks pledge "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them." Every night, as many as 40,000 veterans sleep on the streets. In partnership with the Department of Veterans Affairs, the Elks National Veterans Service Commission has pledged to help end veteran homelessness and ensure that all veterans have the safe, stable homes they deserve.

Please email njelksnvsc@gmail.com to learn more about what NJ State Elks are doing to help veterans and visit Elks.org for more information about the Elks, including how to become a member.

URGENT NEED FOR FOSTER YOUTH ADVOCATES

Information sessions to be held in June in Clark and Elizabeth

Five-year-old Jennifer is diagnosed with autism and almost completely nonverbal. Due to excessive violence in the family home, a concerned neighbor called for help and, after investigation, Jennifer was placed in foster care. The two phrases Jennifer can say graphically depict violence witnessed at home and confirm trauma she's endured. Since entering care and being enrolled in school, it's evident Jennifer has also experienced educational neglect. At age three, she was entitled to an Individualized Education Plan from the Department of Education to provide such intervention services as in-home speech and behavioral therapies, both helpful for future enrollment in a half-day educational program. Unfortunately, Jennifer's parents neglected to utilize these services and she is now more than two years behind her peers.

Jennifer is one of more than 500 children removed from home in Passaic and Union counties each year due to abuse and neglect. Currently, there is an urgent need for advocates to serve Union County children, as there are more than 250 children in the foster care system, with just 72 children being served. These children are separated from all they've ever known: parents, siblings, friends, teachers, and their belongings. For Jennifer, the road ahead is long, and she needs a caring, consistent adult in her corner to protect her best interests while in foster care. That's where Child Focus comes in. Specifically, its Court Appointed Special Advocate (CASA) program.

Said Executive Director Erica Fischer-Kaslander, "We are committed to recruiting, screening, and training advocates for every child in Union County who needs one, just as we've done in Passaic County. It is difficult to overstate the difference a CASA volunteer can make in the life of a child removed from home through no fault of their own, often due to abuse or neglect." She added, "Children with volunteer advocates are more likely to have needed services ordered on their behalf, spend less time in the foster system, and experience significantly better

outcomes than those who go without. Becoming a CASA volunteer requires a significant time commitment and training, but volunteers often find the work as life-changing for themselves as it is for the children they help."

CASA volunteers are trained on the ins and outs of advocating for child-victims and fully supported by CASA staff. No special background in child welfare is necessary; successful CASA volunteers are dedicated community members with varied life experiences who believe abuse and neglect are non-negotiable. CASA volunteers visit the children, make unbiased observations, interview others in the child's life, and make recommendations to the judge. They often are the only consistent adult in the life of a child involved in the child welfare system, as caseworkers, professionals, and placements are ever-changing. A CASA volunteer provides continuity during a time of chaos and unknowns.

The first step to training is to attend an information session. Choose from Thursday, June 6 at 5:30 p.m., and Thursday, June 27 at 5:30 p.m., at the Clark Public Library, 303 Westfield Avenue in Clark; Monday, June 10 at noon, at the Child Focus office at 1143 East Jersey Street, 2nd Floor, Elizabeth, NJ 07201; or Wednesday, June 5 at 5:30 p.m., Wednesday, June 12 at noon, or Monday, June 17 at 5:30 p.m. at the Wayne Child Focus office, 415 Hamburg Turnpike, Suite D2. Register now at casapassaicunion.org/info-session.

ABOUT CHILD FOCUS:

Child Focus prioritizes the needs and well-being of infants, children and teens impacted by, or at risk of, abuse or neglect by amplifying their voices and working toward lasting, permanent solutions that address their unique situations and provide support needed to thrive. This critical work is accomplished through three distinct but complementary programs: CASA of Passaic and Union Counties, NJ Safe Babies Court Team, and the Open Door Store. For more information about Child Focus, log on to childfocusnj.org.

PASSAIC COUNTY CASA EXPANDS TO UNION COUNTY

Submitted by Gretchen Boger-O'Bryan

Passaic County Court Appointed Special Advocates (CASA), a leading child advocacy organization focused on protecting the best interests of abused and neglected youth, has announced the expansion of its service footprint to include Union County. With this expansion, critical volunteer advocacy for child victims removed from home and living under the jurisdiction of the family court will be made available to even more of New Jersey's most vulnerable children. This expansion allows for greater community impact, efficiency in operations, and greater long-term sustainability.

CASA recruits, screens, trains, and supervises community volunteers to advocate for local abused, neglected, and abandoned youth from birth to age 21 involved in the child welfare system through no fault of their own.

Executive Director Erica Fischer-Kaslander, who continues to lead the expanded advocacy organization, said, "There's no doubt this expansion will reap even greater rewards for Union County's vulnerable youth. The synergy created from two experienced programs allows

far greater community impact and enhances its agility to withstand today's shifting landscape as a strengthened, multi-county program." Acknowledging the nearly two-decade impact of the previous Union County CASA organization, Fischer-Kaslander adds, "The dedicated advocates in Union County remain focused on fulfilling CASA's mission: quality advocacy, continuity of presence, and increased access to services for local vulnerable youth-victims. As a combined force, we will build on that good work. I remain grateful to all professionals involved in these cases for their support – judges, attorneys, caseworkers, and more – and look forward to the collaboration required for us all to do our best for the children depending on us."

