BENEFIT RAISES \$15,000 FOR MADISON LIBRARY

Friends of the Madison Public Library

Almost 125 supporters of the Friends of the Madison Public Library (the Friends) became the first official guests of the renovated Library as they gathered on Saturday evening, April 26th, for the Friends' Annual Benefit. The event raised more than \$15,000 to support library programs and activities. Attendees celebrated the completion of the Library's renovation and enjoyed seeing the beautiful new space.

In an introduction to the evening, Thomas Bintinger, President of the Library Board of Trustees, shared details about the 1½ year renovation project which began in November 2023. The renovations feature everything from reconfigured workstations and seating to improved lighting, wiring and asbestos removal.

The Benefit honored the library's 30 staff members, under

the leadership of Director Lynn Favreau. Their incredible commitment to the community was recognized in comments by Ms. Favreau and Kathy Trombacco, Co-Chair of the Friends. During the many months of renovation, operating from a trailer and the Chase Room, they continued to provide a full range of library services to Madison residents.

Proceeds from the Benefit will be used to support many special library programs and events for children, teens, and adults and to expand streaming services and book and media collections. The Friends fund special programs, including the library's popular digital Museum Pass Program, the Summer Reading Program, the Zoom lecture series and also sponsor the Minicourses at the Madison Library.

For more information about the Friends of the Madison Public Library, please visit friendsmadisonnjlibrary.org

The New Providence Amateur Radio Club is a general interest amateur radio club open to all. Our goals are technical growth, community service, fellowship, and fun! We also hope to encourage more people to become hams. If you are thinking about becoming a ham, or if you are a ham looking for a club affiliation, we invite you to visit one of our meetings or activities and talk to some of our members.

We do all kinds of Ham Radio Activities. We take part in contests and exercises to practice our communications skills. We work with local kids, at school and at summer camps

The club was formed in 1965, primarily by hams working at Bell Labs. Meetings were (and are still) held in New Providence, hence the name of the club. Despite the name, there are no resi-

dency requirements for membership, although most members happen to live within 20 miles of New Providence, NJ, which is in Union County.

We currently have about 50 members - men and women - of all ages, including students, with a wide variety of ham radio skills and interests. Please join us!

Our meetings are held in the Salt Brook Elementary School in New Providence, NJ at 7:30 p.m. on the second and fourth Monday of every month when the school is open. Topics discussed at our meetings are always related to Ham Radio or electronics, but are frequently non-technical, or presented for the education of our young and/or new members. YOU are cordially invited to attend one of our meetings. For more information, please visit nparc.org, or call 908-464-1730.

"IMAGINE THE POSSIBILITIES" EVENT AT SUMMERHILL PARK - JUNE 7

FOUR DECADES OF MUSICAL MAGIC

Hanover Wind Symphony

Celebrating four decades of “bringing music to people and people to music,” the renowned Hanover Wind Symphony presented a gala 40th Anniversary Concert on Sunday, April 27, at Morristown High School. Roughly half the members of the all-volunteer HWS are music educators; the other half range from engineers and physical therapists, to IT business analysts, speech/language pathologists, even probation officers. All bring their musical talents, plus their other life experiences, to the music they love to play. The group was founded in 1985 by Peter Boor, former band director at Whippany Park High School, who saw the need for an adult ensemble which could perform music of the highest caliber. At the premiere performance there were 30 musicians. Now in its 40th season, the Hanover Wind Symphony has a membership of over 85. For further information about HWS, including details about upcoming concerts, visit hanoverwinds.org.

(above) Among those on hand for the HWS 40th Anniversary Concert founding music director and conductor Peter Boor, left, former band director at Whippany Park High School and Fairleigh Dickinson University in Madison, and Matthew Paterno of Parsippany, current HWS music director and conductor. Boor served as a guest conductor at the 40th Anniversary Concert.

The Madison Open Space, Recreation & Historic Preservation Advisory Committee (OSRHP) invites the community to celebrate National Trails Day® on Saturday, June 7, 2025, at 9:00 a.m., with a special event titled “Summerhill Park and the Central Green – Imagine the Possibilities.”

This event encourages residents to explore Madison’s vast natural beauty and nearly two miles of scenic trails across its open space properties. Attendees will enjoy a guided walk through Summerhill Park, Madison’s second-largest park, and The Central Green, highlighting the community’s recent Parks Master Plan and vision for enhanced connectivity and park amenities. The event will begin at the Summerhill Park parking lot off Ridgedale Avenue.

Summerhill Park, located between Ridgedale and Central Avenues, spans 26 wooded acres and

features gentle, hilly trails, picnic areas, and access points from DeHart Place, Central Avenue, and Ridgedale Avenue. Its historical and natural features include the Luke Miller House, the oldest structure in Madison, and remnants of old greenhouses from the borough’s days as a hub for the commercial rose industry.

