## SCHOOL DISTRICT SUPPLY DRIVE TO HELP NORTH CAROLINA

Clark Public Schools

The Clark Public School District recently came together for a great cause - to help those families in North Carolina affected by Hurricane Helene. Led by district Occupational Therapist Michelle Burdo, the supply drive gathered a wide range of essential items, including baby bottles, diapers, blankets, formula, first aid kits, flashlights, cleaning supplies, baby wipes, toiletries, canned goods, and non-perishable food items. Donations were collected in the main foyer of each school, where Clark Public School District staff Alessandra Bonacchi, Jessica Kyle, Elisa O'Neill, Meghan Ryan, Sue Hamilton, Lauren Fernandes, and Sarah Badillo generously volunteered their time and energy to organize the efforts at each of their schools.

In total, Michelle Burdo made three full car trips to deliver the donations to the drop-off site at Union County Public Safety Building, which was filled to capacity with the generosity of our community.

The drive far exceeded expectations. Michelle Burdo shared, "I am truly amazed by the incredible response from our town to support those affected by Hurricane Helene in North Carolina. Our community came together so quickly, and day after day, the donation bins were filled to the brim. It was inspiring to witness such generosity and unity in action."

The collection concluded on October 31st. A trucking company transported a large portion of the supplies to North Carolina on October 26th. The remaining donations, including clothing such as socks, sweatshirts, cold-weather gear, and pajamas, along with other essential items, will be personally delivered by Michelle Burdo and her spouse on November 18th. They will bring these items to a homeless shelter in Hospitality House located in Boone North Carolina, where they will be distributed to those in need who were affected by the hurricane.

# SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

## Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

### Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

### Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

### Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

### Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

## KUMPF MIDDLE SCHOOL CELEBRATED ARTS INTEGRATION DAY

### Clark Public Schools

Carl H. Kumpf Middle School in Clark celebrated their annual Arts Integration Day on November 4th. Arts Integration helps students to use critical and creative thinking to gain a better understanding of the content being taught. According to EducationCloset.com, "Arts Integration is a research-based approach to teaching and learning that has proven results for the past 30 years. For schools that commit to using arts integration with integrity, the results are astounding. Schools that intentionally use arts integration find student achievement rises by 10% OR MORE across the board." On Monday, November 4, all teachers in every subject area used visual and performing arts in their lessons.

Social Studies teacher, Matthew Chretien taught Mesopotamian cuneiform with ceramic clay slabs. The students were guided by Arthur L. Johnson Art teacher Claudia Savickas in rolling a clay slab and using craft sticks to create cuneiform wedges. This experience helped the students understand what it was like to write like an ancient Sumerian. Language Arts teacher, Victoria Sasso had her students use computers or

traditional drawing to design characters with various attributes. Math teachers Lauren Fernandes, Andrew Calo, Christine Troiano, and Greg Baker taught reducing fractions while creating a piece of artwork inspired by artist Piet Mondrian. Katie Penrose, mathematics teacher, taught slope in a way that can be used in the creation of stained glass. English Teacher Kelli Yetsko taught her language arts students how to draw in graffiti. English Teacher Suzanne Hamilton taught her students to visualize a narrative sequence based on the story "The Legend of Sleepy Hollow". Michele Greenspan, English teacher, used improvisational acting to demonstrate character status and connect it to short story excerpts that students read.

Claudia Savickas, ALJ Art teacher along with Chris Marcin, Arts Supervisor came to Kumpf to help all the teachers dive deeper into their lessons using art. Savickas stated, "As an educator, it was lovely to see students engage with the arts in a variety of contexts. Integrating art into other

subjects like this not only deepens students' understanding of those subjects but provides an illustration of the ways in which our learning in different classrooms is all connected." Marcin stated, "CHK Arts Integration Day is a fantastic experience for our students - showing them how art connects to everything they learn. I am always impressed by the lessons our teachers' design and the incredible projects our students create. A special thanks to Mr. Tommy Peitz (CHK art teacher) for organizing such a meaningful day."

One goal of incorporating the arts is to help the students learn non-arts subject material in a variety of ways that will increase student interest. Another goal is to help the teachers become more comfortable with using visual and performing arts in their lessons. Principal, Richard Delmonaco, stated, "We are thrilled that the arts have become part of the daily routine in a good portion of our classes and this day was only a small sampling of what goes on all of the time."

## VALLEY ROAD STUDENTS CAST THEIR VOTES

Students in Mrs. Melissa Sakowski's first grade class at Valley Road School recently learned about the election process. Students were asked to vote on the best cookie (Oreo or Chocolate Chip). They listened to reasons why

each side thought it was the best cookie. Students even created voter ID cards and had to present them before they went to the voting booth. Voting took place and the winner was the Oreo cookie!

# ARTHUR L. JOHNSON 2024 FALL ATHLETIC AWARDS

The Arthur L. Johnson Athletic Department recently held their 2024 Fall Athletic Awards. All the Fall Athletic Teams and their seasons were highlighted by their coaches while all athletes received letters and awards. Over 177 varsity athletic letters were awarded throughout the evening, as participation in athletics at ALJ High School continues to prosper.

(above) 2024 Fall BTAs.

The program culminated with the Student Athlete Award, which was presented by the Athletic Director of ALJ High School, Mr. Gus Kalikas. The Student Athlete Award is given out each athletic season to a student athlete that is not only a champion on the field, but in the classroom as well. The 2024 Fall Student Athlete award recipient was Ryan Volmut, with a 4.47 G.P.A.

In addition, the Crusader G.P.A. Challenge was awarded to the team that finished with the highest overall G.P.A. amongst athletic teams for the fall season. The recipients were presented with certificates and will have their team memorialized on a plaque to celebrate their actions both in the classrooms and on the fields. The winner of the 2024 Fall Seasonal G.P.A. Challenge was the Tennis Team with a G.P.A. of 4.1. Members of the Field Hockey Team include: Allison Gilbride, Lena Blumenstock, Juliana DeDeo, Victoria Martino, Jaylin Rivera, Yazmin Yoplac, Isabel Martinez, Taylor Sesely, and Meera Raguseo.

The Best Teammate Award will be given out seasonally to one member from each athletic team that best fits the characteristics of a good teammate. The individuals that receive these awards exhibit upbeat attitudes and outstanding

character. They helped influence the team's culture in a positive manner, while always supporting teammates and promoting team unity. The Best Teammate Award Winners were: Cross Country – Russel Tortorici & Ava Szarszeswki, Field Hockey – Elizabeth Fitzharris, Football – Anthony Ayre, Boys' Soccer – Gabriel Alves, Girls' Soccer – Suzie Pires, Girls' Tennis – Juliana DeDeo, Volleyball – Livia Cantor, and Cheerleading – Lindsey Marczewski.

The evening culminated with the announcement of the Team Most Valuable Players. The MVPs were: Cross Country – Connor Sesely & Aja Yerovi, Field Hockey – Avery Forfa, Football – Robert Gallagher, Boys' Soccer – Richard Howard, Girls' Soccer – Mackenzie Thompson, Girls' Tennis – Yazmin Yoplac, Volleyball – Kathryn Conti, and Cheerleading – Madison Rappa.

Athletic Director Gus Kalikas, had this to say about the event: "Once again, our Fall Athletic Awards Program was a successful event as it allows the District, Administration, and Coaches the opportunity to acknowledge a wonderful Fall Sports Season as well as recognize both student athletes and their parents alike for all that they have accomplished this past fall athletic season."
