### MALATHI ANANTHAKRISHNAN'S TEXTILE ART ON DISPLAY

The Friends of the Library are happy to announce the exhibit of Malathi Ananthakrishnan's Textile Art. Malathi Ananthakrishnan is an architect and textile artist who lives in New Providence, NJ. She develops beautiful designs, experimenting with creative methods to work with fabrics. She has dyed fabrics by hand, sometimes employing a cyanotype printing process with light sensitive emulsion on fabric. She has also worked with resist methods, such as batik dyeing with wax resists, and Ikat or shibori methods, which use stitching or tying as the resists to the dye. After preparing the fabrics, Malathi cuts and sews them into original patterns, experimenting with geometry and exploring different methods and mathematical solutions, inspired by kaleidoscope and stained glass. Malathi has documented her methods with photos that she has printed on mounted posters that are on display on the walls with the quilts. Malathi's exhibit will be up in the library Adult Reading area and in the Conti Community Family room thru May 30, 2025.

Artist Statement: Color has always fascinated me from a very young age. Vibrant saris and striking tropical flowers surrounded me while growing up in India. At home, there was always colorful fabric and yarn around as my mother would sew, knit, and embroider. My great-great grandmother had learnt to sew and embroider from English missionaries in the late 19th century and passed it down. I learnt the creative arts from my mother and grandmother, making me a fifth-generation textile artist. Once I started working after college, I had time in the evenings, and I started experimenting with fabric and developing my own style. In the beginning I made quilts with strips, squares and half squares using traditional patterns. Then, I started to make my own patterns taking inspiration from nature. I learned to dye fabric so that I could get the exact colors and gradients I wanted. Each piece, or sequence, takes a lot of time to design and execute. I start with an idea or inspiration and then design my own piece. I work out the methods of construction. I have to either find the right fabric in the store, or dye it myself, depending on the colors

and designs I have in mind. Then comes the work of actual cutting and piecing the top in the most efficient way. Learning new things and enjoying the process are my main goals.

### **BIKE & SEWING MACHINE COLLECTION - JUNE 7**

Faith Lutheran Church

Do you have bikes or sewing machines needlessly taking up room in your home or garage? Give them a new home by bringing them to Faith Lutheran Church's bike and sewing machine collection for Pedals for Progress (P4P) and Sewing Peace on Saturday, June 7th from 9:00 a.m. to 12:00 p.m.

Adult and children's bicycles in rideable or repairable condition will be shipped overseas by P4P and distributed to those who rely on them for transportation to jobs, markets, medical care, and schools. Donations of working sewing machines also provide income opportunities for those living in developing countries.

If you are unable to drop by on June 7th, you may still leave your bicycle(s) in Faith Lutheran's lower lot next to the utility shed. If you are donating a sewing machine, please leave it underneath the sheltered alcove by the red doors at the bottom of the parking lot. Faith will make sure these items get to P4P for this collection or will hold them until the next one. Please note that "bikes for parts" or disassembled bicycles will not be accepted.

On average, it costs \$52 to collect, process, and ship each bicycle. A donation toward shipping costs is necessary for P4P's continued success and \$20 is suggested per bike and sewing machine. All monetary donations (cash or check) and material donations are fully deductible, and

a receipt will be provided on site on June 7th. Donations can also be made directly via p4p.org.

To date, Pedals for Progress has shipped over 167,000 bicycles and 6,300 sewing machines to partner agencies in Central America, Africa, and Eastern Europe.

Faith Lutheran Church is located at 524 South Street, New Providence, NJ. Find out more at famfaith.org. Worship is on Sundays at 8:00 a.m. and 10:00 a.m. with livestreaming available via website, Facebook, and YouTube. The church phone number is 908-464-5177 and the pastor of Faith is Rev. Jane McCready.

### MEMORIAL DAY: A TIME FOR REFLECTION AND ACTION

Michael Boll, New Jersey Veterans Network

Every Memorial Day, millions of Americans attend parades, fire up their grills, and host large backyard BBQs for friends and family. As a veteran, I look forward to marching in a parade and attending a BBQ. However, before the festivities begin, I make it a point to check in on fellow veterans and ensure they are in a good place. For some veterans, Memorial Day is a difficult day, and they could use some reassurance from a friend or comrade.

For too long, our military members and veterans have been facing a heartbreaking crisis. A new study suggests that 44 veterans and servicemembers take their lives every day. This has become a nationwide epidemic, and countless families are struggling with this issue alone. Fortunately, there are many organizations working tirelessly to help our uniformed heroes get through these difficult times.

In 2017, the New Jersey Veterans Network (501(c)3) was created with a focus on the well-being of military members, veterans, and their families. The NJVN is a volunteer-driven mobile outreach team that actively seeks out veterans in need, providing them with free, life-saving resources and services. As a grassroots organization, we have a unique perspective on the needs of our uniformed heroes.

Our approach, combined with the ability to

collaborate with other organizations that share our mission, has allowed us to save lives and help veterans live a better quality of life. Recently, the NJVN has ramped up our mentorship and peer support programs. However, our recreational therapy events and functions have produced the most impactful results.

