THOUSANDS FLOCK TO ANNUAL ITALIAN AMERICAN FEST

Clark UNICO held their 17th Annual Italian American Feast over the Columbus Day weekend. Thousands of people swarmed the Clark municipal grounds to partake in great food – great entertainment – rides – games, etc. for the four-day festival. Both residents and UNICANS enjoy this Clark tradition.

The Clark UNICO feast committee thanks all the volunteers that worked tirelessly over the 4 days. We could have not done it without them. Also, the Mayor and Council for allowing us to hold the feast on the municipal grounds and supporting our cause.

National UNICO President Anthony Bengivenga, and past Presidents Anne Walco and Ralph Contini visited the feast. Clark UNICO President Joe Arancio was chairperson of the feast, and the committee consisted of UNICO members VP Ralph Bernardo, Secretary -Fran Parisi, Treasurer -Henry Trani, Anna Pace, Mark Conforti, Vinnie LaBarbera, John

DeMarco, Toni Manto, Bill Smith, Val Trani, Steve Romana, and Amelia Romano.

Clark UNICO is an Italian-American organization that strives to incorporate our unique Italian heritage and culture into the lives of our members and surrounding communities. In accomplishing this, we organize and run countless community related and Italian-centered events throughout the year. Some of these events consist of but are not limited to our trips to Dyker Heights in Brooklyn, New York to view their Christmas light displays, Arthur Avenue in Bronx, New York, mozzarella and wine making lessons, and of course our Annual Clark Unico Italian Festival. In addition to the heritage-based events, we also strive to give back within our local communities, which can be emphasized by our motto, "Service Above Self". In contributing towards the greater good, we as an organization volunteer for different causes and make much needed contributions to the local sporting clubs and leagues of Clark. Furthermore, we sponsor annual scholarships for well deserving high school seniors that reside in the town of Clark, have Italian lineage, and are seeking to continue their academic education. As an organization we have much to offer, which is more than what is written here.

ALJ RECEIVES \$5,000 NJEA GRANT

Ms. Jenn Barbera, a special education teacher at Arthur L Johnson High School, along with the administrative team, received a \$5,000 grant through the New Jersey Education Association to incorporate art into social-emotional learning (SEL) topics in her classroom.

On September 26th, a licensed art therapist Samantha Commarato pushed into Ms. Barbera's classroom and worked with the students on SEL topics. The students participated in two activities; the first being to pick a color and draw the

emotion that that color represents, and the second was writing their names and drawing objects and pictures that represent who they are. "SEL is something that is very important to me and I love the idea of incorporating it more into my class alongside art.

A huge thank you to Mrs. Christine Broski for helping me write the grant, and Mrs. Tara Oliveira, Mrs. Katrina Poskay, Dr. Heather Austin, Mr. Chris Marcin and Mr. Andrew Amendola for supporting this project!"

SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

- No recovery time
- Quick results
- No radiation

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

SHOP LOCAL FARMERS' MARKETS FOR THE HOLIDAYS

The New Jersey Council of Farmers and Communities (NJCF) is excited to highlight the abundant offerings of local farmers' markets, where residents can access the freshest produce the Garden State has to offer.

By visiting jerseyfarmersmarket.com, consumers can easily locate farmers' markets in their area and explore a wide array of locally-grown fruits and vegetables, along with delicious recipes that enhance the farm-to-table experience. Look for the unmistakable Jersey Fresh sign, it insures the purchase of authentic New Jersey produce.

New Jersey boasts over 715,000 acres of dedicated farmland and is renowned for its diverse specialty crops, producing an impressive 1.2 billion pounds of tomatoes, 74 million pounds of blueberries, and 400 million pounds of sweet corn annually. With its unique climate and fertile soil, New Jersey's farmers are devoted to sustainable practices that not only elevate the flavor and quality of their crops but also support environmental stewardship. Specialty crops from New Jersey play a crucial role in both local consumption and national markets, significantly bolstering the state's economy.

The NJCFC supports numerous farmers' markets across the state, fostering community engagement and promoting sustainable living. "New Jersey's agricultural industry is thriving, and our specialty crops are among the best in the nation," said Joseph Mikulewicz, President of NJCFC. "By choosing local produce, consumers invest in their health while supporting our

dedicated farmers and strengthening their communities."

Buying local produce provides numerous advantages: it minimizes carbon footprints thanks to shorter transportation distances, stimulates local economies, and guarantees access to fresher, nutrient-rich food. Research shows that locally grown fruits and vegetables often have higher nutrient levels compared to those transported over long distances.

Farmers' markets, along with local restaurants and grocery stores throughout New Jersey, proudly feature locally sourced produce that encourages healthier eating habits while nurturing a sense of community connection. The state remains committed to upholding its leadership in specialty crop production through initiatives centered on education, sustainability, and making fresh food accessible to all residents.

