DO I SEE REINDEERS AT THE OVAL?

Camuso Holiday Display Committee Holiday Events

Do I see Reindeers at the oval? . . . Yes, it is that time of year again. The Camuso Holiday Display Committee is back and preparing a special 2024 holiday celebration at the High School Oval.

Since last year, the Committee has been meeting to raise funds and to plan improvements to the display. "We vowed last year that 2024 would be bigger and better than ever," said Chief ELF Tom Cooney. We are very excited that the Livingston Police Department will be added to the exhibit next to the Fire and First Aid Departments. "We are excited to be part of this annual effort that brings so much joy to our community and beyond" expressed Sean Whalen and Joy Klapel, members of the Livingston Community Policing Unit.

Beth Lippman, Executive Director of the BID has been spearheading the Committee's fundraising efforts. As noted by Beth, "We have great businesses in town that support this spectacular event"! Funds go towards the repairs and upgrading of the display. It takes a lot of work, special parts and special people to keep them working!

PURCHASE AN ORNAMENT!

This year we will be selling a Holiday Ornaments made by the elves. Names will be painted on them, and they will be placed around the display. The Ornaments will be given to the donors when the display is taken down. The cost will be \$20 per Ornament.

And don't forget to look for the Elf on the Shelf hidden somewhere in the display. His location changes every night.

OPENING NIGHT!

The display will open with a spectacular lighting ceremony on Saturday, December 7, 2024. Livingston Starliners Dance Team will open the event at 6:30 p.m. Lights will go on at 7:00 p.m. The Trackless Train is back. Get on Board for this spectacular community event. This year we were able to secure a visit from . . . wait for it . . . BLUEY AND BINGO! They will be there to take pictures with you and your children. Don't miss it!

A petting zoo and pony rides will provide a festive time at the oval.

WELCOME TO OUR FAMILY OF NEWSPAPERS

Welcome to the premier issue of Livingston Monthly, Renna Media's newest addition to our family of newspapers. Livingston Monthly will be mailed to every postal patron in Livingston and will deliver important information from the departments within town hall, along with news from the schools and library. Community service organizations are encouraged to promote their events and celebrate their accomplishments free of charge. The newspaper's goal is to be a positive influence on the economic development and overall well-being of Livingston. Livingston Monthly exists to share all of the good things that are happening in town.

Renna Media is a Cranford based business owned and operated by husband-and-wife team Joe and Tina Renna. Livingston Monthly joins Renna Media's family of thirty community newspapers published in and around Essex, Morris, Somerset, and Union counties. The publications are "hyperlocal" in nature in that they contain information focused on each individual town and are direct mailed within those towns.

The concept of being hyper-local is to give local businesses a venue to promote events and services. Reaching local customers gives you the highest return for your advertising dollars. The newspapers are designed to keep

the cost of an advertisement to as low as \$100. Regional businesses can take advantage of one low rate for advertising in multi publications. Renna Media can also design and print full-color flyers and menus that get inserted and mailed to every home and business along with the newspapers.

(above) Joe and Tina Renna have been publishing community newspapers since 1998 with the launch of Around About Peterstown, a regional newspaper about the Italian-American neighborhood located in Elizabeth, NJ.

NJ WOMAN'S LIFESAVING PANCREAS TRANSPLANT

NJ Sharing Network

Kerry O'Connor celebrated a significant milestone this September – it is 11 years since a pancreas transplant saved her life. Reflecting on her journey, Kerry is using this anniversary to advocate for NJ Sharing Network and encourage people to register as organ and tissue donors to

help save and enhance lives.

“Not a day goes by that I don't think about the incredible gift my organ donor gave me. Their selfless choice has given me a life I never imagined possible,” said Kerry. “Sharing my story with others is my way of honoring my donor's legacy and supporting the vital work of NJ Sharing Network.”

Kerry's health challenges began at a young age when she was diagnosed with Type 1 diabetes. Despite using the most up-to-date diabetes technology, including an insulin pump and Continuous Glucose Monitoring System (CGMS), Kerry struggled with severe hypoglycemia unawareness. Her blood sugar levels could drop dangerously low without warning, putting her life at constant risk. Simple activities like folding laundry could cause her blood sugar to plummet, forcing her to administer glucagon to herself to prevent losing consciousness.

