COUNTY CHAMBER OF COMMERCE HOSTS ANNUAL MEETING

Morris County Commissioner Director Tayfun Selen gave a “State of the County” address at the Morris County Chamber of Commerce’s 104th Annual Meeting, which drew about 500 attendees at the Hanover Marriot Hotel in Whippany on February 13, 2025.

Meghan Hunscher, president and CEO of the Morris County Chamber of Commerce delivered a “State of the Chamber” address, thanking all the sponsors, local businesses and community leaders who make an impact in Morris County.

“I am proud of the community we have cultivated here at the Morris Chamber. As we enter our 104th year, it is imperative that we continue to innovate and introduce new initiatives that build on our success. I look forward to developing new ways to connect our members to valuable resources, opportunities for business growth and rewarding relationships with members across the region,” said Hunscher.

Hunscher also announced changes to the chamber’s Board of Directors for 2025-2026, with Dr. Anthony Iacono, president of County College of Morris, succeeding outgoing chair Deirdre Wheatley-Liss, Esq., of Porzio, Bromberg & Newman. Wheatley-Liss reflected on her two-year tenure and the chamber’s achievements before passing the role to Dr. Iacono, who emphasized his commitment to education, workforce development and economic growth in Morris County.

The Chamber luncheon also celebrated the success of individuals and businesses from throughout the county.

The keynote speaker, Sudeep Kesh, chief innovation officer at S&P Global Ratings, shared practical insights on mitigating risk while fostering creativity, strategies for navigating an increasingly connected economy, the future of human-AI collaboration and the critical “innovation imperative” for succeeding in a rapidly changing world.

Christine Cox-West, founding partner of The Fortis Agency, a financial services agency, was honored with the Saint Clare's Health William P. Huber Award for Outstanding Community Leadership. The award recognizes a person who displayed outstanding leadership to benefit the

community during the previous year.

In his remarks, Director Selen emphasized that Morris County’s success is about synergy.

“It’s about businesses investing here and schools educating our students. It’s about leaders who drive innovation and economic growth. It’s about the people who built our county and those who continue to build our communities by choosing to live and raise their families here,” said Director Selen, who also thanked past and current county officials for ensuring that the county is prepared for a bright future.

Selen said 2026 will offer tremendous opportunities to boost tourism and support local businesses with the 250th anniversary of American Independence and the FIFA World Cup. Currently, the county has more than 120 restored historic sites, including the first National Historic Park, and is anticipating thousands of visitors for these two major events.

RIDGEDALE SCHOOL EARNS NATIONAL HONOR

It is with great pride that we formally announce that the Ridgedale Middle School has earned the honorable distinction of being a nationally recognized School to Watch from the National Forum, whose mission is geared towards “Advancing Excellence in Middle Grades.”

As per the National Forum, Ridgedale Middle School becomes just the 15th middle school in New Jersey to earn this prestigious recognition! To date, there are over 600 Schools to Watch in 17 states all focused on serving the social, emotional, and academic needs of each student in culturally relevant and inclusive ways. These exceptional schools commit to engaging in a continuous cycle of improvement each year and serve as model institutions and mentors for educators and leaders from other schools nationwide.

In order to achieve this recognition, Ridgedale School completed a self-study, which included a rigorous assessment of the practices and programs that support teaching and learning all throughout the building. Following approval of those results, RMS was invited to complete an application which made us eligible for consideration to be included in the final round site visit. RMS had a successful site visit from the Schools to Watch Committee on December 17, 2024. The visiting team stayed on campus all day, from arrival through dismissal, visiting

classrooms and participating in three focus groups sessions with students, parents, teachers, and administrative team members.

Thank you to our incredibly talented and dedicated staff at RMS whose hard work and care for our students is deserving of this recognition! Thank you to our parents and students who participated in the focus group sessions and for your continued support of our school and programs! Thank you to Mr. Steffner for coordinating and submitting the application to be considered for this prestigious award! Finally, thank you to our entire school community!

Sincerely,

Dr. Steven Caponegro

MRS. BENNETT FOLLOWS THE CONTINENTAL ARMY – MARCH 11

Historical Society of Florham Park

The Historical Society of Florham Park announces the free scheduled March 11, 2025 program of “Mrs. Bennett Follows the Continental Army”.

