ADULT FACILITATOR TRAINING PLANNED FOR OCTOBER

Imagine, A Center for Coping with Loss

The staff at Imagine, A Center for Coping with Loss, are so pleased to welcome 15 new youth facilitators who participated in their 2-day youth facilitator training program in August. These high school age volunteers will help create safe spaces for Imagine's young participants who are grieving the loss of someone close to them.

During their training, the new volunteers learned about Alan Wolfelt's companioning model followed in Imagine's groups, where facilitators walk beside participants on their grief journey. The new youth facilitators also learned about how children may use play to help them process their experiences and understand their feelings.

Imagine's Mountainside Clinical Program Supervisor, Abigail Preece, LPC shared this about the new group of youth facilitators: "Youth facilitators are such an asset and benefit our children and our overall program. Their energy, connection with the kids and dedication is invaluable. This new group of facilitators is enthusiastic and skilled, and we are excited to welcome them to the Imagine community!"

The demand for Imagine's programs has been consistently increasing, leading to the addition of new groups and Nights of Support for their upcoming program year. In order to meet the growing need for peer support groups for children, youth, young adults and their parents and caregivers, Imagine is looking for additional adult facilitators as well. A 3-day training for adult facilitators is planned for October 12-14 from 9 a.m. - 5 p.m. each day.

Imagine's volunteer facilitators come from all walks of life and no special background is required other than a willingness to listen, a heart inclined to serve, and the ability to be with children and adults in grief without trying to fix, solve or give advice. No prior experience is necessary.

Volunteers must be 18 years of age or older and must attend all 3 days of the facilitator training. Spanish speaking volunteers are needed as well. Though Imagine asks facilitators to

commit to one year facilitating their peer support groups, many stay on for many years. Here's what some of Imagine's facilitators have shared about their experience:

"I love Imagine- I love the people; I love the model, and I love being a part of this incredible place."

-Kathy-11+ years facilitating at Imagine

"I feel like I get more back than I give, from the participants, my fellow facilitators, and the staff."

-Debbie-9+ years facilitating at Imagine

"As I offer space for healing to others, I too am healed."

-Thomas-6 years facilitating at Imagine

If you'd like to participate in Imagine's upcoming training and join this incredible team of volunteers, please visit Imagine's website at imagineNJ.org and complete their interest form for the upcoming training. If you have questions regarding volunteering with Imagine, please reach out to val@imagineNJ.org. The staff at Imagine hope to welcome you to their wonderful team of volunteers!

Imagine, A Center for Coping with Loss is a 501c3 that offers grief and loss education and training to the community and free year-round grief support groups for children ages 3-18 and young adults 19-30 who are coping with a loss due to death. Concurrently, support groups are available for the parents and guardians of the children in the groups and offered in English and Spanish. For more information, please contact Imagine at 908-264-3100 or info@imagineNJ.org.

ENVIRONMENTAL COMMISSION HONORED

Borough of Watchung

On September 27, 2024, the Watchung Environmental Commission received an Environmental Achievement Award from the Association of NJ Environmental Commissions (ANJEC) at their Environmental Congress held at Rowan College in Mt. Laurel. These awards are given out each year to “recognize exceptional projects carried out by environmental commissions and groups.”

The Watchung Environmental Commission (EC) was commended for their riparian buffer restoration project that began during Operation Pride Day in 2022 and continued through this year. Community volunteers joined the EC and planted and maintained approximately 100 native trees, shrubs, and wildflowers along a 200’ stretch of stream east of Best Lake. This project is designed to help improve water quality entering Best Lake and enhance the natural beauty of Watchung.

In addition to the award, Arbor Day newsletter featured our very own Watchung Environmental Commission. The latest issue features the “12-year Journey to

Restore Community Trees” in New Jersey. The Mayor and Council congratulate the Environmental Commission, they have truly been on a winning streak with their Best Lake project. Everyone is extremely proud and grateful to have such a committed team in our borough.

HOMETOWN HEROES BANNERS NEXT DEADLINE OCT. 8TH

Borough of Watchung

The Borough launched its first “Hometown Hero” Banner Project on Memorial Day, Monday, May 30th, 2022. The program began the tradition of honoring those Veterans and Service Members (living and deceased) as well as Active Military and those who either lived in, currently reside or work for the Borough of Watchung.

