DAUGHTERS OF THE AMERICAN REVOLUTION HAS A BUSY AUTUMN AGENDA

The Daughters of the American Revolution (DAR) hosted an exhibit at Washington Rock State Park during Somerset County's Journey Through the Past on October 13.

Members of Elizabeth Snyder-Continental Chapter were on hand to help tell the story of this famous landmark and the role that the DAR chapter had in preserving the site. They joined the Green Brook Cultural, Heritage & Historic Preservation Commission and their special guest, Gen. George Washington, portrayed by Sam Davis.

Also in October, chapter members celebrated Indigenous Peoples Day with a program on the development of corn by Native Americans and a craft project to create beaded Indian corn. In addition, the chapter gathered holiday gifts worth more than \$300 for the veterans at Lyons V.A. Medical Center as a DAR Day of Service project.

This month, the chapter will honor veterans at Mira Vie in Warren on Nov. 9, assisted by Boy Scout Pack 67. The chapter meeting on Nov. 12 will feature a guest speaker from the Somerset County Environmental Education Center. Later in the month, DAR members will accept a Proclamation of November as Native American Heritage Month from the Somerset County Board of County Commissioners.

The DAR is a nonprofit service organization open to women 18 and over who can prove descent from a patriot of the American Revolution. Based in Green Brook, the chapter serves areas of Somerset, Middlesex and Union counties. New members are welcome. Contact the chapter at ESCchapterDAR@gmail.com.

(above, l-r) Chapter members greet the guest of honor: Ashley Salsano, Ruth Ryno, Sam Davis as Gen. Washington, Marti Kalko, Catherine Strohmeier, Erin Fountain.

SHOP LOCAL FARMERS' MARKETS FOR THE HOLIDAYS

The New Jersey Council of Farmers and Communities (NJFCF) is excited to highlight the abundant offerings of local farmers' markets, where residents can access the freshest produce the Garden State has to offer.

By visiting jerseyfarmersmarket.com, consumers can easily locate farmers' markets in their area and explore a wide array of locally-grown fruits and vegetables, along with delicious recipes that enhance the farm-to-table experience. Look for the unmistakable Jersey Fresh sign, it insures the purchase of authentic New Jersey produce.

New Jersey boasts over 715,000 acres of dedicated farmland and is renowned for its diverse specialty crops, producing an impressive 1.2 billion pounds of tomatoes, 74 million pounds of blueberries, and 400 million pounds of sweet corn annually. With its unique climate and fertile soil, New Jersey's farmers are devoted to sustainable practices that not only elevate the flavor and quality of their crops but also support environmental stewardship. Specialty crops from New Jersey play a crucial role in both local consumption and national markets, significantly bolstering the state's economy.

The NJFCF supports numerous farmers' markets across the state, fostering community engagement and promoting sustainable living. "New Jersey's agricultural industry is thriving, and our specialty crops are among the best in the nation," said Joseph Mikulewicz, President of NJFCF. "By choosing local produce, consumers invest in their health while supporting our

dedicated farmers and strengthening their communities."

Buying local produce provides numerous advantages: it minimizes carbon footprints thanks to shorter transportation distances, stimulates local economies, and guarantees access to fresher, nutrient-rich food. Research shows that locally grown fruits and vegetables often have higher nutrient levels compared to those transported over long distances.

Farmers' markets, along with local restaurants and grocery stores throughout New Jersey, proudly feature locally sourced produce that encourages healthier eating habits while nurturing a sense of community connection. The state remains committed to upholding its leadership in specialty crop production through initiatives centered on education, sustainability, and making fresh food accessible to all residents.

For more information on New Jersey's specialty crops and the benefits of purchasing local produce, please visit jerseyfarmersmarket.com.

20 YEARS OF SUPPORTING YOUNG WOMEN CELEBRATED

The Fortnightly Club of Summit

The Fortnightly Club of Summit, a women's club which draws members from Summit and surrounding towns, has a 132-year history of community service, volunteerism, and historic preservation. The Club recently hosted its annual scholarship luncheon. This celebration marks more than 6 decades of awarding scholarships to young women in the community. This year's winners include Summit High School students Chelsea Asitimbay (Boston College), Diane Saint-Louis (The College of New Jersey), and Keilah Torillo (The College of New Jersey).

