MEET THE PLASTICS! HIGH SCHOOL PRESENTS MEAN GIRLS

Get in Linden, the LHS spring musical is gonna be fetch! The Fine and Performing Arts Department will present Mean Girls on Thursday, March 27th, Friday, March 28th, and Saturday, March 29th at Linden High School's Susan L. Hudak Auditorium (121 West St. Georges Ave.) Performances begin at 7:00 p.m. each night, and general admission tickets can be purchased both online and at the door for \$12; senior citizen tickets are available for \$10.

Mean Girls High School Version, adapted from Tina Fey's hit 2004 film, brings a cautionary tale to life on stage with outstanding vocals and a lot of humor. Cady Heron (Johanny Cabral '25) may have grown up on an African savanna, but nothing prepared her for the wild and vicious ways of her strange new home: suburban Illinois. How will this naïve newbie rise to the top of the popularity pecking order? By taking on The Plastics, a trio of lionized frenemies led by the charming but ruthless Regina George (Abigail Armstead '25). But when Cady and her friends, Janis (Cristina Ramos-Rodriguez '25) and Damian (Justin Barsnica '25), devise a "Revenge Party" to end Regina's reign, she learns the hard way that you can't cross a Queen Bee without getting stung.

"We laugh with them while these characters confront some

serious high school questions," says producer/director Howard Whitmore. "Why do we tear each other down instead of building each other up? Why do we use social media to divide instead of unite? Why can't we make 'fetch' happen?"

Choreographed by Melanie Alyse with music direction by Duane Cosby and Anthony Spano, Mean Girls will transport you back to life among the high school cliques – the good, the bad, and the hilarious. So break out your pink and get your tickets now at <https://lhsnj.booktix.com>.

"Mean Girls High School Version" is presented through special arrangement with Music Theatre International (mtishows.com).

SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

COLORFUL BLACK HISTORY MONTH PERFORMANCE

Linden Public Schools

Linden Public School No. 5 marked the districtwide celebration of the first 100 days of school in spectacular fashion on February 13, blending the milestone with a vibrant Black History Month performance by Ronnette Smith-Powell and her Nettie, Nana, and Friends multicultural program.

The school's auditorium transformed into a dynamic cultural showcase featuring African-

American storytelling, puppetry, dance, and even a lively introduction to Swahili! Students eagerly clapped, sang, and moved to the rhythm of history, immersing themselves in the stories of influential African American figures as told through the eyes of Cory, the young protagonist in Smith-Powell's book *Cory Cares for Nana*.

Adding to the excitement, many students—and even their teachers—got into the spirit of the day by dressing up as elderly characters, complete

with glasses, canes, and shawls, in a playful nod to the 100-day milestone. School Principal Rachelle Crawley joined in the fun, encouraging students to embrace both the joy of learning and the richness of cultural storytelling.

With teachers leading by example, the event was a perfect fusion of history, culture, and creativity, leaving students with a deeper appreciation for African heritage and the power of storytelling.

ANNUAL SHARING THE QUILTS SHOW – MARCH 22

Harvest Quilters of Central New Jersey

Harvest Quilters of Central NJ will present their 41st annual quilt show on Saturday, March 22, 2025. The 41st Sharing the Quilts will be held at the Willow Grove Presbyterian Church, 1961 Raritan Road, Scotch Plains, NJ from 9 a.m. to 5 p.m. Admission is \$8 for adults and \$3 for children under twelve.

At 10:30 a.m., Elsa Hahn of Edison will show her work and speak on “Surface Design – Making it Personal.” The award-winning quilter and retired Westfield music teacher will share her firsthand knowledge of various art quilting techniques, including the pros and cons of popular methods.

Janice M. Tellier of Mountainside will be recognized as 2025’s Featured Quilter. The Fashion Institute of Technology (FIT) graduate and lifelong creative spirit will display 20 plus works of original art. Of her 14 vibrant bed-sized quilts Tellier quipped, “I often think my beds are better dressed than I am.”

Tellier’s whimsical fiber art will be featured alongside her acrylic paintings, crochet, examples of bobbin lace making and a fascinating diorama of a miniature modern quilting studio. “My hope is to have the quilts speak to the viewer, with a sense of humor or play on words,” Tellier said.

As is tradition, local charities will benefit from drawings for a modern lap-sized quilt, a traditional queen-sized bed quilt, gift cards and craft themed gift baskets.

In addition to viewing a full array of modern, traditional, art and wall-hanging quilts, attendees can participate in viewer’s choice awards, kid’s crafting table and vendor sales area.

A tearoom offering lunch, snacks, homemade baked goods, and beverages will benefit Willow Grove Church programs.