Kerry had been living with Type 1 diabetes for 28 years. The only solution to her condition was a pancreas transplant. She was placed on the waiting list, and after 11 months, she received the life-changing call. Kerry's donor, like her, was CMV and EBV negative, a rare match that allowed for the successful transplant on September 3, 2013, at University of Minnesota Medical Center.

Since her transplant, Kerry has not only regained her health but has also embraced life with a renewed sense of purpose. She has traveled to France, volunteered often for NJ Sharing Network, and most notably, welcomed three children into the world. Her children, Gracy (8), Saoirse (6), and Seamus (3), are a testament to the incredible second chance at life that her transplant provided.

“Most pancreas transplant recipients don't have children, let alone three,” said Kerry. “My husband Billy and I are truly blessed. I am living proof of the lifesaving power of organ donation. Our children are a daily reminder of what a miracle this journey has been. I hope my story inspires others to consider registering as organ and tissue donors. You truly have the power to save lives.”

According to the United Network for Organ Sharing (UNOS), over 100,000 Americans are waiting for a lifesaving organ transplant, with nearly 4,000 of them in New Jersey. One organ and tissue donor can save eight lives and enhance the lives of over 75 others. But the need for registered donors is critical, as only 3 in 1,000 people pass away in a manner that allows for organ donation.

To learn more about organ donation, get involved, and join the National Donate Life Registry, visit NJSharingNetwork.org.

LIVINGSTON STUDENT WINS 2ND PLACE IN STEM COMPETITION

Society for Science

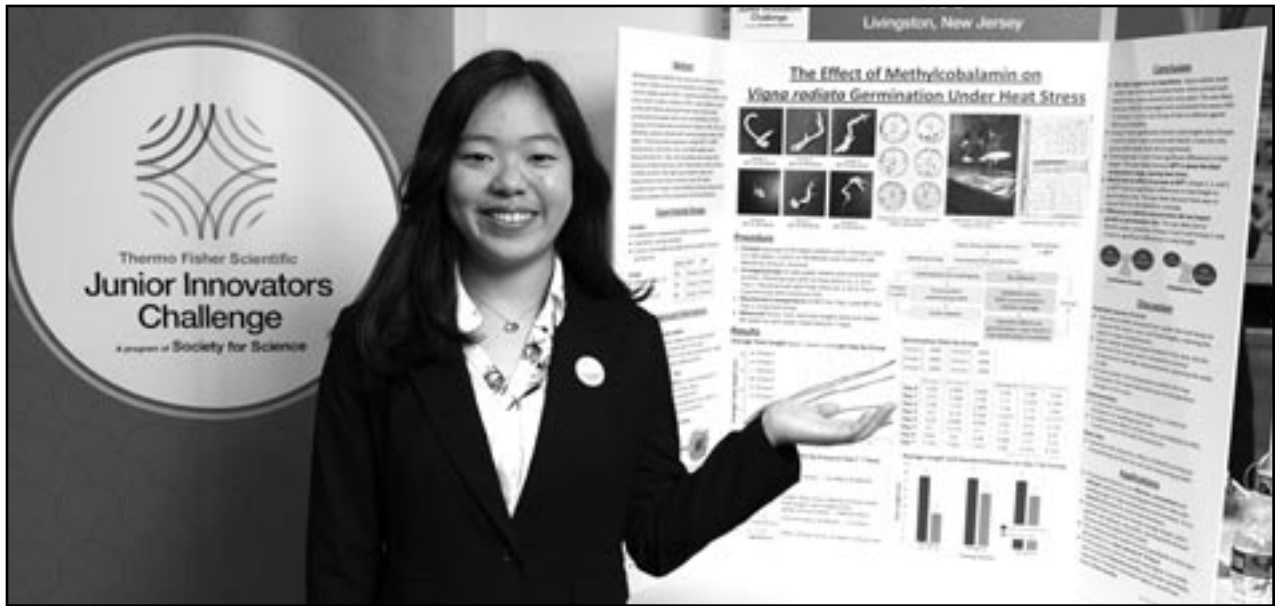

Sophia Hou, a 15-year-old student from Livingston, NJ, won second place in the Engineering Award category, as part of the Thermo Fisher Scientific Junior Innovators Challenge, a leading national middle school STEM competition, hosted by the nonprofit organization, Society for Science. Sophia won a \$2,500 scholarship to STEM summer camp.

