FIRST ANNUAL DOGGY DIP AT THE CLARK POOL

The canines of Clark were invited to a couple of hours of swim time for the first time at the Clark Pool. The Clark Pool closed Labor Day for the season but opened up the day after to all dogs who wanted to take a swim. Little dogs went first

for an hour and half followed by larger dogs. The pool was open to all dogs free of charge. The dogs really enjoyed themselves running around with the other dogs, and getting treats.

CLARK VES REMEMBERS THOSE LOST ON 9/11

Submitted by Susan Alacchi

The Clark Volunteer Emergency Squad (CVES) attended Clark Township's 9/11 Memorial. Clark resident James Nelson, an 18-year veteran with the Port Authority Police Department, walked into the towers that day. He saved lives, but lost his in the process.

The squad had a significant presence during the aftermath of the attack. CVES Life Honorary Member and current Township Business Administrator, James Ulrich, was working in lower Manhattan during the attack and used his skills to help others.

Mayor Bonaccorso introduced EMT Gary Wagner to speak. The Mayor also thanked Gary for his fifty years of service to the squad. Gary told how the CVES captain at that time, Lorraine Podraza (who is still a member) organized a crew and they went to Jersey City. They spent hours triaging people coming by ferry from Manhattan. Later, CVES was needed in Hoboken to continue with rescue efforts.

Our organization has been serving Clark since 1941 and is always welcoming new members. If you want to give back to your community, complete the membership form at ourclark.com/325/Join-Us We look forward to meeting you.

VOLUNTEERS NEEDED FOR CAT PROGRAM

In 2022, the Clark Council established a Trap, Neuter, and Return (TNR) program to help control the stray and feral cat population in the township. Since then, volunteers have played a vital role in trapping, transporting, and returning these cats after they receive care.

TNR is a humane and effective way to reduce the number of stray cats, benefiting public health and reducing shelter intakes. Cats are trapped by professionals, and are vaccinated, neutered, and returned.

We need volunteers 18 and older—no prior experience is required, and there are many roles available, including those with limited interaction with animals. If you're interested in helping, please contact Gail at 973-745-8452 by phone or text. The cat community needs your help.

VOLUNTEERS NEEDED AT BLOOD SERVICES

New Jersey Blood Services (NJBS), a division of New York Blood Center, which provides blood for local patients, is looking for a few good volunteers. The blood drive volunteer is an integral member of our team whose tasks include assisting donors with registration and/or at the refreshment area. No medical background necessary. Volunteers should be outgoing to provide friendly customer service, be able to perform tasks as needed, must provide proof of COVID Vaccination prior to volunteering and must have transportation. All training is provided including additional precautions for the safety of our team and blood donors. For additional information call or text Sharon Zetts, Manager, NJBS Volunteer Services at 732-850-8906, Monday to Thursday 9 a.m. to 4 p.m.

SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

CELEBRATE LOCAL HISTORY AT WASHINGTON ROCK

(above) Come enjoy the spectacular views and meet George Washington at Washington Rock State Park.

Submitted by Holly Dunbar

The Daughters of the American Revolution (DAR) will participate in Somerset County's Journey Through the Past history tour on Sunday, October 13, 1-3 p.m. at Washington Rock State Park in Green Brook, weather permitting. Members of Elizabeth Snyder-Continental Chapter will be on hand to help tell the story of this famous landmark.

According to local tradition, George Washington used this outcrop on the Watchung Mountains as an observation point in 1777. When the site was in danger of being sold to a quarry in 1909, the family of a DAR member purchased 20 acres that included the rock and deeded the land to the State of New Jersey. The Continental Chapter then led efforts to erect a

monument at the site.

The Green Brook Cultural, Heritage and Historic Preservation Committee is hosting the event at the park that includes a visit by George Washington (re-enactor Sam Davis) at 1 p.m. Washington spent more than 40 percent of the Revolutionary War in and around the Watchung Mountains.

The DAR is a nonprofit service organization open to women 18 and over who can prove descent from an individual who aided the cause of independence during the American Revolution.

Based in Green Brook, the chapter serves areas of Somerset, Middlesex and Union counties. New members are welcome. Contact the chapter at ESCchapterDAR@gmail.com.