In acknowledgement of US Women’s History Month, learn about life as a woman who followed Washington’s Continental Army during the Revolutionary War. Wives, daughters, mothers, and single women followed their men on long marches and through cold and hungry conditions. Many had children with them. They worked as laundresses, cooks, and nurses. And, yes, some were prostitutes.

Spend some time with Mrs. Bennett and hear about life in camp, on the march, and during skirmishes and battles. Hear what Washington thought of the camp followers. Learn about the soldiers themselves and why they stayed in the army regardless of the hardships they faced. And learn about how these women marched the same long marches, suffered the same short rations, and lived in the same rough camps as the soldiers.

(above) The program will be presented by Pat Wells, the vice president of the Chatham Township Historical Society, and an amateur historian, researcher, and speaker.

Courtesy photo

They had to be as tough as the soldiers themselves.

The Historical Society of Florham Park is very happy that the program will be presented by Pat Wells. Ms. Wells is the vice president of the Chatham Township Historical Society, and an amateur historian, researcher, and speaker. Recall the two recent popular presentations for Florham Park and area residents. One was in 2022 when she delivered “A History of the White House” and another was in November 2023 - “Stories of the Mayflower: What Were They Thinking?!”.

Everyone is welcomed to attend this March 11 free program at the Florham Park Library. Refreshments available at 6:30 p.m. in the Akhouri Room, with the program scheduled from 7:00 - 8:00 p.m.

Please register by calling the Library at 973-377-2694, or register online at florhamparklib.org. A confirmation email will

give you the option to attend either in-person at the Library or via the Zoom link option should you wish to attend remotely.

Indeed, The Historical Society of Florham Park was founded in 1935 by a group of women. They dedicated themselves to saving the Little Red Schoolhouse and establishing it as a museum. Until October 2017 they provided monthly scheduled museum openings. In negotiations with the Borough, they hope to return doing so soon. In the meanwhile, four presentations such as the above are regularly scheduled. After the March 11 presentation, the next will be on April 8 with “Colonial Taverns of New Jersey – Libations, Liberty and Revolution”.

To learn more and/or consider joining The Historical Society of Florham Park, visit their Facebook page at “Historical Society of Florham Park”, or contact Peter Nicolas at pnicolas@optimum.net, or call 973-520-8654.

Background information on Pi Day: celebrated annually on March 14th, it was chosen because numerically it represents the first 3 digits of pi:

3.14. Pi is a mathematical constant that

represents the ratio of the circumference of a circle to its diameter, thus March 14. A popular way to celebrate is to eat pies, since the word pi and pie sound the same, and pies happen to be circular, again it's Happy Pi Day so come enjoy the pie. Also Albert Einstein's birthday March 14th, born in 1879.

CORNED BEEF FUND RAISER – MARCH 10

AMERICAN LEGION AUXILIARY UNIT #43

*In the Spirit of Service Not Self for Veterans,
God and Country*

The ladies of American Legion Auxiliary Unit #43 have completed plans for their Corned Beef and Cabbage Dinner held annually for close to 60 years. The Auxiliary will serve a Corned Beef and Cabbage Dinner, and Corned Beef Sandwiches on Sunday, March 10 from 1-5 p.m. at the Madison-Florham Park American Legion Post #43, 20 Ridgedale Avenue in Florham Park. For a complete dinner including "home baked" Irish Soda Bread and dessert a donation of \$15 is suggested. Also available will be a Corned Beef Sandwich and sides at a suggested donation of \$10. For a child under 10 years of age the donation will be \$5. Take-out orders will be available starting at noon.

Unit President Fran Derin of Florham Park

invites all residents of the area to join Auxiliary members for dinner on Sunday, March 10 to show support for the volunteer and financial support they provide to area veterans in need. The annual fundraiser has also made it possible over the years to sponsor the following in our local communities: local high school girls to Girls State, an annual leadership development program; supporting college scholarships at various levels of the organization for children and grandchildren of veterans; donations to Family Promise providing help for the homeless in Morris County; and provide donations at Christmas to Toys for Tots and Special Olympics.

The ladies of Unit #43 look forward to seeing many of their neighbors at this annual event. If further details are needed, please contact Unit President Fran Derin at francesderin@aol.com.
