CLASS OF 25 VALEDICTORIAN & SALUTATORIAN

Madison High School is proud to announce this year's valedictorian and salutatorian. Congratulations to Anuthra Abeysinghe and Aiden Shah who have been named the Class of 2025 Valedictorian and Salutatorian!

ANUTHRA ABEYSINGHE, VALEDICTORIAN

Anuthra is headed to Princeton University and plans to pursue a major in Operations Research & Financial Engineering. He is in the process of deciding whether or not to continue his swimming career as a member of their Men's Swimming & Diving Team. One of his favorite memories at Madison High School is from "Appreciate Where We Are (AWWA)" day in Mr. Carusone's AP Physics 2 class. On this day,

students had an opportunity to reflect and celebrate their year of learning physics while enjoying some food and playing spikeball.

AIDEN SHAH, SALUTATORIAN

Aiden is also headed to Princeton University where he plans on majoring in Public and International Affairs and double minoring in Sustainable Energy and Philosophy. His favorite memory from Madison High School was from traveling to Belgium as a part of Harvard Model Congress, where he met so many fascinating international students, indulged in amazing Belgian cuisine (mostly waffles) and even won an award for his delegation skills.

PRESERVATION TRUST GRANT
APPLICATIONS DUE JUNE 19TH

Morris County

The Morris County Office of Planning and Preservation has announced the availability of grant applications to file for open space funding through the Morris County Preservation Trust.

The applications are available on the Open Space Preservation website: morriscountynj.gov/Departments/Open-Space-Preservation/Open-Space-Application

The deadline for submitting open space applications and appraisals for 2025 funding is Thursday, June 19, 2025.

In 2024, the Morris County Board of County Commissioners approved the Open Space Trust Fund Committee's recommendations to award \$1.8 million in grants for acquisition and preservation of 65.2 acres across three municipalities.

Since its inception in 1994, the Open Space Trust Fund program has helped to preserve more than 18,300 acres throughout Morris County, supported by \$300,022,868 in funding generated through a preservation tax approved by voters in 1992.

In addition to open space projects, the county's Preservation Trust Fund also supports farmland and historic preservation, county parkland acquisition, recreational trails projects, and the purchase of flood-prone residential properties.

The review process for grant applications is managed by the Open Space Trust Fund Committee, which visits the proposed sites and makes final recommendations to the Board of County Commissioners each fall.

"Any of Morris County's 39 municipalities and qualified charitable conservancies are eligible to apply for grant funding," said Barbara Murray, program coordinator of the Morris County Open Space Trust Fund program.

For more information, contact the Office of Planning and Preservation at 973-829-8120.

SENIOR CENTER WELCOMES AREA RESIDENTS

For 35 years, the Senior Center of the Chathams has been encouraging the independence and well-being of older adults and their families by connecting them with each other and the general community. As a unique not-for-profit agency, the Center serves the senior population from the Chathams and older adults from a wide surrounding area. The Center helps older adults age in place and remain active and engaged through activities and services that educate, empower, and promote community engagement. Programs and services are offered in the areas of fitness and wellness, enrichment, support and connection, and information and resources. There is no membership fee to join. Many programs are offered free of charge, while others involve only a minimal fee thanks to individual donations, fundraising events, and grants. The Center is located at 58 Meyersville Road (lower level) in Chatham and is open Mondays through Fridays from 9AM to 3PM. For more information, call 973-635-4565 or visit chathamseiorcenter.org.

RECENT RETIREES INVITED TO NEW GROUP

The Senior Center of the Chathams is holding a new group for recent retirees that is part of its ongoing Connections series. This free four-week session starts on Tuesday, May 6 and meets on Tuesdays. It's a great opportunity to meet others and share experiences during this exciting new phase of life. If you are interested in participating, please call the Senior Center of the Chathams at 973-635-4565.

Retiring, whether by choice or not, can be a challenging experience. On the one hand, retirement is supposed to feel like a happy time earned after many years of hard work; on the other, it can be an uncertain and stressful period. Many new retirees experience a drop in well-being because they find they miss working, miss the camaraderie of colleagues, are bored, or haven't yet determined what to do with their time. This can also be accompanied by feelings of loss of professional identity, loneliness, and questions about the future. Many may benefit from group support and talking with others going through the same life transition.

The Senior Center of the Chathams (SCC) is an independent 501 (c) (3) non-profit organization celebrating its 35th anniversary this year. Since its founding, the Senior Center of the Chathams has provided older adults with opportunities for connection, community, and engagement. Not your typical "senior center," energetic and intellectually curious older adults are offered a huge variety of programming and services each month that enrich, support, and help to maintain an active lifestyle.

Chatham residency is not a requirement for participation. The Center welcomes people from Chatham and surrounding communities, as well as individuals from anywhere in New Jersey. There is no fee to join the Center. Many programs are offered free of charge, while others involve a minimal cost thanks to individual donations, fundraising events, and grants. Located at 58 Meyersville Road (lower level), Chatham, the Center is open Mondays through Fridays from 9:00 a.m. - 3:00 p.m. For more information, call 973.635.4565 or visit chathamseiorcenter.org.