LONG-TIME PUPPY RAISERS HONORED

The Seeing Eye

The Seeing Eye recently honored five long-time puppy raisers with induction to “The Seeing Eye 21 Club”, a special honor for volunteers who have raised at least 21 Seeing Eye® puppies. The

non-profit also honored the Seeing Eye puppy raising club volunteers with two awards, the Outstanding Leader Award and the 20-year Leader Award. Finally, 34 exceptional college-bound puppy raisers were awarded college scholarships totaling \$64,000.

“Each year, The Seeing Eye’s Family Day is a celebration of all the hard work and dedication of our volunteer puppy raising families,” said Seeing Eye director of canine development Peggy Gibbon. “An army of volunteers provides each Seeing Eye puppy with a loving home environment, socialization, and basic training that prepares them to become Seeing Eye dogs for people who are blind.”

“We’re actively recruiting puppy raisers and puppy sitters for our upcoming litters that are planned for the coming months. If you’re interested in joining our community of dog lovers, now is a great time to reach out to us and learn what puppy raising is all about,” said Gibbon. “We need homes and families of all shapes and sizes for our puppies because fully trained Seeing Eye dogs are placed in similarly diverse families and living situations with people who are blind.”

A puppy raiser family is responsible for providing a loving and nurturing home environment for approximately one year. During that time, the raiser is responsible for teaching basic obedience, house manners, bringing the

puppy to Seeing Eye puppy club meetings and socialization trips in their area. The Seeing Eye puppy could be a German shepherd, Labrador retriever, golden retriever, or a Labrador/golden retriever cross.

Puppy raisers must live within New Jersey, eastern Pennsylvania, Maryland, Delaware or New York (Rockland or Orange Counties) so they can attend regular puppy club meetings where they will receive help and coaching with their puppies. All veterinary expenses are covered by The Seeing Eye and a stipend is provided to help cover the cost of dog food. If a Seeing Eye puppy does not graduate from the program, the family who raised the puppy is offered the first option to adopt the puppy they raised. For more information visit seeingeye.org/raise.

Established in 1929, The Seeing Eye provides specially bred and trained dogs to guide people who are blind. Seeing Eye dog handlers experience greatly enhanced mobility and independence, allowing them to retain their active lifestyles. The Seeing Eye is a 501(c)3 non-profit supported by contributions from individuals, corporations and foundations, bequests, and other planned gifts.

The Seeing Eye is a trademarked name and can only be used to describe the dogs bred and trained at the school’s facilities in Morristown, N.J. If you would like more information on The Seeing Eye, please visit the website at SeeingEye.org,

AMERICAN REPERTORY BALLET PRESENTS WONDERMENT

American Repertory Ballet's 2024-2025 season opens with WONDERMENT, a program sure to delight both audiences new to ballet and aficionados alike. Presented at the New Brunswick Performing Arts Center (NBPAC) on Friday, October 18 through Sunday, October 20, 2024, WONDERMENT is a mixed bill of four unique and exciting dance works: Antony Tudor's Little Improvisations, Lar Lubovitch's Something About Night, the Swan Lake "Black Swan Pas de Deux and Coda," and the world premiere of a new ballet choreographed by Ethan Stiefel, ARB's Artist in Residence.

Antony Tudor's Little Improvisations depicts two children playing in an attic on a rainy day. Choreographed for one man and one woman, the ballet premiered at Jacob's Pillow Dance Festival in 1953, and features music by Robert Schumann. From Amanda McKerrow and John Gardner at the Antony Tudor Ballet Trust: "It is always an immense pleasure for us to share Antony Tudor's work with new generations of dancers, but we are particularly delighted to be staging Little Improvisations at ARB. Both Ethan Stiefel and Gillian Murphy are highly respected longtime friends and colleagues and we are thrilled to be working together again. An added joy for us is that Gillian will be involved in the staging this time and sharing her experiences of when she danced this ballet at University of North Carolina School of the Arts."

Something About Night is "danced to Schubert's tender choral songs about the mysteries of the heart," says choreographer Lar Lubovitch. "Something About Night offers a glimpse into the art of stillness. An opportunity for the dancers and the viewers to share a moment of quiet in a world that has become profoundly noisy." ARB Executive Director Julie Diana Hench says: "It is an honor to have Mr. Lubovitch working directly with our talented artists, and we are delighted to feature his beautiful ballet in the opening program of our 2024-2025 season."

