ST. JOHN THE APOSTLE PARISH CELEBRATES 75TH ANNIVERSARY

Bishop Elias Lorenzo.

Submitted by Joanne Seebode

The Church of St. John the Apostle began its 75th Anniversary Celebration on February 26, 2025 with a Gala Dinner at Nanina’s in the Park in Belleville NJ. Over 250 parishioners and parish friends attended the event along with the current Pastor Mauro Primavera and Auxiliary Bishop Elias R. Lorenzo, OSB, regional bishop for Union County. Also present were Parish Clergy, the Sisters of St. Dominic as well as representatives from the Township of Clark and the City of Linden. Honoree at the celebration was Sister Donna Marie O’Brien OP who was honored for her commitment to Catholic Education and shaping the minds of countless children from 1960-2015. Sr. Donna was past principal of St. John the Apostle School for 34 years, retiring in 2015.

Bishop Elias Lorenzo addressed the attendees at the Gala and wrote in the Commemorative Anniversary Book, “The Diamond Anniversary offers all in the parish the opportunity to renew and reinvigorate your founding mission... and be a community of living faith that witnesses Christ’s love to the world!”

The Most Reverend Thomas J. Walsh, Archbishop of Newark founded the parish on June 4, 1948, and appointed the Rev. Thomas F. Mulvaney as the first pastor. Father Mulvaney was given the task of organizing the parish and

construction the buildings. The new parish used the Winfield Park Community Center for masses until the new church building was ready. The cornerstone was placed on September 10, 1949. On March 10, 1950, Archbishop Walsh dedicated and blessed the new church and school and the first mass was celebrated in the church.

St. John the Apostle School opened in September 1950 with of a registration of 710 students. The teaching faculty was led by Sisters of the Dominican Order who served for the school for 65 years. The school enrollment grew and a third floor was added to the school. By 1963, enrollment had more than doubled to 1,429 students prompting the construction of the annex building to accommodate a growing middle school.

Saint John’s is a vibrant growing parish with over 300 students enrolled in its religious education programs, 340 students enrolled in its Pre-k to 8 school, 24 Hour Perpetual Adoration, ongoing adult religious education programs, and many other social and religious events. You can learn more about us by visiting our website at www.sjanj.net.

Continued 75th Anniversary Celebrations will continue throughout the year. A closing Anniversary Mass will be celebrated by Cardinal Joseph W. Tobin, CSsR, Archbishop of Newark on Sunday October 12th at the 12 noon mass.

SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

GIRL SCOUTS’ VISIT TO CVES

Submitted by Susan Alacchi

Girl Scouts recently visited the Clark Volunteer Emergency Squad to earn their first aid kit badge. Assistant Captain Michael Hajkowski gave the young ladies a tour of the building and an ambulance. He spoke about what happens when someone calls 9-1-1 and provided helpful information about dealing with a medical emergency. By giving the girls some background into the 9-1-1 process, hopefully they will be less anxious about making a call to 9-1-1. Seeing the ambulance also makes them more comfortable by taking the mystery out of what happens when we treat a patient and transport them to a hospital.

The girls were quite interested about all the different equipment carried on the ambulance, asking many questions.

After the tour, the troop leader provided materials for each Scout to make her own first aid kit, explaining how each item in their kit should be used.

If anyone is interested in bringing a group to CVES to learn more about what we do, you are encouraged to email us at cves@ourclark.com Additionally, CVES is always looking for people who have the desire to help others whether you have experience or not. The squad will train and mentor you through the certification process. Being an EMT is a wonderful way to give back to your community. Please visit us at ourclark.com/325/Join-Us for an application or email us at CVES@ourclark.com with questions or for more information.

MEMORIAL DAY PARADE

Township of Clark

The 2025 Clark Memorial Day Parade will be held on Monday, May 26 starting at 9 a.m. Please come out and line the streets of our great town to show spirit and patriotism for all our fallen heroes.

Parade begins on Westfield Ave. at Nassau St. and ends at ALJ High School. A ceremony will follow.

Parade will include classic cars, town veterans, children’s sports teams, animals, stilt walkers, marching band, color guard, scout troops and more!

This Year’s Memorial Day has a new feature. Children are invited to decorate their bikes in patriotic splendor and head down Westfield Avenue together along the parade route.

Please be aware no motorized bikes or scooters are permitted in the parade. Parents are required to walk the route with children on trikes, smaller bikes or otherwise not fully able to navigate independently.

For more info, contact parade chairman Ralph Bernardo at 732-428-8400, or email rbernardo@ourclark.com if you need further information.

PERCUSSION & COLOR GUARD SHINE IN TOURNEY

Clark Public Schools
The Arthur L. Johnson High School Indoor Percussion and Color Guard teams both claimed 1st place at the Tournament Indoor Association (TIA) Brick Memorial Competition, marking a remarkable achievement for both groups. This success highlights not only the incredible skill of each performer but also the dedication and teamwork that have been a hallmark of these programs. With the season still early, this accomplishment sets a strong foundation for even greater success as the year progresses.

Indoor Percussion Director Andrew Calo couldn't contain his excitement after the competition, expressing his pride in the team's performance. "I am so excited and thrilled with how the students performed. The Indoor Percussion received a score of an 82, which is the highest we have ever received this early in the season."

This score reflects the hard work and countless hours of practice the team has invested, and serves as a testament to their growth and dedication as they continue to refine their craft.