This program will continue to help celebrate both Memorial Day and Veterans Day for years to come; each year adding more brave Hero’s from past to present.

The banners will be two sided and will be placed along both sides of Somerset Street on the lamp posts. A map of Somerset Street with the names and lamp post numbers will be created and placed on the borough’s website for all.

We encourage all to support our Heroes’ and Watchung’s “Hometown Hero Project” with an

online donation of \$125.

Checks can also be made payable to: The Borough of Watchung and in the memo please write: “Hometown Hero”. Mail to: The Borough of Watchung, 15 Mountain Blvd., Watchung, NJ, 07069.

Veterans and Service Members are not required to donate, and all donations will be earmarked for this project. All Veterans, Service Members or representatives need to fill out and approve the form in order to be represented.

Applications received by Oct. 8th, 2024, will be included in the next holiday celebration. Applications can be found on-line at watchungnj.gov/resident/hometown-heroes. If you have any questions or need assistance with signing-up, please reach out to: Dámaris Quiñones-Gray at 908-756-0080 ext.: 211 or at dgray@watchungnj.gov.

CELEBRATE LOCAL HISTORY AT WASHINGTON ROCK

Submitted by Holly Dunbar

The Daughters of the American Revolution (DAR) will participate in Somerset County's Journey Through the Past history tour on Sunday, October 13, 1-3 p.m. at Washington Rock State Park in Green Brook, weather permitting. Members of Elizabeth Snyder-Continental Chapter will be on hand to help tell the story of this famous landmark.

According to local tradition, George Washington used this outcrop on the Watchung Mountains as an observation point in 1777. When the site was in danger of being sold to a quarry in 1909, the family of a DAR member purchased 20 acres that included the rock and deeded the land to the State of New Jersey. The Continental Chapter then led efforts to erect a monument at the site.

The Green Brook Cultural, Heritage and Historic Preservation Committee is hosting the event at the park that includes a visit by George Washington (re-enactor Sam Davis) at 1 p.m. Washington spent more than 40 percent of the Revolutionary War in and around the Watchung Mountains.

The DAR is a nonprofit service organization open to women 18 and over who can prove descent from an individual who aided the cause of independence during the American Revolution. Based in Green Brook, the chapter

serves areas of Somerset, Middlesex and Union counties. New members are welcome. Contact the chapter at ESCchapterDAR@gmail.com.

in this delightful and hilarious musical!

Perfect for those who love musical theater or looking for a fun "girls' night out"!! ENCHANTED FOREST: A HAIR-RAISING GOOD TIME AT AT WILSON MEMORIAL CHURCH – OCT. 26

Calling all mad scientists, ghouls, and ghosts—The Enchanted Forest is back with a thrilling twist!

Mark your calendars for Saturday, October 26, 2024, from 11:30 a.m. to 1 p.m. at Wilson Memorial Church, and prepare for a hair-raising good time.

This year, we're diving into the world of spooky science with our "Mad Scientist" theme, and we can't wait to see what creepy concoctions and eerie experiments you'll discover along the trail!

Located behind the church on the Kindness Trail, this free, family-friendly event will transport you into the lab of a zany, haunted scientist. Expect spooky fun around every corner with tricks, treats, and activities that'll leave you bubbling over with excitement! Each station along the trail will feature wickedly fun activities, ghoulish goodies, and interactive displays that

will make your spine tingle.

Admission is free, but we welcome donations to help keep the spooky spirit alive. You can donate through the church's website or drop a few coins into the donation buckets at the event. Your contributions help make The Enchanted Forest a magical (and just a little bit eerie) experience for everyone!

We're still looking for mad scientists (aka volunteers) to help us bring this spooky vision to life! If you're interested in creating a station along the trail or lending a hand in other ways, we'd love to hear from you. Stations can include fun treats, snacks, and activities for families. Reach out to the church office at admin@wilsonmemorialchurch.org or call 908-755-5020 to get involved.

So don your lab coats, grab your goggles, and join us for a frightfully good time! We'll see you on the trail... if you dare!