Madison has close to 2 miles of trails throughout our handful of open space properties.

WHAT’S NATIONAL TRAILS DAY® ALL ABOUT?

National Trails Day® is a day of public events aimed at advocacy and trail service. Thousands of hikers, bikers, rowers, horseback riders, trail clubs, federal and local agencies, land trusts, and businesses come together in partnership to advocate for, maintain, and clean up public lands and trails.

To learn more about the American Hiking Society National Trails Day®, take the pledge or find an event, visit their website here.

WWW.FISHAWACK.ORG

FISHAWACK FESTIVAL - SATURDAY, JUNE 14TH

Chatham's Annual Fishawack Festival is nearly here! The 56th Annual Festival will take place on Saturday June 14, 2025, in downtown Chatham.

This year's festival is expected to attract a wide variety of food vendors, businesses, artisans, and non-profit organizations, which will make the event enjoyable for all ages.

The day's festivities will begin at 8 AM in front of Borough Hall with the ceremonial raising of the Flag for Flag Day, followed by a presentation of awards to distinguished volunteers of the Borough by Mayor Carolyn Dempsey.

At 9 AM, the Jaycees 1 mile fun-run for children will begin, with medals for all children who complete the race. At 9:30 AM, the 4-mile race will begin, with the first 3 males and first 3 females receiving gift certificates to local Chatham Businesses. Runners may register on the day of, but are encouraged to register ahead of time online, at runsignup.com/Race/NJ/Chatham/JayceesFishawackRun. Registrants may pick up their shirt and bibs in the cafeteria of ECLC the morning of the race. Please follow signs to the cafeteria. Please plan on parking in Railroad Plaza North, Post Office Plaza, Bowers Lane, or Center Street Lots. Railroad Plaza South and Fairmount Ave will be closed off, please make plans accordingly.

Vendors, businesses, artisans, and non-profits will operate stalls along Fairmount Ave and in Railroad South between 10 AM and 4 PM. There will also be a variety of local band performances

at the Gazebo in Reasoner Park, where there will also be the Beer & Wine Garden from 12 PM until 6 PM. Parking will be in the same locations as for the race, with additional handicap parking on the Northern side of Borough Hall.

Looking for something for the kids? The Kids Fun Zone will operate from 11 AM to 3 PM on Lum Avenue Field, in between ECLC school and RR South parking lot. Tickets can be purchased on sight. Additionally, a Kid's Chatham History Festival event organized as a local Eagle Scout project will occur at RR South, near the Kids Zone, also from 11 to 3. In addition to the rides, there will also be a variety of free events and games for children to play. Between the rides and a variety of sweet foods, the event promises to not disappoint! Adults are advised to bring cash for both fun zone and beer and wine garden sales, credit cards will not be accepted.

The Fishawack Festival will accept Business, Artisan, and Non-Profit applications through June 6th, 2025. Food and beverage vendors will be accepted through May 30, 2025. Interested parties should complete the application form at www.chathamborough.org and return to the Borough Community Services Department.

Any questions about the festival should be directed to

communityservices@chathamborough.org
or (973) 635-0674 x200.

The Community Services Department expects this year's festival to be a great success and looks forward to the community's participation in the festival!

You will receive Zoom instructions and online meeting information in your registration confirmation email in addition to a reminder email prior to the date of the program. Please register at madisonnjlibrary.org.

Helen of Troy: The Frick Collection Taking The Confusion Out of Coverage

Wednesday, June 11th @ 7pm

She is the daughter of a god. She is the cause of a war. She ran away; she was kidnapped; she never went to Troy at all. Few mythic names have captivated readers and thinkers so enduringly as that of Helen of Troy, famed for her remarkable beauty and her troubling behavior.

Hosted by Gabriel Roehr, a doctoral candidate in Classical Studies at the University of Pennsylvania. She received her B.A. (summa cum laude, Phi Beta Kappa) with high honors in Classics and a minor in Art History from New York University in May of 2020, and began the PhD program in Classical Studies at the University of Pennsylvania in September of the same year.

US National Parks Tour

Wednesday, June 25th @ 7pm

Join us as we virtually embark on an unforgettable journey through America's pristine wilderness with our program, "Explore America's Natural Treasures: National Parks Unveiled." In this engaging and informative presentation, professional traveler Chris McCormack will share the beauty, adventure, and cost-saving tips for exploring our most breathtaking national parks in the United States.

Grief Support Group

Tuesdays, 10:00 AM, starting June 3

this support group provides a safe and welcoming space to explore experience with loss, and is facilitated by a LCSW.