The NJVN has had great success hosting social events such as: movie nights, group hiking, paintball, professional sporting games, fishing trips, hunting, and other outdoor activities. Additionally, every year, the NJVN sends veterans to Camp Patriot (a PTSD retreat) for a week of healing.

Each week, the NJVN provides veterans with food, clothing, housing assistance, VA benefits information, and mental health support. By partnering with numerous other groups and organizations, we can offer our uniformed heroes a better way of life.

We are always looking for volunteers that can both assist with upcoming events and help mentor veterans so they can live better productive lives. Volunteers are the most important NJVN resource, and we would love to have more people help us save lives. If you need assistance, or are interested in joining our team of volunteers, please send us your name, email, and phone number to NJVN1775@gmail.com or call 973-332-1556. For more information visit NJVN.org.

### MAY SPEAKERS PROGRAM FOR THE SUMMIT AREA OLD GUARD

The Summit Area Old Guard is a social, educational, and recreational organization that serves men of retirement age. We meet Tuesdays, 9:30 a.m., at the New Providence Presbyterian Church located at 1307 Springfield Ave – we encourage visitation, and all are welcome. Our motto is "Come for the Programs. Stay for the Friends." The organization was founded in 1930. Our website address is summitoldguard.org.

### IN MAY, WE WILL HAVE FOUR SPEAKERS: MAY 6TH - VIN FEMIA

On May 6th, our speaker will be Vin Femia. He will be reliving the championship history and relating some weird and amusing stories about the New York Giant, the Jets, and the New England Patriots. Vin has authored three books about pro football and baseball. His entertaining presentation will discuss the sometimes successful and sometimes turbulent history of these teams. He will illustrate his talk with slides and describe his experiences interviewing both players and coaches.

#### **MAY 13TH - JESSICA BRODKIN**

On May 13th, our speaker will be Jessica Brodkin. Jessica is a graduate of MIT, a former CIA analyst, a reiki energy healer, an actress with many credits, and a stand-up comedian. She will speak to us about several methods of healing ranging from early East Asian techniques to modern alternative methods. Her focus is on longevity training that is particularly helpful to seniors, including acupuncture and reiki, a Japanese healing technique that promotes relaxation and stress reduction.

#### **MAY 20TH - RON WEIGNER**

On May 20th, Ron Weigner, an Old Guard member, will review the recent Mid-Atlantic Air Museum's World War II gathering of warbirds and much more. This has become a premier event commemorating events of WWII and the people and machines that led to the Allied victory. For

three decades the museum honored our history through D-Day remembrance, vehicle and aircraft displays, re-enactments, speakers, and even big band era music. Ron will give us a first-hand look at the weekend activities illustrated with pictures and a video.

#### **ON THE 27TH - KATHLEEN WALDRON**

Finally, on the 27th, we will get an insider's perspective on how prescription drugs come to market. Kathleen Waldron, vice president of regulatory affairs for AbbVie, will be our speaker. AbbVie was spun out of Abbott Labs in 2013 and is a researched based pharmaceutical company concentrating on discovering and developing advanced therapies for complex diseases. Kathleen will discuss the drug development process from R&D, through clinical trials, FDA approval and eventual product launch and how today's changing technology impacts the process.

\*DONE FOR YOU - NJLOCALINFO.COM\*

Struggling to build your business' online presence? NJLocalInfo.com offers not only a powerful, cutting-edge content marketing service, but also a high quality local directory to connect you with leads directly.

#### **NEW JERSEY: POWERED BY SMALL BUSINESS**

It would not be a stretch to say that the New Jersey economy is built on the backs of the small businesses that call the state their home. Nearly one million SMB enterprises are registered in the state as of 2024, a sector of the economy that now accounts for half of all employment in the state. Things are competitive, to say the least. So, how do you, as a business owner, stand out?

#### WHAT TO BOOST YOUR ONLINE VISIBILITY? **VISIT NJLOCALINFO.COM**

To answer that question, we need to first understand the shape of the problem facing many small business owners. There is one very critical thing putting many businesses at a massive disadvantage, not only when compared to other SMBs, but against larger competitors as well. That key ingredient? Digital marketing.

A recent Forbes report found that over half of all small business growth in 2025 comes from digital sources. Translation? Without a digital presence, you are leaving a huge chunk of your potential revenue on the table.

#### **NJLOCALINFO TO THE RESCUE**

help level the playing field, To NJLocalInfo.com has developed a two-fold visibility solution that will allow your business to quickly and sustainably build organic traffic in your local market. They accomplish this both by establishing high-quality backlinks to build site authority, and by promoting your business directly to customers through their own directory.

#### **PROVEN SYSTEM**

Their content marketing services are based on their "Create, Repurpose, Distribute" system, which combines the talents of a team of human experts with leading automation technologies to facilitate broad-reach campaigns on a budget. The system relies on informative yet engaging content, which is then transformed into various formats using automation and distributed to hundreds of high-authority channels