Gretchen Boger-O'Bryan, Content Director for CASA of Passaic and Union Counties, added, "In my 11 years working with CASA in Union County, I have seen the organization pivot to meet unforeseen needs, adapt to changing trends, and persevere through recent challenges faced by all nonprofits, including a global health pandemic. Indeed, passion for and commitment to every child drives us, and this new chapter is

simply an opportunity to enjoy greater efficiency, resource allocation, and space for innovation. Ultimately, the expansion of Passaic County CASA to include Union County breeds a strengthened organization that bolsters CASA's impact throughout the county. For our local youth, that's what matters."

Considered extra "eyes and ears" for judges hearing abuse and neglect cases, CASA volunteers are assigned to a youth or sibling set by court order, granting access to all parties in the youth's life. Advocates use unbiased observations to make fact-based recommendations to judges deciding the future of each youth. Often, CASA volunteers are the only long-term, caring, and informed adult in the corner of a youth awaiting a safe, stable, and permanent placement.

Volunteer advocates need no prior experience in child welfare. All prospective volunteers complete a 36-hour training course, extensive application, and screening process in addition to background checks. For details on becoming an advocate or other ways to get involved, visit casapassaicunion.org.

SALEM ROADHOUSE CAFÉ JUNE SHOW

The Salem Roadhouse Café presents the Stephen Fuller Quintet, Saturday, June 8, 2024. The doors open at 7:15 p.m., the show starts at 8 p.m. Admission is \$20 and includes show, snacks, non-alcoholic beverages, and dessert. The venue is located in Bailey Hall, below Townley Presbyterian Church, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities.

Stephen Fuller's deep rich voice and soulful renditions have long made him a favorite with sophisticated audiences around the world, performing in Israel, Jamaica, Costa Rica and The US Virgin Islands. In addition to his overseas engagements, Fuller has performed in renowned New York City and New Jersey venues and has opened for both Stevie Wonder and Bill Withers while attending Colgate University.

Stephen will perform at the Roadhouse with his quintet, consisting of Brandon McCune – Piano; Alex Gressel – Bass; Gordon Lane – Drums and Oloye Karade - Percussion. Music featured will cross styles: from American Songbook, to Jazz, R&B, Bossa Nova, Calypso and more.

As always, the Salem Roadhouse Café is live, intimate, up front, and personal. All ages are welcome.

ABOUT SALEM ROADHOUSE CAFÉ

It's not "church music." It's music music. Folks who've come to the Salem Roadhouse Café know that it's a clean, safe place for people who enjoy listening to live music — in a world otherwise filled with clubs and bars. The Roadhouse has always offered its stage to local and independent mainstream musicians. Jazz, rock, folk, and other groups have performed. What's the common thread? They're all great

musicians playing the kind of music people like to hear. There's no message, just music.

The Roadhouse started in 2008 by members of Townley Presbyterian Church with a grant from the Presbytery of Elizabeth. Hey — that's why we're located where we are, 829 Salem Rd, Union, NJ. The Roadhouse operates as a non-profit that raises funds for several carefully chosen local charities. That's its social mission.

But the many musicians who've played the Salem Roadhouse Café see it as a solid performance venue. They love it because of its special intimacy and great audiences. They say people here "really listen." Ask any of the

musicians you meet here — they love to play the Roadhouse, and they want to come back often.

The Salem Roadhouse Café has raised funds for many carefully chosen charities. They include: The Presbytery of Elizabeth E-port Center, Center For Hope Hospice, Community Food Bank, Monarch Housing, Angel Paws Animal Rescue, National MS Society, Haiti Disaster Relief, Hurricane Sandy Disaster Relief, The Union County YWCA Domestic Violence Program, Making It Possible To End Homelessness, Camp Johnsonburg, The Music Institute, and others. Many thousands of dollars have been raised for these deserving charities.

TERRACYCLE POUCH RECYCLING PROGRAM

Submitted by Sonya Leingang

The Community Preschool of Roselle Park is always looking for ways to help the community and teach our students to be the best person they can be. This school year, we have registered to the TerraCycle pouch recycling program. Fruits, vegetables and yogurt pouches are among the most popular snacks with preschool children. The pouches are a single serving size, do not require utensils and are mess free.

These pouches are made of "multiple materials including inner aluminum with a BPA-free plastic layer, a recyclable outer paper layer and oxygen barriers for freshness"1. Unfortunately, they aren't recyclable in the United States "which mostly focus on paper and corrugated and lack the materials sorting-and-stripping capabilities to handle flexible plastics"2.

Teachers happily use the colourful caps for arts and crafts projects but the ideas are limited and the quantities outrageous. So CPS looked into TerraCycle to join their free recycling program. So far, since the Summer, the school has mailed over 3000 pouches back to TerraCycle who transforms them into outdoor furniture and decking, plastic shipping pallets, watering cans, storage containers and bins, tubes for construction applications, flooring tiles, playground surface covers, athletic fields, and more, according to their website.

If you would like to participate, our school is a drop off point and will accept all brands of snack pouches. You may contact us for more information on how to participate at rpscommunitypreschool.com.

(above) The library was thrilled to host the Roselle Park preschool students and their families for a special storytime and to view their stunning artwork exhibited in our library.
