2025 VALEDICTORIAN AND SALUTATORIAN

Clark Public Schools
Arthur L. Johnson High School is proud to announce the Class of 2025 Valedictorian Krista Steiner and Salutatorian Bradyn Weber.

Krista has excelled in a challenging curriculum of honors and 15 Advanced Placement and Dual enrollment courses at Arthur L. Johnson High School, including Calculus 3, a class typically reserved for the second year of college. Mrs. Donaldson, her AP Research teacher, commented, "This is the kind of person we need today, more than ever. In fact, I think some adults should look to her as a role model." She had the distinction of receiving the Dwight. D. Eisenhower Leadership Award from West Point and the Rensselaer Medal for her excellence in math and science. Throughout the years, Krista's talents flourished in all of her activities, notably serving as a peer leader, co-president of the Student Council, member of five national honor societies, senior leader of the ALJ cheerleading team, junior coach of the Clark Pop Warner team and Key Club volunteer in both her school and community. She will be attending the University of Tennessee and pursuing a major in accounting.

Bradyn has taken a demanding course load at Arthur L. Johnson High School of honors and Advanced Placement courses with a focus on science. Bradyn hopes to pursue a career in the medical field. Her premedical teacher Mrs. Jacobi added, "Not only is Bradyn a conscientious student, who realizes the

importance of good work ethics, and solid study habits that will enhance her education, but she has the kindest, sweetest, most compassionate personality that would make her the very best at helping patients." Bradyn is a member of five national honor societies. Outside of the classroom, she served as a student representative for the Leukemia and Lymphoma Society, raising awareness and funds for blood cancer research. This role earned her the title of Student Visionary of the Year. She has also dedicated many years to competitive gymnastics. Bradyn plans to attend either the University of Connecticut or Boston College with a major in biology.

LINCOLN SCHOOL ARTISTS CELEBRATE YOUTH ART MONTH

Garwood Public Schools

Mayor Blumenstock, Councilwoman Nolde, and Mrs. Planer celebrate Youth Art Month with some of Lincoln School's talented artists!

Mrs. Planer selected pieces of art that were models of excellence from each grade level and twenty pieces of art are currently on display at the Garwood Public Library and in the Garwood Borough Chambers.

Mrs. Planer is so proud of all of her students and the amazing work that they create throughout the year.

FIRST BIRD WALK HELD IN UNAMI PARK

Garwood Green Team

Over 20 residents of Garwood and other surrounding Union County towns attended Garwood's first bird walk recently held in Unami Park.

The walk was led by Kaitlyn Pinto, an AmeriCorps NJ Watershed Ambassador and Michael Mindel from the Garwood Green Team. Participants learned some basics about the environmental connection that birding has along with the social, health, and community benefits that birding can offer.

The weather and birds definitely cooperated to make this walk a complete success! Weather was sunny and warm and the group was able to log over 20 different bird types. Some notable eye catchers that were sighted during the walk were an Eastern Phoebe, an American Goldfinch, and several Yellow-bellied Sapsuckers.

Thanks to all that made this first bird walk a success and the leaders look forward to scheduling future birding programs in the area.

The Garwood Green Team is always looking for new members. The Team undertakes various 'greening' projects throughout Garwood, and also works on Sustainable Jersey action items to make Garwood a more sustainable living environment for all. Anyone interested in joining is asked to contact w-nierstedt@garwood.org, or complete a volunteer form at Garwood Borough Hall.

For more information on future NJ watershed programs, Kaityln Pinto can be reached at wma7.njwap@gmail.com.

PERCUSSION & COLOR GUARD SHINE IN TOURNEY

Clark Public Schools

The Arthur L. Johnson High School Indoor Percussion and Color Guard teams both claimed 1st place at the Tournament Indoor Association (TIA) Brick Memorial Competition, marking a remarkable achievement for both groups. This success highlights not only the incredible skill of each performer but also the dedication and teamwork that have been a hallmark of these programs. With the season still early, this accomplishment sets a strong foundation for even greater success as the year progresses.

Indoor Percussion Director Andrew Calo couldn't contain his excitement after the competition, expressing his pride in the team's performance. "I am so excited and thrilled with how the students performed. The Indoor Percussion received a score of an 82, which is the highest we have ever received this early in the season."

This score reflects the hard work and countless hours of practice the team has invested, and serves as a testament to their growth and dedication as they continue to refine their craft.
