## EDUCATION FOUNDATION SPRING BREAK TRIVIA NIGHT

### Florham Park Education Foundation

On April 4th, the Florham Park Education Foundation (FPEF) hosted a vibrant Spring Break Trivia Night and Wine Tasting that brought together community members for an evening filled with laughter, friendly competition, and delightful flavors. The event took place at Salaam Shriners, Inc. in Whippany, NJ, attracting trivia enthusiasts and wine lovers alike.

The night kicked off with an exciting trivia competition, where teams battled it out over questions related to topics like pop culture, video games, and sports. Participants showcased their knowledge, with the top teams walking away with fantastic prizes, including gift certificates to local restaurants and shopping. Thank you to Nick Balios, TRIVIAQUEST NJ, for all the laughs!

Attendees also enjoyed a carefully curated selection of wines from around the world. The wine tasting featured a variety of exquisite options. Guests mingled, shared stories, and made new friends, all while celebrating the spirit of spring break. A special thank you to Opici Wines & Spirits and Main Street Wine Cellars.

"We are thrilled with the turnout and the positive energy of the event," said Megan Mink, secretary of the Florham Park Education Foundation. "It was wonderful to see so many people come together to enjoy a night of fun and teamwork. We can't wait to plan our next event!"

The Trivia Night and Wine Tasting was not only a celebration of the season but also a successful fundraiser for the Florham Park Education Foundation, with proceeds going toward teacher and district grants, as well as the

## PRESERVATION TRUST GRANT APPLICATIONS DUE JUNE 19TH

**Morris County**  
The Morris County Office of Planning and Preservation has announced the availability of grant applications to file for open space funding through the Morris County Preservation Trust.

The applications are available on the Open Space Preservation website: [morriscountynj.gov/Departments/Open-Space-Preservation/Open-Space-Application](http://morriscountynj.gov/Departments/Open-Space-Preservation/Open-Space-Application)

The deadline for submitting open space applications and appraisals for 2025 funding is Thursday, June 19, 2025.

In 2024, the Morris County Board of County Commissioners approved the Open Space Trust Fund Committee's recommendations to award \$1.8 million in grants for acquisition and preservation of 65.2 acres across three municipalities.

Since its inception in 1994, the Open Space Trust Fund program has helped to preserve more than 18,300 acres throughout Morris County, supported by \$300,022,868 in funding generated through a preservation tax approved by voters in 1992.

In addition to open space projects, the county's Preservation Trust Fund also supports farmland and historic preservation, county parkland acquisition, recreational trails projects, and the purchase of flood-prone residential properties.

The review process for grant applications is managed by the Open Space Trust Fund Committee, which visits the proposed sites and makes final recommendations to the Board of County Commissioners each fall.

"Any of Morris County's 39 municipalities and qualified charitable conservancies are eligible to apply for grant funding," said Barbara Murray, program coordinator of the Morris County Open Space Trust Fund program.

For more information, contact the Office of Planning and Preservation at 973-829-8120.

### WHAT TO BOOST YOUR ONLINE VISIBILITY? VISIT NJLOCALINFO.COM

To answer that question, we need to first understand the shape of the problem facing many small business owners. There is one very critical thing putting many businesses at a massive disadvantage, not only when compared to other SMBs, but against larger competitors as well. That key ingredient? Digital marketing.

A recent Forbes report found that over half of all small business growth in 2025 comes from digital sources. Translation? Without a digital presence, you are leaving a huge chunk of your potential revenue on the table.

### NJLOCALINFO TO THE RESCUE

To help level the playing field, NJLocalInfo.com has developed a two-fold visibility solution that will allow your business to quickly and sustainably build organic traffic in your local market. They accomplish this both by establishing high-quality backlinks to build site authority, and by promoting your business directly to customers through their own directory.

### PROVEN SYSTEM

Their content marketing services are based on their "Create, Repurpose, Distribute" system, which combines the talents of a team of human experts with leading automation technologies to facilitate broad-reach campaigns on a budget. The system relies on informative yet engaging content, which is then transformed into various formats using automation and distributed to hundreds of high-authority channels

## TEDDY BEAR CLINIC - MAY 3

### Morris County School of Technology

The Morris County School of Technology's (MCST) Academy for Education & Learning, Law & Public Safety, and Healthcare Sciences is excited to announce its Teddy Bear Clinic, a fun and educational event for children ages 3-9, taking place on Saturday, May 3rd. This event, running from 10:00 a.m.- 1:00 p.m at MCST's Denville campus, will provide children with the opportunity to give their stuffed animals or teddy bears a "check-up" while interacting with local first responders from Denville Police, Fire, EMS, Morris County Sheriff's Office, Saint Clare's EMS, and the NJ Forest Fire Service.

Children will build personalized first aid kits, gain essential fire safety skills, tackle a fire themed obstacle course, explore the science of fingerprinting, and try on real firefighter gear. Join us for a special reading by local author Heather Prinzo, featuring her book Lookin' Within.

The event is free and open to the public! To register please visit [mcvts.jumbula.com/home](http://mcvts.jumbula.com/home). For any questions regarding the event, please contact Samantha Shane at [mcstevents@mcvts.org](mailto:mcstevents@mcvts.org)