The competition judges found that Sophia Hou demonstrated acumen and promise in the engineering category. The 30 finalists were selected from a highly competitive applicant pool of nearly 2,000 students representing 48 states, American Samoa, Guam, Northern Mariana Islands, Puerto Rico and U.S. Virgin Islands. The winners were chosen by a distinguished panel of scientists, engineers, and educators.

About the Winner: Sophia is a competitive swimmer who has swum at the state championships and practices six days a week. She has a second-degree black belt in Tae Kwon Do. She also loves cooking, drawing and painting. "My most recent painting was of a groundhog," she recalls. She'd like to be a biologist. "I haven't decided on a field within biology that I would like to pursue, but I am interested in cancer biology, immunology and cell biology," she says. "There's so much to be discovered that can help people."

Project Background: Sophia wanted to see if methylcobalamin, an activated form of B12, could change how quickly seeds germinate when they are at high temperatures. She tested 120 mung bean (*Vigna radiata*) seeds. "My grandmother and I grew *Vigna radiata* sprouts together when I was younger, and they are a staple in Asia," Sophia says. She separated her seeds into six groups. Three groups were germinated at 80 degrees, and three at 98 degrees. Each of the three groups received either zero, three percent or eight percent methylcobalamin in their water.

CELEBRATE WITH THE PIPES OF CHRISTMAS

The beloved Pipes of Christmas fundraising concert is delighted to be entering their second quarter century with a brand-new production.

The popular holiday event will be returning to the Madison Avenue Presbyterian Church in NYC on Decemehr 14, and Central Presbyterian Church in Summit, NJ on Decemehr 15.

The Pipes of Christmas brings together musicians, soloists, and performers from across America and the UK to share the magic of the holiday season through the timeless sounds of Celtic music. The show features traditional favorites and newly commissioned works performed on pipes and drums, harp and fiddle, organ, brass, and more, as well as readings taken from the Celtic literature of Scotland, Ireland, and Wales.

Featured performers include guitarist and music director Steve Gibb from Inverness, Scotland, actor James Robinson of “A Merry Scottish Christmas,” “Braveheart,” and “Outlander,” fiddler Caitlin Warbelow from Broadway’s “Come from Away,” and US Harp Champion harpist Rachel Clemente.

Audiences will thrill to the Commonwealth Pipes and Drums under the leadership of Pipe Major Adam Holdaway and the B-Line Brass Quintet led by CJ Waldrop.

In both locations, the company will include the Solid Brass ensemble and the St. Columcille United Pipe Band led by Pipe Major Cameron MacDougall.

Also making her Pipes of Christmas debut will be Madelyn Monaghan, an Irish American traditional (sean-nós) singer based in New York City. In September of this year, Madelyn was a leading performer at the Celtic World Forum in Dublin alongside the likes of Máiréad Nesbitt and Clannad’s Moya Brennan and appeared in the Celtic Music Festival in Rockport, MA. Her voice can be heard via TikTok, museums, film scores, and commercials, and her album éist is available on all streaming platforms.

Proceeds Support Scholarships and Cultural Heritage Initiatives

The Pipes of Christmas is hosted by the Learned Kindred of Currie, a non-profit cultural

and educational organization dedicated to preserving and promoting Scottish and Highland heritage and the arts. As its primary fundraiser, the concert enables the Kindred’s continued efforts to support the global Scottish community through initiatives such as:

- Producing Tartan Day on Ellis Island, perhaps the largest Tartan Day event in the world, which received 80,000 visitors in 2024 alone
- Providing scholarships to deserving students in the US, Canada, and Scotland
- Sponsoring competitions and festivals across the globe
- Commissioning of new musical and cultural works
- A global monuments initiative, which helps erect and preserve new and existing locations such as the Scottish Writers Museum and Bale nam Bàrd (the bard’s home) on the Island of South Uist
- Developing a cultural heritage center in Scotland (currently in preliminary stages)

TICKETS AVAILABLE NOW

Tickets are now available via Eventbrite. Reserved VIP and general admission seating is available. Access to the global web stream of concert highlights can also be booked in advance. Tickets for Summit are \$60 general admission and \$150 VIP - reserved tickets.