The renowned Swan Lake "Black Swan Pas de Deux and Coda" is an iconic display of technical bravura. This excerpt from Act III of the classic ballet tells the story of Prince Siegfried as he is seduced by Odile, the Black Swan, daughter of the evil Von Rothbart, and the doppelganger of Odette, the White Swan. This pinnacle moment in the tragic tale seals Odette's fate, as Siegfried had previously declared his undying love to her in order to break Von Rothbart's mystical spell trapping her as a swan.

WONDERMENT features a world premiere choreographed by American Repertory Ballet's Artist in Residence Ethan Stiefel. This new ballet is inspired by prolific baroque composer, conductor, and ballet dancer Jean Baptiste Lully, and one of his protégés, Marin Marais. From Stiefel: "In the 1990's, I was introduced to, and mesmerized by, the viol or viola da gamba, particularly through the artistry and musicianship of Jordi Savall. Many years later, I have found myself in a place where the opportunity has arisen in which I can celebrate the many years of inspiration this music has provided to me. A

chance to create a ballet that looks to imbue the drama, reverence and illuminations within the baroque musical and dance canon, although not necessarily by way of pursuing a completely historical or biographical approach to the movement."

Tickets for WONDERMENT
range from \$30 to \$60.

Accessible seating is available.

The Hope Chest, located at 26 Prospect Street in Westfield, has been busy preparing for the fall season. The shelves have been filled with autumn themed home décor, pottery, candles, dishware, glasses and linens. Summer fashions have been replaced with beautiful fall clothing for men and women. Sandals and straw bags are being removed to make space for boots and fall bags. Warmer coats, jackets and hats are available. As always, the Hope Chest has its usual wide selection of books and CDs along with earrings, necklaces, bracelets and accessories. It's always easy to find a treasure at a reasonable price.

The store is open Monday through Saturday and donations of new or gently used items are accepted Tuesday and Saturday from 10:00 a.m. til 3:30 p.m.

The Hope Chest is managed by the Center for Hope Hospice and Palliative Care Auxiliary and is staffed entirely by volunteers. All of the profits from sales in the store go to support the Center for Hope Hospice and Palliative Care in Scotch Plains. Through funds raised at the Hope Chest and through various other programs the Auxiliary is able to provide over \$100,000 to aid in charity care at the Center.

The Auxiliary is always happy to welcome new members. Anyone interested in joining can call 908-233-9973, stop into the Hope Chest, or contact the Center at 908-889-7780.

GRANT WILL HELP CHILDREN IN FOSTER CARE

Court Appointed Special Advocates of Somerset, Hunterdon, and Warren Counties (CASA SHaW) has announced they have been selected as a grant recipient from Atlantic Health System to provide community education in the form of trauma informed care trainings. Broad exposure to these concepts will inevitably help children by building a healthier community.

“Community partnerships mean so much to not only our CASA program, but especially to the children and families we serve,” said Tracey Heisler, Executive Director of CASA SHaW. “Atlantic Health has been a tremendous partner with us, and we greatly appreciate their dedication to healthier communities, especially with the objective of reducing childhood trauma. When we work together, the foundation of child abuse prevention is infused within our community,” said Heisler.

CASA has been at the forefront of speaking up for children who are living in foster care in our region and for those touched by trauma. At CASA, professionally trained community advocates ensure that the wishes and needs of

children living in foster care are not overlooked by the many competing interests at play. CASA's goal is to ensure that every child served has a safe, permanent home and the resources and services needed to thrive and not just survive adverse childhood experiences. CASA is committed to educating the community about the causes and impacts of child abuse and neglect, the need for equity in a disproportionate system, and how to best advocate for and meet the needs of children in foster care in Somerset, Hunterdon, and Warren Counties.

CASA of Somerset, Hunterdon, and Warren Counties is part of a statewide network of community-based, non-profit programs that recruit, screen, train and supervise volunteers to “Speak Up for a Child” removed from home due to abuse or neglect. CASA is the only program in New Jersey that uses trained volunteers to work one-on-one with children, ensuring that each one gets the services needed and achieves permanency in a safe, nurturing home. To find a local CASA program in your county, visit casaofnj.org.