ALJ BIOLOGY STUDENTS OBSERVE CHEMICAL REACTIONS

Clark Public Schools

Students in Mr. Anthony Venezia's Biology Honors class at Arthur L. Johnson High School recently observed chemical reactions and described any changes in color, gas production,

or temperature.

Chemical reactions involve the transformation of reactants into products through the breaking and forming of chemical bonds. In biological systems, these reactions are essential for

processes such as metabolism, energy transfer, and the synthesis of biomolecules. Understanding chemical reactions helps students grasp how organisms grow, reproduce, and respond to their environments.

(above) Mr. Venezia looks forward to more hands-on learning experiences like this for his students.

ALJ FALL PLAY THE CRUCIBLE BY ARTHUR MILLER

Arthur L. Johnson High School will present Arthur Miller's intensely relevant play *The Crucible* on Thursday, Nov. 21 & Friday, Nov. 22 at 7 p.m. in the ALJ Auditorium. This intense play has been performed countless times in high schools nationwide, and now the students of ALJ will tackle this classic American play as only they can.

Set against the backdrop of the Salem witch trials, this timeless drama delves into the impact of societal pressures and personal integrity, as characters grapple with the truth in a world consumed by paranoia. Director Peter Nevargic says of this production, "Our 'Crucible' promises to be a very intense night of theatre. These very talented young performers are tackling their roles with great passion and their performances will grab you and not let you go until the final curtain falls."

So don't miss this gripping production of *The Crucible*, a powerful exploration of fear, betrayal, and the consequences of mass hysteria that resonates with today's issues of justice and morality.

BIG NEWS: RENNA MEDIA IS LAUNCHING SIX MORE NEWSPAPERS IN DECEMBER

Renna Media will be launching six new newspapers in December 2024. The new towns joining Renna Media's family of newspapers are Livingston, Roseland, Hanover, East Hanover, Morristown, and Morris Township. The newspapers are Every Door Direct Mailing (EDDM) to every home and business in town.

The new monthly publications will add over 40,000 new postal patrons for a new total of over 200,000 newspapers mailed to 30 towns in Union, Somerset and Morris Counties.

The publications are "hyperlocal" in nature in that they contain information focused on each individual town and are direct mailed within those towns. The newspaper's goal is to have a positive influence on the economic development and overall well-being of the town. Our publications exist to share community service news and the good things that are happening in the community.

The concept of being hyper-local is to give local businesses a venue to promote services. Reaching local customers gives you the highest return for your advertising dollars. The black and white newspapers are designed to keep the cost of an advertisement to a minimum. Ads in one town start at \$100. Regional businesses can take advantage of discounted rates for advertising in multiple towns.

Renna Media also prints full-color flyers and tri-fold menus that get mailed along with the newspapers. A cost effective alternative to mailing postcards.

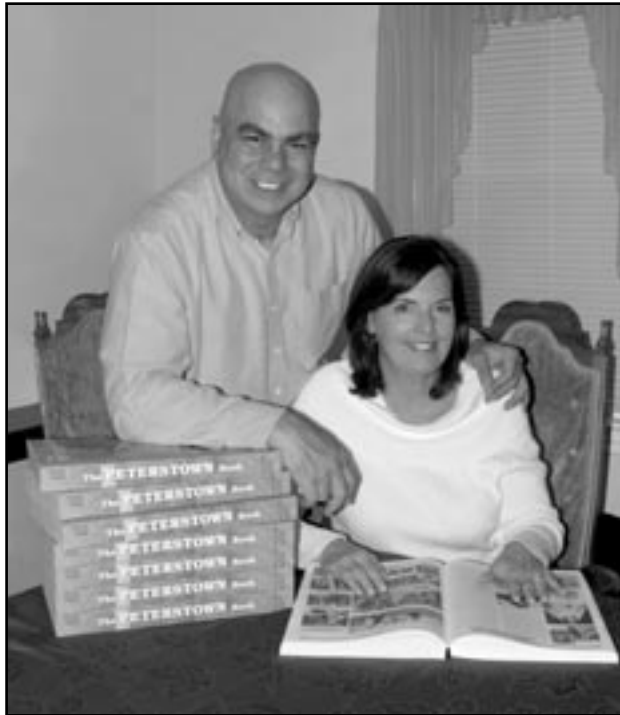

Renna Media is a Cranford, NJ based business

owned and operated by husband-and-wife team of Joe and Tina Renna. They are celebrating 40 years in business.

For more information about Renna Media publications, please visit RennaMedia.com.

Press releases with community service news can be emailed to editor@rennamedia.com.

Businesses interested in advertising can call Joe Renna at 908-447-1295, or email joerenna@rennamedia.com.