To date the club has awarded more than 60 scholarships to young women pursuing a secondary education including college or a trade education. At the luncheon, the club announced this year's scholarship winners, and celebrated past winners as well. This year's luncheon featured:

An inspiring speech by Girls on the Run East's Executive Director, Suzanne Elliot spoke about the importance of supporting girls in communities and how Girls on the Run has helped transform the lives of 2.25 million girls.

The incoming board honored the contributions of outgoing board members for their many years of service to the Fortnightly Club. New Executive Board members include Summit residents Renee Frank (VP) and Laura Sankowich (Secretary) as well as Heather Althoff of Madison (President) and Liese Kant of Short Hills (Treasurer)

"We are thrilled to support the young women in our community," said Terry Andrews, outgoing

President of the Fortnightly Club of Summit. "The luncheon provides a unique opportunity for our community to come together, show their support, and make a meaningful difference in the lives of young women in Summit. We were also honored to host our guests from Girls on the Run as they discuss the empowerment of girls at a community level, which is closely aligned with the spirit of the luncheon."

Luncheon attendees supported the Fortnightly Club through participation in the luncheon and donations. Items were also collected for donation to Girls at the Run at the event, including first aid

kits, lap counters, travel tissue packs, and other essentials that are required for Girls on the Run coaches' practice kits.

"Our members are civic minded, compassionate community members who constantly come together to make a difference. Together, our members create positive change and transform lives," said Andrews.

MILITARY FAMILIES SACRIFICE TOO

Michael D Boll, NJVN President

For the last few years, the New Jersey Veterans Network (NJVN) has been helping veterans with resources and assistance with their mental health conditions. Over time we came to realize that the veteran's family was being affected by their struggles as well. Our team had to learn how to include their family members in our outreach efforts. We lose 22 veterans each day to suicide, and they leave behind grieving families. Recently, we decided to make sure all veteran family members can use the same resources that our team has available for veterans. Sometimes we forget about the sacrifices our veteran families have to make and this country should appreciate them for this.

One thing our team decided to do was to have Gold Star families meet disabled veterans at our events, so they can work together and form a bond. This effort was extremely affective and immediately brought joy to both the Gold Star families and to the disabled veterans. By adding veteran family members to the team, it allows us to work together on our peer support and recreational therapy programs. We are honored to have veteran family members to work alongside us and know they are just as committed with helping our veterans live a better way of life.

If you need assistance, or would like to join the team as a volunteer, please send us your name, email, and phone number to NJVN1775@gmail.com.

ABOUT NEW JERSEY VETERANS NETWORK

We are a group of veterans and volunteers dedicated to helping our veterans and their families live better lives. Our mission is to identify veterans and connect them with resources and programs designed to meet their unique set of needs. Help us save Vets! We are always looking for volunteers, with various skills, to join the team. If you are a veteran or family member that is in need of assistance; or are interested in volunteering, would like us to speak at your event, or contribute to our mission, call 973-332-1556 or email NJVN1775@gmail.com. BIG NEWS: RENNA MEDIA IS LAUNCHING SIX MORE NEWSPAPERS IN DECEMBER

Renna Media will be launching six new newspapers in December 2024. The new towns joining Renna Media's family of newspapers are Livingston, Roseland, Hanover, East Hanover, Morristown, and Morris Township. The newspapers are Every Door Direct Mailing (EDDM) to every home and business in town.

The new monthly publications will add over 40,000 new postal patrons for a new total of over 200,000 newspapers mailed to 30 towns in Union, Somerset and Morris Counties.

The publications are "hyperlocal" in nature in that they contain information focused on each individual town and are direct mailed within those towns. The newspaper's goal is to have a positive influence on the economic development and overall well-being of the town. Our publications exist to share community service news and the good things that are happening in the community.

The concept of being hyper-local is to give local businesses a venue to promote services. Reaching local customers gives you the highest return for your advertising dollars. The black and white newspapers are designed to keep the cost of an advertisement to a minimum. Ads in one town start at \$100. Regional businesses can take advantage of discounted rates for advertising in multiple towns.

Renna Media also prints full-color flyers and tri-fold menus that get mailed along with the newspapers. A cost effective alternative to mailing postcards.

Renna Media is a Cranford, NJ based business

owned and operated by husband-and-wife team of Joe and Tina Renna. They are celebrating 40 years in business.
