ALJ UNIFIED BASKETBALL

Clark Public Schools

On Tuesday, January 14, Arthur L Johnson's (ALJ) Unified played their first game of the season against Union City. Unified Sports is a program run by Special Olympics that supports students with and without disabilities playing sports together. The goal of this program is to establish relationships between students with and without disabilities both on and off the court. Unified Sports advisors, Miss Jenn Barbera and Mrs. Emily Colonni have worked very hard this year to create a team, composed of 12 students.

Despite a loss, the ALJ Unified team played their hearts out. The students had a great time and learned the importance of sportsmanship and teamwork.

"Unified Sports has been a huge part of my life since college. Being able to coach a high school program has been such a dream and I am so proud of the team! The team has worked very hard in practice these last few weeks and I am excited to see where the rest of the season brings us! A special thank you to Mr. Gus Kalikas, Mrs. Tara Oliveira, Mrs. Katrina Poskay and Dr. Heather Austin for all your support this school

year," said ALJ Special Education teacher and Unified co-advisor, Miss Jenn Barbera

"I am so grateful and proud to be able to help start Unified at the high school level. Seeing students of all abilities work together and have fun, brings joy to my heart. I am so excited for all the hard work and efforts so far. I would like to thank the ALJ administration for their continued support. I look forward to continuing to grow the program," said ALJ Case Manager and Unified co-advisor, Mrs. Emily Colonni.

UNAMI PARK TRAILS DAY SUCCESS

Garwood Green Team

The Garwood Green Team held its most successful Unami Park Trails Day ever on Saturday, November 9, 2024. Over 35 residents and friends worked together to complete several improvements as part of the Team's ongoing rejuvenation of the overlooked wooded section of Unami Park at the base of Center Street in conjunction with the Team 'Adoption of Unami Park'.

Team members partnered with members of the Union County Native Plants Society, Garwood Mayor Jen Blumenstock, and Lincoln School science, and St. Anne's Confirmation classes. A special guest was Hillside Mayor Dahlia Vertreese and members of the Zeta Phi Beta Sorority. Love all those community service requirements, and the group sponsors!

The team used post hole diggers to install 10 bird houses constructed by 2024 Lincoln School students at the NJ School of Conservation, and artistically painted by the 2025 Lincoln School Builder's Club, on 10' poles donated by Statewide Fencing of Garwood. A total Garwood TEAM effort! Muscles were growing as two-foot-deep holes (minimum) were dug in very dry and difficult 'soil.'

Other volunteers laid out cardboard donated by LIDL to continue smothering the non-native, invasive stilt weed grasses, while another group

covered them with wood chips donated by Union County. The Team has covered over 800 sq. ft. of invasive plants and looks forward to planting plugs of native plants in spring 2025. We will be looking for MORE volunteers!

Another group spread more chips along the Center Street, Garwood to Twin Oaks Terrace, Westfield path to cover emergent weeds, reestablish a section that was damaged by heavy rain that fell in September, and to add depth to the rest of the chip base. This will be an ongoing maintenance project undertaking by the Team. The Union County Parks Department is looking into a more permanent solution for the erosion.

Participants created a thicket composed of branches gathered in the area which will serve as a 'safe haven' for birds, chipmunks, squirrels and other small creatures to hide in to escape local predators such as owls and hawks.

A final group planted native Sweetgum, Eastern Redbud, Hawthorn, Oak and black cherry trees in an attempt to jump start the re-creation of the understory tree layer which has been obliterated by deer munching. Hundreds of Oak, Maple, American Holly, Hickory and Sweetgum seedlings are spread throughout the forest floor, but the deer do not let them grow any higher than 6-8". A future article will explain what the Team is undertaking to improve that situation.

Garwood LIDL once again provide refreshments – croissants- for all volunteers, and Union County Parks Department provided their 'Tool Truck' from which numerous tools were used. Volunteers provided wheelbarrows, shovels, hay forks, rakes, post hole diggers, and other tools. All of this work was completed in three hours by dedicated volunteers who graciously donated their time, talents and treasures to advance a little bit of nature in our midst.

Anyone who is interested in joining the Garwood Gren Team or participating in future projects can contact w-nierstedt@garwood.org.

2025 NJ FMBA COOKED & UNCORKED

On Monday, February 24, 2025, firefighters from around New Jersey will compete at the Cooked and Uncorked Food and Wine Festival, at the Pines Manor in Edison. Proceeds from the event will be donated to the Mark A. Virag Memorial Cancer Fund, Family Promise of Bergen County, and The Burn Center at Saint Barnabas Medical Center.

The Ultimate Fire Department Cook-off is an integral part of the evening as firefighters will compete in three different categories: Gourmet, Firehouse and Dessert.

The competition is part of the culinary extravaganza where participants will be able to experience the tastes and flavors of some of New Jersey's finest restaurants, caterers, and dessert shops all in one location.