ABOUT “THE PIPES OF CHRISTMAS”

Since its debut, The Pipes of Christmas has played to standing-room-only audiences. Now a cherished holiday event, the concert gives audiences a stirring and reverent celebration of the Christmas season and the Celtic spirit. Audience-goers return year after year to experience the program, many reporting that the Pipes of Christmas has become part of their family’s annual Christmas tradition.

The concert has been lavished with critical acclaim. In his review for Classical New Jersey Magazine, Paul Somers wrote, “The whole evening was constructed to introduce gem after gem and still have a finale which raised the roof. In short, it was like a well-constructed fireworks show on the Glorious Fourth.”

OLD GUARD DECEMBER SPEAKERS PROGRAM

The Summit Area Old Guard is a social, educational, and recreational organization that serves men of retirement age. We meet most Tuesdays at the New Providence Presbyterian Church located at 1307 Springfield Ave. Our dues are minimal, and members manage all aspects of the operation. Our motto is "Come for the Programs. Stay for the Friends." The organization was founded in 1930.

IN DECEMBER, WE WILL HAVE TWO SPEAKERS:

On December 3rd, our speaker will be Ron Brachman, an internationally known expert in Artificial Intelligence. In 2023 he retired from his positions as the Director of the Jacobs Technion-Cornell Institute at Cornell Tech and Professor of Computer Science at Cornell University. He has also held research leadership positions at Yahoo, DARPA, AT&T Labs, and Bell Labs. Ron will discuss the amazing leaps forward in Artificial Intelligence over the past several years, and examine the unexpected, humanlike blunders the programs continue to make. Briefly, the algorithms, capable of constructing solutions to many complex problems, lack what is generally perceived as 'common sense'. In his talk, Ron Brachman will consider what common sense is about, what AI has tried to do about it, and what's still missing.

On December 10th, James M. Kossler will discuss the FBI versus the Cosa Nostra. Jim spent 23 years as an FBI agent and was the Coordinating Supervisor for the New York office responsible for directing the Organized Crime unit. As an expert witness he testified in numerous mob trials in New York, New Jersey, and Philadelphia. Jim was featured in the Netflix documentary "Fear City: New York vs. the Mafia." Jim will provide a brief history of Cosa Nostra (Mafia) and how they went from controlling unions and industry in New York and New Jersey, to being turned into street gangs.

The concert is free and open to the public. Donations are gratefully accepted.

Following the concert, the famous NJIO Instrument Petting Zoo returns! Experienced NJIO musicians will guide young audience members and assist them in safely trying out the instrument of their dreams. Instruments are loaned by Elefante Music of New Providence and Scotch Plains.

ATTENTION MORRIS AREA RUNNERS

Whether or not you are affiliated with a running club come check out the Rose City Runners! We meet every Saturday morning at the Kitchell Rd. parking area of nearby Loantaka Park in Morris Township. Meet time is at 9 a.m. November-March and 8:30 a.m. April-October. We leave promptly so if it's your first time come a little early so you can be introduced.

We share post Saturday run breakfast on a park picnic bench. We even have a fire in the shelter fireplace on cold winter days to keep us warm when we share breakfast. We do have other activities including member hosted house parties. Some members also race, and we form a team

when there is enough interest from members. Racing is an option and not a requirement for membership.

Just come some Saturday! Members run varying paces (including a few walkers) and cover 3-8 miles, much on quiet wooded park trails. We often have turnouts of over 20 runners even on cold days. We have a diversity of ages from 20's to 70's. When park trails are icy or snow covered, we use alternate routes. We are a friendly welcoming group.

Contact BarbaraRushman@yahoo.com or visit our website RoseCityRunners.com to join or to learn more. There is no cost for membership.