LOGO COMMEMORATES AMERICA'S 250TH ANNIVERSARY

Morris County

The logo, designed by Kraus Marketing of Morristown in collaboration with the Morris County 250th Anniversary Steering Committee, incorporates the colors of the official Morris County seal and features a striking silhouette of Gen. George Washington and "his horse." He actually had two favorite steeds named Nelson and Blueskin – just a bit of the landslide of trivia to follow over the next two years as Morris County welcomes tourists from near and far to celebrate and reflect on its key role in the American Revolution.

The logo design is accompanied by the phrase "Celebrating 250 Years of Revolutionary History in Morris County," and will soon adorn banners, hats and other forms of marketing materials that will accompany Morris County's official events, tours and celebration of America's Second Continental Congress declaring independence from Britain in July 1776.

The 250th anniversary, or "Semiquincentennial," marks 250 years since the signing of the Declaration of Independence. More Revolutionary War battles and encampments occurred in New Jersey than any other colony -- with Morris County hosting many key figures from the era and preserving numerous historic sites that will be the focus of public events in 2025 and 2026.

"This logo is more than just an emblem-- it embodies the influence Morris County had on our nation's path to freedom. The 250th anniversary is an opportunity to celebrate our county's past, and we invite everyone to visit and experience the unique history that helped shape America's founding," said Commissioner Christine Myers, a steering committee member.

To prepare celebratory events for the 250th this year and into 2026, The Morris County 250th Anniversary Steering Committee was formed last year and enlisted leaders of historical societies, higher education, museums, libraries, business associations, tourist organizations, civic groups, scholars and government officials. The goal is to promote not only the historic role Morris County, and its diverse community played in the American Revolution, but also to highlight the rich and varied history that followed.

During the Revolutionary War, Gen. George Washington and the Continental Army spent significant time in Morris County, with Morristown serving as a strategic winter encampment in 1777 and again 1779–1780. The second encampment, one of the harshest winters of the war, tested the resilience of Gen.

Washington's troops as they endured extreme cold and food shortages. Washington also resided at the historic Ford Mansion in Morristown, which recently reopened to the public following extensive renovations.

By personifying the image of George Washington, Morris County's 250th anniversary logo captures the spirit of the American Revolution while authentically representing Morris County's historical significance.

"This logo embodies the rich history and heritage of Morris County. As the Crossroads of the Revolution, our county played a key role in America's fight for independence and we sought a design that truly reflected that significance," said Sarah Neibart, Executive Director of the Morris County Semiquincentennial Initiative at the Tourism Bureau.

Upcoming events highlighting Morris County's role in the 250th anniversary include the 16th annual Pathways of History tour, Morristown National Historical Park's (NHP)

Spring Encampment at Jockey Hollow and the Lafayette Farewell Tour this summer.

This year, Pathways of History, organized by the Morris County Historical Society, will offer both spring and fall weekend tours for the first time. All are welcome to attend, and admission is free to the annual event showcasing historic sites managed by Morris County's smallest, all-volunteer organizations.

The upcoming spring tour will take place on Saturday, May 3 and Sunday, May 4 from noon to 5 p.m. and will feature a record 29 organizations across 20 municipalities.

The Spring Encampment at Jockey Hollow, Morristown NHP's largest annual special event, will be held the same weekend, May 3 and 4, and features re-enactors from across the Northeast who bring the Revolutionary War to life with demonstrations. The event is also free and open to all, offering visitors a glimpse into 18th-century military and civilian life-- including replica cannon fire!

BUILD YOUR ONLINE PRESENCE: NEW DFY* SERVICE

DONE FOR YOU - NJLOCALINFO.COM

Struggling to build your business' online presence? NJLocalInfo.com offers not only a powerful, cutting-edge content marketing service, but also a high quality local directory to connect you with leads directly.

NEW JERSEY: POWERED BY SMALL BUSINESS

It would not be a stretch to say that the New Jersey economy is built on the backs of the small businesses that call the state their home. Nearly one million SMB enterprises are registered in the state as of 2024, a sector of the economy that now accounts for half of all employment in the state. Things are competitive, to say the least. So, how do you, as a business owner, stand out?

WHAT TO BOOST YOUR ONLINE VISIBILITY? VISIT NJLOCALINFO.COM

To answer that question, we need to first understand the shape of the problem facing many small business owners. There is one very critical thing putting many businesses at a massive disadvantage, not only when compared to other SMBs, but against larger competitors as well. That key ingredient? Digital marketing.

A recent Forbes report found that over half of all small business growth in 2025 comes from digital sources. Translation? Without a digital presence, you are leaving a huge chunk of your potential revenue on the table.

NJLOCALINFO TO THE RESCUE

To help level the playing field, NJLocalInfo.com has developed a two-fold visibility solution that will allow your business to quickly and sustainably build organic traffic in your local market. They accomplish this both by establishing high-quality backlinks to build site authority, and by promoting your business directly to customers through their own directory.

PROVEN SYSTEM

Their content marketing services are based on their "Create, Repurpose, Distribute" system, which combines the talents of a team of human experts with leading automation technologies to facilitate broad-reach campaigns on a budget. The system relies on informative yet engaging content, which is then transformed into various formats using automation and distributed to hundreds of high-authority channels
