Scan here to learn more about Abingdon Care and Rehab Center

Abingdon Care & Rehabilitation Center hosted its first community event under the guidance of AristaCare Health Services on Thursday, September 26, 2024, bringing together local residents, staff, and notable guests for an unforgettable evening of music and celebration. This event marked a significant moment as AristaCare Health Services has recently taken on a consulting role to assist with the center's day-to-day operations.

The event was honored by the attendance of Mayor Van Arsdale of Greenbrook, who showed his support for the growing relationship between the care center and the local community. His presence underscored the importance of community engagement and collaboration for the continued success of Abingdon.

In addition, Dr. Patricia Barsanti, the esteemed Medical Director of Abingdon Care & Rehabilitation Center, along with several other local physicians, attended the concert, further strengthening the commitment to providing quality care to the residents.

The live music brought joy and warmth to attendees, creating a heartwarming atmosphere where families, residents, and community members could connect and enjoy an evening of

entertainment and camaraderie.

"We are so grateful for the overwhelming support from our community and leadership," said Jeanne Leus, Building Administrator at Abingdon Care and Rehabilitation. "This event symbolizes a new chapter for Abingdon, and we look forward to hosting more events that bring people together."

This concert is only the beginning of many community-centered activities planned for the future, as Abingdon Care & Rehabilitation Center continues to enhance its role as a key pillar in the Greenbrook area.

JOURNEY THROUGH THE PAST

Submitted by Christine Napolitano

The Green Brook Cultural, Heritage and Historic Preservation Committee along with the Green Brook Historical Society participated in the 19th Somerset County's "Journey Through the Past" event which was held at Washington Rock State Park on October 12 & 13, 2024. At "The Rock" we hosted a table with information all about the history that has taken place there in 1777. General George Washington, as portrayed by Samuel Davis, made an appearance on Sunday 10/13 and presented with great pride, "The Masonic Connection". The Rock has also been the site of other interesting happenings

throughout the decades.

Assisting the community groups, were Watchung Hills Regional High School student volunteers. They eagerly volunteered throughout the event by distributing literature of local history, engaged, and welcomed adults and children alike. They helped set up and take down of tents and tables along with 2 Boy Scouts of Troop #129 with enthusiasm.

On behalf of the Green Brook Cultural, Heritage and Historic Preservation Committee Members and the Green Brook Historical Society Members our sincere appreciation for their partnership with this event.

GRAY TRAVEL BASEBALL TEAM SUCCESSFUL SEASON CELEBRATED

Submitted by Robyn Feldblum

The Watchung Hills 8U Gray Travel Baseball Team recently had the honor of competing in the 2024 USABL World Series. Over 600 teams competed and only 14 were selected to participate in the tournament. To earn their spot the 8U Gray team needed to be the overall champion in their regular season as well as win a USABL Tournament and they did it! The boys worked hard through the entire year getting better and stronger and proudly won their spring

season championship with a Father's day victory.

The best gift to all the dads and coaches out on the field and in their backyards working with their sons. They also won the Cinco de Mayo slam in a nailbiter final game showcasing their teamwork and sportsmanship. Most of the team has been playing WH Baseball since kindergarten and the coaches have helped train them into great ball players. Watchung Hills Baseball and all their families are so proud of the boys' spirit, strength and teamwork. Let's Go

Warriors!

Congratulations to the team - Jasper Agugliaro, Logan Araujo, Sawyer Brotspies, Nick Calogero, Gavin Casorio, Wyatt Drozd, Josh Feldblum, Reagan Gawronski, Alex Koufomilhalis, Luca Lella, Peter Politi, Jake Stoffers and Joseph Sullivan

And a tremendous thank you to the coaches that gave their all, always - Kevin Brotspies, Gabe Feldblum, Adam Lella, Peter Politi and Dan Sullivan.

SHOP LOCAL FARMERS' MARKETS FOR THE HOLIDAYS

The New Jersey Council of Farmers and Communities (NJFCFC) is excited to highlight the abundant offerings of local farmers' markets, where residents can access the freshest produce the Garden State has to offer.

By visiting jerseyfarmersmarket.com, consumers can easily locate farmers' markets in their area and explore a wide array of locally-grown fruits and vegetables, along with delicious recipes that enhance the farm-to-table experience. Look for the unmistakable Jersey Fresh sign, it insures the purchase of authentic New Jersey produce.

New Jersey boasts over 715,000 acres of dedicated farmland and is renowned for its diverse specialty crops, producing an impressive 1.2 billion pounds of tomatoes, 74 million pounds of blueberries, and 400 million pounds of sweet corn annually. With its unique climate and fertile soil, New Jersey's farmers are devoted to sustainable practices that not only elevate the flavor and quality of their crops but also support environmental stewardship. Specialty crops from New Jersey play a crucial role in both local consumption and national markets, significantly bolstering the state's economy.

The NJFCFC supports numerous farmers' markets across the state, fostering community engagement and promoting sustainable living. "New Jersey's agricultural industry is thriving, and our specialty crops are among the best in the nation," said Joseph Mikulewicz, President of NJFCFC. "By choosing local produce, consumers invest in their health while supporting our

dedicated farmers and strengthening their communities."

Buying local produce provides numerous advantages: it minimizes carbon footprints thanks to shorter transportation distances, stimulates local economies, and guarantees access to fresher, nutrient-rich food. Research shows that locally grown fruits and vegetables often have higher nutrient levels compared to those transported over long distances.

Farmers' markets, along with local restaurants and grocery stores throughout New Jersey, proudly feature locally sourced produce that encourages healthier eating habits while nurturing a sense of community connection. The state remains committed to upholding its leadership in specialty crop production through initiatives centered on education, sustainability, and making fresh food accessible to all residents.

For more information on New Jersey's specialty crops and the benefits of purchasing local produce, please visit jerseyfarmersmarket.com.

BIG NEWS: RENNA MEDIA IS LAUNCHING SIX MORE NEWSPAPERS IN DECEMBER

Renna Media will be launching six new newspapers in December 2024. The new towns joining Renna Media's family of newspapers are Livingston, Roseland, Hanover, East Hanover, Morristown, and Morris Township. The newspapers are Every Door Direct Mailing (EDDM) to every home and business in town.

The new monthly publications will add over 40,000 new postal patrons for a new total of over 200,000 newspapers mailed to 30 towns in Union, Somerset and Morris Counties.

The publications are "hyperlocal" in nature in that they contain information focused on each individual town and are direct mailed within those towns. The newspaper's goal is to have a positive influence on the economic development and overall well-being of the town. Our publications exist to share community service news and the good things that are happening in the community.

The concept of being hyper-local is to give local businesses a venue to promote services. Reaching local customers gives you the highest return for your advertising dollars. The black and white newspapers are designed to keep the cost of an advertisement to a minimum. Ads in one town start at \$100. Regional businesses can take advantage of discounted rates for advertising in multiple towns.

Renna Media also prints full-color flyers and tri-fold menus that get mailed along with the newspapers. A cost effective alternative to mailing postcards.

Renna Media is a Cranford, NJ based business

owned and operated by husband-and-wife team of Joe and Tina Renna. They are celebrating 40 years in business.
