SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

LINDEN SENIORS CAN STILL “TELL YOUR STORY”

The City of Linden is inviting Linden Seniors to “Tell Your Story”. Although the sessions began in September, you can still join it for the remainder dates.

Linden was awarded a Creative Aging Grant from NJ’s Council of the Arts. Only thirty cities/towns were selected to receive this grant. This 8-session program will focus on assisting seniors to access their personal stories. It will culminate in a finished film of their performances, which will be recorded, edited and viewed by the participants in the last session. All materials provided, along with some refreshments.

Participants will learn techniques to create their own memoir story. Professional Storytellers will perform so participants can see different styles of telling and find their own personal style. Each session will be 90 minutes long allowing plenty of time for inquiry, writing, storytelling, and discussion. Speaking on the importance of this program, Lieutenant Governor Tahesha Way

said, “Abundant evidence shows that art making and arts participation improves a number of health and well-being factors as we age. This investment is the key component of the Arts Council’s focus on lifelong learning, providing grants to arts organizations, libraries, veterans homes, senior and community centers to cover costs for artist-led programs for New Jersey adults aged 50 and over.

Sessions are held at the JTG Recreation Center, 330 Helen St. Linden, NJ. The remaining dates are Oct. 9th, 16th, 23rd, & 30th. Film Showing: Nov. 20th. All sessions are on Wednesday Mornings and will start at 10:30 a.m. and end at 12:00 p.m. Professional storyteller & workshop facilitator Judy England-McCarthy (Beginwithastory.com) will be presenting the program. Parks & Recreation staff at JTG Recreation will be supporting Judy in her endeavors to make this program a success. Those interested in signing up should contact the recreation center (908) 474-8600.

BILINGUAL VOLS NEEDED TO HELP FOSTER YOUTH

Child Focus

In honor of Hispanic Heritage Month, Child Focus, the nonprofit organization that runs Court Appointed Special Advocates (CASA) of Passaic and Union Counties, proudly recognizes the extraordinary efforts of Advocacy Supervisors Tiffany Mendoza and Wendy Monterrosa. Amid a significant shortage of bilingual volunteers, each has embraced the role of primary advocate on five cases with Spanish-speaking children, biological parents or resource parents, showcasing their commitment to making a difference in the lives of abused and neglected children.

Tiffany and Wendy have stepped up to bridge this gap, in addition to their work supervising a team of volunteer advocates. Their efforts in taking on these additional 10 cases total, navigating complex situations where language barriers could impede access to essential services and support for children and their families, underscore the urgent need for bilingual community members to join CASA of Passaic and Union Counties as volunteer advocates.

The need for bilingual Spanish-English CASA volunteers is more pressing than ever. Child Focus is actively seeking community members fluent in both English and Spanish to join CASA

of Passaic and Union Counties. Volunteers will undergo comprehensive training to become effective advocates for children removed from their homes due to abuse or neglect. This training equips volunteers with the skills needed to navigate court proceedings, build trust with children, and collaborate with caseworkers and attorneys.

For those interested in making a difference, the first step is to attend an information session in Union County: Wed., Oct. 9th or 23rd at 5:30 p.m. at the Colleen Fraser Building at 300 North Avenue East in Westfield; Wed., Oct. 16 at noon in the Elizabeth office at 1143 East Jersey Street, 2nd Floor.

ABOUT CHILD FOCUS:

Child Focus prioritizes the needs and well-being of infants, children, and teens impacted by or at risk of abuse or neglect by amplifying their voices and working toward lasting, permanent solutions that address their unique situations and provide the support needed to thrive. This critical work is accomplished through three distinct but complementary programs: CASA of Passaic and Union Counties, NJ Safe Babies Court Team, and the Open Door Store. For more information about Child Focus, log on to childfocusnj.org.

LONG-TIME PUPPY RAISERS HONORED

The Seeing Eye

The Seeing Eye recently five long-time puppy raisers with induction to “The Seeing Eye 21 Club”, a special honor for volunteers who have raised at least 21 Seeing Eye® puppies. The non-profit also honored the Seeing Eye puppy raising club volunteers with two awards, the Outstanding Leader Award and the 20-year Leader Award. Finally, 34 exceptional college-bound puppy raisers were awarded college scholarships totaling \$64,000.

“Each year, The Seeing Eye’s Family Day is a celebration of all the hard work and dedication of our volunteer puppy raising families,” said Seeing Eye director of canine development Peggy Gibbon. “An army of volunteers provides each Seeing Eye puppy with a loving home environment, socialization, and basic training that prepares them to become Seeing Eye dogs for people who are blind.”

“We’re actively recruiting puppy raisers and puppy sitters for our upcoming litters that are planned for the coming months. If you’re interested in joining our community of dog lovers, now is a great time to reach out to us and learn what puppy raising is all about,” said Gibbon. “We need homes and families of all shapes and sizes for our puppies because fully trained Seeing Eye dogs are placed in similarly diverse families and living situations with people who are blind.”

A puppy raiser family is responsible for providing a loving and nurturing home environment for approximately one year. During

that time, the raiser is responsible for teaching basic obedience, house manners, bringing the puppy to Seeing Eye puppy club meetings and socialization trips in their area. The Seeing Eye puppy could be a German shepherd, Labrador retriever, golden retriever, or a Labrador/golden retriever cross.

Puppy raisers must live within New Jersey, eastern Pennsylvania, Maryland, Delaware or New York (Rockland or Orange Counties) so they can attend regular puppy club meetings where they will receive help and coaching with their puppies. All veterinary expenses are covered by The Seeing Eye and a stipend is provided to help cover the cost of dog food. If a Seeing Eye puppy does not graduate from the program, the family who raised the puppy is offered the first option to adopt the puppy they raised. For more information visit seeingeye.org/raise.

Established in 1929, The Seeing Eye provides specially bred and trained dogs to guide people who are blind. Seeing Eye dog handlers experience greatly enhanced mobility and independence, allowing them to retain their active lifestyles. The Seeing Eye is a 501(c)3 non-profit supported by contributions from individuals, corporations and foundations, bequests, and other planned gifts.

The Seeing Eye is a trademarked name and can only be used to describe the dogs bred and trained at the school’s facilities in Morristown, N.J. If you would like more information on The Seeing Eye, please visit the website at SeeingEye.org, call 973-539-4425, or email info@seeingeye.org.