Alzheimer's NJ Caregiver Support Group, Thursday, June 5, 10:30 AM - provides families and caregivers with the emotional support and education they need to better understand Alzheimer's Disease and other forms of dementia. A trained facilitator guides the group.

Beers & Cheers 35th Anniversary Party

Friday, June 6, 6PM-9PM

see chathamseiorcenter.org for details
 NJSave and Benefits for Seniors - Monday, June 9, 1:00 PM - Learn about NJSave, a one-stop application that helps low-income older adults and individuals with disabilities save money on Medicare premiums, prescription costs, and other living expenses, such as nutrition, heat and energy assistance, and property taxes.

Caring for the Caregiver

Thursday, June 5, 11:00 AM

A nurse practitioner will give a presentation on the struggles of being a caregiver and how to balance your own time and needs while caring for others.

The Benefits of Tai Chi

Monday, June 16, 1:00 PM

A Tai Chi instructor, will discuss the physical and emotional health benefits of practicing Tai Chi, a gentle mind-body exercise that combines slow flowing movements, deep breathing and meditation to promote well-being. Brief demonstrations will be included.

Difficult Conversations with Aging Parents

Tuesday, June 17, 7:00 PM

at the Library of the Chathams - Talking with aging parents and loved ones about their future can be challenging, but it's a conversation that can't wait. Join elder law and estate planning attorney Robert Murray, Esq., The Murray Firm, and Kathleen Bassiacos, registered Nurse and Geriatric Care Advocate to discuss: how to

approach sensitive topics like healthcare, finances, and long-term care; strategies to reduce family conflict and create a unified plan; the essential legal documents every family should have in place; and how to ensure your loved one's wishes are honored.

Advocating for Your Health Needs with Family Members

Monday, June 23, 1:00 PM

Learn essential strategies for advocating for your own physical, mental, and emotional needs - and the common barriers everyone faces when trying to effectively handle these discussions with healthcare providers or family members. Attendees will learn proactive steps to use in one's advocacy.

The Seeing Eye and its Dogs

Monday, June 30, 12:00 PM

The philanthropic organization in Morristown works to enhance the independence, dignity, and self confidence of blind people through the use of Seeing Eye dogs. A representative will talk about the non-profit's mission, initiatives, client stories, and introduce the audience to Seeing Eye dogs.

SENIOR CENTER WELCOMES AREA RESIDENTS

For 35 years, the Senior Center of the Chathams has been encouraging the independence and well-being of older adults and their families by connecting them with each other and the general community. As a unique not-for-profit agency, the Center serves the senior population from the Chathams and older adults from a wide surrounding area. The Center helps older adults age in place and remain active and engaged through activities and services that educate, empower, and promote community engagement. Programs and services are offered in the areas of fitness and wellness, enrichment, support and connection, and information and resources. There is no membership fee to join. Many programs are offered free of charge, while others involve only a minimal fee thanks to individual donations, fundraising events, and grants.

CHURCH RAISES FUNDS FOR YOUTH MISSION TRIP

Presbyterian Church of Chatham Township

The annual Youth Mission Trip Fundraising Dinner, hosted by the Presbyterian Church of Chatham Township (PCCT) on May 4, was a resounding success, raising \$8,500. The event provided attendees with a delicious North Carolina Barbecue and a silent auction featuring over 40 generously donated baskets.

Proceeds help fund the youth mission trip to New Bern, North Carolina, for more than 30 high school students and adult chaperones. Participants will assist with home repairs through the Craven County Disaster Recovery Alliance. New Bern is still recovering from the devastation

of Hurricane Florence in 2018, which caused over \$100 million in damage and affected thousands of homes.

The Rev. Thomas A. Brown, Pastor of PCCT, said, “We are thrilled with the overwhelming support we’ve received from the community for this trip and are deeply grateful for the volunteers who make the fundraiser such a success.”

PCCT has been offering youth mission trips for more than 20 years. This year’s trip is scheduled to take place from June 15th to June 21st.

The Presbyterian Church of Chatham Township is a vibrant, multi-generational

congregation that celebrates the glory of God through faith, fellowship, and service. Drawing members from more than 20 communities locally, as well as livestream, our church welcomes all. Whether you are a young family, a single adult, or a couple with grown children, you will find connection here. The congregation reflects diverse perspectives, provides rich music and education programs for all ages, and through social outreach addresses hunger, homelessness, and recovery from disasters or other crises. Follow us on Facebook and Instagram to see the church in action. For more information, visit pcct-nj.org or call 973-635-2340.

(above) More than 30 high school students and adult chaperones will go to New Bern, North Carolina this June to assist with home repairs through the Craven County Disaster Recovery Alliance.

ALTERNATIVE TO ROOF REPLACEMENT CAN SAVE THOUSANDS AND EXTEND ROOF LIFE UP TO 15 YEARS

**CHECK OUT THE
ROOF MAXX CUSTOMERS IN
YOUR NEIGHBORHOOD**

**ROOF MAXX ROOF RESTORATION AND REJUVENATION
IS A GREEN, SAFE, EASY, PROVEN AND AFFORDABLE
ALTERNATIVE TO A COMPLICATED, EXPENSIVE AND
LIFE-DISRUPTING ASPHALT ROOF REPLACEMENT**

Our revolutionary rejuvenation treatment is designed to penetrate deeply and restore the protective oils and flexibility of your asphalt shingles. This extends the life of your shingles and renews their water, wind, and sun protection for years to come.

Roof Maxx is Environmentally friendly while drastically reduces the expense of replacing your roof.

- Extend the life of your current roof for as much as 15 years
- Saves up to 75% over the cost of a new roof replacement.
- All-natural formulation is Certified USDA BioPreferred
- No messy, noisy, and lengthy construction process or trips to the landfill.

IS YOUR ROOF READY FOR ROOF MAXX?

Asphalt shingles are made of small, sand-like pebbles pressed and held together with natural oils. As this oil dries out, you will notice changes in your shingles. When you start seeing the following signs, your roof can benefit from a Roof Maxx treatment.

- Sand, pebbles, and debris flaking off and showing up in your gutters and downspouts.
- Watch for black stains or streaking that are visible from the ground.
- Note areas that are cracking, breaking, and curling.

Get a free inspection from Roof Maxx, and we'll give you honest answers about the condition of your roof and what we can do for you!

53 Cardinal Drive
Westfield, NJ 07091

Please be prepared to provide valid identification and any relevant case information to confirm ownership of the files.

STUDENTS ACCEPT NASA CODING CHALLENGE

Students from the Academy for Computer & Information Sciences, located at the Morris County School of Technology in Denville, within the Morris County Vocational School District (MCVSD), embarked on a Science, Technology, Engineering and Math (STEM) journey this school year by participating in NASA's App Development Challenge (ADC). The ADC, one of eight Artemis Student Challenges, is a coding challenge presenting students with technical problems seeking their contributions to deep space exploration missions.

The ADC is a part of the NASA Office of STEM Engagement Next Gen STEM Project and is led out of Johnson Space Center in Houston. This year's challenge asked student teams to research and design a computer application to visualize Artemis II, the first crewed mission on NASA's path to establishing a long-term presence at the Moon for science and exploration through Artemis. The challenge is created in collaboration with NASA's Space Communication and Navigation (SCaN) team to support upcoming mission planning and training activities.

SCaN serves as the program office for all of NASA's space communications activities, presently enabling the success of more than 100 NASA and non-NASA missions. SCaN manages the Near Space Network (NSN) and the Deep Space Network (DSN), ensuring the availability and allocation of the radiofrequency spectrum for all NASA programs. Additionally, SCaN supports the research and development of cutting-edge space communications technologies, such as optical and quantum communications, and is responsible for developing an integrated space communications and navigation architecture to support science and human exploration programs through 2040.

Throughout the 10-week challenge, which occurred Oct. 2-Dec. 11, 2024, students had the opportunity to engage with NASA coders and engineers through four live virtual events and weekly office hours. NASA scientists and engineers reviewed student video submissions and interviewed selected teams. Following interviews, top teams will be selected for a

multiday culminating event at Johnson.

By accepting the ADC challenge, these Artemis Generation students from the Academy for Computer & Information Sciences are participating in NASA's endeavors to land the first woman and first person of color on the surface of the Moon.

For additional information about the App Development Challenge, SCaN and NASA's Next Gen STEM visit their website:
www.nasa.gov/

ACADEMY FOR COMPUTER & INFORMATION SCIENCES

The Academy for Computer & Information Sciences is a rigorous Career & Technical Education (CTE) program that prepares students for success in post-secondary programs and careers related to the computer science field. Students in the Academy are provided with a comprehensive overview of computer programming, internet technology, computer architecture, history of computers, mathematics for programming, network security, and software engineering.

MORRIS COUNTY VOCATIONAL SCHOOL DISTRICT

Morris County Vocational School District (MCVSD) offers a wide range of career and technical education programs that inspire and prepare students to succeed in today's world and pursue tomorrow's opportunities. An academy program of the Morris County Vocational School District (MCVSD) provides students in grades nine through twelve in-depth instruction in a specific career pathway. Students attend the academy program instead of their local high school unless the academy program is housed in their local high school. Students take their academy class each year along with the NJ State Department of Education's academic requirements. All academy students receive a high school diploma from the Morris County Vocational School District, regardless of their academy location. Each academy has a unique academy course sequence and opportunities for internships and earning college credit. For more information visit www.mcvts.org.
